1. Dr. Anil Kumar Gupta (2014)

Professor and Head, Department of Hospital Administration and Medical Superintendent, Postgraduate Institute of Medical Education and Research, Chandigarh. Dr. Gupta's speciality is Hospital Administration.

2. Dr. V.R. Janaki (2014)

Professor and Head, Department of Dermatology, Madras Medical College, Chennai. Her speciality is Dermatology & Venereology.

3. Dr. Ashish Suri (2014)

Professor, Department of Neurosurgery, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. Dr. Suri's speciality is Neurosurgery.

4. Dr. Sushil Prakash Ambesh (2015)

Professor, Department of Anaesthesiology, Type V/7, New Campus, Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow-226014. Dr. Ambesh's speciality is Anaesthesiology.

5. Dr. Dinesh Kumar Bharatraj (2015)

Scientist 'F' (Deputy Director Sr. Gr.) & HOD Drug Toxicology, Coordinator- PCT National Institute of Nutrition (NIN), Indian Council of Medical Research (ICMR), Ministry of Health & Family Welfare, Govt. of India, Jamai Osmania PO, Hyderabad-500007. Dr. Kumar's speciality is Pharmacology.

6. Dr. Pradeep Das (2015)

Director, Scientist G, Rajendra Memorial Research Institute of Medical Sciences, Agmkuan, Patna-800007. Dr. Das's speciality is Microbiology.

7. Dr. Gopalkrishna Gururaj (2015)

Senior Professor and Head, Department of Epidemiology, NIMHANS, Bangalore-560029. Dr. Gopalkrishna's speciality is Community Health/Community Medicine/Social and Preventive Medicine.

8. Dr. Ravi Gupta (2015)

Professor, Department of Orthopaedics, Government Medical College Hospital, 32B, Chandigarh-160031. Dr. Gupta's speciality is Orthopaedic Surgery.

9. Dr. Krishnamachar Harish (2015)

Professor and Head, Department of Surgical Oncology, MS Ramaiah Medical College, Bangalore. Dr. Harish's speciality is Surgical Oncology.

10. Dr. Binod Kumar Khaitan (2015)

Professor, Department of Dermatology & Venereology, All India Institute of Medical Sciences, Ansari Nagar, New Delhi-110029. Dr. Khaitan's speciality is Dermatology & Venereology.

11. Dr. Gopi Chand Khilnani (2015)

Professor, Department of Pulmonary Medicine & Sleep Disorders, AIIMS, New Delhi-110029. Dr. Khilnani's speciality is Respiratory Medicine.

12. Dr. Madhu Khullar (2015)

Professor, Department of Experimental Medicine & Biotechnology, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Khullar's speciality is Molecular Medicine.

13. Dr. Jugal Kishore (2015)

Professor and Head, Department of Community Medicine, Vardhman Mahavir Medical College, New Delhi. Dr. Kishore's speciality is Community Health/ Community Medicine/Social & Preventive Medicine.

14. Dr. Kailash Kumar (2015)

Professor and Head, Department of General Medicine, Institute of Medical Sciences, Banaras Hindu University, Varanasi-221005. Dr. Kumar's speciality is Internal Medicine.

15. Dr. Sanjay Madhav Mehendale (2015)

Director & Scientist G, National Institute of Epidemiology, R-127, 3rd Avenue, Tamil Nadu Housing Board, Ayappakkam, Chennai-600077. Dr. Mehendale's speciality is Community Health/Community Medicine/Social & Preventive Medicine.

16. Dr. Hrudananda Mallick (2015)

Professor, Department of Physiology, All India Institute of Medical Sciences, Ansari Nagar, New Delhi-110029. Dr. Mallick's speciality is Medical Education.

17. Dr. Bijay Ranjan Mirdha (2015)

Professor, Department of Microbiology, All India Institute of Medical Sciences, Ansari Nagar, New Delhi-110029. Dr. Mirdha's speciality is Microbiology.

18. Dr. Om Prakash Mishra (2015)

Professor, Department of Paediatrics, Institute of Medical Sciences, Banaras Hindu University, Varanasi-221005. Dr. Mishra's speciality is Pediatrics.

19. Dr. Ravindra Mohan Pandey (2015)

Professor and Head, Department of Biostatistics, All India Institute of Medical Sciences, New Delhi-110029. Dr. Pandey's speciality is Biostatistics.

20. Dr. Rajendra Prasad (2015)

Professor & Head, Department of Biochemistry, Postgraduate Institute of Medical Education & Research, Chandigarh-160012. Dr. Prasad's speciality is Biochemistry.

21. Lt. Col. (Dr.) Arunachalam Ravikumar (2015)

Professor and Director, Department of ENT, Head & Neck Surgery, Sri Ramachandra Medical College & Research Institute, Sri Ramachandra University, Porur, Chennai-600116. Dr. Ravikumar's speciality is Otorhinolaryngology.

22. Dr. Daisy Sahni (2015)

Professor and Head, Department of Anatomy, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Sahni's speciality is Anatomy.

23. Dr. Daljit Singh (2015)

Former Principal & Professor, Department of Paediatrics, DMCH, Ludhiana. Dr. Singh's speciality is Pediatrics.

24. Dr. Shashi Bala Singh (2015)

Outstanding Scientist (Sc. 'H') & Director, Defence Institute of Physiology & Allied Sciences, Defence Research & Development Organization, Ministry of Defence, Lucknow Road, Timarpur, Delhi-110054. Dr. Singh's speciality is Physiology.

25. Lt. Gen (Dr.) Prem Prakash Varma

Senior Consultant, A-12, Sarvodaya Enclave, New Delhi-110017. Dr. Singh's speciality is Nephrology.

MEMBERS

Fourty three Members, including 1 elected in 2013, 9 elected in 2014 and 33 elected in 2015 were admitted to the Membership at the Convocation held at Patna. The names of the Members admitted and their affiliations are given below:

1. Dr. Atul Sharma (2013)

Professor, Department of Medical Oncology, Dr. B.R. Ambedkar Institute Rotary Cancer Hospital, All India Institute of Medical Sciences, New Delhi-110029. Dr. Sharma's speciality is Medical Oncology.

2. Dr. Nikhil Gupta (2014)

Assistant Professor, Department of Surgery, Postgraduate Institute of Medical Education and Reserach and RML Hospital, Delhi. Dr. Gupta's speciality is Surgery.

3. Dr. Kajal Jain (2014)

Assistant Professor, Department of Anaesthesia & ICU, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Jain's speciality is Anaesthesiology.

4. Dr. Ravi Prakash Kanojia (2014)

Associate Professor, 3103, Block 3A, Advanced Paediatric Centre, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Kanojia's speciality is Paediatric Surgery.

5. Dr. Palash Kumar (2014)

Consultant Anaesthesiologist, Apollo Gleneagles Hospital, Kolkata. Dr. Kumar's speciality is Anaesthesiology.

6. Dr. Pradeep Kumar Maheshwari (2014)

Professor and Head, P.G. Department of Medicine & Neurology Division, Sarojini Naidu Medical College, Agra. Dr. Maheshwari's speciality is Neurology.

- 7. Dr. Madhumita Mukhopadhyay (2014)**
Professor, Department of Pathology, Institute of Postgraduate Medical Education and Research, Kolkata. Dr. Mukhopadhyay's speciality is Pathology.
- 8. Dr. Ranabir Pal (2014)**
Additional Professor, Department of Community Medicine & Family Medicine, All India Institute of Medical Sciences, Jodhpur. Dr. Pal's speciality is Community Health/Community Medicine/Social & Preventive Medicine.
- 9. Dr. Rajiv Sinha (2014)**
Assistant Professor, Institute of Child Health, Kolkata. Dr. Sinha's speciality is Paediatrics.
- 10. Dr. Anjan Trikha (2014)**
Professor, Department of Anaesthesia, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. Dr. Trikha's speciality is Anaesthesiology.
- 11. Dr. Ajai Agarwal (2015)**
Associate Professor, Department of Ophthalmology, Kalpna Chawla Govt. Medical College, Karnal. Dr. Agarwal's speciality is Ophthalmology.
- 12. Dr. Avinash Agrawal (2015)**
Associate Professor, King George's Medical College, Lucknow. Dr. Agrawal's speciality is Internal Medicine.
- 13. Dr. Dushyant Agrawal (2015)**
Assistant Professor, Department of Anatomy, All India Institute of Medical Sciences, Jodhpur. Dr. Agrawal's speciality is Anatomy.
- 14. Dr. Anjali Aggarwal (2015)**
Assistant Professor, Department of Anatomy, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Aggarwal's speciality is Anatomy.

- 15. Dr. Anupkumar Anvikar (2015)**
Scientist 'E', National Institute of Malaria Research, Sector-8, Dwarka, New Delhi. Dr. Anvikar's speciality is Microbiology.
- 16. Dr. Mohammad Zahid Ashraf (2015)**
Scientist E, Genomics Division, Defence Institute of Physiology & Allied Sciences, DRDO, Lucknow Road, Timarpur, Delhi-1100054. Dr. Ashraf's speciality is Molecular Medicine.
- 17. Dr. Mausumi Basu (2015)**
Associate Professor, Community Medicine, IPGME&R, Kolkata. Dr. Basu's speciality is Community Health/Community Medicine/Social & Preventive Medicine.
- 18. Dr. Shalmoli Bhattacharyya (2015)**
Associate Professor, Room No. 518, Department of Biophysics, Research Block B, Postgraduate Institute of Medical Education & Research, Sector-12, Chandigarh-160012. Dr. Bhattacharyya's speciality is Biophysics.
- 19. Dr. Geetanjali Chilkoti (2015)**
Associate Professor, University College of Medical Sciences & Guru Teg Bahadur Hospital, Delhi. Dr. Chilkoti's speciality is Anaesthesiology.
- 20. Dr. Rashmi Ranjan Das (2015)**
Assistant Professor, Department of Paediatrics, All India Institute of Medical Sciences, Sijua, Bhubaneswar-751019. Dr. Das's speciality is Pediatrics.
- 21. Dr. Mahesh Devnani (2015)**
Assistant Professor, Room 2087, New OPD Block, Department of Hospital Administration, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Devnani's speciality is Hospital Administration.

22. Dr. Abhinav Dixit (2015)

Associate Professor, Department of Physiology, All India Institute of Medical Sciences, Basni Phase-II, Jodhpur-342005. Dr. Dixit's speciality is Physiology.

23. Dr. Shilpi Gupta Dixit (2015)

Associate Professor, Department of Anatomy, All India Institute of Medical Sciences, Basni Phase-II, Jodhpur-342005. Dr. Dixit's speciality is Anatomy.

24. Dr. Ajay Gulati (2015)

Assistant Professor, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Gulati's speciality is Radiodiagnosis.

25. Dr. Pooja Gupta (2015)

Assistant Professor, Department of Pharmacology, 4th Floor, Teaching Block, All India Institute of Medical Sciences, Ansari Nagar, New Delhi-110029. Dr. Gupta's speciality is Pharmacology.

26. Dr. Ravi Gupta (2015)

Associate Professor (2013-2015), Department of Psychiatry and Sleep Clinic, Himalayan Institute of Medical Sciences, Doiwala, Jolly Grant, Dehradun-248140. Dr. Gupta's speciality is Psychiatry.

27. Dr. Kana Ram Jat (2015)

Assistant Professor, Department of Paediatrics, All India Institute of Medical Sciences, New Delhi. Jat's speciality is Paediatrics.

28. Dr. Mandeep Kang (2015)

Professor, Department of Radiodiagnosis & Imaging, Postgraduate Institute of Medical Sciences, Chandigarh-160012. Dr. Kang's speciality is Radiodiagnosis.

29. Dr. Chandra Mohan Kumar (2015)

Professor, Department of Paediatrics, Hamdard Institute of Medical Sciences and Research, Jamia Hamdard. Dr. Kumar's speciality is Paediatrics.

30. Dr. Vanita Lal (2015)

Associate Professor, Department of Biochemistry, All India Institute of Medical Sciences, Residential Colony, Basni Phase-2, Jodhpur. Dr. Lal's speciality is Biochemistry.

31. Dr. Madhusudan K.S. (2015)

Assistant Professor, Department of Radiodiagnosis, All India Institute of Medical Sciences, New Delhi-110029. Dr. Madhusudan's speciality is Radiodiagnosis.

32. Dr. Somnath Mukherjee (2015)

Assistant Professor, Department of Transfusion Medicine, All India Institute of Medical Sciences, Sijua, Patrapada, Bhubaneswar-751019. Dr. Mukherjee's speciality is Transfusion Medicine.

33. Dr. Nidhi Bidyut Panda (2015)

Professor, Department of Anaesthesia Intensive Care, Postgraduate Institute of Medical Education & Research, Chandigarh-160012. Dr. Panda's speciality is Anaesthesiology.

34. Dr. Shantanu Pande (2015)

Professor, Department of CVTS, Academic C Block Main Hospital Building, Sanjay Gandhi PGIMS, Raebareilly Road, Lucknow. Dr. Pande's speciality is Cardiovascular & Thoracic Surgery.

35. Dr. Munna Lal Patel (2015)

Assistant Professor, Department of Medicine, Faculty of Medical Sciences, King George's Medical University, Lucknow. Dr. Patel's speciality is Internal Medicine.

36. Dr. Babita Raghuwanshi (2015)

Assistant Professor, Department of Transfusion Medicine & Blood Bank, All India Institute of Medical Sciences, Sijua, Patrapada, Bhubaneswar-751019. Dr. Raghuwanshi's speciality is Transfusion Medicine.

37. Dr. Shalinee Rao (2015)

Additional Professor, Department of Pathology, All India Institute of Medical Sciences, Rishikesh, Uttarakhand-249201. Dr. Rao's speciality is Pathology.

38. Dr. Manphool Singhal (2015)

Assistant Professor, Department of Radiodiagnosis and Imaging, Nehru Hospital, Postgraduate Institute of Medical Education and Research, Sector-12, Chandigarh-160012. Dr. Singhal's speciality is Radiodiagnosis.

39. Dr. Sadhna Sharma (2015)

Professor, Department of Biochemistry, Research Block A, Room No. 329, Postgraduate Institute of Medical Education & Research, Chandigarh-160012. Dr. Sharma's speciality is Biochemistry.

40. Dr. Uma Sharma (2015)

Assistant Professor, Department of NMR & MRI, All India Institute of Medical Sciences, New Delhi-110029. Dr. Sharma's speciality is Biophysics.

41. Dr. Sohan Lal Solanki (2015)

Assistant Professor, Department of Anaesthesiology, Tata Memorial Centre, Parel, Mumbai-400012. Dr. Solanki's speciality is Anaesthesiology.

42. Dr. Devendra Kumar Vatsal (2015)

Director and Senior Consultant, Dept. of Neurosurgery, ICON Hospital, Janakipuram, Lucknow-226021. Dr. Vatsal's speciality is Neurosurgery.

43. Dr. Maya Vedamurthy (2015)

Consultant, Dermatologists Apollo Hospital, Chennai. Dr. Vedamurthy's speciality is Dermatology & Venereology

Lifetime Achievement Award

Lifetime Achievement Award of the National Academy of Medical Sciences (India) for the year 2014 was presented posthumously to Late Dr. C.S. Bhaskaran, FAMS; President, NAMS (at his residence to his wife). Dr. Bhaskaran was an outstanding teacher, excellent research worker and an able administrator in recognition of his proven track record of professional excellence and subject expertise of high order, his qualities of equanimity academic eminence, and professional excellence.

