

# NAMSCON-2024

Jodhpur, Rajasthan | 23-24 November 2024

## 64<sup>th</sup> Annual Conference of National Academy of Medical Sciences

"One-Health: Let us Collaborate to Take Care of our Health"

**Pre-Conference Workshop**

**21<sup>st</sup> November 2024**

**National CME**

**22<sup>nd</sup> November 2024**

**Main Conference**

**23<sup>rd</sup> -24<sup>th</sup> November 2024**

**Auditorium, AIIMS Jodhpur**

**Organised by : All India Institute of Medical Sciences, Jodhpur, Rajasthan**

## INVITATION

Dear Colleagues,

We are privileged to cordially invite you to attend the 64th Annual Conference of National Academy of Medical Sciences (India) NAMSCON 2024, to be held at the All India Institute of Medical Sciences, Jodhpur from 21st to 24th November 2024.

The blue city of Jodhpur, also known as 'Suncity' in Rajasthan, present a blend of rich cultural heritage, monuments and an every growing desert town. The climate during the last week of November is comfortable with temperature ranging from 14° to 28° celsius.

Rajasthan is a culturally and climatically diverse region of India having its own preserved culture and heritage of Rajputana, While you visit Jodhpur, please take some time to visit sites in Rajasthan including the 'Pink city' of Jaipur, 'Lake city' of Udaipur, 'Golden city' of Jaisalmer and Hill station of Mount Abu.

Organising Chairperson

**Prof. Kuldeep Singh**

Head, Department of Paediatrics  
AIIMS Jodhpur

Organising Secretary

**Prof. Pankaj Bhardwaj**

Head, School of Public Health  
AIIMS Jodhpur

## NAMS

The National Academy of Medical Sciences, constitute as it is of highly selected leaders in biomedical sciences, is a unique which combines academic excellence as its goal.

The first Convocation of the Academy in 1963 was graced by Dr. S. Radhakrishnan, the then President of India, who delivered the Convocation Address.

Over the years, the Fellowship of the Academy has become a most cherished and coveted hallmark of distinction awarded through a well-structured and regulated system of peer review, and in recognition of outstanding achievements in biomedical sciences, medical education of excellence, but also seeks relevance in excellence.

The Academy constitutes the forum both for the acquisition of knowledge as also for its translation to enhancing human health.

## AIIMS - Jodhpur

AIIMS Jodhpur is one of the SIX AIIMS established by the Ministry of Health & Family Welfare, Government of India under the Pradhan Mantri Swasthya Suraksha Yojna (PMSSY) with the aim of correcting regional imbalances in quality tertiary level healthcare in the country and attaining self sufficiency in graduate and postgraduate medical education. PMSSY planned to set up 6 new AIIMS institutions in under served areas of the country.

These institutions are being established by an Act of Parliament on the lines of the original All India Institute of Medical Sciences in New Delhi which imparts both undergraduate and postgraduate medical education in all its branches and related fields, along with nursing and paramedical training to bring together in one place educational facilities of the highest order for the training of personnel in all branches of health care activity.

## JODHPUR

The former capital of Marwar state, Jodhpur, was founded in 1459 by Rao Jodha. According to Rathore tradition, the clan traces its origins back to Lord Rama.

The city of Jodhpur has grown around the magnificent Mehrangarh Fort. The old walled city is protected by a high stone wall with seven gates (Nagauri gate, Merati gate, Sojati gate, Jalori gate, Siwanchi gate and Chandpol) and countless bastions.

The 'blue' city of Jodhpur is the second largest city of Rajasthan enriching the desert with entrepreneurship, scholarship and art. The city is proud to have institution as AIIMS, IIT, NLU, NIFT etc. Handicraft industries of Jodhpur are one of the world's best.

The climate is the city is pleasant in the last week of November, with temperature ranging from 14° to 28° celsius.

Sightseeing in Jodhpur : Mehrangarh Fort, Jaswant Thada, Uamid Bhawan Palace, Girdikot and Sardar Market, Tulhati Mahal, Museum, Mandore.

