Address delivered by the President NAMS, Dr. S.K. Sarin at the 63rd Annual Convocation on 7th October, 2023 at Ramaiah Medical College, Bengaluru

The Academy was inaugurated by the Pt. Jawahar Lal Nehru, it was decorated by no less Dr. Khanolkar, Dr. K.L. Wig, Dr. S. Padmavati and Dr. J.S. Bajaj as Presidents. To walk into their shoes itself is an honour and I am lucky to have the best of the Council Members who guide and govern this Academy.

Today on this 63rd Convocation and Annual Conference I am happy to tell you that we have 1012 Fellows, 2562 Members, 75 Associate Fellows, 9661 MNAMS Members and 39 Emeritus Professors. Every year Academy recognizes and confers Fellowship & Membership, after a rigorous 3-tier selection process across all branches of medicine and allied sciences.

Sir, I want to briefly tell you about the Academy's achievements during the last year. The Academy has taken 8 major initiatives in the last year:

1. We started an International Fellowship & Membership to recognize Eminent Medical & Biomedical Scientists from foreign countries, NRIs, OCIs across the world.
2. We have started an early talent search by launching an Associate Fellowship to young DM, MCh scholars (up to 45 years of age). This is indeed an induction of young talent to NAMS Family. Please clap for those who have come this year.
3. The National Virtual Graduated Medical CME has been initiated with the idea to provide opportunities for postgraduate students to interact with the national eminent experts. The Navigate CME was launched on January 2023 and till date 40 sessions have already been conducted.

From September 2023, with the support of the AIIMS, we started AIIMS-NAMS Navigate Medico CME session once a month for all AIIMS on 1st Friday from 3:00-5:00 pm.

Now we are also initiating another online CME program in collaboration with the Association of Physicians of India.

4. NAMS is planning to initiate a National Leadership Development (LEAD) Program: To develop the leadership skills of the Deans, Directors, Principals, Medical superintendents, and Heads of the Departments of Medical Colleges.
5. NAMS also started state chapters to strengthen academic activities across India.
6. We also started an exchange program for medical students of various medical institutions. Till date 233 medical students have successfully completed the training program.
7. The Academy has been recognized by the Govt. of India as a nodal agency for promoting continuing medical education for medical and allied health sciences. Last year NAMS supported 28 CME Program.
8. NAMS has established 25 Task Forces for preparing policy documents on various health issues of national importance. Some of the reports have already been submitted to the government of

India, i.e., Alcohol and Substance Abuse, Organ Transplantation, Lifestyle Diseases, Artificial Intelligence in Healthcare, and many more.

April 21 is the Foundation Day of NAMS, we were privileged to have Union Minister of Defence Shri Rajnath Singh Ji who appreciated the rich heritage and contributions made by NAMS in the country. He also encouraged the defence forces to have academic linkages with NAMS. As a result, the DGAFMS Lt. Gen Daljit Singh Ji provided the necessary support for NAMS Academic activities and I see many of the army officers who have come and joined this very conference.

Now Sir, we have a vision 2030 for NAMS. Our vision is NAMS vi30 has deliberated upon by the Council last year and under this vision, NAMS would develop to act as a think tank for policymakers in all spheres of Medicine including medical education, research and cost-effective health care to help humanity at the national and international level.

Sir we need some help, we would like Hon'ble Minister Dr. Jitendra Singh Ji to help us to set up a consortium of National and International academies. You have vast experience and the authority to create a consortium.

I also have a request to Hon'ble Minister Shri Baghal Sabhab sir for convergence in various professional organizations. And you are a grassroots worker I would request you to help us to reach out with your guidance and help.

I have a message for new Fellows, please learn from each other and respect each other also and the Academy can help you, it can guide you.

There is a book called 'The Tragedy of a Mathematician' which was given to me, by Hon'ble Justice Shri Venkate Cheleya ji long long ago. All those brilliant mathematicians who changed the world died before 28; we have passed that age. Doesn't matter; what matters is every minute and every second counts :

"yeh mat sooch ke zindgi main kitne pal hai,
yeh mat sooch ke zindgi main kitne pal hai,
yeh sooch ke her pal main kitni zindgi hai "

Start your academic excellence from today and enrich the NAMS and of course, enrich all of us and serve your country and world with the best traditions it takes and commitment to health care.

Thank you and welcome to this Convocation.