ORATIONS

Dr. R.V. Rajam Oration

Title of the Oration

Dr. T. Rajkumar, FAMS

Professor & Head,
Deptt. of Molecular Oncology,
Cancer Institute (WIA),
Adayar, Chennai – 600020.

“Cervical Cancer – Bench to
Bedside”

Achanta Lakshmpathi Oration

Title of the Oration

Dr. Deep Narayan Srivastava, FAMS

Professor,
Deptt. of Radiodiagnosis,
All India Institute of Medical
Sciences, Ansari Nagar,
New Delhi – 110029.

“Role of percutaneous
nonvascular Interventional
Radiology treatments in
musculoskeletal lesions”

Col. Sangham Lal Memorial Oration

Title of the Oration

Dr. Sandeep Kumar

Professor of Surgery,
Director, All India Institute of
Medical Sciences, Saket Nagar,
Bhopal-462020.

“Modem Concept of Benign
Breast Disorders, its
endocrinological background
and Treatment”

Gen. Amir Chand Oration**Dr. Rakesh Kumar Chadda, FAMS**

Professor, Deptt. of Psychiatry,
All India Institute of Medical
Sciences, Ansari Nagar, New
Delhi – 110029.

Title of the Oration

“Global burden of mental
disorders: Meeting the
Challenge”

Dr. V.R. Khanolkar Oration**Dr. Lalit Kumar, FAMS**

Professor & Head,
Department of Medical
Oncology,
Dr. B.R. Ambedkar Institute
Rotary Cancer Hospital, All India
Institute of Medical Sciences,
New Delhi – 110029.

Title of the Oration

“Multiple Myeloma: From
Targeted therapy to Autologous
stem cell transplantation”

Dr. K.L. Wig Oration**Dr. Rajoo Singh Chhina, FAMS**

Dean Academics,
Professor of Gastroenterology,
Dayanand Medical College,
Tagore Nagar, Civil Lines,
Ludhiana-141001.

Title of the Oration

“Innovations in Strengthening of
Medical Education in India”

Dr. Pran Nath Chhuttani

Dr. Milind Madhukar Gore

Oration Scientist G & Officer in Charge
National Institute of Virology,
Gorakhpur Unit,
BRD Medical College Campus,
Gorakhpur-273013

Title of the Oration

“Japanese encephalitis virus: Uniqueness of immune response, vaccine development and future challenges”

Dr. B.K. Anand Oration

Dr. Prahlad Kishore Seth, FAMS

Chief Executive Officer,
Biotech Park, Sector G,
Janakipuram, Kursi Road,
Lucknow-226021.

Title of the Oration

“Enzymes and Neurotransmitters in Human Platelets and Lymphocytes as Biomarkers For Selected Neuro-disorders”

Dr. Baldev Singh Oration

Dr. Gagandeep Singh

Professor & Head,
Department of Neurology,
Dayanand Medical College &
Hospital, Ludhiana – 141001
(Punjab).

Title of the Oration

“Neurocysticercosis: A journey from Pre-independence to modern India”

Dr. S. Janaki Memorial Oration**Dr. Raj Kumar, FAMS**

Director, All India Institute of Medical Sciences Rishikesh, Virbhadra Road, Rishikesh, Uttarakhand-249203.

Title of the Oration

“High Cervical Myelopathy due to Bony Craniovertebral junction anomalies (Atlantoaxial dislocation) in pediatric population- Clinical scoring system”

AWARDS**DR. S. S. Misra Memorial Award****Dr. Renu Gupta**

Assistant Professor,
Department of Anatomy, A. I. I. M.S., Jodhpur, Rajasthan.

Topic: “Morphometry of fetal and adult human pancreas and age related changes – an Electronmicroscopic study”

Dr. R.M. Kasliwal Award**Dr. Naveen Kalra**

Additional Professor,
Department of Radiodiagnosis & Imaging,
Postgraduate Institute of Medical Education and Research (PGIMER)
Chandigarh-160012.

Topic: “Comparison of CT Colonography with Conventional Colonoscopy in Patients with Ulcerative Colitis”

Dr. Vimla Virmani Award

Dr. Ismail Shihabuddeen TM

Associate Professor,
Department of Psychiatry,
Yenepoya Medical College,
Yenepoya University,
Mangalore, Karnataka.

Topic: "Disability in persons with Schizophrenia correlated to family burden and family distress among their caregivers"

Shyam Lal Saxena Memorial Award

Dr. Shashi Ahuja

Associate Professor,
Deptt. of Ophthalmology,
JIPMER., Puducherry-605006

Topic: "Retinal nerve fibre layer thickness analysis in cases of papilledema using optical coherence tomography – A case-control study"

Dental Public Health Award

Dr. Arpita Mohan

B-1306, O.C.R. Complex,
Vidhan Sabha Marg,
Lucknow – 226001.

Topic: "Oral and Dental Health Status in Orphan Children of Lucknow"

DR. S.S. Sidhu Award

Dr. Amrish Bhagol

Assistant Professor,
Deptt. of Oral & Maxillofacial
Surgery, Pt. B.D. Sharma
University of Health Sciences,
Rohtak, Haryana.

Topic: "Prospective Evaluation of a New Classification System for the Management of Mandibular Subcondylar Fractures"

**DR. VINOD KUMAR
BHARGAVA AWARD**

Dr. Mohammed Imran
Assistant Professor,
Deptt. of Pharmacology,
Shaheed Hasan Khan Mewati
Government Medical
College (SHKM), Nalhar,
Nuh, Mewat, Near Gurgaon,
Haryana-122107.

Topic: “Combinations of long acting β_2 agonists to tiotropium: A randomized, double-blind, placebo-controlled, active-drug controlled, parallel design academic clinical trial in moderate COPD male patients”

**Dr. ARTHUR SARAIVANMUTHU
THAMBIAN AWARD**

Dr. Sunil Dogra
Associate Professor,
Department of Dermatology
Venereology & Leprology,
Postgraduate Institute of
Medical Education & Research,
Chandigarh – 160012.

Topic: “Clinical characteristics and outcome in multibacillary (MB) leprosy patients treated with 12 month WHO MDT-MBR : a retrospective analysis of 730 patients from a leprosy clinic at a tertiary care hospital of Northern India”

**Dr. Nandagudi Suryanarayana
Rao Award**

Dr. Aleyamma Mathew, FAMS
Professor & Head
Division of Cancer
Epidemiology & Biostatistics,
Regional Cancer Centre,
Trivandrum-695011, Kerala.

Topic: “Assessment of follow-up, and the completeness and accuracy of cancer case ascertainment in three areas of India”

NAMS 2007 Amritsar Award

This award is given to an Awardee whose paper is adjudged the best outstanding by the panel at the time of presentation during the Annual Conference of the Academy. The paper which is adjudged the best will become the property of the NAMS and will be published in the Annals of the Academy to encourage the younger people to make presentation of a high quality.

During NAMSCON-2015 Annual Conference (16th-18th October, 2015) at Patna, Bihar, this award was given to Dr. Shashi Ahuja as per detail given below:

“NAMS 2007 Amritsar Award”

Dr. Shashi Ahuja

Associate Professor

Department of Ophthalmology,
JIPMER, Puducherry – 605006

Topic: “Retinal nerve fibre layer thickness analysis in cases of papilledema using optical coherence tomography – A Case-Control Study”

Prof. J.S. Bajaj Award

Prof. J.S. Bajaj Award for best student performance of the Symposium on **“Maternal and Child Health: on and beyond 2015”** held on 16th October, 2015 was presented to two students Mr. Vachaspati Mishra 2nd year MBBS Student and Mr. Raghuvendra Verma, 1st year student, All India Institute of Medical Sciences, Patna by Dr. Ram Nath Kovind, Hon’ble Governor of the State of Bihar & the Chief Guest at the Convocation held on 17th October, 2015 at AIIMS, Patna (Bihar).

The Council placed on record its appreciation of the services rendered by the retiring Members.

Election of Fellows - 2015

The Credential Committee considered 165 biomedical scientists for election to Fellowship. Of these, 82 were new nominations (58 direct and 24 advancement) and 83 were carried forward nominations (47 direct and 36 advancement) for the year 2015. The Credential Committee recommended 28 Biomedical Scientists for the award of Fellowship. After going through the files containing the biodata of biomedical scientists recommended for election of Fellowship & Membership, the recommendations of the Credential Committee were approved by the

Council. They have since been ballotted and elected as Fellows (except three) by the General Body of Fellows, as per procedure prescribed in the Rules.

The names of elected Fellows are given below:

1. Dr. Sushil Prakash Ambesh

Professor, Department of Anaesthesiology, New Campus, Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow-226014. Dr. Ambesh's speciality is Anaesthesiology.

2. Dr. Dinesh Kumar Bharatraj

Scientist 'F' (Deputy Director Sr. Gr.) & HOD Drug Toxicology, Coordinator- PCT National Institute of Nutrition (NIN), Indian Council of Medical Research (ICMR), Ministry of Health & Family Welfare, Govt. of India, Jamai Osmania PO, Hyderabad-500007. Dr. Kumar's speciality is Pharmacology.

3. Dr. Pradeep Das

Director, Scientist G, Rajendra Memorial Research Institute of Medical Sciences, Agmkuan, Patna-800007. Dr. Das's speciality is Microbiology.

4. Dr. Gopalkrishna Gururaj

Senior Professor and Head, Department of Epidemiology, NIMHANS, Bangalore-560029. Dr. Gopalkrishna's speciality is Community Health/Community Medicine/Social and Preventive Medicine.

5. Dr. Ravi Gupta

Professor, Department of Orthopaedics, Government Medical College Hospital, 32B, Chandigarh-160031. Dr. Gupta's speciality is Orthopaedic Surgery.

6. Dr. Krishnamachar Harish

Professor and Head, Department of Surgical Oncology, MS Ramaiah Medical College, Bangalore. Dr. Harish's speciality is Surgical Oncology.

- 7. Dr. Binod Kumar Khaitan**
Professor, Department of Dermatology & Venereology, All India Institute of Medical Sciences, Ansari Nagar, New Delhi-110029. Dr. Khaitan's speciality is Dermatology & Venereology.
- 8. Dr. Gopi Chand Khilnani**
Professor, Department of Pulmonary Medicine & Sleep Disorders, AIIMS, New Delhi-110029. Dr. Khilnani's speciality is Respiratory Medicine.
- 9. Dr. Madhu Khullar**
Professor, Department of Experimental Medicine & Biotechnology, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Khullar's speciality is Molecular Medicine.
- 10. Dr. Jugal Kishore**
Professor and Head, Department of Community Medicine, Vardhman Mahavir Medical College, New Delhi. Dr. Kishore's speciality is Community Health/ Community Medicine/Social & Preventive Medicine.
- 11. Dr. Kailash Kumar**
Professor and Head, Department of General Medicine, Institute of Medical Sciences, Banaras Hindu University, Varanasi-221005. Dr. Kumar's speciality is Internal Medicine.
- 12. Dr. Sanjay Madhav Mehendale**
Director & Scientist G, National Institute of Epidemiology, R-127, 3rd Avenue, Tamil Nadu Housing Board, Ayappakkam, Chennai-600077. Dr. Mehendale's speciality is Community Health/ Community Medicine/Social & Preventive Medicine.
- 13. Dr. Hrudananda Mallick**
Professor, Department of Physiology, All India Institute of Medical Sciences, Ansari Nagar, New Delhi-110029. Dr. Mallick's speciality is Medical Education.

14. Dr. Bijay Ranjan Mirdha

Professor, Department of Microbiology, All India Institute of Medical Sciences, Ansari Nagar, New Delhi-110029. Dr. Mirdha's speciality is Microbiology.

15. Dr. Om Prakash Mishra

Professor, Department of Paediatrics, Institute of Medical Sciences, Banaras Hindu University, Varanasi-221005. Dr. Mishra's speciality is Pediatrics.

16. Dr. Ravindra Mohan Pandey

Professor and Head, Department of Biostatistics, All India Institute of Medical Sciences, New Delhi-110029. Dr. Pandey's speciality is Biostatistics.

17. Dr. Rajendra Prasad

Professor & Head, Department of Biochemistry, Postgraduate Institute of Medical Education & Research, Chandigarh-160012. Dr. Prasad's speciality is Biochemistry.

18. Lt. Col. (Dr.) Arunachalam Ravikumar

Professor and Director, Department of ENT, Head & Neck Surgery, Sri Ramachandra Medical College & Research Institute, Sri Ramachandra University, Porur, Chennai-600116. Dr. Ravikumar's speciality is Otorhinolaryngology.

19. Dr. Daisy Sahni (2015)

Professor and Head, Department of Anatomy, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Sahni's speciality is Anatomy.

20. Dr. Vani Santosh

Professor, Department of Neuropathology & Head, Department of Clinical Neuroscience, National Institute of Mental Health and Neurosciences, Bangalore-560029. Dr. Santosh's Speciality is Pathology.

21. Dr. Daljit Singh

Former Principal & Professor, Department of Paediatrics, DMCH, Ludhiana. Res: 61-D, Sarabha Nagar, Ludhiana-141001. Dr. Singh's speciality is Pediatrics.

22. Dr. Shashi Bala Singh

Outstanding Scientist (Sc. 'H') & Director, Defence Institute of Physiology & Allied Sciences, Defence Research & Development Organization, Ministry of Defence, Lucknow Road, Timarpur, Delhi-110054. Dr. Singh's speciality is Physiology.

23. Dr. G.S. Toteja

Director, Desert Medicine Research Center (ICMR), Jodhpur; Scientist-G & Head (Nutrition), Indian Council of Medical Research, New Delhi and Head, Centre for Promotion of Nutrition Research and Training (ICMR), 3 Red Cross Road, New Delhi. Dr. Toteja's speciality is Nutrition.

24. Lt. Gen (Dr.) Prem Prakash Varma

Senior Consultant, A-12, Sarvodaya Enclave, New Delhi-110017. Dr. Singh's speciality is Nephrology.

25. Dr. Lingam Vijaya

Director, Smt. Jadhavbai Nathal Singhvee, Galucona Services, Sankara Nethralaya, Chennai-600006. Dr. Vijaya's speciality is Ophthalmology.

Election of Members – 2015

The total number of candidates considered for election to Membership was 122 (out of which 105 were new nominations and 17 were carried forward nominations). The Credential Committee recommended 70 candidates and these were approved by the Council. They have since been balloted and elected as Members by the General Body of Fellows, as per procedure prescribed in the Rules.

The names of elected Members are given below:

1. Dr. Haider Abbas

Professor, Department of Anaesthesiology, KG's Medical University, Lucknow-226003. Dr. Abbas's speciality Anaesthesiology.

2. Dr. Ajai Agarwal

Associate Professor, Department of Ophthalmology, Kalpna Chawla Govt. Medical College, Karnal. Dr. Agarwal's speciality is Ophthalmology.

3. Dr. Avinash Agrawal

Associate Professor, King George's Medical College, Lucknow. Dr. Agrawal's speciality is Internal Medicine.

4. Dr. Dushyant Agrawal

Assistant Professor, Department of Anatomy, All India Institute of Medical Sciences, Jodhpur. Dr. Agrawal's speciality is Anatomy.