## PATRON

Prof Shiv Kumar Sarin,  
President, National Academy of Medical Sciences (India)

Prof. G D Puri  
Executive Director, AIIMS Jodhpur

Prof. Madhabananda Kar  
Executive Director, AIIMS Mangalagiri

Dr Digambar Behera  
President Elect, National Academy of Medical Sciences (India)

## ORGANISING CHAIRPERSON

Prof. Kuldeep Singh  
Head, Department of Paediatrics, AIIMS Jodhpur

## ORGANISING SECRETARY

Prof. Pankaj Bhardwaj,  
Head, School of Public Health, AIIMS Jodhpur

## TREASURER

Dr. Manoj Kr Gupta  
Additional Professor, CMFM, AIIMS Jodhpur

## ADVISORS

Prof Sanjeev Misra  
Vice Chancellor, Atal Bihari Vajpai Medical University, Lucknow

Prof Praveen Sharma  
Former Head, Biochemistry, AIIMS Jodhpur

Prof M K Garg  
Professor and Head Medicine, AIIMS Jodhpur

Prof A K Sharma, Jaipur

Prof M R Jain, Jaipur

Dr. O P Kharbanda  
Pro V.C., Health Sciences, RUHS

Dr. Shalini C. Nooyi  
Principal & Dean, RMC

## CORE COMMITTEE

Prof. Umesh Kapil,

Prof. Abhinav Dixit,

Prof. Tanuj Kanchan,

Prof. Abhay Elhence,

Prof. Shilpi Gupta Dixit,

Prof. Naresh Nebhinani,

Dr. Dushyant Agarwal,

Secretary, National Academy of Medical Sciences

Dean (Examination), AIIMS Jodhpur

Dean (Research), AIIMS Jodhpur

Dean (Student Welfare), AIIMS Jodhpur

Dean (Academic), AIIMS Jodhpur

Vice Dean (Student Welfare), AIIMS Jodhpur

Vice Dean (Examination), AIIMS Jodhpur

---

## SCIENTIFIC COMMITTEE

**Chairperson:** Prof. Tanuj Kanchan

**Co-Chairperson:** Dr. Jaykaran Charan

**Members:**

Prof. Jagdish Prasad Goyal

Dr. Nikha Bhardwaj

Dr. Rimple Jeet Kaur

Dr. Deepak Kumar

Dr. Lokesh Saini

---

## REGISTRATION COMMITTEE

**Chairperson:** Prof. Pratibha Singh

**Co-Chairperson:**

**Members:**

Dr. Charu Sharma

Dr. Shival Srivastava

Dr. Nitesh Gehlot

---

## ADMINISTRATIVE ADVISORY COMMITTEE

**Chairperson:** Mr. Manu Manish Gupta,  
Deputy Director (Administration), AIIMS Jodhpur

**Members:**

Mr. Amit Mundra

Finance & Chief Account Officer, AIIMS Jodhpur

Mr. Sanjay Dhabai

Administrative Officer, AIIMS Jodhpur

Mr. Pankaj Saxena

Executive Engineer, AIIMS Jodhpur

---

## **SPONSORSHIP COMMITTEE**

**Chairperson:** Prof. Naveen Sharma,  
Head, Department of Surgery

**Co-Chairperson:** Prof. Amit Goyal

**Members:**

Dr. Alok Sharma

Dr. Dushyant Agarwal

## **SOUVENIR & MEMENTOS COMMITTEE**

**Chairperson:** Prof. Surajit Ghatak

**Co-Chairperson:** Dr Binit Sureka

**Members:**

## **CULTURAL COMMITTEE**

**Chairperson:** Prof. Daisy Khera

**Co-Chairperson:** Prof. Naresh Nebhinani

**Members:**

## **INAUGURATION & CONVOCATION COMMITTEE**

**Chairperson:** Prof. Shilpi Gupta Dixit

**Co-Chairperson:** Dr Aasma Nalwa

**Members:** Dr Vidhi Jain

## **TRAVEL, TRANSPORT & ACCOMMODATION COMMITTEE**

**Chairperson:** Prof. Pushpinder Khera

**Co-Chairperson:** Dr Dushyant Agarwal

**Members:** Mr Mahendra

## **SOCIAL MEDIA & PRESS COMMITTEE**

**Chairperson:** Dr. Jeewan Ram Vishnoi

**Co-Chairperson:** Dr Aliza Mittal

**Members:** Mr Pawan Gupta

---

## CATERING COMMITTEE

**Chairperson:** Dr. Ashish Kumar Nayyar

**Co-Chairperson:** Dr. Surjit Singh

**Members:**

Dr. Ankita Chugh

Dr. Garima Yadav

Mr. Amit Mundra

---

## LOGISTICS COMMITTEE (HALL ARRANGEMENT)

**Chairperson:** Dr Ruchi Garg

**Co-Chairperson:** Dr Sojit Tomo

**Members:**

Mr. Pankaj Saxena

---

## WORKSHOPS COMMITTEE

**Chairperson:** Dr Bharat Chaudhary

**Co-Chairperson:** Dr Nipin Kalal

**Members:**

---

## WEBSITE COMMITTEE

**Chairperson:** Dr. Puneet Pareek

**Co-Chairperson:** Dr Anubhav Gupta

**Members:** Mr Rahul Dhoot

---

## 1. Digital Health and GIS:

**Workshop Coordinator:** Dr Manish Chaturvedy

**Topic:** Leveraging GIS in Digital Health: Enhancing Healthcare Delivery and Outcomes

**Focus:** The use of Geographic Information Systems (GIS) in improving healthcare delivery, planning, and response.

**Objectives:** Understanding GIS applications in health, spatial analysis for disease tracking, and improving accessibility to healthcare services through GIS.

