FELLOWS:

Twenty one Fellows elected in 2019, were admitted to the Fellowship and received the scroll at the Convocation held at Bhopal. The names of the Fellows admitted and their affiliations are given below:

1. Dr. Alok Chandra Agrawal

Professor & HOD, Department of Orthopaedics, All India Institute of Medical Sciences, Raipur. His speciality is Orthopaedic Surgery.

2. Dr. Abdul Salam Ansari

Associate Professor, Reproductive Health Laboratory, Centre for Advanced Studies, Department of Zoology, University of Rajasthan, Jaipur. His speciality is Physiology.

3. Dr. Sandeep Bansal

Additional Professor, Department of ENT, Postgraduate Institute of Medical Education and Research, Chandigarh. His speciality is Otorhinolaryngology.

4. Dr. Mihir Kumar Bhattacharya

ICMR- Emeritus Scientist, National Institute of Cholera and Enteric Diseases, Calcutta. His speciality is Infectious Diseases.

5. Dr. Zia Chaudhari

Professor, Department of Ophthalmology, Lady Hardinge Medical College, University of Delhi and PGIMER, Dr. RML Hospital, New Delhi. Her speciality is Ophthalmology.

6. Dr. Mala Dharmalingam

Professor and Head, Department of Endocrinology, Ramaiah Medical College, Bangalore. Her speciality is Diabetology and Endocrinology.

7. Dr. Tirath Das Dogra

Advisor-IQAC, SGT University, Gurugram. His speciality is Forensic Medicine.

8. Dr. Ravindra Kumar Garg

Professor and Head, Department of Neurology, King George Medical University, Lucknow. His speciality is Neurology.

9. Brig. (Prof) Atul Kotwal

Deputy Director General and Professor Commandant, C/o DGAfms, M Block, Ministry of Defence & ACMS, New Delhi. His speciality is Community Medicine.

10. Dr. Abbas Ali Mahdi

Vice Chancellor, Era University, Sarafarazganj, Lucknow. His speciality is Biochemistry.

11. Dr. Saroj Kanta Mishra

Sr. Professor & Head, Department of Endocrine Surgery, Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow. Her speciality is Endocrine Surgery.

12. Dr. Anant Mohan

Professor, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. His speciality is Respiratory Medicine.

13. Dr. Kulkarni Jagdeesh Narhar

Director of Robotic Surgery and Professor of Uro-oncology, Department of Urology, Bombay Hospital Institute of Medical Sciences, New Marine Lines, Mumbai. His speciality is Surgical Oncology.

14. Dr. Praveen Sharma

Professor & Head, Department of Biochemistry, All India Institute of Medical Sciences, Jodhpur. His speciality is Biochemistry.

15. Dr. Urvashi B Singh

Professor, Department of Microbiology, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. Her speciality is Microbiology.

16. Dr. Satish K Shukla

Director, Lakshmi Memorial Hospital and Research Center, New Palasia, Indore. His speciality is Surgery.

17. Dr. Sangeeta Talwar

Vice Principal, Maulana Azad Institute of Dental Sciences, MAMC Complex, BSZ Marg, New Delhi. Her speciality is Dental Surgery.

18. Dr. Mahendra Kumar Thakur

Professor, Department of Zoology, Banaras Hindu University, Varanasi. His speciality is Molecular Biology.

19. Dr. Rajnarayan Ramshankar Tiwari

Director, ICMR-National Institute for Research in Environmental Health, Kamla Nehru Hospital Building, Gandhi Medical College Campus, Bhopal. His speciality is Occupational and Environmental Health.

20. Dr. Kaushal K Verma

Professor, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. His speciality is Dermatology and Venereology.

21. Dr. Savita Yadav

Professor, Department of Biophysics, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. Her speciality is Biophysics.

MEMBERS:

Seventy one Members, including 1 elected in 2015, 3 elected in 2017, 2 elected in 2018 and 65 elected in 2019 were admitted to the Membership at the Convocation held at Bhopal. The names of the Members admitted and their affiliations are given below:

1. **Dr. Syed Moid Ahmed (2015)**
Professor, Department of Anaesthesiology, Jawahar Lal Nehru Medical College and Hospital, Aligarh. His speciality is Anaesthesiology.
2. **Dr. Saurabh Agarwal (2017)**
Consultant, Department of Orthopaedics, Indraprastha Apollo Hospital, Sarita Vihar, New Delhi. His speciality is Orthopaedic Surgery.
3. **Dr. Rajeev Gupta (2017)**
Professor, Department of Cardiology, Gandhi Medical College, Bhopal. His speciality is Cardiology.
4. **Dr. Sandeep Mahajan (2017)**
Professor, Department of Nephrology, All India Institute of Medical Sciences, New Delhi. His speciality is Nephrology.
5. **Dr. Mrithunjay Rathore (2018)**
Associate Professor, Department of Anatomy, All India Institute of Medical Sciences, Raipur, Chhattisgarh. His speciality is Anatomy.
6. **Dr. Vandana Roy (2018)**
Director Professor & Head, Department of Pharmacology, Maulana Azad Medical College, New Delhi. Her speciality is Pharmacology.
7. **Dr. Pradeep Aggarwal (2019)**
Associate Professor, Department of Community and Family Medicine, All India Institute of Medical Sciences, Rishikesh, Uttarakhand. His speciality is Community Health/Community Medicine/Social & Preventive Medicine.

8. **Dr. Phalguni Anand Alladi (2019)**
Senior Scientific Officer (Scientist 'F'), Department of Clinical Psychopharmacology and Neurophysiology, National Institute of Mental Health and Neurosciences, Bengaluru. Her speciality is Physiology.
9. **Dr. Roosy Aulakh (2019)**
Associate Professor, Department of Paediatrics, Government Medical College and Hospital, Chandigarh. Her speciality is Paediatrics.
10. **Dr. Sapna Bathla (2019)**
Assistant Professor, Department of Anaesthesiology, VMMC and Safdarjung Hospital, Delhi. Her speciality is Anaesthesiology.
11. **Dr. Shri Krishna Dutt Bhardwaj (2019)**
Senior Consultant Cardiologist, Muzaffarnagar Medical College and Hospital, Muzaffarnagar. His speciality is Cardiology.
12. **Dr. A Bhaskaran (2019)**
Professor and Head, Department of Surgery, Sri Devaraj Urs Medical College, Kolar, Karnataka. His speciality is General Surgery.
13. **Dr. Nidhi Bhatia (2019)**
Additional Professor, Department of Anaesthesia and Intensive Care, Level-4, Nehru Hospital, Postgraduate Institute of Medical Education and Research, Chandigarh. Her speciality is Anaesthesiology.
14. **Dr. Debesh Bhoi (2019)**
Assistant Professor, Department of Anaesthesiology, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. His speciality is Anaesthesiology.
15. **Dr. Prabhat Kumar Chaudhari (2019)**
Assistant Professor, Division of Orthodontics, CDER, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. His speciality is Dental Surgery.

- 16. Dr. Dinesh K (2019)**
Professor and HOD, Department of Anaesthesiology, Sri Devaraj URS Academy Medical College, Kolar. His speciality is Anaesthesiology.
- 17. Dr. Shalini Dewan Duggal (2019)**
Specialist, Department of Microbiology, Dr. Baba Saheb Ambedkar Hospital, Sector-6, Rohini, GNCT of Delhi, Delhi. Her speciality is Microbiology.
- 18. Dr. Gayathri Devi D R (2019)**
Professor, Department of Microbiology, M.S. Ramaiah Medical College, MSRIT Post, Bangalore. Her speciality is Microbiology.
- 19. Dr. Sukanya Gangopadhyay (2019)**
Assistant Professor, Department of Biochemistry, Vardhamaan Mahavir Medical College and Safdarjung Hospital, Ansari Nagar, New Delhi. Her speciality is Biochemistry.
- 20. Dr. Kamakshi Garg (2019)**
Associate Professor, Department of Anaesthesia, Dayanand Medical College and Hospital, Ludhiana. Her speciality is Anaesthesiology.
- 21. Dr. Sandesh Guleria (2019)**
Senior Resident, Pediatric Clinical Immunology and Rheumatology, Department of Pediatrics, Postgraduate Institute of Medical Education and Research, Chandigarh. His speciality is Paediatrics.
- 22. Dr. Asheesh Gupta (2019)**
Scientist 'F', Defense Institute of Physiology and Allied Sciences, Timarpur, Delhi. His speciality is Biochemistry.
- 23. Dr. Ankur Gupta (2019)**
Assistant Professor, Department of Cardiology, Postgraduate Institute of Medical Education & Research, Chandigarh. His speciality is Cardiology.
- 24. Dr. Deepak Kumar Gupta (2019)**
Professor, Department of Neurosurgery, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. His speciality is Neurosurgery.