5. Dr. Kaushal Kishore Agrawal

Assistant Professor, Department of Prosthodontics, King George's Medical University, Lucknow. Dr. Agrawal's speciality is Dental Surgery.

6. Dr. Sameer Aggarwal

Additional Professor, Department of Orthopaedics, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Aggarwal's speciality is Orthopaedic Surgery.

7. **Dr. Anjali Aggarwal**
Assistant Professor, Department of Anatomy, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Aggarwal's speciality is Anatomy.
8. **Dr. Syed Moied Ahmed**
Professor, Department of Anaesthesiology, Jawahar Lal Nehru Medical College and Hospital, Aligarh-202002. Dr. Ahmed's speciality is Anaesthesiology.
9. **Dr. Anupkumar Anvikar**
Scientist 'E', National Institute of Malaria Research, Sector-8, Dwarka, New Delhi. Dr. Anvikar's speciality is Microbiology.
10. **Dr. Mohammad Zahid Ashraf**
Scientist E, Genomics Division, Defence Institute of Physiology & Allied Sciences, DRDO, Lucknow Road, Timarpur, Delhi-110054. Dr.'s speciality is Molecular Medicine.
11. **Dr. Anju Bansal**
Scientists 'D', National Institute of Pathology (ICMR), Safdarjung Hospital Campus, New Delhi-110029. Dr. Bansal's speciality is Pathology.
12. **Dr. Rinti Banerjee**
Professor, Department of Biosciences and Bio-Engineering, Indian Institute of Technology, Mumbai-400076. Dr. Banerjee's speciality is Biomedical Engineering.
13. **Dr. Mausumi Basu**
Associate Professor, Community Medicine, IPGME&R, Kolkata. Dr. Basu's speciality is Community Health/Community Medicine/Social & Preventive Medicine.
14. **Dr. Vithalkumar Malleshi Betigeri**
Professor, Department of Cardiovascular & Thoracic Surgery, G.B. Pant Hospital, New Delhi-110003. Dr. Betigeri's speciality is Cardiovascular & Thoracic Surgery.

- 15. Dr. Shalmoli Bhattacharyya**
Associate Professor, Room No. 518, Department of Biophysics, Research Block B, Postgraduate Institute of Medical Education & Research, Sector-12, Chandigarh-160012. Dr. Bhattacharyya's speciality is Biophysics.
- 16. Dr. Geetanjali Chilkoti**
Associate Professor, University College of Medical Sciences & Guru Teg Bahadur Hospital, Delhi. Dr. Chilkoti's speciality is Anaesthesiology.
- 17. Dr. Kunzang Chosdol**
Additional Professor, Department of Biochemistry, All India Institute of Medical Sciences, New Delhi-110029. Dr. Chosdol's speciality is Biochemistry.
- 18. Dr. Rajiv Kumar Chugh**
Senior Consultant, Endodontist & Restorative Dentist in own practice at Dr. Chugh's Dental Centre, W-S, Greater Kailash, New Delhi-110048. Dr. Chugh's speciality is Dental Surgery.
- 19. Dr. Rashmi Ranjan Das**
Assistant Professor, Department of Paediatrics, All India Institute of Medical Sciences, Sijua, Bhubaneswar-751019. Dr. Das's speciality is Pediatrics.
- 20. Dr. Mahesh Devnani**
Assistant Professor, Room 2087, New OPD Block, Department of Hospital Administration, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Devnani's speciality is Hospital Administration.
- 21. Dr. Abhinav Dixit**
Associate Professor, Department of Physiology, All India Institute of Medical Sciences, Basni Phase-II, Jodhpur-342005. Dr. Dixit's speciality is Physiology.

22. Dr. Shilpi Gupta Dixit

Associate Professor, Department of Anatomy, All India Institute of Medical Sciences, Basni Phase-II, Jodhpur-342005. Dr. Dixit's speciality is Anatomy.

23. Dr. Deepak Goel

Professor, Department of General Medicine, Himalayan Institute of Medical Sciences, Swami Ram Nagar, Doiwala, Dehradun-248140. Dr. Goel's speciality is Neurology.

24. Dr. Ajay Gulati

Assistant Professor, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Gulati's speciality is Radiodiagnosis.

25. Dr. Madhavi Mathur Gupta

Professor, Dept. of Obst. & Gynae, Maulana Azad Medical College and Lok Nayak Hospital, New Delhi-110049. Dr. Gupta's speciality is Obstetrics & Gynaecology.

26. Dr. Neeraj Gupta

Assistant Professor, All India Institute of Medical Sciences, Jodhpur-342005. Dr. Gupta's speciality is Paediatrics.

27. Dr. Pallav Gupta

Associate Consultant, Department of Pathology, Sir Ganga Ram Hospital, New Delhi-110060. Dr. Gupta's speciality is Pathology.

28. Dr. Pooja Gupta

Assistant Professor, Department of Pharmacology, 4th Floor, Teaching Block, All India Institute of Medical Sciences, Ansari Nagar, New Delhi-110029. Dr. Gupta's speciality is Pharmacology.

29. Dr. Ravi Gupta

Associate Professor (2013-2015), Department of Psychiatry and Sleep Clinic, Himalayan Institute of Medical Sciences, Doiwala, Jolly Grant, Dehradun-248140 Dr. Gupta's speciality is Psychiatry.

- 30. Dr. Smriti Hari**
Additional Professor, Department of Radiology, All India Institute of Medical Sciences, New Delhi-110029. Dr. Hari's speciality is Radiodiagnosis.
- 31. Dr. Kana Ram Jat**
Assistant Professor, Department of Paediatrics, All India Institute of Medical Sciences, New Delhi. Ram Jat's speciality is Paediatrics.
- 32. Dr. Sujata Jetley**
Professor, Department of Pathology, Hamdard Institute of Medical & Research, Jamia Hamdard, New Delhi-110019. Dr. Jetley's speciality is Pathology.
- 33. Dr. Viveka P. Jyotsna**
Additional Professor, Department of Endocrinology & Metabolism, All India Institute of Medical Sciences, New Delhi-110029. Dr. Jyotsna's speciality is Diabetology & Endocrinology.
- 34. Dr. Manish Kakkar**
Senior Public Health Specialist, Public Health Foundation of India, Building 47, Sector-44, Gurgaon-122002. Dr. Kakkar's speciality is Community Health/Community Medicine/Social & Preventive Medicine.
- 35. Dr. Namita Kalra**
Professor and Head, Department of Paedodontics and Preventive Dentistry, University College of Medical Sciences & GTB Hospital, Delhi-110095. Dr. Kalra's speciality is Dental Surgery.
- 36. Dr. Mandeep Kang**
Professor, Department of Radiodiagnosis & Imaging, Post Graduate Institute of Medical Education & Research, Chandigarh-160012. Dr. Kang's speciality is Radiodiagnosis.

37. Dr. Inshad Ali Khan

Principal Scientist, Clinical Microbiology Division, CSIR-Institute of Integrative Medicine, Canal Road, Jammu-180001. Dr. Khan's speciality is Microbiology.

38. Dr. Shahzada Mohmed Salim Khan

Associate Professor and Head, Department of Social & Preventive Medicine (Community Medicine), Government Medical College, Srinagar-190010. Dr. Khan's speciality is Community Health/Community Medicine/Social & Preventive Medicine.

39. Dr. Chandra Mohan Kumar

Professor, Department of Paediatrics, Hamdard Institute of Medical Sciences and Research, Jamia Hamdard. Dr. Kumar's speciality is Paediatrics.

40. Dr. Vanita Lal

Associate Professor, Department of Biochemistry, All India Institute of Medical Sciences, Residential Colony, Basni Phase-2, Jodhpur. Dr. Lal's speciality is Biochemistry.

41. Dr. Lalitha K.

Associate Professor, Department of Community Medicine, M.S. Ramaiah Medical College, Bangalore-560054. Dr. Lalitha's speciality is Community Health/Community Medicine/Social & Preventive Medicine.

42. Dr. Sanjeev Lalwani

Additional Professor, Department of Forensic Medicine, All India Institute of Medical Sciences, New Delhi-110029. Dr. Lalwani's speciality is Forensic Medicine.

43. Dr. Madhusudan K.S.

Assistant Professor, Department of Radiodiagnosis, All India Institute of Medical Sciences, New Delhi-110029. Dr. Madhusudan's speciality is Radiodiagnosis.

44. Dr. Purva Mathur

Additional Professor, Laboratory Medicine, Trauma Centre, AIIMS, New Delhi-110029. Dr. Mathur's speciality is Microbiology.

45. Dr. Akhil Mehrotra

Senior Consultant, Cardiology Forrd Hospital, Chief Consultant Non Invasive Cardiology, Prakash Heart Clinic Prakash Diagnostic Centre & Heart Station, DMR LIC of India, Lucknow. Dr. Mehrotra's speciality is Cardiology.

46. Dr. Somnath Mukherjee

Assistant Professor, Department of Transfusion Medicine, All India Institute of Medical Sciences, Sijua, Patrapada, Bhubaneswar-751019. Dr. Mukherjee's speciality is Transfusion Medicine.

47. Dr. Aruna Nigam

Associate Professor, Department of Obstetrics and Gynaecology, Hamdard Institute of Medical Sciences & Research, Jamia Hamdard, New Delhi-110062. Dr. Nigam's speciality is Obstetrics & Gynaecology.

48. Dr. Nidhi Bidyut Panda

Professor, Department of Anaesthesia Intensive Care, Postgraduate Institute of Medical Education & Research, Chandigarh-160012. Dr. Panda's speciality is Anaesthesiology.

49. Dr. Shantanu Pande

Professor, Department of CVTS, Academic C Block Main Hospital Building, Sanjay Gandhi PGIMS, Raebareli Road, Lucknow. Dr. Pande's speciality is Cardiovascular & Thoracic Surgery.

50. Dr. Munna Lal Patel

Assistant Professor, Department of Medicine, Faculty of Medical Sciences, King George's Medical University, Lucknow. Dr. Patel's speciality is Internal Medicine.

- 51. Dr. R. Indra Priyadharsini**
Professor and Head, Department of Microbiology, Vinayaka Mission's Kirupananda Variyar Medical College, Salem, Tamil Nadu. Dr. Priyadharsini's speciality is Microbiology.
- 52. Dr. Babita Raghuwanshi**
Assistant Professor, Department of Transfusion Medicine & Blood Bank, All India Institute of Medical Sciences, Sijua, Patrapada, Bhubaneswar-751019. Dr. Raghuwanshi's speciality is Transfusion Medicine.
- 53. Dr. Pratyush Ranjan**
Consultant, Department of Ophthalmology, Sh. Bhagat Singh Eye Hospital, Bareilly. Dr. Ranjan's speciality is Ophthalmology.
- 54. Dr. Shalineer Rao**
Additional Professor, Department of Pathology, All India Institute of Medical Sciences, Rishikesh, Uttarakhand-249201. Dr. Rao's speciality is Pathology.
- 55. Dr. Neeraj Sanduja**
Director and Senior Consultant, Delhi Retina Center, 4802/24, Bhagat Ram Road, Daryaganj, Delhi-110002. Dr. Sanduja's speciality is Ophthalmology.
- 56. Dr. S.N. Sankhwar**
Professor and Head, Department of Urology, King George's Medical University, Lucknow-226003. Dr. Sankhwar's speciality is Urology.
- 57. Dr. Pikee Saxena**
Professor, Department of Obstetrics and Gynaecology, Lady Hardinge Medical College and SSKH, New Delhi-110001. Dr. Saxena's speciality is Obstetrics & Gynaecology.

58. Dr. Rohit Saxena

Additional Professor, Dr. R.P. Centre for Ophthalmic Sciences, All India Institute of Medical Sciences, Delhi-110029. Dr. Saxena's speciality is Ophthalmology.

59. Dr. Vartika Saxena

Additional Professor, Department of Community & Family Medicine, All India Institute of Medical Sciences, Rishikesh, Uttarakhand-249203. Dr. Saxena's speciality is Community Health/Community Medicine/Social & Preventive Medicine.

60. Dr. Nirbhai Singh

Assistant Professor, Advanced Eye Centre, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Singh's speciality is Molecular Medicine.

61. Dr. Natasha Singh

Senior Consultant and Section Coordinator and DNB Teacher, Department of Nuclear Medicine & PET-CT, PD Hinduja National Hospital and Medical Research Center, Mahim, Mumbai-400016. Dr. Singh's speciality is Nuclear Medicine.

62. Dr. Manphool Singhal

Assistant Professor, Department of Radiodiagnosis and Imaging, Nehru Hospital, Postgraduate Institute of Medical Education and Research, Sector-12, Chandigarh-160012. Dr. Singhal's speciality is Radiodiagnosis.

63. Dr. Praveen Rajashekhar Shahapur

Professor and Head, Department of Microbiology, B. J. Somaiya Institute of Postgraduate Medical Education, Shri B.M. Patil Medical College, Bijapur – 586103. Dr. Shahapur's speciality is Microbiology.

64. Dr. Sadhna Sharma

Professor, Department of Biochemistry, Research Block A, Room No. 329, Postgraduate Institute of Medical Education & Research, Chandigarh-160012. Dr. Sharma's speciality is Biochemistry.

- 65. Dr. Uma Sharma**
Assistant Professor, Department of NMR & MRI, All India Institute of Medical Sciences, New Delhi-110029. Dr. Sharma's speciality is Biophysics.
- 66. Dr. Sohan Lal Solanki**
Assistant Professor, Department of Anaesthesiology, Tata Memorial Centre, Parel, Mumbai-400012. Dr. Solanki's speciality is Anaesthesiology.
- 67. Dr. Devendra Kumar Vatsal**
Director and Senior Consultant, Dept. of Neurosurgery, ICON Hospital, Janakipuram, Lucknow-226021. Dr. Vatsal's speciality is Neurosurgery.
- 68. Dr. Maya Vedamurthy**
Consultant, Dermatologists Apollo Hospital, Chennai. Dr. Vedamurthy's speciality is Dermatology & Venereology.
- 69. Dr. Leena Verma**
Sr. Assistant Professor, Department of Pediatric Dentistry, Dr. Harvansh Singh Judge Institute of Dental Sciences, Punjab University, Chandigarh-160012. Dr. Verma's speciality is Dental Surgery.
- 70. Dr. Mandeep K. Walia**
Assistant Professor, Department of Paediatrics, Postgraduate Institute of Medical Education and Research, Chandigarh-160012. Dr. Walia's speciality is Paediatrics.

MNAMS

Membership of the Academy under Regulation V – The candidates who have passed the examination conducted by the National Board of Examinations and have been duly proposed for Membership (MNAMS). Regulation V provides as under:-

“Those candidates who pass the examination conducted by the National Board of Examinations will individually submit an application for admission as Member of the National Academy of Medical Sciences, duly proposed by at least one Fellow of the Academy certifying the character and conduct of the candidates. Subject to the approval of the Council of the National Academy of Medical Sciences, the candidate will be admitted as Member after paying one time Life Subscription fee of Rs.7,000/- (inclusive of admission fee of Rs.1,000/-) as may be determined from time to time, and after executing the Bond of Obligation.”

Accordingly, the application forms were issued by the Academy to the candidates on their request.

The following candidates who applied for Membership (MNAMS) of the Academy under the above category and who were duly proposed by at least one Fellow as stipulated under Regulation V, were placed before the Council for consideration at its meetings held on 4th August, 2015 and 23rd September, 2015. The Council approved the same.