(Dr. Shiv K. Sarin)

Address of the Chief Guest Hon'ble Governor of Karnataka Shri Thawar Chand Gehlot, delivered at the 63rd Annual Convocation on 7th October, 2023 at Ramaiah Medical College, Bengaluru

राष्ट्रीय आयुर्विज्ञान अकादमी के इस वार्षिक सम्मेलन एवम कन्वोकेशन में मंच पर उपस्थित विज्ञान एवं प्रौद्योगिकी के केंद्रीय राज्यमंत्री स्वतंत्र प्रभार, आदरणीय डॉक्टर जितेंदर सिंह जी, स्वास्थ्य एवम परिवार कल्याण केंद्रीय राज्यमंत्री, आदरणीय प्रोफेसर एस. पी. सिंह बघेल साहब, राष्ट्रीय आयुर्विज्ञान अकादमी के अध्यक्ष डॉक्टर शिव कुमार सरिन साहब एवम निर्वाचित अध्यक्ष डॉक्टर दिगंबर बेहरा जी, रमैया यूनिवर्सिटी ऑफ एप्लाइड साइंसेज के चांसलर डॉक्टर जय राम जी और वाईस चांसलर प्रोफेसर डॉक्टर ओ. पी. खरबंदा जी व कांफ्रेंस के सामान्य प्रतिगण, विश्विद्यालय परिवार के सदस्यगण उपस्थित महानुभव, मिडिया के महानुभव, मैं आप सब को सादर प्रणाम करता हूँ और आप सब का इस समारोह में हार्दिक स्वागत करता हूँ। पिछले समय भी मुझे इस संस्थान में आने का निमंत्रण मिला था पर मैं कर्नाटका राज्य के बाहर होने के कारण नहीं आ पाया था। आज आप सब के बीच में आकर मैं अत्यंत प्रसन्न हूँ। मुझे इस बात की भी प्रसन्नता है की आज मेरे अपने सहयोगी साथियों से जो मंत्री के रूप में यहाँ विराजमान है उनसे मिलने का अवसर मिला।

इस सम्मलेन एवम कन्वोकेशन के आयोजन हेतु रमैया मेडिकल कॉलेज के समस्त पदाधिकारियों और सदस्यों को बधाई एवम शुभकामनाएं देता हूँ। प्रसिद्ध शिक्षाविध और दूरदर्शी उद्योगपति डॉक्टर एम. एस. रमैया जी ने देश की आज़ादी के बाद महसूस किया कि देश की सामाजिक, राजनीतिक और आर्थिक ईमार्त को शिक्षा के ठोस आधार पर खड़ा करने की आवश्यकता है। इस उद्देश्य को ध्यान में रखते हुए उन्होंने गोकुला एजुकेशन फाउंडेशन की स्थापना की और इसके ततवाप्राधान में निजी स्व वित्त पोषिक तकनीकी एवम चिकित्सा शिक्षा के क्षेत्र में सार्थक प्रयास किये। इन सब बातों का उल्लेख मेरे पूर्व वक्ताओं ने आदरणीय सरिन साहब, जितेंदर सिंह जी और बघेल साहब ने विस्तार से आपके सामने रखा है। राष्ट्रीय आयुर्विज्ञान अकादमी एक अनूठी संस्था है, जो अपनी स्थापना के समय से ही चिकित्सा शिक्षा नीति को बढ़ावा देने और सामाजिक लक्ष्यों को पूरा करने का कार्य कर रही है।

मुझे इस बात की खुशी है, और मैं इसके लिए संस्थान की प्रसिद्धि का उल्लेख करता हूँ। अकादमी द्वारा अनेक व्याख्यान कार्यक्रम आयोजित किये गए हैं, और प्रख्यात जैव चिकित्सा वैज्ञानिकों को उनके उतकृत योगदान के लिए सम्मानित भी किया गया। इस वार्षिक सम्मलेन का विषय डिजिटल नवाचार के माध्यम से स्वास्थ्य सेवा को बढ़ाना है। डिजिटल प्रौद्योगिकी आज हमारे जीवन के हर पहलु को नया आकार दे रही है। स्वास्थ्य सेवा के क्षेत्र में रोगियों के उपचार, निदान और निगरानी के साथ-साथ अन्य प्रशासनिक कार्यों को करने में डिजिटल प्रौद्योगिकी का महत्वपूर्ण योगदान है। स्वास्थ्य सेवा क्षेत्र की चुनौतियों से निपटने और स्वास्थ्य देखभाल में कृत्रिम बुद्धिमत्ता जैसी उभरती प्रौद्योगिकी के प्रभाव को बढ़ाने के लिए और अधिक नवाचार की आवश्यकता है। टेली. मेडिसिन एक गेम चेंजिंग नवाचार है जो डिजिटल स्वास्थ्य और कनेक्टिविटी की शक्ति को एक साथ लाकर हमें चिकित्सा प्राप्त और प्रदान करने के तरीके को नया आकार देता है। टेली. मेडिसिन समाधानों से लेकर ऐ. आई. रोबोटिक और क्वांटम कम्प्यूटिंग तक मरीजों की स्वास्थ्य सेवाओं तक पहुँच और प्राप्त करने की तरीके में क्रांतिकारी बदलाव ला रही है।