- 25. Dr. Divya Gupta (2019)**
Associate Professor, Department of Anaesthesiology, Himalayan Institute of Medical Sciences, Swami Ram Nagar, Jolly Grant, Doiwala, Dehradun. Her speciality is Anaesthesiology.
- 26. Dr. Parul Chawla Gupta (2019)**
Assistant Professor, Department of Ophthalmology, Postgraduate Institute of Medical Education and Research, Chandigarh. Her speciality is Ophthalmology.
- 27. Dr. Mohd. Jaseem Hassan (2019)**
Associate Professor, Department of Pathology, Hamdard Institute of Medical Sciences and Research, Jamia Hamdard, New Delhi. His speciality is Pathology.
- 28. Dr. Parul Jain (2019)**
Assistant Professor, Department of Microbiology, King George's Medical University, Lucknow. Her speciality is Microbiology.
- 29. Dr. Shikha Jain (2019)**
Director & Consultant Reproductive Medicine, Gynae Endoscopy DREAMZ IVF, C-573, First Floor, Saraswati Vihar, Outer Ring Road, Pitampura, Delhi. Her speciality is Obstetrics and Gynaecology.
- 30. Dr. Pratima Jaiswal (2019)**
Professor and Head, Department of Anatomy, Govt. Medical College, Kota. Her speciality is Anatomy.
- 31. Dr. Anil Khetarpal (2019)**
Founder and Director, Khetarpal Hospital, F-95, Bali Nagar, Main Najafgarh Road, New Delhi. His speciality is Surgery.
- 32. Dr. Tanuj Kanchan (2019)**
Additional Professor, Department of Forensic Medicine and Toxicology, Room no. 3050, All India Institute of Medical Sciences, Basni Phase-II, Jodhpur. Her speciality is Forensic Medicine.
- 33. Dr. Ritu Karoli (2019)**
Associate Professor, Department of General Medicine, Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow. Her speciality is Internal Medicine.

- 34. Dr. Jyoti Kiran Kohli (2019)**
Professor and Head, Department of Anatomy, Manav Rachna Dental College, Faridabad. Her speciality is Anatomy.
- 35. Dr. M.L. Harendra Kumar (2019)**
Principal, Dean and Professor of Pathology, Sri Devaraj Urs Medical College, Tamaka, Kolar, Karnataka. His speciality is Pathology.
- 36. Dr. Pankaj Kumar (2019)**
Associate Professor, Department of Paediatrics, Government Medical College, Saharanpur, Uttar Pradesh. His speciality is Paediatrics.
- 37. Dr. Rajesh Kumar (2019)**
Professor, Department of Paediatrics, Government Medical College, Azamgarh, Uttar Pradesh. His speciality is Paediatrics.
- 38. Dr. Santosh Kumar (2019)**
Professor & Head, Department of Tuberculosis and Respiratory Medicine, S.N. Medical College, Agra. His speciality is Respiratory Medicine.
- 39. Dr. Surendra Kumar (2019)**
Assistant Professor, Department of Anaesthesiology, Delhi State Cancer Institute, Delhi. His speciality is Anaesthesiology.
- 40. Dr. R Madhu (2019)**
Assistant Professor, Department of Dermatology, Venereology and Leprosy, Madras Medical College, Chennai. Her speciality is Dermatology and Venereology.
- 41. Dr. Rajani Mathur (2019)**
Assistant Professor, Department of Pharmacology, Delhi Institute of Pharmaceutical Sciences & Research, Pushp Vihar, Sec II, MB Road, New Delhi. Her Specialtiy is Pharmacology.
- 42. Dr. Anil Mehta (2019)**
Professor and Head, Obstetrics and Gynaecology, Government Medical Hospital, Gandhi Nagar, Jammu. His speciality is Obstetrics and Gynaecology.

- 43. Dr. Satish Mishra (2019)**
Senior Scientist, Division of Molecular Parasitology and Immunology, CSIR-Central Drug Research Institute, Sector 10, Jankipuram Extension, Lucknow. His speciality is Molecular Biology.
- 44. Dr. Ashik Mohamed (2019)**
Head, Department of Ophthalmic Biophysics, LV Prasad Eye Institute, Hyderabad. His speciality is Biophysics.
- 45. Dr. S.M. Azeem Mohiyuddin (2019)**
Professor and Head, Department of Otorhinolaryngology, Sri Devaraj Urs Medical College, Tamaka, Kolar. His speciality is Otorhinolaryngology.
- 46. Dr. Shamrendra Narayan (2019)**
Associate Professor, Department of Radiodiagnosis, Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow. His speciality is Radiodiagnosis.
- 47. Dr. Sarala N (2019)**
Professor, Department of Pharmacology, Sri Devaraj Urs Medical College, Sri Devaraj Urs Academy of Higher Education and Research, Tamaka, Kolar, Karnataka. Her speciality is Pharmacology.

Dr. Pran Nath Chhuttani
Oration:

Dr. Gopal Nath, FAMS
Professor of Microbiology,
Institute of Medical Sciences,
Banaras Hindu University,
Varanasi – 221005.

Title of the Oration

“Bacteriophage Therapy: An Alternative to Antibiotics, an Experimental Study in Mice”.

Dr. V.R. Khanolkar Oration :

Dr. Anil Kumar Tripathi, FAMS
Director,
Dr. Ram Manohar Lohia Institute of
Medical Sciences,
(Dr. RML Ayurvigyan Sansthan),
Vibhuti Khand,
Gomti Nagar, Lucknow-226010 (U.P.).

Title of the Oration

“Success and Challenges in the Management of Chronic Myeloid Leukemia”.

Dr. J.S. Bajaj Oration:

Dr. Mala Dharmalingam
Professor and Head,
Department of Endocrinology,
Room No.103,
MS Ramaiah Medical College &
Hospital,
Bangalore – 560054.

Title of the Oration

“Pathogenetic Mechanism of Type 2 Diabetes Mellitus and its Clinical Implications”.

Dr. Baldev Singh Oration :

Dr. M.V. Padma Srivastava, FAMS

Professor,
Department of Neurology,
AIIMS, Ansari Nagar,
New Delhi-110029.
(Last year 2017-2018)

Title of the Oration

***“Restorative Therapies after Stroke:
Drugs, Devices and Robotics”.***

AWARDS

Dental Public Health Award : **Dr. S. Jayachandran, MAMS**
Professor & Head,
Deptt. of Oral Medicine and Radiology,
Tamil Nadu Govt. Dental College &
Hospital,
Chennai – 600 003.

Topic: “Significance of Serum Nitric Oxide and Superoxide Dismutase in Oral Submucous Fibrosis and Squamous Cell Carcinoma: A Comparative Study”.

Dr. S.S.Sidhu Award: **Dr. Rajiv B**
Senior Research Officer,
Centre for Dental Education and Research,
All India Institute of Medical Sciences,
New Delhi-110029.

Topic: “Orientation of Cone Beam Computed Tomography Image: Pursuit of Perfect Orientation Plane in Three Dimensions”.

Dr. Abhaya Indrayan Award: **Dr. Vishnu Vardhana Rao Mendu**
Director, National Institute of Medical
Statistics,
Indian Council of Medical Research
Department of Health Research,
Min. of Health and Family Welfare,
Govt. of India,
Ansari Nagar, New Delhi – 110029

Topic: “A Meta-analysis Combining Parallel and Cross-over Randomized Controlled Trials to Assess Impact of Iodine Fortified Foods on Urinary Iodine Concentration among Children”.