**Venue:** Skill Lab/Innovation Center

---

## 2. mHealth and Telemedicine:

**Workshop Coordinator:** Dr Pradeep

**Topic:** Innovations in mHealth and Telemedicine: Transforming Patient Care

**Focus:** Advances in mobile health (mHealth) and telemedicine technologies.

**Objectives:** Exploring mobile health applications, telehealth platforms, and strategies to integrate these technologies into clinical practice to improve patient outcomes.

**Venue:** Telemedicine Center, MS Office

---

## 3. Meta-Analysis and Systematic Review Methodologies in Health Research

**Workshop Coordinator:** Dr Shoban Babu Vartya

**Topic:** Unveiling the Power of Evidence Synthesis: Meta-Analysis and Systematic Review Techniques

**Focus:** Understanding the methodologies and applications of meta-analysis and systematic reviews in health research.

**Objectives:** Providing an overview of the systematic review process, including study selection, data extraction, and quality assessment, exploring statistical methods used in meta-analysis, such as effect size estimation and heterogeneity assessment, and discussing the importance of evidence synthesis in informing clinical practice, policy decisions, and future research directions.

**Venue:**

---

## 4. Implementation and Operational Research

**Topic:** Bridging the Gap: Implementation and Operational Research in Healthcare

**Focus:** Translating research findings into practical applications in healthcare settings.

**Objectives:** Understanding methodologies in implementation research, case studies on successful implementation, and evaluating the impact of operational research on healthcare delivery.

## 5. Antimicrobial Resistance

**Coordinator:** Dr Deepak Sharma

**Topic:** Combating Antimicrobial Resistance: Strategies and Innovations

**Focus:** Addressing the global challenge of antimicrobial resistance (AMR).

**Objectives:** Reviewing the mechanisms of resistance, current trends in AMR, and exploring innovative approaches and policies to mitigate AMR in healthcare settings.

**Venue:**

---

## 6. Geriatric Caregiving

**Workshop Coordinator:** Dr Bharat Maheswari

**Topic:** Best Practices in Geriatric Caregiving: Enhancing Quality of Life for Older Adults

**Focus:** Comprehensive approaches to caregiving for the elderly.

**Objectives:** Understanding the unique needs of geriatric patients, caregiver support strategies, and enhancing caregiving practices to improve the quality of life for older adults.

**Venue:**

---

## 7. Hypertension

**Topic:** Advances in Hypertension Management: From Diagnosis to Treatment

**Focus:** Current trends and best practices in hypertension management.

**Objectives:** Exploring the latest diagnostic tools, treatment protocols, lifestyle interventions, and patient education strategies to manage hypertension effectively.

**Venue:**

---

## 8. Health Economics and Health Technology Assessment (HTA)

**Topic:** Integrating Health Economics and HTA in Healthcare Decision-Making

**Focus:** The role of health economics and HTA in evaluating healthcare interventions.

**Objectives:** Understanding the principles of health economics, conducting HTA, and using these assessments to inform policy and clinical decision-making.

**Venue:** Skill lab

---

## 9. Periodontitis and Diabetes in Oral Health

**Topic:** Interlinking Periodontitis and Diabetes: Implications for Oral Health Management

**Focus:** The bidirectional relationship between periodontitis and diabetes.

**Objectives:** Reviewing the impact of diabetes on oral health, management of periodontitis in diabetic patients, and integrated care approaches for optimal health outcomes.

**Venue:** Skill lab

---

## 10. HIV Surveillance

**Topic:** Enhancing HIV Surveillance Systems: Innovations and Best Practices

**Focus:** Improving HIV surveillance for better public health outcomes.

**Objectives:** Exploring new technologies in HIV surveillance, data collection and analysis methods, and strategies to enhance the effectiveness of HIV prevention and control programs

---

## 11. Tribal Health Equity

**Workshop Coordinator:** Dr Pradeep Dwivedi

**Topic:** Addressing Disparities in Tribal Health: Strategies for Equity and Access

**Focus:** Understanding and addressing the unique healthcare challenges faced by tribal communities.

**Objectives:** Examining social determinants of health affecting tribal populations, exploring culturally competent healthcare delivery models, and promoting policies to achieve health equity for indigenous peoples.