भारत सरकार ने आयुष्मान भारत डिजिटल स्वास्थ्य मिशन के माध्यम से समग्र स्वास्थ्य देखभाल पारिस्थितिक तंत्र पर सकारात्मक प्रभाव डाला है। इस योजना के बारे में बघेल साहब ने हम सबको विस्तार से बताया है। ई. संजीवनी के माध्यम से करोड़ों लोगों को ऐ. ली. परामर्श सुविधा प्रदान की गयी है। स्वास्थ्य देखभाल में डिजिटल प्रौद्योगिकी का उपयोग स्वास्थ्य

देखभाल के लिए रोगी केंद्रित दृष्टिकोण की आधारशिला हैं। स्वास्थ्य देखभाल पारिस्थितिकतंत्र में सकारात्मक परिवर्तन लाने और चिकित्सा सेवाओं को और अधिक बेहतर बनाने के लिए हम सभी को मिलकर काम करने की आवश्यकता है। स्वास्थ्य सेवा मानवीय सेवा हैं, ईश्वरीय सेवा हैं, आप इस सेवा कार्य को सफलतापूर्वक करते रहे और सम्मान प्राप्त करने की दिशा में अग्रसर होते रहे। इस 63 वें वार्षिक सम्मेलन एवम कन्वोकेशन के सफल आयोजन हेतु तथा इसमें जिस किसी को भी फ़ेलोशिप मिली हैं, एसोसिएट फ़ेलोशिप और मेम्बरशिप मिली हैं व डॉक्टर खरबंदा साहब को प्रोफ़ेसर का पद मिला हैं इसके लिए मैं इन सभी महानुभवों को हार्दिक बधाई देता हूँ, शुभकामनाएं देता हूँ, उनके उज्ज्वल भविष्य की कामना करता हूँ। आज़ादी के 76 साल हमने पुरे कर लिए है और 75 वी वर्षगांठ भी हमने मनाई है। आने वाले 24 वर्षों में आज़ादी के 100 साल पुरे होने वाले है। आज़ादी के दीवानो ने यह महसूस किया था की देश आज़ाद होगा, फिर से सोने की चिड़िया बनेगा, विश्व गुरु कहलाएगा और हम विकसित राष्ट्र की श्रेणी में अग्रिम पंक्ति में होंगे। आने वाले 24 वर्ष हम सब लोगो के लिए अमृत काल के रूप में एक अवसर हैं।

75 वर्षों की आज़ादी में हमने चिकित्सा क्षेत्र के साथ-साथ हर क्षेत्र में चहुमुखी विकास किया है, और देश वासियो की अपेक्षा है की हमारा देश विकसित राष्ट्र बने, इसलिए आने वाले 24 वर्ष हमारे लिए अमृतकाल है। इन 75 वर्षों में हमारी देश की अर्थव्यवस्था विश्व में 5 वें स्थान पर है, देश वासियो की अपेक्षा है की वे और ऊपर जाएं तथा तीसरे स्थान पर पहुंचने के लिए सरकार ने कहा की जनता ने हमसे अपेक्षा की है मैं आप सब से ये अनुरोध करता हूँ की आप मानविक कार्य करते हुए, ईश्वरीय कार्य करते हुए देश को विकास के पद पर अग्रसर करने में और विकसित राष्ट्रों की श्रेणी में पहले नंबर में लाने का और अर्थव्यवस्था को और ऊचाइयो पर पहुंचाने में अपना योगदान देंगे। मैं विश्वास करता हूँ कि आज आप इस प्रकार की भावना को लेकर यहाँ से जाएंगे और इस दिशा में सक्रिय प्रयास तथा कठोर परिश्रम करेंगे तथा देश को विकसित राष्ट्र बनाने में अपना योगदान देंगे।