**Dr. Nandagudi Suryanarayana
Rao Award :**

Dr. Smita Asthana

Scientist E, ICMR – National Institute of
Cancer Prevention & Research,
1-7, Sector 39, Noida, G.B. Nagar,
Uttar Pradesh – 201301.

***Topic: “Association of Smokeless Tobacco Use and Oral Cancer: A
Systematic Global Review and Meta-analysis”.***

Dr. Tulsi Das Chugh Award :

Dr. Sarman Singh, FAMS

Director & CEO,
All India Institute of Medical Sciences,
Bhopal - 462020 (Madhya Pradesh).

***Topic: “Evaluation of 5 Novel Protein Biomarkers for the Rapid Diagnosis
of Pulmonary and Extra-pulmonary Tuberculosis: Preliminary Results”.***

NAMS Amritsar Award

This award is given to an Awardee whose paper is adjudged the best and outstanding by the panel at the time of presentation during the Annual Conference of the Academy. The paper which is adjudged the best will become the property of the NAMS and will be published in the Annals of the Academy to encourage the younger people to make high quality presentation.

During NAMSCON-2019 Annual Conference (11th – 13th October, 2019) at Bhopal, this award was given to Dr. Sarman Singh as per detail given below:

Dr. Tulsi Das Chugh Award :

Dr. Sarman Singh, FAMS
Director & CEO,
All India Institute of Medical
Sciences,
Bhopal-462020 (Madhya Pradesh).

Topic: “Evaluation of 5 Novel Protein Biomarkers for the Rapid Diagnosis of Pulmonary and Extra-pulmonary Tuberculosis: Preliminary Results”.

In validatory function the last (2018) year NAMS Amritsar Award medal was given to Dr. Girish C Bhatt as per detail given below:

Dr. Satya Gupta Award :

Dr. Girish C Bhatt
Associate Professor,
Department of Pediatrics,
All India Institute of Medical
Sciences (AIIMS),
Bhopal – 462024, (M.P.).

Topic: “Obstructive Sleep Apnea in Pediatric Age Group in Linked to Poor Scholastic Performance & Nocturnal Enuresis: A Community Based Study in School Children of Central India”.

Meetings of the Council

During the year 2019, two meetings of the Council were held.

The first meeting was held on 4th July, 2019 and the second on 11th September, 2019 respectively, in the premises of the National Academy of Medical Sciences (India) at NAMS House, New Delhi.

Filling-up of the vacancies of retiring Council Members – 2019:

The following is the list of Members who retired during the year 2019 on completion of their tenure, and those who have been elected as Members of the Council:

Retired Members	Elected Members
1. Dr. Shiv Kumar Sarin	Dr. Digambar Behera
2. Dr. Rajeshwar Dayal	Dr. Om Prakash Kalra
3. Dr. Ravi Kant	Lt. Gen (Dr.) Velu Nair
4. Dr. Digambar Behera	Dr. Rajeshwar Dayal
5. Dr. Sanjeev V. Thomas	Dr. Neerja Bhatla

The Council placed on record appreciation of the services rendered by the retiring Members.

Election of Fellows - 2019

The Credential Committee considered 210 biomedical scientists for election to Fellowship; of these, 120 were new nominations (94 direct and 26 advancement) and 90 were carried forward nominations (63 direct and 27 advancement) for the year 2019. The Credential Committee recommended 27 Biomedical Scientists for the award of Fellowship. After going through the files containing the biodata of biomedical scientists recommended for election of Fellowship & Membership by the Council Members, the recommendations of the Credential Committee were approved by the Council. They have since been balloted and elected as Fellows by the General Body of Fellows, as per procedure prescribed in the Rules.

The names of elected Fellows are given below:

1. **Dr. Alok Chandra Agrawal**
Professor & HOD, Department of Orthopaedics, All India Institute of Medical Sciences, Raipur. His speciality is Orthopaedic Surgery.
2. **Dr. Abdul Salam Ansari**
Associate Professor, Reproductive Health Laboratory, Centre for Advanced Studies, Department of Zoology, University of Rajasthan, Jaipur. His speciality is Physiology.
3. **Dr. M. Balasubramanyam**
Dean, Research Studies and Senior Scientist, Madras Diabetes Research Foundation, No.4 Conran Smith, Gopalapuram, Chennai. His speciality is Molecular Medicine.
4. **Dr. Sandeep Bansal**
Additional Professor, Department of ENT, Postgraduate Institute of Medical Education and Research, Chandigarh. His speciality is Otorhinolaryngology.
5. **Dr. Mihir Kumar Bhattacharya**
ICMR- Emeritus Scientist, National Institute of Cholera and Enteric Diseases, Calcutta. His speciality is Infectious Diseases.
6. **Dr. Zia Chaudhari**
Professor, Department of Ophthalmology, Lady Hardinge Medical College, University of Delhi and PGIMER, Dr. RML Hospital, New Delhi. Her speciality is Ophthalmology.
7. **Dr. Sanjiv Chopra**
Director General, Hospital Services (Armed Forces), DGAFMS, 'M' Block, Ministry of Defence, New Delhi. His speciality is Obstetrics and Gynaecology.

8. **Dr. Anuradha Chowdhary**
Professor, Division of Medical Mycology, Department of Medical Mycology, Vallabhbhai Patel Chest Institute, University of Delhi, Delhi. Her speciality is Microbiology.
9. **Dr. Mala Dharmalingam**
Professor and Head, Department of Endocrinology, Ramaiah Medical College, Bangalore. Her speciality is Diabetology and Endocrinology.
10. **Dr. Tirath Das Dogra**
Advisor-IQAC, SGT University, Gurugram. His speciality is Forensic Medicine.
11. **Dr. Ravindra Kumar Garg**
Professor and Head, Department of Neurology, King George Medical University, Lucknow. His speciality is Neurology.
12. **Dr Rakesh Jalali**
Medical Director, Head, Radiation Oncology, Apollo Proton Centre, Chennai. His speciality is Radiotherapy.
13. **Brig. (Prof) Atul Kotwal**
Deputy Director General and Professor Commandant, C/o DGAFFMS, M Block, Ministry of Defence & ACMS, New Delhi. His speciality is Community Medicine.
14. **Dr. Abbas Ali Mahdi**
Vice Chancellor, Era University, Sarafarazganj, Lucknow. His speciality is Biochemistry.
15. **Dr. Ramnath Misra**
Professor and Head, Department of Clinical Immunology, Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow. His speciality is Clinical Immunology.

- 16. Dr. Saroj Kanta Mishra**
Sr. Professor and Head, Department of Endocrine Surgery, Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow. Her speciality is Endocrine Surgery.
- 17. Dr. Anant Mohan**
Professor, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. His speciality is Respiratory Medicine.
- 18. Dr. Kulkarni Jagdeesh Narhar**
Director of Robotic Surgery and Professor of Uro-oncology, Department of Urology, Bombay Hospital Institute of Medical Sciences, New Marine Lines, Mumbai. His speciality is Surgical Oncology.
- 19. Dr. Jeyaraj D Pandian**
Principal, Professor, Department of Neurology, Christian Medical College and Hospital, Brown Road, Ludhiana. His speciality is Neurology.
- 20. Dr. Praveen Sharma**
Professor & Head, Department of Biochemistry, All India Institute of Medical Sciences, Jodhpur. His speciality is Biochemistry.
- 21. Dr. Urvashi B Singh**
Professor, Department of Microbiology, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. Her speciality is Microbiology.
- 22. Dr. Satish K Shukla**
Director, Lakshmi Memorial Hospital and Research Center, New Palasia, Indore. His speciality is Surgery.
- 23. Dr. Sangeeta Talwar**
Vice Principal, Maulana Azad Institute of Dental Sciences, MAMC Complex, BSZ Marg, New Delhi. Her speciality is Dental Surgery.

24. Dr. Mahendra Kumar Thakur

Professor, Department of Zoology, Banaras Hindu University, Varanasi. His speciality is Molecular Biology.