Names approved at the Council meeting held on 4th August, 2015

Nominations of Medical Scientists for Orations and Awards – 2015-16

On the basis of the recommendations of the Orations & Awards Committee, the Council had approved the award of Orations and Awards for the year 2015-16 to the following Scientists:

ORATIONS

Achanta Lakshmipathi **Oration :**

Dr. Aleyamma Mathew, FAMS
Professor & Head
Division of Cancer Epidemiology
& Bio-statistics,
Regional Cancer Centre,
Trivandrum-695011.

Title of the Oration

“Cancer in Women”

Dr. V.R. Khanolkar Oration:

Dr. Debabrata Dash, FAMS
Professor
Department of Biochemistry
Institute of Medical Sciences
Banaras Hindu University
Varanasi-221005,
Uttar Pradesh.

Title of the Oration

“Biomedical Applications of
Nanomaterials: Diagnosis
and Therapy of Thrombotic
Disorders”

**Col. Sangham Lal Memorial
Oration :**

Dr. Visweswar Bhattacharya, FAMS

Former HoD, Plastic Surgery,
Institute of Medical Sciences,
Banaras Hindu University (BHU),
Varanasi-221005, Uttar Pradesh

Title of the Oration

“Experimental and clinical
evidence based rationality of
incorporation of deep fascia in
tissue transfer for reconstructive
surgery”

Dr. Baldev Singh Oration:

Dr. Sanjeev V. Thomas, FAMS

Professor of Neurology &
Head of R. Madhavan Nayar
Centre for Comprehensive
Epilepsy Care,
Department of Neurology
Sree Chitra Tirunal
Institute for Medical
Sciences and Technology,
Trivandrum-695011, Kerala.

Title of the Oration

“Reproductive issues of women
with Epilepsy”

Dr. R.V. Rajam Oration:

Dr. Rajesh Kumar, FAMS

Professor & Head,
Deptt. of Community Medicine
& School of Public Health,
Post Graduate Institute of
Medical Education & Research
(PGIMER), Chandigarh-160012

Title of the Oration

“Surveillance & Targeted Action
to Prevent HIV/AIDS”

Gen. Amir Chand Oration:

Dr. O.P. Kalra, FAMS

Vice Chancellor,
Pt. B.D. Sharma University of
Health Sciences
Rohtak-124001, Haryana.

Title of the Oration

“Genetic Basis of Diabetic
Nephropathy”

**Dr. S. Janaki Memorial
Oration :**

Dr. Sheffali Gulati, MAMS

Professor
Chief, Child Neurology Division
Department of Pediatrics
All India Institute of Medical
Sciences, New Delhi -110029.

Title of the Oration

“Neurodevelopmental Disorders:
the Journey, the Dreams and
their Realization”

**Dr. Pran Nath Chhuttani
Oration :**

Dr. Kashi Nath Prasad, FAMS

Professor Deptt. of Microbiology
Sanjay Gandhi Postgraduate
Institute of Medical Sciences,
Lucknow-226014, Uttar Pradesh.

Title of the Oration

“Neurocysticercosis Burden in
Pig Farming Community of North
India”

AWARDS

Dr. S.S. Misra Memorial Award:

Dr. Madhusudhan K.S.
Assistant Professor,
Department of Radiodiagnosis,
All India Institute of Medical
Sciences, Ansari Nagar, New
Delhi- 110029.

Topic : *“Role of Multi-Detector Computed Tomography Esophagography in Patients with Esophageal Carcinoma”.*

Dr. Vimla Virmani Award :

Dr. Jagadisha Thirthalli
Professor,
Department of Psychiatry,
NIMHANS, Bangalore – 560029,
Karnataka.

Topic : *““Prospective comparison of course of disability in antipsychotic-treated and untreated schizophrenia patients”*

Dr. S.S. Sidhu Award :

Dr. Ashok Kumar Jena
Department of Dental Surgery,
AIIMS, Sijua, Patrapada,
Bhubaneswar, Odisha.

Topic : *“Long-Term Effect of Maxillary Distraction Osteogenesis (DO) on Nasal Index in Adult Patients with Cleft Lip and Palate Deformities”*

Dr. Vinod Kumar Bhargava
Award :

Dr. Ganesh Venkatraman
Associate Professor,
Department of Human Genetics,
College of Biomedical Sciences
Technology & Research,
Sri Ramachandra University,
Porur, Chennai – 600116,
Tamilnadu.

Topic: *“P21-activated kinase 1 (Pak1) signaling influences therapeutic outcome in pancreatic cancer”*

Dr. Nandagudi Suryanarayana : Dr. Keyur Parikh
Rao Award

Chairman, CIMS Hospital Pvt.
Ltd.,
Care Cardiovascular
Consultants, Near Shukan Mall,
Off. Science City Road, Sola,
Ahmedabad-380060, Gujarat.

Topic : *“Unique Aspects of Coronary Artery Diseases in Indian Women”*

Golden Jubilee Commemoration Award Lecture

On the recommendations of the Credentials Committee and with the approval of the Council, the youngest biomedical scientists elected as a Fellows during the year is invited to deliver Golden Jubilee Commemoration Award Lecture at the Annual Conference of the Academy.

Dr. Ashish Suri, FAMS Professor, Department of Neurosurgery, All India Institute of Medical Sciences, New Delhi was the youngest biomedical scientist elected as a Fellow during the year 2014. He delivered Golden Jubilee Commemoration Award Lecture on 18th October, 2015 at All India Institute of Medical Sciences, Patna. The Topic of his Lecture was **“Simulation Based Skills Training in Neurosurgery and Contemporary Surgical Practices”**.

Lifetime Achievement Award

The Council at its meeting held on 4th August, 2015 under Rule 34(d) also approved the conferment of Lifetime Achievement Award for the year 2015 on Air Marshal (Retd.) Dr. M.S. Boparai, FAMS; in recognition of his life-long devotion to the cause of integrity in outstanding professional excellence and leadership in the field of Ophthalmology and Medical Education, with qualities of equanimity and academic eminence, have proven track record of excellence and subject expertise of a high order. He has served the Academy with distinction as Council Member, Emeritus Professor and Members of several standing Committees.

Maintenance of the Buildings

The expenditure incurred on the maintenance of the administrative building is shared by the NAMS and the NBE on 50:50 basis. The jobs of house keeping and security have been entrusted on contract basis.

The following repair work of the Academy's were done in four phases as per details given below:-

1. Repair of damaged ceiling, waterproofing of terrace
2. Providing & laying Over head Tank, Chajja and Grit wash
3. Repair/Replacement of second floor damaged G.I. and Sewage pipe lines at second floor
4. Renovation of first Floor Toilets & linkages of all sewage pipe lines etc.

The tenders for work mentioned at S.No. 1, 2 & 4 were called by the Academy and work was awarded to the shortlisted contractors. The work has been successfully accomplished. The work, related to No. 3 above, was done by the National Board of Examinations as communicated by them.

The Audio System has been installed in the Auditorium building and is operational.

The Air-conditioners Plant starter, which is fitted at the ground floor, has now been connected with the A.C. Plant and the operation of the A.C. Plant has become smooth for its routine operation (On/Off), as and when required.

(Please see back cover of the Annual Report for a photograph of the auditorium building)

Publication of Annals

1. ***Report on Annals of National Academy of Medical Sciences (India)***

NAMS Center for Research in Medical Education at AIIMS Jodhpur was given additional responsibility to look after publication the Official Journal of Academy - Annals of the National Academy of Medical Sciences (India). At Jodhpur we have been able to publish seven issues of the Annals in 2 years. These are:

1. Golden Jubilee Lectures, 2013;
2. Sleep Medicine, 2013;
3. Research in Medical Education, 2015;
4. January- June issue 2014;
5. July- December 2014;
6. June- Sept 2015;
7. October- December 2015.

The next issue of 2016 (Volume 52 No. 1) is now ready for printing and distribution.

During the financial year from 1st April 2015 - 31st March 2016, three issues of Annals have been published.

An informal meeting was held on 23 January, 2015 at 10.30 am at the NAMS Camp Office. Agenda of the meeting was discussed over a period of time during teleconferences and e-mails. A decision was taken to ensure the continuity of the publication of the Annals and it was decided that there will be no change in the size, format, and of the front page colour etc. from January, 2015 issue.

Printing of Annals of NAMS : Approximate cost of Annals including cost of printing, cost of envelopes, postal charges etc has been fixed now.

2. ***“According to the rule, the term of Editor and Editorial Board is 3 years. The Editorial Board was constituted in 2007 and***

approved in the Council meeting held on 12 July, 2008.” The last issue of the Annals was published in October, 2010 on “Diabetes Mellitus” since then the same Editorial Board has continued but no single volume of Annals has been produced. Prof J S Bajaj was authorized to constitute a new Editorial Board for the Annals of NAMS. The new Editorial Board which was presented in the meeting of the Council on 4 October, 2014 was endorsed and become effective from first January, 2015, have printed in the first issue of the Annals of January, 2015 and circulated. Dr. Kuldeep Singh has been appointed as an Associate Editor from July 2015.

3. All the future issues of Annals of NAMS which will be printed at AIIMS, Jodhpur will be put on the website of National Academy of Medical Sciences by the NAMS Centre for Research in Medical Education, Jodhpur as ***<http://annals-nams.in>*** within 3 days of its distribution without involving any extra cost.
4. The NAMS Centre for Research in Medical Education established at AIIMS, Jodhpur, will make efforts for indexing of Annals if the requisite continuity of publication is maintained. There will be no cost involved. If we achieve this target, Annals of NAMS will be on PUBMED (international indexing system). The requirement to provide contact details of all the Members of the Editorial Board including their postal address, mobile numbers, e-mail etc. This will not be in a public domain but is the pre-requirement of the organization.
5. Till the time PUBMED indexing can be achieved, the NAMS Center will explore indexing in several other open indexing systems which will widen the visibility of the journal. We have got following achievements:
 - a. Google analytics verification done, our journal ranks 2nd while searching in google and is 2nd only after official NAMS website.
 - b. Google scholar is showing in citation index.
 - c. Dataverse project at Harvard has established a link with our journal and all articles will be extracted to it's database.
 - d. The WorldCat is indexing and having repository of our articles

(All the articles online are available at library <http://www.worldcat.org/libraries/148448>)

- e. Our Annals is indexed in BASE - Bielefeld Academic Search Engine (Can be searched at <http://www.base-search.net/>)
- f. The Annals is now indexed with Index Medicus (WHO)
- g. The Annals is also listed in "Directory of Open Access Journals (DOAJ)" since 2015.
- h. Annals is now also indexed in citefactor at - <http://www.citefactor.org/journal/index/13197/annals-of-the-national-academy-of-medical-sciences-india#.V3Hqffl97IU>

The Centre has also initiated indexing with Index Copernicus.

Future Plans :

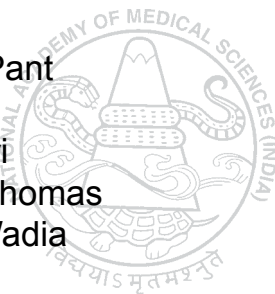

- 6. Efforts are being initiated by the NAMS Centre for Research in Medical Education, Jodhpur, for the online submission of manuscripts while the Emeritus Editor will continue assigned responsibilities including editorial corrections and review all the manuscripts for any pertinent comments made by any Fellow of the Academy and for that the email addresses and affiliations of all Reviewers, Fellows and Members will be obtained. Back issues in 'pdf' format will also be uploaded that will help in pubmed indexing.

Obituary

The death of the following distinguished Fellows/Members of the Academy is noted with sorrow:

Fellows:

1. Dr. Sohan Lal Agarwal
2. Dr. B.C. Bapna
3. Dr. (Mrs.) C. Syamala Bhaskaran
4. Dr. Ranjit Roy Chaudhury
5. Dr. Panna Choudhury
6. Dr. Hiralal Gulabbhai Desai
7. Dr. Dheeraj Gupta
8. Dr. Bhagavant R. Kalke
9. Dr. J.S. Neki
10. Dr. Mohan Chandra Pant
11. Dr. V.N. Sharma
12. Dr. Hem Kumar Tewari
13. Dr. Irene Manorama Thomas
14. Dr. Noshir Hormusji Wadia

Members:

1. Dr. Raghav Prasad
2. Dr. Chhatrapati Banerjee

Text message by the President Dr. Mukund S. Joshi, at the Annual Convocation on 17th October 2015 at Patna (Bihar)

On the occasion of the 55th Annual Conference of the National Academy of Medical Sciences (India) – NAMSCON 2015 from 16th to 18th October, 2015, it gives me very great pleasure to welcome all delegates, invitees and participants at All India Institute of Medical Sciences, Patna, the land of Patliputra where great rulers ruled the world.

The National Academy of Medical Sciences was established with the primary objective: ***‘the cultivation of scientific knowledge and its application to human welfare’***. I am glad that the seed of progress of the Academy over the years has grown to the extent of fulfilling of this objective through applied, basic and community health research by large number of Indian scientists, some of them are honoured by Fellowship of this Academy itself and that number is gradually growing. It is a matter of great satisfaction that the Academy is doing excellent work to achieve its objectives.

The NAMS Annual Conference is preceded by a CME programme on ***“Maternal & Child Health: Upto and Beyond 2015”***, that will provide a great opportunity for fruitful deliberations and will enhance the knowledge of young minds in this field and will provide an opportunity to interact with one another and with experts in this field.

The Academy recognizes outstanding achievements of scientists by conferring Fellowships, Memberships, Orations and Awards and I heartily wish to congratulate all the new Members and Fellows who would be receiving scrolls during the convocation ceremony. My salutation to all of them and my heartiest good wishes to others who I firmly believe shall be recognized in the future.

I also congratulate the Organizing Secretary at AIIMS Patna and entire team of NAMSCON 2015 for organizing this Annual Conference and the CME. I would like to thank my own NAMS staff at Delhi that has put their pains taking best efforts in the background to make this conference a great success and a memorable event for the years to come.

I wish the NAMSCON2015 Conference a great success.

Jai Hind.

Annexure II

Text of the address by the Chief Guest, His Excellence Dr. Ram Nath Kovind, Governor of Bihar, delivered at the 55th Annual Convocation on 17th October 2015, at Patna (Bihar)

Guests, Director, Faculty, Students and employees assembled on the occasion of the 55th National Conference of the National Academy of Medical Sciences Hosted by AIIMS Patna, I welcome you to Bihar.

The National Academy of Medical Sciences was inaugurated by the then Prime Minister of India, Pandit Jawaharlal Nehru, on 21st April, 1961. Since then they have provided Fellowship and Membership to many Doctors on the basis of excelling in Academic in their profession. My best wishes and congratulations to those being conferred Fellowships and Memberships this year. They also help organize such conferences to solve the regional problems. I hope that in this conference too deliberations will help solve regionally relevant Health problems in Bihar.

The All India Institute of Medical Sciences was envisioned to correct the regional imbalances in Health and Medical Education in India. How will the benefits of modern science reach the last man in the queue, at his door step at affordable cost is the mandate of such Institutions to be dedicated to the Nation in sufficient quantity. With this mandate this 3 year old baby Institution is already Unique as compared to other medical teaching Institutions of the country in many ways. You can have an idea of how from their publication AINA 12, 13 and 14 in which the news reports describing the difference have been presented.