मेरे पूर्व वक्ताओं ने विस्तार से इस संस्था के बारे में और चिकित्सा पद्धति के बारे में बहुत सारी बातें बताई, समय की मर्यादा हैं, मैं इससे ज्यादा कुछ कहो इसकी आवश्यकता महसूस नहीं हो रही है। मैं आप सब को बहुत बधाई देता हूँ, बहुत धन्यवाद देता हूँ।

NAMS Website and NKN Connectivity

All information about NAMS and its activities is available on NAMS website. It includes Rules and Regulations, List of Council Members, Fellows and Members, Annual Reports, Audited Accounts Statements, Employee Data, Learning Resource Materials, Task Force Reports, Annals, NAMS News Letters, CME Monographs, CME Guidelines, etc. It also has access to read and download past Convocations Addresses and Annual Reports. It also displays future academic activities like CMEs and Skill Development Courses, etc.

To attain digitalization, NAMS started Online submission of all Fellowship and Membership forms with an online Payment System through its Website & also online submission of Articles for Annals. We have also started our YouTube channel NAMS, India which is free for wider circulation and live streaming of NAMS CMEs organized by us. With the help of NKN connectivity, NAMS connect to other academic institutions like AIIMS - Jodhpur, Rishikesh, Bhopal, Patna, Bhubaneswar, etc. so that persons from distant places can also participate in interactive sessions and teaching programmes. This not only enhances the goals of our government but also minimizes financial expenditures.

NAMS National Virtual Graduated Medical CME (NAVIGATE-Medico-CME) for PG Students

The NAVIGATE-Medico CME program was launched in January 2023 with the objectives to develop a network of medical colleges/ institutions in the country to assist in the development of competencies among PG students and to develop an E-Library. NAMS with the collaboration of eminent medical scientists organizes online theme-based lecture sessions of two hours duration. From the period January to June 2023, the program covers the themes of Management of Emergencies, Research Methods and Biostatistics and Common Liver Diseases, Common Psychiatric Diseases, Diabetes and Common Haematological diseases, in collaboration with experts from various eminent institutions in the country. From April 2023 to March 2024 the following topics have been covered through Navigate CME Programme and their videos are available on NAMS website :

Theme: Research Methods and Biostatistics

1. Introduction to Basic Concepts in Research Methods, Dr. Manya Prasad, 11.04.2023

New Initiatives Taken by NAMS

The following new Academic initiatives have been taken by NAMS:

1. NAMS Leadership Development (LEAD) Program

As approved by the Council, NAMS has launched an important initiative of the Leadership Development (LEAD) Program for Directors, Deans, and Head of the Departments and senior faculty members in the AIIMS, medical colleges and institutions of national importance, to help them to become visionaries leaders and an agent of change.

The key topics covered during the workshop were leadership development, critical thinking, communication, conflicts & stress management, teamwork, time management, institution building and transformation, decision making, negotiation, advocacy, networking and collaboration, service rules, general financial rules, orientation to Government e-Marketplace (GeM) & procurement of costly hospital equipments, accounting practices, core directives of National Medical Commission (NMC), National Accreditation Board for Hospitals & Healthcare Providers (NABH) accreditation process & issues, E-library in medical institutions, role of Medical Institutions in National Health Programs /NHM, etc.

The first NAMS Leadership Development (LEAD) National Conference was organised from 8th-10th March, 2024 at NAMS, Ansari Nagar, New Delhi, in which 25 participants from AIIMS and other institutions participated. This was followed by two follow-up sessions for the participants.

2. Associate Membership

A new category of Associate Membership has been introduced in NAMS Family.

Eligibility Criteria for Associate Membership are Medical/ Dental Scientists who have completed Postgraduate qualifications (MD/ MS/ MDS) or MSc Biotechnology /PhD in SINGLE ATTEMPT and who also have in addition Any ONE of the following:

- (i) Membership of a National Professional organization in his/her specialty
- (ii) Scientific Publication in a Scientific Journal
- (iii) Scientific Presentation at the Annual Scientific Conference of National Professional organization

3. ICMR-NAMS National Biostatistics Helpline for PG Medical Students

Both ICMR & NAMS recognize the critical role of Epidemiologists and Biostatisticians in medical research, especially for postgraduate students undertaking thesis projects. To support these students in designing and analyzing their research work, ICMR & NAMS have come together to establish a Joint "ICMR-NAMS National Biostatistics Helpline" by having a dedicated website with on-line facility, supported by highly qualified biostatisticians and epidemiologists to help medical post-graduates and young faculty members across the country to facilitate and resolve their queries related to research work.