25. Dr. Rajnarayan Ramshankar Tiwari

Director, ICMR-National Institute for Research in Environmental Health, Kamla Nehru Hospital Building, Gandhi Medical College Campus, Bhopal. His speciality is Occupational and Environmental Health.

26. Dr. Kaushal K Verma

Professor, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. His speciality is Dermatology and Venerology.

27. Dr. Savita Yadav

Professor, Department of Biophysics, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. Her speciality is Biophysics.

Election of Members – 2019

The total number of candidates considered for election to Membership was 98 (out of which 91 were new nominations and 7 were carried forward nominations). The Credential Committee recommended 95 candidates and these were approved by the Council. They have since been balloted and elected as Members by the General Body of Fellows, as per procedure prescribed in the Rules.

The names of elected Members are given below:

1. Dr. Pradeep Aggarwal

Associate Professor, Department of Community and Family Medicine, All India Institute of Medical Sciences, Rishikesh, Uttarakhand. His speciality is Community Health/Community Medicine/Social & Preventive Medicine.

2. **Dr. Pallavi Ahluwalia**
Professor, Teerthanker Mahaveer Medical College, Moradabad.
Her speciality is Anaesthesiology.
3. **Dr. Phalguni Anand Alladi**
Senior Scientific Officer (Scientist 'F'), Dept. of Clinical Psychopharmacology and Neurophysiology, National Institute of Mental Health and Neurosciences, Bengaluru. Her speciality is Physiology.
4. **Dr. Roosy Aulakh**
Associate Professor, Department of Paediatrics, Government Medical College and Hospital, Sector-32, Chandigarh. Her speciality is Paediatrics.
5. **Dr. Parag W Barwad**
Associate Professor, Department of Cardiology, Postgraduate Institute of Medical Education and Research, Chandigarh. Her speciality is Cardiology.
6. **Dr. Sapna Bathla**
Assistant Professor, Department of Anaesthesia, VMMC and Safdarjung Hospital, Delhi. Her speciality is Anaesthesiology.
7. **Dr. Anupama Vithalkumar Betigeri**
Reader, Department of Physiology, Manav Rachna Dental College, Faridabad. Her speciality is Physiology.
8. **Dr. Shri Krishna Dutt Bhardwaj**
Senior Consultant Cardiologist, Muzaffarnagar Medical College and Hospital, Muzaffarnagar. His speciality is Cardiology.
9. **Dr. A Bhaskaran**
Professor and Head, Department of Surgery, Sri Devaraj Urs Medical College, Kolar, Karnataka. His speciality is General Surgery.
10. **Dr. Nidhi Bhatia**
Additional Professor, Department of Anaesthesia and Intensive Care, Level-4, Nehru Hospital, Postgraduate Institute of Medical Education and Research, Chandigarh. Her speciality is Anaesthesiology.

- 11. Dr. Debesh Bhoi**
Assistant Professor, Department of Anaesthesiology, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. His speciality is Anaesthesiology.
- 12. Dr. Indranil Chakrabarti**
Associate Professor, Department of Pathology, North Bengal Medical College, Sushrutanagar, Darjeeling, West Bengal. His speciality is Pathology.
- 13. Dr. Prabhat Kumar Chaudhari**
Assistant Professor, Division of Orthodontics, CDER, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. His speciality is Dental Surgery.
- 14. Dr. Abhishek Chauhan**
Associate Professor, Dr. RML Institute of Medical Sciences, Vibhuti Khand, Gomti nagar, Lucknow. His speciality is Radiodiagnosis.
- 15. Dr. Rajendra Chaudhary**
Professor and Head, Department of Transfusion Medicine, Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow. His speciality is Transfusion Medicine.
- 16. Dr. Deepti Chopra**
Associate Professor and Head, Government Institute of Medical Sciences, Greater Noida, Uttar Pradesh. Her speciality is Pharmacology.
- 17. Dr. Savita Choudhary**
Professor, Department of Anaesthesiology, Geetanjali Medical College and Hospital, Udaipur, Rajasthan. Her speciality is Anaesthesiology.
- 18. Dr. Dinesh K**
Professor and HOD, Department of Anaesthesiology, Sri Devaraj URS Academy Medical College, Kolar. His speciality is Anaesthesiology.

- 19. Dr. Koushik Sinha Deb**
Assistant Professor, Department of Psychiatry, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. His speciality is Psychiatry.
- 20. Dr. Shalini Dewan Duggal**
Specialist, Department of Microbiology, Dr. Baba Saheb Ambedkar Hospital, Sector-6, Rohini, GNCT of Delhi, Delhi. Her speciality is Microbiology.
- 21. Dr. Gayathri Devi D R**
Professor, Department of Microbiology, M.S. Ramaiah Medical College, MSRIT Post, Bengaluru. Her speciality is Microbiology.
- 22. Dr. Sukanya Gangopadhyay**
Assistant Professor, Department of Biochemistry, Vardhaman Mahaveer Medical College and Safdarjung Hospital, Ansari Nagar, New Delhi. Her speciality is Biochemistry.
- 23. Dr. Kamakshi Garg**
Associate Professor, Department of Anaesthesia, Dayanand Medical College and Hospital, Ludhiana. Her speciality is Anaesthesiology.
- 24. Dr. Sandesh Guleria**
Senior Resident, Pediatric Clinical Immunology and Rheumatology, Department of Pediatrics, Postgraduate Institute of Medical Education and Research, Chandigarh. His speciality is Paediatrics.
- 25. Dr. Asheesh Gupta**
Scientist 'F', Defense Institute of Physiology and Allied Sciences, Timarpur, Delhi. His speciality is Biochemistry.
- 26. Dr. Ankur Gupta**
Assistant Professor, Department of Cardiology, Postgraduate Institute of Medical Education & Research, Chandigarh. His speciality is Cardiology.
- 27. Dr. Ankush Gupta**
Associate Professor, Department of Surgery, S.N. Medical College, Agra. His speciality is Urology.

- 28. Dr. Deepak Kumar Gupta**
Professor, Department of Neurosurgery, All India Institute of Medical Sciences, Ansari Nagar, New Delhi. His speciality is Neurosurgery.
- 29. Dr. Divya Gupta**
Associate Professor, Department of Anaesthesiology, Himalayan Institute of Medical Sciences, Swami Ram Nagar, Jolly Grant, Doiwala, Dehradun. Her speciality is Anaesthesiology.
- 30. Dr. Parul Chawla Gupta**
Assistant Professor, Department of Ophthalmology, Postgraduate Institute of Medical Education and Research, Chandigarh. Her speciality is Ophthalmology.
- 31. Dr. Parikshaa Gupta**
Assistant Professor, Department of Cytology & Gynaecologic and Pathology, Postgraduate Institute of Medical Education and Research, Chandigarh. Her speciality is Pathology.
- 32. Dr. Sonika Gupta**
Consultant Gynaecologist, District Hospital, Udhampur. Her speciality is Obstetrics and Gynaecology.
- 33. Dr. Rudrashish Halder**
Assistant Professor, Department of Anaesthesiology, Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow. His speciality is Anaesthesiology.
- 34. Dr. Mohd. Jaseem Hassan**
Associate Professor, Department of Pathology, Hamdard Institute of Medical Sciences and Research, Jamia Hamdard, New Delhi. His speciality is Pathology.
- 35. Dr. Parul Jain**
Assistant Professor, Department of Microbiology, King George's Medical University, Lucknow. Her speciality is Microbiology.
- 36. Dr. Shikha Jain**
Director & Consultant Reproductive Medicine, Gynae Endoscopy DREAMZ IVF, C-573, First Floor, Saraswati Vihar, Outer Ring Road, Pitampura, Delhi. Her speciality is Obstetrics and Gynaecology.