How would the simple, safe, low cost and effective treatment be delivered to the remotely placed last man have been tackled by them in many ways? They helped train the Quick Medical Response Team being stationed and networked in remote areas by the Disaster Management Department of the Government of Bihar. They have a virtual vidyalay for the common man who wants to learn to respond correctly to medical emergencies or disaster at their Tele-medical Education site <http://www.sankatmochannagrik.in>. They have devised an application called Sankat which facilitates sending a pre-coded message by a common man such as an Auto driver through a mobile which identifies the location of the disaster or emergency on a Google Map on the mobile screen of the First responder ambulance, Fire

Tenderer or police so that the nearest help can reach without delay. There Chattisa is a remotely placed computer-savy youngster who gets credible free consultation from an AIIMS specialist through video conferencing through net saving the remotely placed patient at least Rs.2,000 from a trip to Patna to get the same consultation. I have been told that since its inception by the then Health Minister of Bihar, Shri Ashwani Choubey on January 23, 2013 the program had provided consultation to 87000 patients and saved the trip of 50000 that is Rs.10 crores of the poor man's money on Health. Their micro-mapping of the AES JE 2012 epidemic strengthened the hypothesis of it being caused by an Entero Feces borne water transmitted Virus along the North banks of Saryu and Ganga. Using the information the State Health Department by an intensive water contamination control and detection, retrieval and SOP based management was able to decrease the incidence of the disease in Muzzafarpur from above 1300 last year to less than a 100 this year.

Besides these patients attending the Institutes OPD can register themselves through their mobiles avoiding large queues. All their Data including images, video, text, and numbers are stored on the net from the point of creation and can be retrieved through mobile at multiple distant points, used and updated. Being digital from the very beginning the data can be used for Research and creation of Good Clinical Practice and Policy Guidelines.

They have done 2000 major surgeries like cochlear implant and joint replacements in their 4 modern theatres without mortality since March 2014. Soon they will have 3 more theatres to reduce waiting lists and with installation of CT Scan and Blood Bank in near future their emergency will start.

I have been told that their teaching techniques include e learning and are very modern and developed.

Their ability to create powerful Friends like RMRI, UNICEF, PATH, WHO, State Governments Disaster and Health Departments, IIT and IIM of Bihar and NAMS nationally and network with them will help everyone fight the unending war against Death and Disease.

I wish you success in being useful to the Nation, World and Humanity and stop here.

Jai Hind

Academic Report

Continuing Medical Education (CME) Programme

Report of CME Activities during April 1, 2015 - March 31, 2016

The following are the Members of the CME Programme Committee:

1. Dr. Prema Ramachandran, FAMS - Chairperson
2. Dr. Kamal Buckshee, FAMS - Member
3. Dr. Rajeshwar Dayal, FAMS - Member
4. Dr. Mohan Kameswaran, FAMS - Member
5. Dr. Saroj Chooramani Gopal, FAMS - Member
6. Dr. Rajoo Singh Chhina, FAMS - Member
7. Dr. M.V. Padma Srivastava, FAMS - Member
8. Dr. Sanjeev Misra, FAMS - Member
8. Dr. K.K. Sharma, FAMS - Member - Secretary
10. Dr. Mukund S. Joshi, FAMS - President, NAMS (Ex-officio Member)
11. Dr. Deep N. Srivasatava, FAMS - Secretary, NAMS

During the year 2015-2016 meeting of the CME Programme Committee was held on 10th July, 2015.

The Committee, time to time, co-opts Fellows to attend the meeting, depending on the expert advice required based on the topics of discussion and CME proposals received.

Extra-mural CME Programmes: These CME Programmes are run under the aegis of CME Programme Committee of the Academy. To improve the quality and contents of the Extramural CME Programmes funded by the NAMS, proposals received for funding are technically reviewed in the first instance by a subject expert who is also a Fellow of the NAMS. This practice has been followed since July 2004, and the reviewers so designated would evaluate the proposal and identify lacunae, if any, in the programme contents. The reviewers may suggest revision/ modification to be incorporated in the programme. These are communicated and nearly all such suggestions are invariably accepted by the organizers and only after the CME Scientific Programme are revised that the CME proposals processed for the grant-in-aid. A Fellow of the Academy is

designated as Observer to attend and evaluate the extra-mural CME Programme. The Academy provides TA/DA and Honorarium to Fellows who are nominated as Observers to attend, review and submit report on the CME Programmes.

Out of the CME proposals received from various medical institutions/ professional bodies in the country, the Academy has sanctioned partial financial assistance for organizing Nine Extramural CME Programmes during the financial year April 1, 2015 to March 31, 2016.

The details of the Extra-mural CME Programmes funded during April 1, 2015 to March 31, 2016 are placed as Annexure III.

The total expenditure sanctioned on Extramural CME Programmes during April 1, 2015 to March 31, 2016 is Rs.5,34,835 lakh (Rupees Five lakhs thirty four thousand eight hundred and thirty five only)

Intramural CME Programmes: These Symposia/CME Programmes are run under the aegis of Academic Committee of the Academy. The Academic Committee identifies, from time to time, topics of National and academic relevance for funding as Intramural CME Programmes. Just like for the extramural CMEs the Academy provides TA/DA and Honorarium to Fellows who attend and submit evaluation report on the CME programmes as NAMS Observers.

The Academy has funded 5 Intra-mural CME/Symposia during the year 2015-16.

The details of the Intra-mural CMEs are :-

1. **NAMS Regional Symposium on : “Food Safety: Farm to Plate Make Food Safe”** held at All India Institute of Medical Sciences, Jodhpur on April 6-7, 2015
2. **NAMS Regional Symposium on : “Nursing Care of Patients with Diabetes Mellitus Type-II”** held at Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar on April 27, 2015

3. **NAMS National Symposium on :“*Maternal and Child Health: On and Beyond 2015*”** held at All India Institute of Medical Sciences, Patna on October 16, 2015
4. **Initial Expert Group Meeting to evolve Guidelines on “*Prevention, Management and Rehabilitation in Stroke – A Multi-professional Team Approach*”** held at JSB Centre for Multi-professional Education, NAMS, New Delhi on October 29, 2015
5. **NAMS-NFI National Symposium on: “*MDG: Lessons Learnt and Way Forward to SDGs*”** held on November 27, 2015 at JSB Centre for Multi-professional Education, NAMS, New Delhi

The total expenditure in organizing the Intramural CME/Symposia programme was Rs.4,70,406/- (Rs. Four lakh seventy thousand four hundred and six only). The details are given in Annexure IV.

Fig.1 gives graphic representation of expenses incurred on extramural and intramural programme mduring 2014-15 and 2015-16.

Total expenditure on CME Programmes in 2014-15 and 2015-16

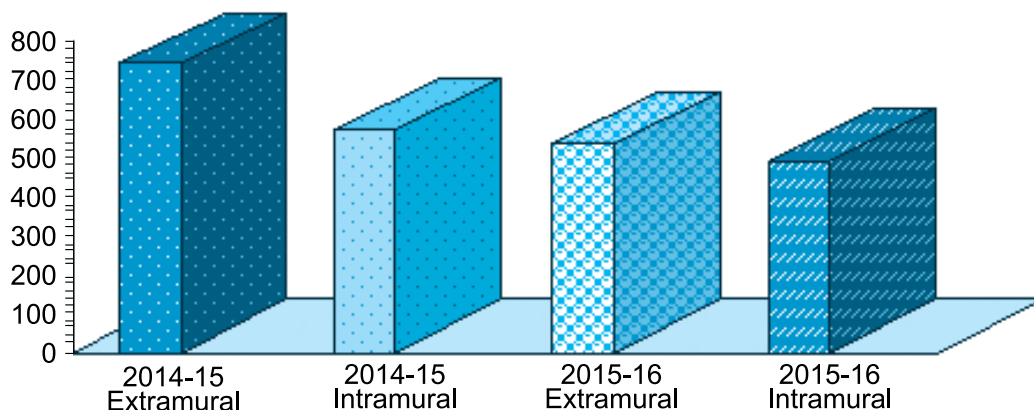

Fig. 1. Comparative representation of expenses incurred on extramural and intramural CME Programmes in 2014-15 and 2015-16.

The State chapter-wise distribution of extramural and intramural CME/ Symposia Programmes are given in Fig. 2.

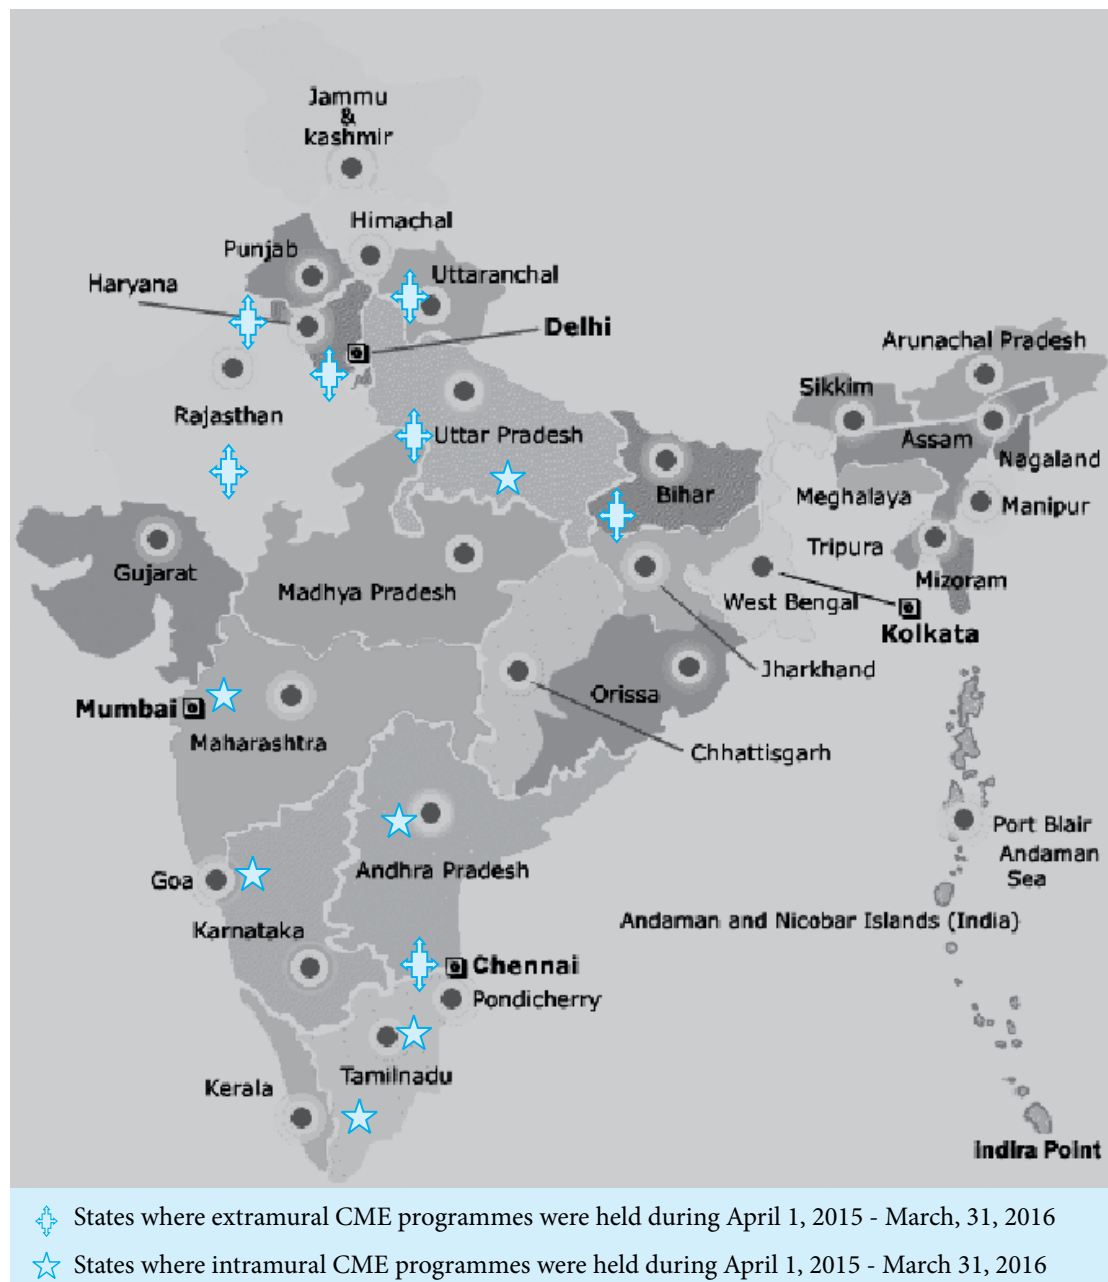

Fig. 2. The State-Chapter-wise representation of extramural and intramural CME Programmes in 2015-16

Speciality-wise distribution of extramural and intramural CME Programmes for 2015-2016 is shown in Fig.3.

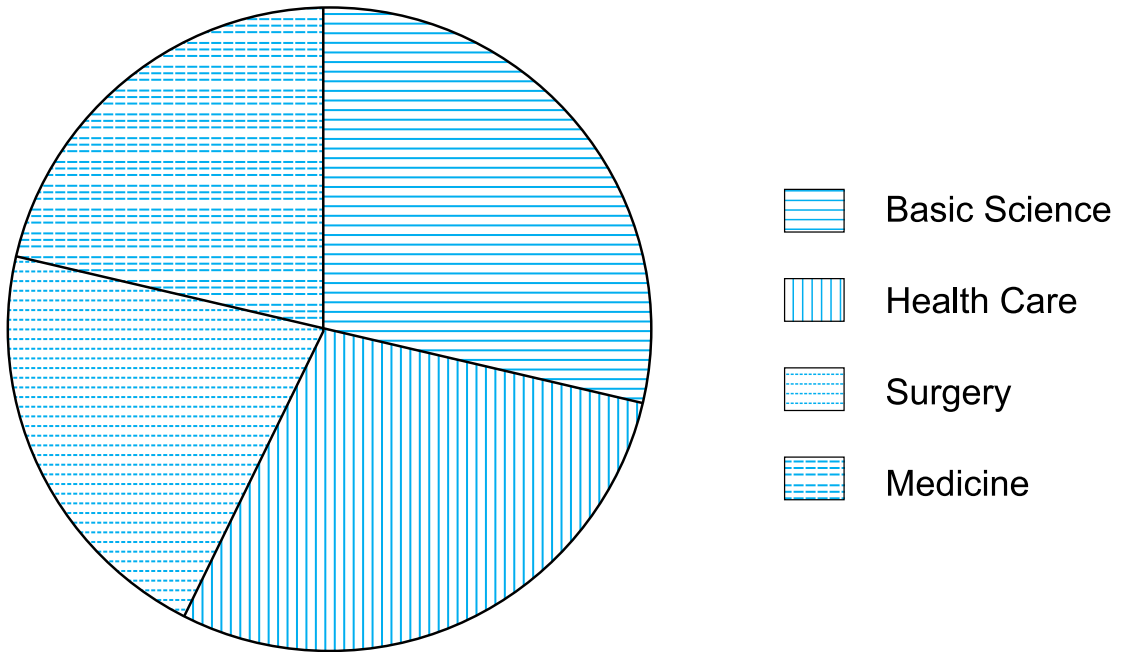

Fig. 3 : Speciality-wise distribution of extramural and intramural CME Programmes for 2015-2016

State-wise distribution of Extramural CME Programmes sanctioned in last 3 years, viz. 2013-14 to 2015-16.