The NAMS Council, in its meeting held on 01.06.2024 approved Joint ICMR-NAMS National Biostatistics Helpline. There have been several discussions and meetings with ICMR & NAMS Office. The ICMR has

been providing the resources for the development & operation of the Helpline. NAMS will provide support for CMEs on Biostatistics/Epidemiology for the orientation of medical college faculty, students, etc. as per its CME guidelines.

The helpline was launched on 5th September 2024.

4. Online certificate orientation course on AI in Healthcare for medical students and health professionals by IIITH (International Institute of Information Technology, Hyderabad) and NAMS (National Academy of Medical Sciences)

The integration of Machine Learning based Artificial Intelligence (AI) in healthcare is transforming the way of medical professionals diagnose, treat, and manage patients. However, many clinicians lack the necessary skills and understanding to effectively leverage these technologies. This course is designed to bridge this gap by equipping clinical professionals with the knowledge and tools to understand, evaluate, and apply AI in clinical settings, ultimately enhancing patient care and operational efficiency. The orientation course is designed with the objectives of providing a foundational understanding of AI and its relevance to healthcare, familiarizing participants with the applications of AI tools and technologies in clinical practice and fostering awareness of ethical and governance issues related to AI in medicine. The initial offering of the course would be targeted at 150-200 participants to assess the course's effectiveness and logistics, to make necessary improvements based on the feedback received from the initial phase and to prepare for a full-scale launch.

The Target Group is postgraduate medical students (MBBS, BDS), faculty, and medical professionals with any of the following qualifications: MD, MS, MCh, DM, MDS, and the eligibility criteria are basic understanding of healthcare processes and clinical practice and curiosity for understanding the impact of modern technology in healthcare. The duration of the course is 12 weeks. The course was launched on 15th September, 2024.

5. MEDI-QUEST 2023:NAMS National Quiz

The National Academy of Medical Sciences conducted "MEDI-QUEST", a National Quiz for doctors and medical students, as part of the NAMS Conference 2023. The Quiz masters for MEDI-QUEST 2023 were Dr. Preethy Kathiresan, Assistant Professor of Psychiatry, AIIMS Delhi, Dr. Jaswant Jangra, Senior Resident (Psychiatry), AIIMS Delhi, Dr. Saurabh Bhatia, Ex- Senior Resident (Dermatology), AIIMS Delhi, Dr. Nikhil Mehta, Senior Resident (Dermatology), AIIMS Delhi and Dr. Akshata Rao, Senior Resident (Geriatric Medicine), AIIMS Delhi.

The Quiz focused on Current Affairs, Sports, History, Movies, Physical Health and Mental Health. There was no registration fee for the quiz and it was conducted completely online, to enable a maximum number of students and residents to join. The eligible participants in the quiz were MBBS students and medical doctors who completed MBBS within the past 10 years. Information about the quiz was disseminated through social media, whatsapp groups of medical students and residents, and also through the email list of the National Academy of Medical Sciences. A total of 308 participants from 111 medical college/institutions from 23 states and Union territories (19 states and 4 UTs) registered for the preliminary round. The preliminary round was conducted on 24th September 2023 from 7 PM to 7:40 PM online. All the participants were given an E-certificate of participation. Based on the highest scores received in the preliminary round, top 6 participants were selected for the final round.

The top 6 finalists were (1) Dr. Ajay Emani, Senior Resident (Neurology) from Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow; (2) Dr. Anoop Kumar, MBBS student from Rama Medical College, Hapur; (3) Dr. Barada Prasad, Junior Resident (Emergency Medicine) from AIIMS, New Delhi; (4) Dr. Arun Ghosh, Junior Resident (Pharmacology) from Maulana Azad Medical College, Delhi;

(5) Dr. Subhicksha, Junior Resident, Mysore Medical College and Research Institute and (6) Dr. Shubh Anand, MBBS Student from Maulana Azad Medical College, Delhi.

The final round was conducted on 8th October 2023 from 10 am to 12 PM online. There were four rounds in the final quiz – Warm up Round, What is your Poison Round, What is your Weapon Round and Matching Round. At the end of the four rounds, the top three winners were Dr. Arun Ghosh (First Rank), Dr. Ajay Emani (Second Rank) and Dr. Barada Prasad (Third Rank). The top three winners were awarded a cash prize of Rs.10,000; Rs.8,000 and Rs.5,000 respectively. All the other three runners-up were awarded cash prize of Rs.1000 each.