**Venue:**

---

## 12. Blockchain in Healthcare

**Topic:** Harnessing Blockchain Technology for Secure Health Data Management

**Focus:** Exploring the potential of blockchain technology in improving healthcare data security, interoperability, and patient privacy.

**Objectives:** Understanding the fundamentals of blockchain technology, examining use cases in healthcare such as secure electronic health records (EHRs) and supply chain management, and addressing challenges and opportunities in implementing blockchain solutions.

**Venue:** India Innovation center

---

## 13. International Collaboration in Health Research

**Topic:** Fostering Global Partnerships for Health Research: Collaboration and Capacity Building

**Focus:** The importance of international collaboration in advancing health research and innovation.

**Objectives:** Identifying successful models of international research collaboration, promoting knowledge exchange and capacity building among researchers from different regions, and addressing ethical considerations and challenges in global health research partnerships.

**Venue:** Skill Center

---

## 14. Medical Education in Global Health

**Topic:** Integrating Global Health Perspectives into Medical Education: Preparing Future Physicians

**Focus:** The role of medical colleges and students in addressing global health challenges through education and training.

**Objectives:** Examining curriculum integration of global health topics, promoting cultural competency and cross-cultural communication skills among medical students, and fostering opportunities for international clinical experiences and service-learning projects.

**Venue:** Skill center

---

## 15. Camel Milk: Health Benefits and Applications

**Topic:** Evidences on Nutritional and Medicinal Properties of Camel Milk

**Focus:** Investigating the potential health benefits and therapeutic applications of camel milk.

**Objectives:** Reviewing scientific evidence on the nutritional composition and bioactive compounds in camel milk, exploring traditional uses and modern research findings on its therapeutic effects, and discussing its role in global health and nutrition initiatives.

**Venue:** LT 3

---

## 16. Integrating Ayurveda, Yoga and Naturopathy in Healthcare

**Topic:** Ayush Approaches to Holistic Health: Integrating Traditional Medicine Systems

**Focus:** Harnessing the principles and practices of Ayurveda, Yoga, and Naturopathy (AYUSH) for holistic healthcare delivery.

**Objectives:** Exploring the philosophy and fundamentals of Ayurveda, Yoga, and Naturopathy, examining evidence-based approaches to disease prevention and management, and promoting integration with modern healthcare systems to enhance patient outcomes.

**Venue:** LT 4

---

## 17. AIIMS Consortium

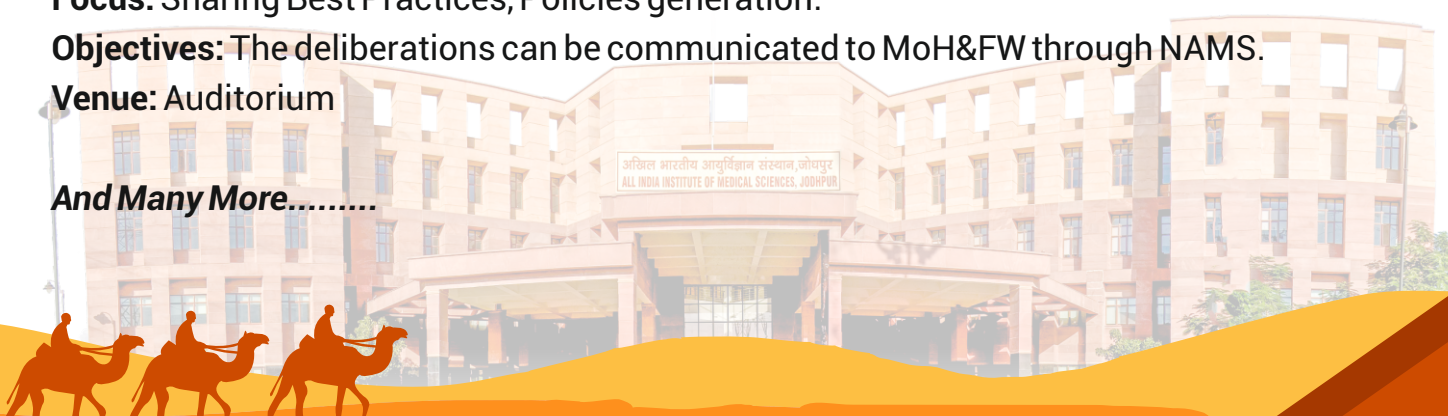

**Topic:** Multiple- Model in Education; Health Insurance; Optimizing Health Infrastructure

**Focus:** Sharing Best Practices, Policies generation.

**Objectives:** The deliberations can be communicated to MoH&FW through NAMS.

**Venue:** Auditorium

**And Many More.....**

## Registrations:

Registration	Member and fellows	Non-member	Students	foreign Delegates
Early Bird full (Upto 30 <sup>th</sup> September 2024)	5000	6000	2000	USD 100
1 October -31 October	8000	10000	4000	USD 120
After 1 Nov and spot	10000	12000	6000	