- 37. Dr. Pratima Jaiswal**
Professor and Head, Department of Anatomy, Govt. Medical College, Kota. Her speciality is Anatomy.
- 38. Dr. Anil Khetarpal**
Founder and Director, Khetarpal Hospital, F-95, Bali Nagar, Main Najafgarh Road, New Delhi. His speciality is Surgery.
- 39. Dr. Tanuj Kanchan**
Additional Professor, Department of Forensic Medicine and Toxicology, All India Institute of Medical Sciences, Basni Phase-II, Jodhpur. Her speciality is Forensic Medicine.
- 40. Dr. Ritu Karoli**
Associate Professor, Department of General Medicine, Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow. Her speciality is Internal Medicine.
- 41. Dr. Jyoti Kiran Kohli**
Professor and Head, Department of Anatomy, Manav Rachna Dental College, Faridabad. Her speciality is Anatomy.
- 42. Dr. Manjinder Kaur**
Professor and Head, Department of Physiology, Academic Officer, Coordinator of Medical Education Unit, Geetanjali Medical College and Hospital, Udaipur. Her speciality is Physiology.
- 43. Dr. M.L. Harendra Kumar**
Principal, Dean and Professor of Pathology, Sri Devaraj Urs Medical College, Tamaka, Kolar, Karnataka. His speciality is Pathology.
- 44. Dr. Navneet Kumar**
Principal, Autonomous State Medical College, Basti, Uttar Pradesh. His speciality is Anatomy.
- 45. Dr. Pankaj Kumar**
Associate Professor, Department of Paediatrics, Government Medical College, Saharanpur, Uttar Pradesh. His speciality is Paediatrics.

- 46. Dr. Rajesh Kumar**
Professor, Department of Paediatrics, Government Medical College, Azamgarh, Uttar Pradesh. His speciality is Paediatrics.
- 47. Dr. Santosh Kumar**
Professor & Head, Department of Tuberculosis and Respiratory Medicine, S.N. Medical College, Agra. His speciality is Respiratory Medicine.
- 48. Dr. Surendra Kumar**
Assistant Professor, Department of Anaesthesia, Delhi State Cancer Institute, Delhi. His speciality is Anaesthesiology.
- 49. Dr. R Madhu**
Assistant Professor, Department of Dermatology, Venereology and Leprosy, Madras Medical College, Chennai. Her speciality is Dermatology and Venereology.
- 50. Dr. Rajani Mathur**
Assistant Professor, Department of Pharmacology, Delhi Institute of Pharmaceutical Sciences & Research, Pushp Vihar, Sec II, MB Road, New Delhi. Her Speciality is Pharmacology.
- 51. Dr. Anil Mehta**
Professor and Head, Obstetrics and Gynaecology, Government Medical Hospital, Gandhi Nagar, Jammu. His speciality is Obstetrics and Gynaecology.
- 52. Dr. Satish Mishra**
Senior Scientist, Division of Molecular Parasitology and Immunology, CSIR-Central Drug Research Institute, Sector 10, Jankipuram Extension, Lucknow. His speciality is Molecular Biology.
- 53. Dr. Ashik Mohamed**
Head, Department of Ophthalmic Biophysics, LV Prasad Eye Institute, Hyderabad. His speciality is Biophysics.
- 54. Dr. S.M. Azeem Mohiyuddin**
Professor and Head, Department of Otorhinolaryngology, Sri Devaraj Urs Medical College, Tamaka, Kolar. His speciality is Otorhinolaryngology.

- 55. Dr. R. Lakshmi Narasimhan**
Director and Head of the Department, Professor of Neurology, Institute of Neurology, Madras Medical College, Chennai. His speciality is Neurology.
- 56. Dr. Shamrendra Narayan**
Associate Professor, Department of Radiodiagnosis, Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow. His speciality is Radiodiagnosis.
- 57. Dr. Sarala N**
Professor, Department of Pharmacology, Sri Devaraj Urs Medical College, Sri Devaraj Urs Academy of Higher Education and Research, Tamaka, Kolar, Karnataka. Her speciality is Pharmacology.
- 58. Lt. Col. (Dr.) Ashutosh Ojha**
Associate Professor, Department of Internal Medicine, Armed Forces Medical College, Sholapur Road, Pune. His speciality is Internal Medicine.
- 59. Dr. Bharat Paliwal**
Associate Professor, Department of Anaesthesiology & Critical Care, All India Institute of Medical Sciences, Jodhpur. His speciality is Anaesthesiology.
- 60. Dr. Anjana Pandey**
Associate Professor, Department of Medicine, S.N. Medical College, Agra. Her speciality is Internal Medicine.
- 61. Dr. Binod Kumar Pati**
Associate Professor, All India Institute of Medical Sciences, Patna. His speciality is Microbiology.
- 62. Dr. Anu Pathak**
Associate Professor, Department of Obstetrics and Gynaecology, S.N. Medical College, Agra. Her speciality is Obstetrics and Gynaecology.

- 63. Dr. Manish Pathak**
Additional Professor, Department of Paediatric Surgery, All India Institute of Medical Sciences, Jodhpur, Rajasthan. His speciality is Paediatric Surgery.
- 64. Dr. Suravi Patra**
Associate Professor, Department of Psychiatry, All India Institute of Medical Sciences, Bhubaneswar, Odisha. Her speciality is Psychiatry.
- 65. Dr. Gunjan Pruthi**
Assistant Professor, Oral Health Sciences Center, Postgraduate Institute of Medical Education and Research, Chandigarh. Her speciality is Prosthodontics and Implantology.
- 66. Dr. K Pushpanjali**
Registrar Academics, Professor and Head, M.S. Ramaiah University of Applied Sciences, Department of Public Health Dentistry, Faculty of Dental Sciences, GEF, MSRIT Post, Bangalore. His speciality is Dental Surgery.
- 67. Dr. Amarender Singh Puri**
Director, Professor and Head, Department of Gastroenterology, GIPMER, New Delhi. His speciality is Gastroenterology.
- 68. Dr. Poonam Raj**
Professor and Consultant of Otorhinolaryngology and Head Neck Surgery, Army Hospital (R&R), Delhi Cantt, New Delhi. Her speciality is Otorhinolaryngology.
- 69. Dr. Dinesh Rajaram**
Associate Professor, Community Medicine, MS Ramaiah Medical College, MSR Nagar, MSRIT Post, Bangalore. His speciality is Community Medicine.
- 70. Dr. Bikash Ranjan Ray**
Assistant Professor, Department of Anaesthesiology, Pain Medicine and Critical Care, Room No-5012, 5th Floor, Teaching Block, All India Institute of Medical Sciences, New Delhi. His speciality is Anaesthesiology.

- 71. Dr. Bijaylaxmi Sahoo**
Director, Professor, Department of Dermatology and Venereology, Maulana Azad Medical College and Lok Nayak Hospital, New Delhi. Her speciality is Dermatology and Venereology.
- 72. Dr. Bhagya Manoj Sattigeri**
Professor and Head, Department of Pharmacology, SBKS MI&RC, Sumandeep Vidyapeeth University, Piparia (Vill), Ta-Waghodia, Vadodara, Gujarat. Her speciality is Pharmacology.
- 73. Dr. K.N. Shashidhar**
Professor, Department of Biochemistry, Sri Devaraj Urs Medical College, Tamaka Kolar, Karnataka. His speciality is Biochemistry.
- 74. Dr. Rahul Saxena**
Associate Professor, Department of Pediatric Surgery, All India Institute of Medical Sciences, Jodhpur, Rajasthan. His speciality is Pediatric Surgery.
- 75. Dr. Priyanka Sethi**
Assistant Professor, Department of Anaesthesiology and Critical Care, All India Institute of Medical Sciences, Jodhpur, Rajasthan. Her speciality is Anaesthesiology.
- 76. Dr. Vinutha Shankar MS**
Professor and Head, Department of Physiology, Sri Devaraj URS Medical College Kolar, Karnataka Her speciality is Physiology.
- 77. Dr. Amit Kant Singh**
Professor, Department of Physiology, Uttar Pradesh University of Medical Sciences, Saifai, Etawah, UP. His speciality is Physiology.
- 78. Dr. Anamika Singh**
Associate Professor, Department of Physiology, Uttar Pradesh University of Medical Sciences, Saifai, Etawah, Uttar Pradesh. Her speciality is Pharmacology.
- 79. Dr. Lokendra Kumar Sharma**
Senior Professor, Department of Pharmacology, SMS Medical College, JLN Marg, Jaipur. His speciality is Pharmacology.