6. NAMS Mini CME guidelines: The Council has approved the conduct of Mini CME for less than 8 hours.

The procedure for Mini CME is as under:

- o As soon as the request application in format is received for conduct of CME it is sent to the technical reviewer for approval. Technical reviewer is nominated by the Secretary.
- o After the approval of the Technical reviewer is received the grant-in-aid is sanctioned and a sanctioned letter is sent to the Organizing Secretary.
- o An observer for the CME Programm is also nominated.
- o Grant-in-aid for CME will be upto Rs. 25,000

7. NAMS Recognition of “Women in Medicine”

NAMS fosters and utilises the academic excellence of health professionals in the country as its resources to promote excellence in medical education and skill development in the field of medicine and allied sciences. The NAMS Council has approved to honour eminent medical & biomedical women scientists in India as NAMS **“Women in Medicine”** recognising their academic achievements & contributions.

**F. Guidelines approved by NAMS
Council during its Meeting held on
01st April, 2024 and 29th August, 2024**

Guidelines for the Implementation of NAMS Task Forces

The following broad guidelines are suggested for the functioning of NAMS task forces:

1. The NAMS Council identifies the Theme for NAMS Task Force.
2. The Member Secretary for the Task Force should be identified among the members of the Task Force by consensus.
3. The Chairperson of the Task Force will schedule & conduct the meetings of the Task Force as per the agreed date and time, on a suitable online platform.
4. The Task Force members under the guidance of the Chairman will discuss & identify core issues with consensus.
5. The relevant Technical documents, papers, reports, etc as background materials will be identified as empirical evidence during discussions & recommendations.
6. The Chairperson can co-opt members as and when required to facilitate the discussions.
7. The key recommendations can be arrived at by consensus of the members based on their expertise and experience (Delphi Technique/ Grade for evidence).
8. The group should discuss the circulated Format for the NAMS report and make changes in the template as required.
9. Three Tier Review of the Task Force Report will be done (Peer, Experts & NAMS Mentoring Committee which includes DGFHS). The remarks of the experts will be shared with the Chairperson of the Task Force.
10. The DRAFT Task Force will be put to NAMS Website for remarks from the stakeholders for 3 weeks. The remarks received will be shared with the chairperson of the Task Force.
11. The Final report of the Task Force will be put to the NAMS Council.
12. The final document duly approved by the NAMS Council will be submitted to MoHFW, and for publication.
13. NAMS Support

NAMS will provide the necessary support as per the following norms:

In phase I, an imprest amount upto Rs. 20,000/- will be provided to each Task Force. (Chairman/Secretary) for Secretarial assistance & miscellaneous expenses.

The amount required with bank details of the account to which the amount is to be remitted should be intimated to NAMS office.

The Accounts for the amounts spent are to be submitted to the Accounts branch showing details for documentation.

Additional requirements, and assistance requests made will be suitably addressed.

Zoom License tariff charges will be reimbursed in addition to imprest amount stated above. Initially, a free tariff plan can be considered.

The monthly progress report of each Task Force may please be sent to the NAMS.

Online Certificate Course on AI in Healthcare

12-week Online Certificate Course

AI in HEALTHCARE

Offered by

- ▶ International Institute of Information Technology, Hyderabad (IIIT-H)
- ▶ National Academy of Medical Sciences (NAMS)
- ▶ iHub-Data, IIIT Hyderabad

Integration of Machine Learning based Artificial Intelligence (AI) in healthcare is transforming the way medical professionals diagnose, treat, and manage patients. Medical experts need to be imparted with necessary skills and understanding to effectively leverage these technologies. This course is designed to equip professionals with the knowledge and tools to understand, evaluate, and apply AI in clinical settings, aimed at enhancing patient care and operational efficiency.

Online Certificate Course on AI in Healthcare offered jointly by IIITH (International Institute of Information Technology, Hyderabad) and NAMS (National Academy of Medical Sciences), was launched on 15th September 2024 by President NAMS Dr. S.K. Sarin, Professor Abhay Karandikar, IAS, Secretary of the Department of Science and Technology (DST) in India and Dr. P.J. Narayan, Director, International Institute of Information Technology, Hyderabad.

144 medical professionals from all over the country have enrolled in the first batch.