### Bank Account Details

Account Name : NAMSCON 2024

Bank Name : HDFC Bank

Account No. : 50200100306573

IFSC : HDFC0004204

Branch : Sangaria Branch, Jodhpur

### Abstract Submission:

Open : 7<sup>th</sup> August 2024

Close: 30<sup>th</sup> October 2024

### Abstract Submission Link :

## Required Abstract Format for the Oral & Poster Session

Please note that abstracts are invited for oral/poster session. The last date to send the abstract as a word document is 15th October, 2024 to [namscon2024@gmail.com](mailto:namscon2024@gmail.com). Authors of selected abstracts will be informed by email. The final poster should be 3 feet wide and 4 feet height.

**Document** : No more than one page in length.

Format : 2cm margins on top and bottom; 2.5 cm margins at both sides, single spaced.

Paper Title : Provide a short descriptive title of no more than 20 words.

Format : Times New Roman, 14 point font, bold, centered.

Do not write the heading "Paper Title".

Leave one line space.

**Authors' Names** : Include first name in full, middle initial and family name in full. Do not include any titles or degrees.

Format : Times New Roman, 12 point font, bold, centered.

Do not write the heading "Author's Names".

**Author's Affiliations** : Affiliations should include the city and country, but not the street or PIN code. When more than one author is listed, use superscript letters to match authors and affiliations. One affiliation should be given per line, prefixed with the relevant superscript letter.

Format : Times New Roman, 11 pont font, centered.

Leave two lines.

**Abstract** : In no more than 200 words, summarize what your poster presentation will be about.

Format : Times New Roman, 11 pont font, justified on both sides.

Do not write the heading "Abstract"

Leave two lines.

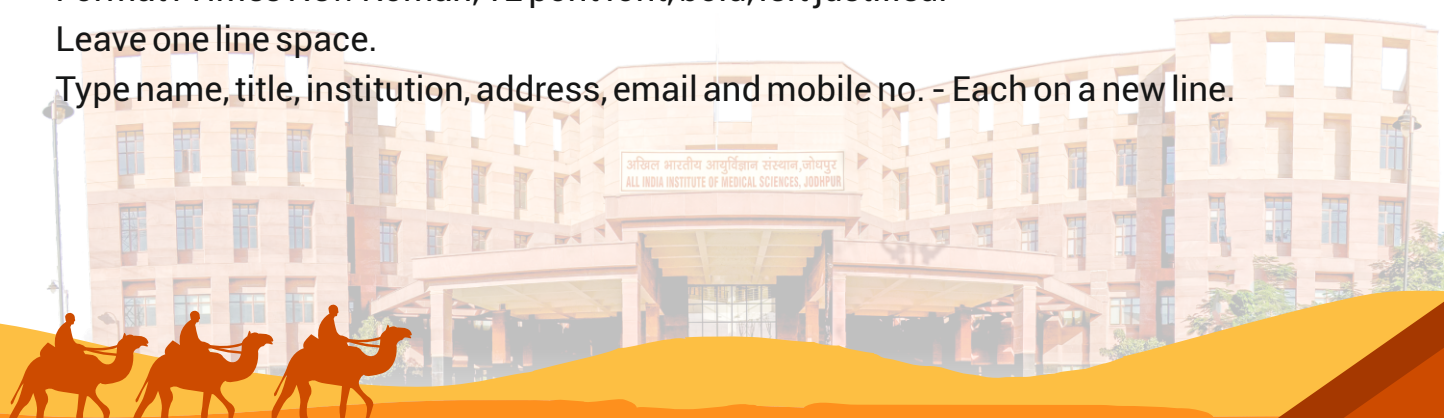

**Corresponding Author** : These details will be included in the book of abstracts.

Write "Corresponding Author".

Format : Times New Roman, 12 pont font, bold, left justified.

Leave one line space.

Type name, title, institution, address, email and mobile no. - Each on a new line.