- 80. Dr. Rakesh Kumar Sharma**
Dean and Professor, Department of Obstetrics and Gynaecology, D.Y. Patil Medical College, Kolhapur, Maharashtra. His speciality is Obstetrics and Gynaecology.
- 81. Dr. Sonam Sharma**
Assistant Professor, Department of Pathology, Kalpana Chawla Government Medical College, Karnal, Haryana. Her speciality is Pathology.
- 82. Dr. Arvind Rup Singh**
Medical Director, Global Oncology Medical Affairs, Sanofi. His speciality is Medical Genetics.
- 83. Dr. Naresh Pal Singh**
Professor, Department of Community Medicine, Uttar Pradesh University of Medical Sciences, Saifai, Etawah, Uttar Pradesh. His speciality is Community Medicine.
- 84. Dr. Shalini Singh**
Director & Scientist 'G', National Institute of Cancer Prevention and Research, Noida. Her speciality is Obstetrics and Gynaecology.
- 85. Dr. Tulika Singh**
Additional Professor, Department of Radiodiagnosis and Imaging, Postgraduate Institute of Medical Education and Research, Chandigarh. Her speciality is Radiodiagnosis.
- 86. Dr. Paramdeep Singh**
Associate Professor, Department of Radiodiagnosis, GGS Medical College and Hospital, Baba Farid University of Health Sciences, Faridkot. His speciality is Radiodiagnosis.
- 87. Dr. Shilpa Suneja**
Associate Professor, Department of Biochemistry, Vardhaman Mahavir Medical College and Safdarjung Hospital, Ansari Nagar, New Delhi. Her speciality is Biochemistry.
- 88. Dr. T.N. Suresh**
Professor, Department of Pathology, Sri Devaraj Urs Medical College, Tamaka, Kolar, Karnataka. His speciality is Pathology.

- 89. Dr. Sujani B.K**
Professor and HOD, Department of Obstetrics and Gynaecology, M.S. Ramaiah Medical College, MSRIT Post, Bangalore. Her speciality is Obstetrics and Gynaecology.
- 90. Dr. Saima Wajid**
Assistant Professor, Department of Biotechnology, School of Chemical and Life Sciences, Jamia Hamdard, Hamdard Nagar, New Delhi. Her speciality is Biotechnology.
- 91. Dr. Surbhi Wadhwa**
Associate Professor, Department of Anatomy, Maulana Azad Medical College, Bahadur Shah Zafar Marg, New Delhi. Her speciality is Anatomy.
- 92. Dr. Clement Wilfred D**
Associate Professor, Department of Pathology, MS Ramaiah Medical College and Teaching Hospital, MSR Nagar, MSRIT Post, Bangalore. His speciality is Pathology.
- 93. Dr. Arvind Yadav**
Professor, Department of Pharmacology, Geetanjali Medical College and Hospital, Udaipur. His speciality is Pharmacology.
- 94. Dr. (Lt. Col) Arun Kumar Yadav**
Associate Professor, Department of Community Medicine, Armed Forces Medical College, Solapur Road, Opp Turf Club House, Wanowarie, Pune. His speciality is Community Medicine.
- 95. Dr. Divya Yadav**
Assistant Professor, S.N, Medical College, Agar. Her speciality is Pathology.

MNAMS

Membership of the Academy under Regulation V – The candidates who have passed the examination conducted by the National Board of Examinations and have been duly proposed for Membership (MNAMS). Regulation V provides as under:-

“Those candidates who pass the examination conducted by the National Board of Examinations will individually submit an application for admission as Member of the National Academy of Medical Sciences, duly proposed by at least one Fellow of the Academy certifying the character and conduct of the candidates. Subject to the approval of the Council of National Academy of Medical Sciences, the candidate will be admitted as Member after paying one time Life Subscription fee of Rs. 7,000/- (inclusive of admission fee of Rs. 1000/-) as may be determined from time to time, and after executing the Bond of Obligation.”

Accordingly, the application forms were issued by the Academy to the candidates on their request.

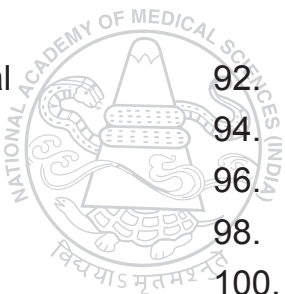

The following candidates who applied for Membership (MNAMS) of the Academy under the above category and who were duly proposed by at least one Fellow as stipulated under Regulation V, were placed before the Council for consideration at its meetings held on 11th September, 2019. The Council approved the same.

Names approved in the Council meeting held on 11th September, 2019

Nominations of Medical Scientists for Orations and Awards – 2019-20

On the basis of the recommendations of the Orations & Awards Committee, the Council had approved the award of Orations and Awards for the year 2019-20 to the following scientists:

ORATIONS

Dr. R.V. Rajam Oration :

Dr. Subhash Chandra Parija, FAMS

Vice- Chancellor,
Sri Balaji Vidyapeeth,
(Deemed to be University),
NH 45A, Pillaiyarkuppam,
Puducherry – 607402.

Title of the Oration

“Role of Molecular Detection and Identification of Pathogenic Entamoeba Histolytica in Accurate Laboratory Diagnosis and True Prevalence of Amoebiasis”.

Achanta Lakshmipathi Oration :

Dr. Satyanarayana Labani

Scientist G (Director Grade),
ICMR – National Institute of Cancer
Prevention & Research, 1-7, Sector 39,
Noida, G.B. Nagar,
Uttar Pradesh-201301.

Title of the Oration

“Cervical Cancer Screening Implementation Projects in Delhi NCR: Understanding Clinical Approaches”.

Dr. Pran Nath Chhuttani Oration:	Dr. Bijay Ranjan Mirdha, FAMS Professor, Department of Microbiology, All India Institute of Medical Sciences, Ansari Nagar, New Delhi – 110029.
Title of the Oration	<i>“Evolving Patterns of Cryptosporidiosis: Issues and Implications in the Context of Public Health in India”.</i>
Dr. V.R. Khanolkar Oration :	Dr. Shyam Singh Chauhan, FAMS Professor & Former Head, Department of Biochemistry, AIIMS., New Delhi – 110029.
Title of the Oration	<i>“Cysteine Cathepsins and their Prognostic and Therapeutic Relevance in Leukemia”.</i>
Dr. J.S. Bajaj Oration :	Col (Dr.) KVS Hari Kumar Consultant Endocrinologist, Magna Clinics, Hyderabad-500029.
Title of the Oration	<i>“Novel Approaches in the Management of Type 2 Diabetes and Associated Vascular Complications”.</i>

AWARDS

Dental Public Health Award :

Dr. Ashima Goyal, FAMS

Professor, Pediatric Dentistry,
Oral Health Sciences Center,
Postgraduate Institute of Medical
Education & Research,
Sector-12, Chandigarh-160012.

Topic : ***“A Community-based Pragmatic, Controlled Trial for Preventing and Reducing Oral Diseases Among 1-6-year-old Children Visiting Anganwadi Centers, under the Integrated Child Development Scheme, India”.***

Dr. Vinod Kumar Bhargava Award :

Dr. Nidhi

Assistant Professor,
Centre for Translational and Clinical
Research,
School of Chemical and Life
Sciences,
Jamia Hamdard, New Delhi-110062.

Topic : ***“Early Manifestation of Mild Cognitive Impairment in B-cell non-Hodgkin’s Lymphoma Patients receiving CHOP and Rituximab-CHOP Chemotherapy”.***

Dr. Abhaya Indrayan Award:

Dr. Piyush Gupta, FAMS

Professor and Head,
Department of Pediatrics,
University College of Medical
Sciences,
Delhi-110095.

Topic : ***“Vitamin D Supplementation for Treatment and Prevention of Pneumonia in Under-five Children: A Randomized Double-blind Placebo Controlled Trial”.***

Dr. Satya Gupta Award :

Dr. Manisha Jana
Additional Professor,
Department of Radiodiagnosis,
All India Institute of Medical
Sciences,
New Delhi-110029.