The State-wise distribution of extramural CME Programmes for each year from 2013-16 is given in Table below:-

States	2013-2014	2014-2015	2015-2016	Expenditure incurred during 2015-16 (Rs.)
Andhra Pradesh	1	1	-	-
Assam	-	-	-	-
Bihar	-	-	-	-
Chandigarh	-	-	2	1,05,000/-
Delhi	2	-	-	-
Goa	-	-	-	-
Gujarat	1	-	1	60,000/-
Haryana	-	-	1	69,535/-
Himachal Pradesh	-	-	1	52,500/-
Jammu & Kashmir	1	-	-	-
Karnataka	1	2	1	36,000/-
Kerala	-	-	-	-
Madhya Pradesh	-	-	-	-
Maharashtra	1	3	1	75,000/-
Manipur	-	-	-	-
Odisha	-	-	-	-
Puducherry	1	2	1	61,800/-
Punjab	-	-	-	-
Rajasthan	-	-	-	-
Tamil Nadu	-	1	-	-
Uttar Pradesh	-	2	1	75,000/-
Uttarkhand	1	-	-	-
West Bengal	-	-	-	-
Total	9	11	9	5,34,835/-

The detail of Seminars, Symposia, Short-term courses, and Workshops supported under the CME programmes under State Chapters is given below:

Extramural CME Programmes of NAMS Chapters

The Scientific activities of the Academy include the academic activities of its State Chapters. The report of their activities under the CME programmes for the financial year 2015-16 are given below:-

Karnataka

During the year under review, the Karnataka Chapter has organized one Extramural CME Programmes (at Bangaluru) with the financial assistance from the NAMS.

Maharashtra

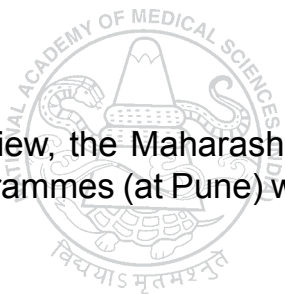

During the year under review, the Maharashtra Chapter has organized one Extramural CME Programmes (at Pune) with the financial assistance from the NAMS.

Puducherry

During the year under review, the Puducherry Chapter has organized one Extramural CME Programmes with the financial assistance from the NAMS.

Chandigarh

During the year under review, the Chandigarh has organized two Extramural CME Programmes (both at Chandigarh) with the financial assistance from the NAMS.

Gujarat

During the year under review, the Gujarat Chapter has organized one Extramural CME Programmes (at Rajkot) with the financial assistance from the NAMS.

Haryana

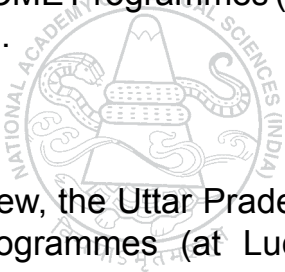

During the year under review, the Haryana Chapter has organized one Extramural CME Programmes (at Mewat) with the financial assistance from the NAMS.

Himachal Pradesh

During the year under review, the Himachal Pradesh Chapter has organized one Extramural CME Programmes (at Shimla) with the financial assistance from the NAMS.

Uttar Pradesh

During the year under review, the Uttar Pradesh Chapter has organized one Extramural CME Programmes (at Lucknow) with the financial assistance from the NAMS.

Report on Extramural CME Programmes from 1.4.2015 to 31.3.2016

1. CME Programme on **“Drug Safety Monitoring Among Health Care Providers”** held on 22nd April, 2015 at SHKM Govt. Medical College, Nalhar Mewat, Haryana.

Organizing Secretary: Dr. Priyamvada Sharma, Professor & Head, Department of Pharmacology, SHKM Govt. Medical College, Nalhar Mewat, Haryana.

Main Objectives of the CME Programme

The main Objective of the Workshop were:

1. To create a Nation-wide awareness on the system for patient safety reporting;
2. To support regulatory agencies in decision making process on the use of medication;
3. To collaborate with other national ADR reporting centers for the exchange of information and data management;
4. To generate evidence based information on safety of medicines.

Highlights of the Observer's (Dr. V. S. Mathur, FAMS) Report

Adverse Drug Reaction Monitoring and Pharmacovigilance needs active participation of both pharmacologists and clinicians, as the latter participate by way of prescribing the medicines and the former participate by managing the ADR reporting centre in the medical college hospital in the overall patient care activities. Besides, the SHKM faculty, guest speakers were invited from the neighbouring medical institutions. The CME was attended by around 120 doctors, nurses, pharmacists from the medical colleges from Rohtak, Greater Noida, Aligarh, Hapur, Faridabad, Meerut and Muzaffarnagar. The CME cum Workshop started

at 9.30 am and closed at 6 pm with a lunch break of 30 minutes. A well designed scientific programme with expert speakers, who spoke on various aspects of Adverse Drug Reactions (ADR) was the highlight of the CME. The speakers through power point presentations dwelt on their respective topics. Each presentation was followed by questions-answers and comments by the audience. The programme included a demonstration cum hands-on exercise on as how to fill the CDSCO-ADR Form. All efforts were made to have interactive sessions and didactic lectures were avoided. The speakers were able to highlight the goals of the CME: (i) increased awareness of possible ADR and making a note in patients file by doctors, nurses, pharmacists and even patients reporting any untoward reaction to prescribed medicines, (ii) evidence-based selection of medicines and to remember that medicines are a double-edged swords and all drugs are potentially toxic when misused or taken without following doctor's prescribing directions, resulting into non-compliance, (iii) recording all suspected ADRs in the CDSCO Form, (iv) post-marketing surveillance (PMS) employing all means to detection of known and so far unknown harmful effects, (v) identifying the problem areas in Mewat where there are a large number of patients on anti-tuberculosis drugs, e.g. INH, Rifampicin, Pyrazinamide and Ethambutol, PMS is immediately needed and the health care personnel be mobilized to study these problems. The CME was a well organized, much needed workshop in a remote and backward region of Haryana. The government of Haryana in this remote area here has not only provided a medical college but also a ultra-modern hospital with all specialties and super-specialities, well qualified and skilled consultant staff and infra-structure made me and everyone feel proud of all the praise and worthy efforts of the State government.

2. CME Programme on **“Theory and Practice of Epidemiology, Biostatistics and Demography”** held on 6th to 7th July, 2015 at St. John's Research Institute, St. John's National Academy of Health Sciences, St. John's Medical College, Bangalore.

Organizing Secretary: Dr. Prem K. Mony, Head, Division of Epidemiology, Biostatistics and Population Health, St. John's Research Institute & Associate Professor, Dept. of Community Health, St. John's Medical College, Bangalore.

Main Objectives of the CME Programme

1. To train junior medical faculty/postgraduate students in epidemiological methods and biostatistical methods that can be used on data produced from different epidemiological study designs.
2. To provide practical working knowledge of epidemiology and biostatistics with sufficient practical exercises.
3. To evaluate the students by daily home work.
4. To evaluate each session of the course by session feedback from participants.
5. To evaluate overall scientific programme by student feedback at end of the course for its utility and future planning.

Highlights of the Observer's (Dr. A. V. Kurpad, FAMS) Report

The program was held in a well lit seminar room with ample seating space for all the participants. There were sufficient computing facilities provided with laptops, internet connection and access to statistical package. All participants were involved in the discussion, raised questions during the lectures and actively participated in the practical sessions. All the presentations were shared with the participants before the session. All sessions were aided with power-point presentations with clarity and supported with discussions involving the participants. Sufficient audiovisual aids were available. All course material, practical questions data, pre-test, post-test session evaluations were all available on the e-learning platform (TYRO). All discussions were supported with appropriate examples from the clinical and non-clinical subjects.

3. CME Programme on “**Gynecon 2015: Critical Care in Obstetrics & Gynecology**” held on 25th – 26th September, 2015 at the Armed Forces Medical College, Pune.

Organizing Secretary: Dr.(Brig) Manash Biswas, Professor & Head, Dept. of Obst. & Gynae. AFMC, Pune.

Main Objectives of the CME Programme

The main objectives of the CME were :

1. To educate gynaecologists and residents, on the subject of intrauterine invasive procedures for diagnosing foetal chromosomal abnormalities.
2. To educate about ultrasound features of foetal malformations and give an insight into pathophysiology of intrauterine foetal problems and to acquaint with latest advances in foetal therapy.
3. The CME program shall focus on setting protocols for managing critical maternal conditions like haemorrhage, sepsis, hypertension and thrombotic conditions.

Highlights of the Observer's (Dr. Kamal Buckshee, FAMS) Report

An overview of scope and advances in Foetal Medicine was presented. This was followed by video presentation of various intrauterine procedures, viz. amniocentesis, chorionic villous sampling, cordocentesis, intrauterine transfusion, foetal reduction and foetoscopy. Ultrasound: An elaborate demonstration of nuchal thickness, nasal bone, foetal anomalies and doppler flow (normal and abnormal doppler flow of uterine and umbilical arteries, ductus & cerebral arteriolar flow) was done. Role of MRI and its correlation with respect to foetal anomalies was highlighted. Dr. Arun kinare's presentation was excellent with respect to its clarity, content, simplicity, information, update and was evidence based. It was a good session.

Session 1 on Medical Emergencies in Obstetrics: Peripartum Cardiomyopathy and Jaundice in Pregnancy that has a high maternal and foetal mortality were discussed. Lectures on these difficult topics highlighted the pitfalls in diagnosis and thus suboptimum management. All these aspects were well covered. The postgraduate quiz was excellent. Everybody enjoyed it thoroughly. Free paper session for postgraduates & young gynaecologists rating was 2.75/5. Only few papers were of quality presentation. Session on gynaecological emergencies: were well covered to a great extent. The inaugural function was fabulous. Session

3 on Obstetrics/Anesthetist nightmares was too good. he planning of the CME programme, the topics and faculty selected was very good. The academic deliberations and conduct of the workshop was very apt and informative. The ambience of the symposium was exceptional. The participants were very enthusiastic and remained present most of the time. They seemed to have enjoyed the workshop on foetal medicine & sessions on medical emergencies in obstetrics & gynaecology. There was a good interaction by the consultants; however; the interaction by PGs, young residents during the workshop and scientific sessions on emergencies was not much.

4. CME Programme on **“Ultrasonography: A Futuristic Vision in Teaching and Learning Anatomy”** during the National Conference of Anatomical Society of India held on 20th November, 2015 at King’s George’s Medical University, UP, Lucknow.

Organizing Secretary: Prof. A.K. Srivastava, Chief Organising Secretary, 63 NATCON of Anatomical Society of India, Professor & Head, Department of Anatomy, King George’s Medical University, Lucknow, UP.

Main Objectives of the CME Programme

At the end of the CME the learners will be acquainted with the latest information in the field of abdominal, cranial, musculoskeletal and fetal ultrasonography and utilize the knowledge gained for teaching and research purposes in the field of medical anatomy.

Ultrasonography (USG) has emerged as an indispensable diagnostic tool as it is convenient, economic, non-invasive as well as efficient. Therefore, the medical students should be exposed to this basic tool right from the beginning. Incorporation of USG for teaching, learning living anatomy would make the subject interesting and clinically relevant. This CME would therefore help in sensitizing the faculty of Anatomy to use this modality for teaching and research purposes.

Highlights of the Observer's (Dr. Shally Awasthi, FAMS) Report

It was very a well organized CME. The participants and organizers were very enthusiastic. The resource faculty were experts in the field of ultrasonography and discussed the ultrasonographic anatomy of abdominal viscera, musculoskeletal system and vascular anatomy of limbs, ultrasound of neonate brain and correlation of embryology with sonographic findings where relevant. The sessions were open for interactive discussion after each presentation. A state-of-the-art audio-visual aid was available and worked efficiently all the time which made all sessions very enjoyable, informative and interactive.

5. CME Programme on : **‘Preconference Workshop on “Good Clinical Practices”** held on 4th December, 2015 at Lecture Theatre Complex, PGIMER., Chandigarh.

Organizing Secretary: Dr. Bikash Medhi, Organizing Secretary, ISRPTCON-2015, Professor, Department of Pharmacology, PGIMER., Chandigarh – 160012.

Main Objectives of the CME Programme

The main Objectives of the CME programme were:

1. To provide understanding the basic ethical principles of GCPs.
2. To make aware on different aspects of basic understanding of various international guidelines on GCP.
3. To gain ability to handle practical problems in conduct of clinical studies and trials.
4. To understand the current regulatory environment in Clinical Research in the country as per Schedule – Y guidelines.

Highlights of the Observer's (Dr. P. L. Sharma, FAMS) Report

Overall the workshop was scientifically sound and quite beneficial to the participants for implementing principle of GCPs in the practice of Clinical Trials and Research. Eminent faculty and resource persons from academia, industry funding agency (ICMR) and regulatory agencies delivered their lectures in the workshop. Topics on ethics in research, responsibilities of different

stakeholders, ethical requirement of clinical trails, ICH-GCP, Indian GCP guidelines and lots of important topics were covered in the workshop. The lectures were thought-provoking and most of the topics covered will benefit MD/DM/Ph.D/MSc students in their respective exam preparation. Overall the workshop was beneficial and informative for the participants.

6. CME Programme on '**Pharmacovigilance**' held on 17th December, 2015 at Saurashtra University, Rajkot.

Organizing Secretary: Dr. Sachin Parmar, Organizing Secretary, IPSCON 2015, Assistant Professor, Department of Pharmaceutical Sciences, Saurashtra University, University Campus, Rajkot, Gujarat.

Main Objectives of the CME Programme

1. To provide training related to ADR data entry in vigiflow.
2. To bring awareness about Pharmacovigilance and highlight the role of clinicians in effective application of pharmacovigilance program.
3. To bring awareness regarding measures to overcome challenges faced in India with respect to underreporting of Adverse Drug Reactions.
4. To provide insights on Translational Pharmacovigilance.

The CME programme was organized along with main 48th Annual meet of the Indian Pharmacological Society (IPS). This CME is expected to bridge research of experimental pharmacologists with those involved in the applied aspects the medical and pharmaceutical sciences, allowing them to interact and cultivate interdisciplinary research spirit, specially in the area of pharmacovigilance.

Highlights of the Observer's (Dr. R. Balaraman, FAMS) Report:

The one-day CME Programme on Pharmacovigilance as a part of IPSCON 2015 was an overwhelming success. Numbers of participants were more than 50. Many of them are clinicians, persons working in

pharmaceutical industries and the PG students of medical and Pharmacy colleges. The objective of the symposium was fulfilled due to the excellent talks given by several stalwarts in the field of Pharmacovigilance and Adverse Drug Reaction Monitoring activities. Initial lecture was on the introduction of Pharmacovigilance practice and its scope in India (PvPI). Second speaker spoke on the role of clinicians in implementing effective pharmacovigilance practice in hospitals and private clinics. There were talks on under reporting of ADRs in implementing the pharmacovigilance programme in India, role of National Co-ordinating Centre in Pharmacovigilance Program in India and ICH guideline and regulatory aspects on PVP1. Finally there was a talk on terminologies for coding ADRs and Drug Informations. There was a practical session on operation of VigiFlow software and hands-on data entry on UPPSALA Monitoring Centre for ADR Reporting through internet. There was a group exercise followed by pannel discussion on ADR reporting. The programme was well organized and a grand success.