Topic : ***“Ultrasonography in Primary Care Level Evaluation of Brachial Plexus Pathology in Birth Injury”.***

Dr. Tulsi Das Chugh Award :

Dr. Satish Mishra
Principal Scientist,
Division of Molecular Parasitology
and Immunology,
CSIR-Central Drug Research
Institute,
Sector-10, Jankipuram Extension,
Sitapur Road, Lucknow – 226031.

Topic : ***“Secreted Protein with Altered Thrombospondin Repeat (SPATR) is Essential for Asexual Blood Stages but not Required for Hepatocyte Invasion by the Malaria Parasite Plasmodium Berghei”.***

1154977

Lifetime Achievement Award for the year 2019

The Council in its meeting held on 4th July, 2019 approved the conferment of Lifetime Achievement Award under Rule 34(d) on Dr. Mukund S. Joshi, FAMS for the year 2019 in recognition of proven track record of professional excellence with subject expertise of high order. He has been Committed Professional and a fine Academician. He has served the Academy in different capacities as President, Council Member, Members of several Standing Committees etc.

Maintenance of the Buildings

The following repair works/changes were done in the Academy buildings as per details given below:

1. Upgradation of digital Filter speakers, Hand held Mic. & Podium Mic (Gooseneck Mic.) with existing analog equipments compatible with digital Amplifier and Audio signal processor to improve the sound quality of Video Conference Devices/Equipments (Cisco-SXx80 High-end Video Conference System) for Multi-professional education and live interactive telecast of CMEs to other institutions of the country.
2. Installation of APC 3Kva UPS to protect the equipments against damage from unexpected power failures.
3. Renovation of Conference Hall including white wash, welding, wood repair work & replaced old ACs with new split ACs(Hot & Cool).
4. Fire safety system serviced/replaced with new ABC type cylinders under the compliance of Fire safety norms of Delhi Fire Services (DFS) with renewed NOC issued by DFS on 14th January, 2020 with 3 years validity.

Tenders/Quotations for all the above works were called by the Academy as per Gol procedures and work has been accomplished successfully in the year 2019-20.

(Please see back cover of the Annual Report for a photograph of the auditorium building)

Publication of Annals

Annals of the National Academy of Medical Sciences (India) (ANAMS) has been published by M/s.Thieme Medical and Scientific Publishers Private Ltd. from the 1st Issue, Volume 55 of 2019. A Formal Agreement, MoU was signed between the National Academy of Medical Sciences (India) and M/s. Thieme Medical and Scientific Publishers Private Limited for undertaking the printing, publication and promotion of ANAMS starting from the Volume 55, 1st Issue of 2019 to Volume 59, 4th Issue of 2023.

As per requirement/suggestion of the Publishing Agency, the Editorial Board was re-constituted by the NAMS Council keeping the ethos of regional diversity along with one International Editor. The new Editorial Board has commenced working from the 1st Issue of 2019, i.e. Volume 55, Issue No. 1 of 2019. A revised version of Instructions to Author was also incorporated keeping in view the international guidelines from preparation of the publication material. The Cover Page of the Annals has also been changed to give a new outlook to the journal. The Annals is now available at <https://www.thieme.in/Annals-of-National-Academy-of-Medical-Sciences>.

All published Volumes of the Annals with table of contents of each published Issue along with complete articles in an Issue are also posted on the NAMS website: www.nams-india.in. Before publishing an Issue of the Journal, each article is also e-published at <https://www.thieme-connect.de/products/ejournals/journal/10.1055/s-00044025> which later on gets included in the subsequent print Issues of the Journal as per time-line of their publication.

With the hard work and diligent efforts of NAMS Editorial Office and M/s. Thieme in coordination has resulted into an improved image of the Journal, ANAMS as an internationally recognized scientific publication.

Indexing status:

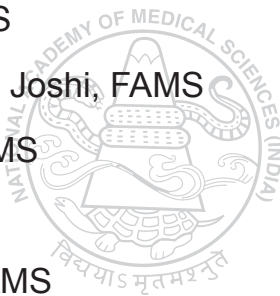

1. Annals is listed in Directory of Open Access Journals (DOAJ)
2. Indexed in Index Medicus of South East Asian Region (IMSEAR) <https://imsear.searo.who.int/handle/123456789/162464>
3. Listed in EBSCO and Proquest
4. Listed in ROAD <https://portal.issn.org/resource/ISSN/2454-5635>.

Obituary

The death of the following distinguished Fellows of the Academy is noted with deep heart felt feeling of anguish sorrow:

Fellows:

1. Dr. Maharaj Krishna Bhan, FAMS
2. Dr. Hari Krishen Chuttani, FAMS
3. Dr. Prafulchandra Maganlal Dalal, FAMS
4. Dr. Probal Kumar Ghosh, FAMS
5. Dr. C. Gopalan, FAMS
6. Dr. D.N. Gupta, FAMS
7. Dr. Mukund Sadashiv Joshi, FAMS
8. Dr. Stanley John, FAMS
9. Dr. P.K. Misra, FAMS
10. Dr. S. Padmawati, FAMS
11. Dr. Jitendra Nath Pande, FAMS
12. Dr.T.S. Ranganathan, FAMS
13. Dr. R. Sambasiva Rao, FAMS
14. Dr. Sushil Dua Sharma, FAMS
15. Dr. V.N. Sehgal, FAMS
16. Dr. Rakesh K. Tandon, FAMS
17. Dr. Surendra Pal Singh Teotia, FAMS
18. Dr. Bhanu S. Verma, FAMS

Text message of Dr. Saroj Chooramani Gopal, President NAMS at the 59th Annual Convocation on 12th October, 2019 at Bhopal

Honorable Chief Guest, the Governor of Madhya Pradesh Sri Lalji Tandon ji, Guest of Honor, President AIIMS Bhopal, Dr. Y.K. Gupta ji, Chairman Organizing Committee, the Director AIIMS Bhopal, Dr. Sarman Singh ji, the Organising Secretary, Dr. Shashank Purwar, the Hon. Secretary NAMS, Dr. Deep N. Srivastava, dignitaries off the dais-veteran Fellows who are the back bone of the Academy, Prof. P.K. Dave (Emeritus President elect), Madam Dr. S.S Deshmukh, Madam Dr. Prema Ramachandran, Prof. K.K Sharma, Council Members, Awardees of prestigious Orations and various Academy Awards, distinguished Invited Speakers of NAMS CME and Symposium, faculty of Pre-conference Workshop, delegates, UG & PG students, invited guests, media persons and friends, on behalf of NAMS & my own behalf, I welcome you all to the 59th NAMSCON and its convocation at AIIMS in historic city of Bhopal.

Your Excellency Sir, we are indeed very grateful to you for sparing your valuable time to Grace this function. Your stature as a people's representative has been outshining. I remember your help to King George's Medical University, Lucknow in completing the ATAL Scientific Convention Centre, when you gave all your MPLAED Funds for the purpose. You have been exemplary politician with commitment to public welfare.