7. CME Programme on **“Pre-conference workshops on “Research Methodology”** held on 29th December, 2015 at JIPMER., Pondicherry during the National Conference on Clinical Research and Personalized Therapy (NCCP-2015).

Organizing Secretary: Dr. S. Sandhiya, Assistant Professor, Department of Pharmacology, Institute Block (Third Floor), JIPMER.Campus, Puducherry – 605006.

Main Objectives of the CME Programme

1. To help identify the research problems
2. To help in using and designing appropriate research study design
3. To guide on writing a research protocol
4. To guide on how to criticize a research protocol

Highlights of the Observer’s (Dr. Devinder Mohan Thappa, FAMS) Report

The overall ambience of the Symposium was good and unique. All the

sessions of the programme were interactive. Research methodology concepts were discussed in a simple and playful manner using audio-visual aids, games and puzzles. The participants were made to interact with each other as well as with speakers. Group discussions were conducted at the end of each session and all the participants were given opportunity to share their views and allowed to ask and clarify their doubts.

8. CME Programme on **“Mycological Diseases in ICU’s and Therapeutic Challenges”** held on 18th March, 2016 at Kufri, Shimla, Himachal Pradesh.

Organizing Secretary: Dr. Anil Kanga, Professor & Head, Department of Microbiology, Indira Gandhi Medial College, Shimla, Himachal Pradesh.

Main Objectives of the CME Programme

1. To provide an opportunity in the continuing medical education in the field of medical mycology.
2. To showcase the research conducted in last two years in the field of medical mycology in India.
3. To provide a platform to exchange of information in medical mycology
4. To develop National Control Programme and Management Guidelines for fungal infections.
5. To identify new research areas in fungal pathogens
6. To upgrade mycology diagnostic services in medical colleges.

Highlights of the Observer’s (Dr. Nancy Malla, FAMS) Report

The proposed CME scientific program held as part of “11th National Conference of Society of Indian Human and Animal Mycologists (SIHAM)” was well organized. Registered participants were 199, mainly postgraduate students and junior faculty members from different Medical Colleges in the country. The main objective of the programme was to disseminate awareness and knowledge of fungal infections and inculcate the ability to chalk-out the future research strategies, among the participants. The

CME scientific program was conducted in three sessions, including fungal infections in ICUs, therapeutic drug monitoring and antifungal resistance. Eminent faculty, scientists and senior research experts working on various areas and aspects of fungal infections delivered good quality lectures and shared their research experiences. The topics were quite relevant, keeping in view the public health problem, morbidity and mortality rates due to pathogenic fungal infections. Problem of antifungal resistance in clinical settings and therapeutic drug monitoring to improve outcome were amply discussed. The deliberations were interactive and active discussions were held at the end of each lecture, ably guided by the Chair-persons. The participants were quite enthusiastic, as was evident with their presence in the sessions and active participation in discussions.

9. CME Programme on the **“Role of Clinical Pharmacologists in Antimicrobial Stewardship Programs”** held on March 29, 2016 at Lecture Theater, PGIMER., Chandigarh.”

Organizing Secretary: Dr. Nusrat Shafiq, Additional Professor, Department of Pharmacology, PGIMER., Chandigarh.

Main Objectives of the CME Programme

1. To understand the need for Antimicrobial Stewardship Program
2. To understand the techniques of antimicrobial stewardship
3. To understand the process of identification of knowledge gaps and designing research in the field.

Highlights of the Observer's (Dr. Nancy Malla, FAMS) Report

The CME academic programme was well planned and the topics deliberated were quite relevant to the theme. The 96 participants, mainly postgraduate students from different Medical Colleges in the country attended the academic-sessions. The main objective of the program was to disseminate awareness, knowledge and need to Antimicrobial Stewardship Initiative among the participants. The program started with the Pre-Test Question exercise by the participants followed by lectures, workshop and Post-Test Question exercise (MCQs). Eminent faculty, scientists and senior experts

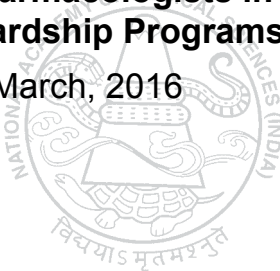

presented basic and advanced strategies for implementing the program and highlighted the need for joint collaboration of the microbiologists, pharmacologists and clinicians for its ultimate success. Experts from the industry emphasized the role of industry in this endeavor. Developing research protocols for improving relevant practice; designing, conducting and reporting prospective audits along with optimizing dose regimens for antimicrobial agents were amply discussed. The lectures were followed by group workshops on case studies for applying principles of Evidence-Based Medicine to rational prescription of antimicrobials, which were ably guided by the faculty. The workshop session concluded with the presentation of given Case Exercises/Case Studies by a lead person of the group and thus, at the end, participants jointly discussed all the given Case Studies. The deliberations were interactive and active discussions were held in between, as well as at the end of each lecture. The participants were quite enthusiastic, as was evident with their presence in the sessions and active participation in discussions. At the end of the program, participants attempted Post-Test MCQs.

**Statement showing Grant under Extramural CME Programmes
from 01.04.2015 to 31.03.2016**

Sl. No.	Topic	Amount Released (Rs.)
1.	CME Programme on : “Drug Safety Monitoring Among Health Care Providers” Mewat, Haryana on 22nd April, 2015.	69,535/-
2.	CME Programme on : “Theory and Practice of Epidemiology, Biostatistics and Demography” Bangalore on 6th – 7th July, 2015.	36,000/-
3.	CME Programme on : “Gynecon 2015: Critical Care in Obstetrics & Gyn” Pune on 25th - 26th September, 2015	75,000/-
4.	CME Programme on : “Ultrasonography: A Futuristic Vision in Teaching and Learning Anatomy” Lucknow on 20th November, 2015	75,000/-
5.	CME Programme on : ‘Preconference workshop on “Good Clinical Practice” Chandigarh on 4th December, 2015	52,500/-
6.	CME Programme on : ‘Pharmacovigilance’ Rajkot (Gujarat) on 17 December, 2015	60,000/-

Sl. No.	Topic	Amount Released (Rs.)
7.	CME Programme on : ‘Pre-conference workshops on “Research Methodology” Puducherry on 29th December, 2015	61,800/-
8.	CME Programme on : “Mycological Diseases in ICUs and Therapeutic Challenges’ Shimla on 18th March, 2016	52,500/-
9.	CME Programme on : “Role of Clinical Pharmacologists in Antimicrobial Stewardship Programs” Chandigarh on 29th March, 2016	52,500/-

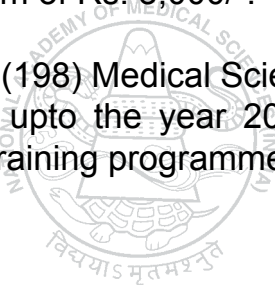

The Medical Scientists' Exchange Programme (Health Manpower Development)

One of the activities promoted by the Academy under Continuing Medical Education Programme in the area of Health Manpower Development is the Exchange of Medical Scientists' possessing positions at junior and middle levels.

The Academy provides funding to junior and middle level specialists/scientists to go to well established centers of excellence and acquire new/ newer skills. Under the scheme, the selected nominees are eligible for reimbursement of traveling expenses (limited to actual II class AC two-tier rail fare) and D.A. @ Rs. 300/- per diem during the training period subject to maximum of Rs. 5,000/-.

One Hundred Ninety-Eight (198) Medical Scientists/Teachers have been selected advance training upto the year 2016 and have successfully completed their proposed training programmes after getting the grant-in-aid from the NAMS.

Report on Intramural CME Programmes held during the period from 01.04.2015 to 31.03.2016

1. NAMS Regional Symposium on : **“Food Safety: Farm to Plate Make Food Safe”** held on April 6-7, 2015 at All India Institute of Medical Sciences, Jodhpur.

Organizing Chairperson: Dr. Pankaja Ravi Raghav, Prof. & Head, Department of Community Medicine, AIIMS, Jodhpur.

Main Objectives of the CME Programme:

The objectives of the symposium were:

- (1) to make participants aware regarding food safety during cultivation, processing, refining preparing, packaging and serving;
- (2) to impoverish the current beliefs regarding food safety laws;
- (3) to impart practical skills in context of detection of food adulterants in common practice, with the help of hands-on training.

Highlights of the Observer's (Dr. Umesh Kapil, FAMS) Report:

The objectives of the Symposium were fulfilled. The organizers have provided well documented Learning Resource Material. There was a total gathering of more than 236 (144 from outside and 92 inside) and more then 200 participants were present at azny time during the programme. There were interactive sessions as well as practical demonstration. There were interactive sessions and small group learning activities. The participants were provided practical demonstration/hands-on-training. Presentation by the Course Faculty was excellent and very informative. The Audiovisual aids used during the Symposium were of excellent quality. The information provided was evidence-based. Delegates

were impressed with the Quiz Competition, training on detection of food adulterant and scientific deliberations. They participated enthusiastically in all sessions and had good interaction with facilitators and speakers. The dissemination about the symposium should be done more widely so that participants from the different parts of the country could have attended the CME.

2. **NAMS Regional Symposium on : “Nursing Care of Patients with Diabetes Mellitus Type-II”** held on April 27, 2015 at Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar

Operating Officer: Dr. Geeta Sharma, Director-Principal, Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar.

- 1) to determine and understand how lifestyle factors that impact on diabetes management relate to strategies for patient education;
- 2) to complete an assessment of a patient with diabetes and implement an evidence-based patient care plan;
- 3) to identify a person with metabolic syndrome, pre-diabetes or issues with glycaemic control;
- 4) to develop an appropriate nursing care plan to prevent escalation of disease;
- 5) to enlist the strategies of optimum nutrition, feet care and self-care management in diabetes.

Highlights of the Observer’s (Dr. Ravinder Goswami, FAMS) Report:

The ambience of the Symposium and the enthusiasm of the participants were good. The objective of the Symposium was to educate the Nursing Personals with state-of-the-art practical knowledge required for managing a patient with type 2 diabetes and its possible complication at their end. The objectives of the Symposium were fulfilled up to 90% as outlined by the Convenor of the Symposium. However, the programme was over packed with lectures. As a result there was less scope of interactive session

with the participants. Besides, the participants found it difficult to concentrate throughout the duration of programme. I felt 10 hours stretch appeared too lengthy for such programme. It can be reduced to eight hours. The organizers provide a well-documented learning resource material to the participants. Number of participants registered was 300 and were present throughout the programme. The programme consists of didactic lectures with very little interactive lectures. The participants were not provided practical demonstration/hands-on training. The presentation by the course faculty was of a very good but there was scope of improvement by incorporating more medical personals. Audiovisual aids use during the CME Programme was of Medium Quality. The size of the Projector was less than ideal. The information provided was evidence-based.

3. NAMS National Symposium on “**Maternal and Child Health: On and Beyond 2015**” held on October 16, 2015 at All India Institute of Medical Sciences, Patna

Operating Officer: Dr. G.K. Singh, Director, All India Institute of Medical Sciences, Patna

The main objectives of the symposium were:

- 1) to review the national and state achievement in terms of Millennium Goals;
- 2) to assess role of environmental factors on Maternal and Child health;
- 3) to discuss the role of health, and allied professionals and knowledge network in terms of improvement in Maternal and Child Health;
- 4) to discuss the progress achieved in investigation and management of acute encephalitis syndrome in Bihar;
- 5) to discuss about strategies for prevention of mother to child transmission of HIV.

Highlights of the Observer's (Dr. Prema Ramachandran, FAMS) Report:

The objectives of the Symposium were fulfilled. There were excellent interactive sessions in which students participated vigorously and their questions were insightful and expressed their concern. A well-documented Learning Resource Material (LRM) was provided to the participants. 160 participants were registered; out of which 80-100 were in the morning session and 50-75 in the evening session. Each lectures was followed by discussion, there were two interactive sessions. Number of the participants were predominantly undergraduate and the theme was Maternal and Child Health: On and Beyond 2015. Presentations focused on the National policies, programmes, improvement in access to reviews and outcomes vis-a-vis MDGS. The presentations were of excellent qualities. They took into an account that majority of participants were undergraduate students and experienced fundamental concepts. The Audiovisual aids used during the Symposium were very good. The Academic content i.e. the state of art information provided was very good. Information provided was evidence based.

4. Initial Expert Group Meeting to evolve Guidelines on **“PMR (Prevention, Management and Rehabilitation) in Stroke – A Multi-professional Team Approach”** held on the World Stroke Day, October 29, 2015, at the Prof JS Bajaj Centre for Multi-professional Education, in Smt Kamla Raheja Auditorium, NAMS, New Delhi

Organizing Officer: Dr. Sanjay Wadhwa, FAMS, Professor, Dept. of Physical Medicine and Rehabilitation, AIIMS, New Delhi.

The main objective of the Expert Group Meeting was to frame Guidelines on “PMR (Prevention, Management and Rehabilitation) in Stroke – A Multi-professional Team Approach”.

The Expert Group Meeting was organized by Dr Sanjay Wadhwa

in the Smt Kamla Raheja Auditorium at NAMS, New Delhi to commemorate the World Stroke Day. This was the first Academic Programme held at the Prof JS Bajaj Centre for Multi-professional Education at NAMS. The programme was very well designed and the meeting was very well organized. The programme included Experts from the areas of Neurology, Radiodiagnosis, Public Health, Pharmacology, Nutrition, Nursing, Orthotics, Medico-Social Works, and Physical Medicine & Rehabilitation. A number of Posters printed by Dr Sanjay Wadhwa and related to World Stroke Day were displayed prominently at the venue.

The Meeting was inaugurated by Dr. Mukund S. Joshi, President, NAMS at 1 p.m. on 29th October, 2015 by lighting the lamp and delivering the inaugural address. Dr (Mrs) SS Deshmukh, Chairperson, Finance Committee, NAMS, Dr Prema Ramachandran, Chairperson, CME Programme Committee, NAMS, Prof. R.K. Chadda, Member of NAMS Council and Dr Deep N Srivastava, Honorary Secretary, NAMS also joined in Lamp lighting. The Meeting was blessed by Prof. JS Bajaj, Emeritus President, NAMS and Chairman, Academic Council, NAMS with his message of congratulations to Dr Wadhwa and best wishes for the success of this event. The Meeting concluded at 6 p.m.

The efforts put in organizing this first Academic Activity as an Expert-Group Meeting were appreciated by all the Expert participants. This activity was also displayed prominently as an important activity in India, on the official website of the global organization, World Stroke Campaign (<http://www.worldstrokecampaign.org/india-2015/1091-india-new-delhi-prevention-management-and-rehabilitation-in-stroke-a-multiprofessional-team-approach.html>).

The Resource Persons included Experts from AIIMS and Safdarjang Hospital, New Delhi, representing important areas related to Stroke Prevention, Management, and Rehabilitation. The presentations made by Experts during the programme were of very high quality and evidence-based information was provided to enable the Expert Group to finalize the guidelines and make useful recommendations.

It was decided that Dr Sanjay Wadhwa should follow up this initial Meeting with holding of a NAMS Sponsored National-Level Academic Programme on Stroke, for wider consultation and participation at an appropriate time when feasible.

5. NAMS-NFI National Symposium on: **“MDG: Lessons Learnt and Way Forward to SDGs”** held on November 27, 2015 at JSB Centre for Multi-professional Education, NAMS, New Delhi.

Operating Officer: Dr. Prema Ramachandran, Director, Nutrition Foundation of India, C13 Qutab Institutional Area, New Delhi.

Main Objectives of the CME Programme:

At the end of the symposium the participants will be able to:

- i) review the national and state achievement in terms of Millennium Goals
- ii) Discuss the proposed health and nutrition related target in SDG and how these could be achieved by optimally utilizing the strengths of the Indian scenario and trying to overcome the existing constraints.

Highlights of the Observer's (Dr. K.K. Sharma, FAMS) Report:

A total of 114 persons attended the Symposium in Delhi. Besides, an unknown number of participants attended the Symposium at AIIMS, Delhi and AIIMS, Jodhpur as the proceedings of the Symposium were telecast live by interactive video-conferencing to these institutions. Participants in all these centres took an active part in the symposium not only by listening the deliberations but also by posing questions for clarifications, etc to the respective speakers after each talk. A large number of those who had registered at the venue of the symposium in Delhi had expressed, at the time of registration, that they are not very familiar with the MDGs and the issues in SDGs or India's progress in all areas of goals. Most of the registered participants expressed that this was the first symposium they were attending where these issues are being discussed.

In view of this, they had indicated their inability to complete the pre-symposium questionnaire. All participants were very enthusiastic about attending the programme and listened all lectures with rapt attention and asked very pertinent questions and sought clarification on a number of issues. Organizers fulfilled the objectives outlined in the CME Programme proposal. Organizers tried to fulfill the set-out objectives in the best possible way they could by designing the Scientific Programme in the manner that all areas as per objectives were covered and in case there were some lacunae and some points which remain uncovered were covered by the Convener. This was conveyed by Dr. Prema Ramachandran, in her concluding remark during the final discussion on the Transition from MDGs to SDGs: India's Challenges and Opportunities.

A well organized souvenir-cum-background paper was provided to each delegate as folder, which gave all details of the CME Programme. At any time till the end, around more than 100 participants remained present in the Symposium. The Scientific Programme consisted of didactic lectures and a number of epidemiological case scenarios were included in the presentation of each speaker. Full opportunity was provided to participants for interaction with the Resource Persons. However, there were no small group learning activities as this was not required as per Objectives of the Symposium. All the Resource Persons presented authoritative data supported by the State and National level epidemiological evidences as included in the Government reports on the proceedings of the current status of MDGs and SDGs. All audio-visual aids were excellent not only in the Auditorium where the scientific deliberations were held but also the quality of telecasted deliberations and questions-answers sessions all through the programme. All the speakers and resource persons who were chosen by the Organizers are Government of India dignitaries, Ministry officials and Academician involved in conducting and evaluation the MDGs and SDGs proceedings in the country.

**Statement showing Grant under Intramural Programmes from
01.04.2015 to 31.03.2016**

Emeritus Professors of NAMS

Report of Summary/Lectures Delivered by Emeritus Professors of NAMS

1. Summary of Lectures delivered by Dr. T.D. Chugh, Emeritus Professor, NAMS

(i) Tropical Fevers, on 27th July, 2015 at IAMM.

Tropical fevers are prevalent in tropics and subtropics, often seasonal (during rainy or post rainy season) and frequently vector borne. India has a huge burden of these infections caused by bacteria, parasites and viruses. The most common are rickettsial infections, viral (dengue, chikungunya, influenza, enteroviruses), malaria, enteric fever and leptospirosis. Clinical manifestations are varied: fever with no localising signs or fevers with rash, ARDS, encephalopathy, acute renal failure, jaundice or multiorgan failure. Laboratory diagnosis and management is done using a syndromic approach. Prevention and control is a public health issue.

(ii) Antimicrobial Stewardship (WHO Fellowship Training Programme on Antibiotic Resistance Testing, Quality Assurance and Surveillance), on 3-8th August, 2015

I made the presentation through two case studies” a case of uncomplicated enteric fever and a case of MRSA bacteraemia in a case of ESRD on haemodialysis. The session was interactive for 2 hours.

Emphasis on microbiology reports “Accurate, Timely and Affordable” and use of antimicrobials with a sound knowledge of Pk and Pd of drugs.

Interaction of microbiologists and pharmacologists with clinicians is essential. It must be on regular basis.

iii) Patient Safety, on 16 August, 2015 at SGT University, Gurgaon

Spoke briefly about Shri Guru Gobind Singh ji: the spiritual master, his moral philosophy, human values, ethics and the relevance to practice of medicine today.

Medical errors, adverse drug events and unsafe injections are a huge burden in India. “Complications generate revenue” is unacceptable.

Leadership in Medicine is the Need of the day.

iv) Microbes and Non – Communicable Diseases on 20 September, 2015 at Cuttack, Odisha

Professor Bikram Dass was not only a scientist and teacher of microbiology but also a political revolutionary and Man of Letters who wrote poetry, fiction and novels.

Human – Microbe Mutualism is not only related to infectious diseases but microbes are known to cause cancer: Burkitt's lymphoma, cervical cancer, hepatocellular carcinoma, gastric carcinoma and MALT etc and various life-style diseases (metabolic diseases, obesity, diabetes mellitus, cardiovascular diseases)

The role of gut microbiome, probiotics and faecal microbiota transplantation was discussed.

v) Immunodiagnosis of Infectious Diseases on 19th November, 2015 at AMBICON

Various in – vitro immunological techniques have been used in the practice of infectious diseases. These are precipitation, complement fixation, agglutination, neutralisation, immune-electrophoresis, counter immunoelectrophoresis, chemiluminescence and more recent are western blotting, rapid immunochromatographic tests,

immunofluorescence, immunohistochemistry and immune- electron microscopy. Their techniques mechanistic and clinical implications in various diseases: AIDS, hepatitis A,B,C,E; Brucellosis, enteric fever, leptospirosis, syphilis, candidiasis, aspergillosis and auto immune diseases were discussed with sensitivity and specificity.

vi) Biomarkers and Infectious Diseases on 20th November, 2015 at AMBICON

Biomarkers are important in infectious diseases for diagnosis, prognosis, severity, progress of the disease, differentiation of bacterial vs non bacterial diseases, sepsis, multiorgan failure, response to therapy, adverse events and are a useful guide to antimicrobial therapy in Antibiotic Stewardship Program.

There are a large numbers of biomarkers currently used in infectious disease practice: CRP, PCT, IL, TNF α . Use of combination of cost effective biomarkers with serial estimations is the best approach. IL-6, 8 are the most promising early markers. Combination of IL-6 and CRP is an excellent approach. PCT has an excellent sensitivity and specificity and is best used to rule out rather than rule in diagnosis of sepsis and is good to reduce the duration of antibiotic therapy. Point of care tests is again a new and useful approach.

vii) Antimicrobial Resistance: A public health challenge on 9th February, 2016 at VMMC, Delhi

Emergence and burden of antimicrobial resistance in the world and in India. The presentation focussed on “Way Forward”. Accuracy and quality of Microbiology services (poor quality and transport of patients specimen), lack of interaction of microbiologists and pharmacologists with clinicians were discussed in detail. Persuasive and restrictive intervention for use of antibiotics was discussed. Sustained campaigns with public and students and chemists were highlighted.

NAMS Website

The National Academy of Medical Sciences (India) has its own website and can be accessed at URL - <http://www.nams-india.in> from any part of the world with internet connectivity. Almost all the important information about NAMS and its activities, Learning Resource Materials, Detail about CME Programmes, Addresses by senior dignitaries and other useful content of present day technology, can be easily gathered by visiting this website. On the home page, information about the following can be easily obtained:

NAMS Rules & Regulations, Office Bearers, Council Members, Fellows and Members (Year-wise), Guidelines for submission of Application for funding of CME Programmes, Academic Calender, Orations and Awards, Annals of the NAMS (abstracts of published articles), Monographs published by NAMS, NAMS Annual Conference 2015, Downloads (proforma for submitting proposal for holding symposia, seminars, workshops, CME Programmes and Instructions to Authors for submitting an article for the Annals of NAMS) and information about the forthcoming Annual Conference of NAMS etc. The website also includes Annual Reports as well as content of various issues of Annals published during the years 2013, 2014 and 2015.

All academic activities held at AIIMS Jodhpur sponsored by NAMS have been also archived in form of soft copies of Learning Resource Material (LRM). In addition, NAMS Center for Research in Medical Education has video recorded all the events of NAMSCON-2013, NAMSCON-2014 and Scientific Symposia held at AIIMS Jodhpur, Rajasthan and that of NAMSCON-2015 held at Patna, Bihar has been also linked with the Academy website.

Financial Report

Government Grant

Plan

The position of grant-in-aid sanctioned/released by the Ministry of Health and Family Welfare to the Academy under 'Plan' for implementation of the CME Programmes and expenditure incurred there against during the last three years (2013-14 to 2015-16) was as under:

(Rs in lakhs)

Year	Grant Sanctioned	Grant released	Expenditure (including assests purchased)
2013-14	86.40	63.00	79.68
2014-15	110.00	60.00	67.22
2015-16	100.00	65.41	72.23

The excess of expenditure under 'Plan' during 2013-14 to 2015-16 was met out of unspent grant in earlier years.

Non Plan

The position of Grant-in-aid sanctioned/released by the Ministry and expenditure incurred under "Non-Plan" during the last 3 years (2013-14 to 2015-16) was as under :

(Rs. in Lakhs)

Year	Grant sanctioned	Grant released	Expenditure	Remarks
2013-14	60.00	55.54	71.06	Excess of expenditure was met out of the revenue generated by the Academy
2014-15	55.00	55.00	73.99	Excess of expenditure was met out of the revenue generated by the Academy
2015-16	55.00	53.00	66.70	Excess of expenditure was met out of the revenue generated by the Academy

FINANCE

During the year 2015-16, a sum of Rs. 36,97,000/- as Life Membership from Fellows and Members has been received. Besides, an income of Rs. 30,88,511/- has been received on account of interest on the fixed deposits.

ACCOUNTS

The audit of accounts for the year 2015-16 has since been completed by the Chartered Accountant. The Council at its Meeting held on 17th September, 2016 has also approved the Statement of Accounts. These are now recommended for adoption by the General Body.

Accounts

AUDIT REPORT

National Academy of Medical Sciences (India)
Ansari Nagar, Ring Road, New Delhi

Report on the financial statements

We have audited the accompanying financial statement of **NATIONAL ACADEMY OF MEDICAL SCIENCE (INDIA)** ("The Academy") which comprises the Balance Sheet as at 31st March, 2016 and the Income and Expenditure Account for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Academy in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India to the extent applicable to the Academy being the charitable institution. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of

the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Academy preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give a true and fair view in conformity with the accounting principles generally accepted in India :-

- a) In the case of the Balance Sheet, of the state of affairs of the Academy as at 31st March, 2015.
- b) In the case of the income and Expenditure account, of the excess of Income over expenditure for the year ended on that date.

Emphasis of Matter

Without qualifying our opinion, we draw attention on the following:

- Physical verification of fixed assets and its reconciliation with books of accounts is pending.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF

ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2016

A) Significant Accounting Policies

1. Accounting Convention

The financial statements have been prepared under the historical cost convention on cash basis.

2. Revenue Recognition

Revenue, donation, grants are recorded when received.

Expenses are recorded when paid.

3. Fixed Assets

Fixed Assets are recorded at Original Cost.

4. Depreciation

No depreciation is being charged on fixed assets.

5. Grants

Grants are recorded in accounts as per specific direction of donor.

The government grant received for CME Programme (Plan) is in recurring in nature and the same is earmarked fund. The income earned on that fund while the amount is in bank directly added to the fund and expenses incurred reduce from that fund.

The Non-Plan government grant received is in recurring in nature. The Non-Plan grant (net of capital expenditure) credit to income and expenditure account and capital expenditure amount transfer to capital expenditure amount transfer to capital assets grant fund.

B) NOTES FORMING PART OF ACCOUNTS

6. During the year, 100% of Life membership fee received from members credited to Capital Fund.
7. The corpus fund received by Academy for orations and awards has

been earmarked for that particular funds as per direction of the doner and kept that money separately in bank under term deposit is added to that fund and expenses incurred reduced from that fund.

8. The Academy has two buildings known as old building and new building Smt. Kamla Raheja Autitorium and J.S.B. Center for Multi-Professional Education. The Academy and National Board of Examination (NBE) are sharing the accommodation of old Building in accordance with the terms and conditions which has approved by Ministry of Health and Family Welfare, Government of India. The Academy is incurring all maintenance expenses and 50% of those expenses are recovered from NBE and reduced from maintenance expenses.
9. The construction of new building Smt. Kamla Raheja Auditorium and J.S.B. Center for Multi-Professional Education has been completed. The Academy and Smt. Kamla Raheja Foundation have incurred expenses on construction of that building. The expenses incurred by the Academy on that building has been capitalized in the books of accounts in the respective head and expenses incurred by the Smt. Kamla Raheja Foundation are pending for approval with Finance Committee and will be considered in accordance with direction and approval of Finance Committee.
10. The Physical verification of fixed assets its reconciliation with books of accounts is pending.
11. Previous year's figures have been regrouped wherever necessary.

Retired Members

1. Dr. P.K. Dave
2. Dr. Yogesh Chawla
3. Dr. V. Mohan Kumar
4. Dr. Mira Rajani
5. Air Marshal (Retd.)
Dr. Manjit Singh Boparai

Elected Members

- Dr. Shiv K. Sarin
- Dr. Rajeshwar Dayal
- Dr. Ravi Kant
- Dr. Digambar Behera
- Dr. Sanjeev V. Thomas

3. The following candidates have been elected as Fellows and Members for the year 2016:

Fellows

1. Dr. Amit Agarwal
2. Dr. Shinjini Bhatnagar
3. Dr. Subho Chakrabarti
4. Dr. Kishore Kumar Deepak
5. Dr. Aparajit Ballav Dey
6. Dr. Ajay Kumar Duseja
7. Dr. Shivinder Singh Gill
8. Dr. Ashima Goyal
9. Dr. Sheffali Gulati
10. Dr. Nandita Gupta
11. Dr. Siddhartha Datta Gupta
12. Dr. Sunil Kumar Gupta
13. Dr. Sanjeev Handa

14. Dr. R. Hemalatha
15. Dr. Satish Vasant Khadilkar
16. Dr. Anuradha Khanna
17. Dr. Gopal Nath
18. Dr. (Mrs.) Satyavati Rana
19. Dr. Pundi Narasimhan
Rangarajan
20. Dr. Tara Sankar Roy
21. Dr. Sandeep Saxena
22. Dr. Surender Singh
23. Dr. Kavumpurathu Raman
Thankappan
24. Dr. Anjan Trikha
25. Dr. Saurabh Varshney
26. Dr. Subodh Varshney

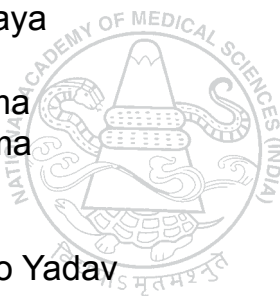

Members

1	Dr. Md. Iqbal Alam	35	Dr. Amit Goyal
2	Dr. Dipti Agarwal	36	Dr. Jagdish Prasad Goyal
3	Dr. Neeraj Agrawal	37	Dr. Kamalesh K Gulia
4	Dr. Prabhat Kumar Agrawal	38	Dr. Monica Gupta
5	Dr. Sneha R. Ambwani	39	Dr. Nidhi Gupta