A word about National Academy of Medical Sciences : In January 1959, on the behest of a proposal of government of Andhra Pradesh, the Central Council of Health after extensive, deliberations and efforts of the then medical luminaries, established the "INDIAN ACADEMY OF MEDICAL SCIENCES" in 1961, the memorandum of which was signed by Dr. B.K. Anand, Lt. Col. Sangham Lal, Dr. V. Ramalingaswami, Dr. K.L. Wig, Col. B.L. Taneja, Dr. R. Vishwanathan, Col Amir Chand and Dr. S.K. Sen. Pandit Jawaharlal Nehru, the then Prime Minister, inaugurated the Academy in Sapru House on the 19th December 1961. He was pleased to accept the Honorary Fellow-ship of the Academy and stressed that the Academy would encourage pursuit of research and high

standards in medical education and health care delivery. Sir, now named as National Academy of Medical Sciences (India) it is a unique institution for recognizing talented medical and biomedical scientists in India by awarding Fellowship and Membership, adopting stringent, transparent criterion laid down by highly acclaimed Credentials Committee. In 1963, first Convocation was addressed by the then President of India, Dr. SARVAPALI RADHAKRISHNAN, who exhorted "Academy offers incentives to men of promise that they can also get their distinction regarded as something to which all our youngster will look forward to". President of India Dr. APJ. ABDUL KALAM was our fellow. With the primary mandate of promotion of knowledge and excellence in medical science in India, focusing on national health priorities as well as recognizing talent in various fields of medical sciences, I am happy to inform you that fellowship of the academy has become highly coveted distinction conferred upon, following a rigorous peer review process. The Academy also rewards excellence and talent by way of awarding prestigious oration and award in the name of highly acclaimed medical and biomedical scientists every year. By now there are 920 Fellows, academy 2129 members (MAMS) of academy and 7006 MNAMS by way of passing Diplomat DNB. We do confer Hon. Fellowship to honour exceptional merit-we gave Honorary to 3 only. 27 new Fellows, 95 MAMS, and 589 MNAMS through DNB in addition 6 fellows are awarded prestigious orations and 5 distinguished awards apart from lifetime achievement Award the academy to Prof. P.K Dave (2017) and Dr. Prema Ramachandran (2018) to be conferred here at NAMSCON 2019. Following are the recipients of the Oration and Awards.

Awardees of prestigious Orations of the Academy : Dr R.V. Rajan Oration- Dr. Devinder Mohan Thappa, NEIGRIHMS Shillong; Dr. Pran Nath Chhuttani Oration-Dr Gopal Nath, IMS, BHU, Varanasi; Col. Sangam Lal Oration- Dr. Ravi Kumar Arunachalam, Pune; Dr V.R. Khanolkar Oration-Dr. Anil Kumar Tripathi, Lucknow; Dr. Baldev Singh Oration-Dr. M.V. Padma Srivastava, AIIMS, Delhi; Dr. J.S. Bajaj Oration- Dr. Mala Dharamalingam, Lucknow.

Dr. T. D. Chugh Award-Dr. Sarman Singh, AIIMS, Bhopal; Dental Public Health Award-Dr. Jayachandran, Chennai; Dr. S.S. Sidhu Award- Dr. Rajiv B, New Delhi; Dr. N.Suryanarayana Rao Award- Dr. Smita Asthana,

Noida; Dr. Abhaya Indrayan Award-Dr. Vishnu Vardhana Rao Mendu, New Delhi. Hearty congratulations to them and to the newly inducted Fellows and Members of the Academy. Special congratulations to highly accomplished Lifetime Achievement Awardees-Prof. P.K. Dave (2017) and Dr. Prema Ramachandran (2018).

The Academy has been recognized as the nodal agency for continuing medical education for enhancing the knowledge and skill of medical and paramedical professionals. The subjects of the CMEs are having relevance to National Health issues. Monographs are published based on these CMEs. The NKN facility is also fruitfully used to disseminate knowledge.

Annals of the Academy is revamped with energetic team of editorial board lead by Dr. Sanjeev Misra, Director, AIIMS, Jodhpur and, induction of international publishing house. It will be soon indexed in Pub Med, there by attracting good articles from medical scientists from within and outside our country, for enriching academic research impact.

Way forward:

The academy is all poised for playing a major role in national health policies, health delivery system, enhancing quality medical education in the country and maintaining bond between Doctor and society (doctor patients relationship), making delivery of health care affordable, attractive enough to promote medical tourism with high standard of care and adoption of ways and means to curb corruption and medical errors. We have to promote ETHICS and Compassion in patient care. Research and innovations are to be encouraged by active interaction with acclaimed bodies at national and international levels. Being so rich in human resource, we are bound to be doing good in clinical research.

It will be worth an investment to plan a position of research scientist in each clinical department in good medical colleges to enhance quality research.

Time has come when we do not have to harp on deficiency of Doctor: Population ratio in India. We have already surpassed the WHO gold line

of 1 doctor to 1000 people in 2018. (Raman Kumar and RANABIR-J. of Family Med. Prim. Care 7(5):841-844); with more than 479 medical colleges with capacity of annual intake of 67218 MBBS students and graduates of AYUSH totaling 7.6 lakhs (2017).

We need to address the lopsided distribution of doctors in urban areas, craving for super specialization and also to make medical education affordable to average Indian, even hailing from rural India. Present day medical education is slipping into hands of private institutions. The commercial angle of these cannot be overlooked. It does require brain storming sessions of all stakeholders like medical scientists, doctors, patients, public representatives, media persons, medical students and common people. Rethinking and bold innovative initiatives are needed. Certainly the need of the day is not mushrooming of new Medical Colleges, but strengthening of existing colleges with equipment's, infrastructure conducive to research and innovations with Government, industry and public participations. Lot can be achieved, if we join hands in research with Indian system and modern medicine. The governments, both at central and state level have to enhance Health Care & Medical Education budget allocation from dismal 1.4% of GDP. After all India is emerging as fast growing economy. We can certainly do well in medical field also as have done in space research and pharmaceuticals.

In the end I would like to thank all the veteran seniors of the Academy, particularly the invaluable contribution of late Prof. J.S. BAJAJ whose heart throbbed for the academy, whose vision nurtured the academy and who mentored most of us. Our sincere pledge and tribute to him is to work whole heartedly, one and all, for taking the mandate of the Academy forward in letter and spirit.

I am indeed very grateful to stalwarts of Academy like Prof. P.K. Dave, (Emeritus President elect), Madam Dr. S.S. Deshmukh, Chairperson, Finance Committee, a versatile think-tank, my mentor, who has always blessed me and has stood by me in all its thick and thins, and another very pleasant respectable person, Dr. Prema Ramachandran, Chairperson, Academic Committee. They have always guided and helped me personally. I am very lucky to have their blessings.

Needless to say, we have a very vibrant council and various standing committees to selflessly help the NAMS in discharge of all its functions and duties. I would also like to acknowledge the tremendous amount of work done silently by our Secretary NAMS Dr. Deep Narayan Srivastava and Dr. K.K. Sharma, the Advisor, Academic Activities of NAMS.

I once again welcome all the delegates, participants, students and media and express my gratitude to Honorable Governor SHRI LALJI TANDONJI, Guest of Honor Dr. Y.K. GUPTAJI and would like to congratulate all the new recipients of Fellowship and Membership of the Academy, Oration awardees and other awards of the Academy including Lifetime Achievement awardee Prof. P.K Dave and Dr. Prema Ramachandran.

My special thanks are due to Dr. Sarman Singh and his whole organizing team of the AIIMS Bhopal for so wonderfully organizing this event. I am also very grateful to all the NAMS staff for their hard work for the grand success of NAMSCON59

LIVE LONG THE ACADEMY. JAI HIND

Text of the Address by the Chief Guest His Excellency Governor of Madhya Pradesh Shri Lal ji Tandon, delivered at the 59th Annual Convocation on 12th October 2019, at Bhopal

मुझे यह जानकर प्रसन्नता है कि अखिल भारतीय आयुर्विज्ञान संस्थान भोपाल, 59th NAMSCON संगोष्ठी का आयोजन कर रहा है। मुझे प्रतिष्ठित एवं उन्नति की ओर अग्रस्थ संस्थान में आकर बहुत हर्ष हो रहा है एवं मुझे विश्वास है कि इस संस्थान के माध्यम से मरीजों के जटिल से जटिल रोगों का निदान निपुणता के साथ किया जा रहा है इससे प्रदेश के दूर दराज एवं आस-पास के मरीज अत्यंत लाभान्वित हो रहे होंगे। मुझे हर्ष है कि इसी सन्दर्भ में मरीजों के उत्तम उपचार के लिए AIIMS द्वारा यह संगोष्ठी कराई जा रही है जिससे समस्त चिकित्सकों को उन्नत चिकित्सा पद्धति का ज्ञान होगा एवं यह निश्चित ही मरीजों के हित में होगा।

AIIMS की वार्षिक बैठक उन वैज्ञानिकों और चिकित्सकों को सम्मानित करने के लिए महत्वपूर्ण है, जिन्होंने अपने क्षेत्रों में उत्कृष्ट प्रदर्शन किया है। ये बैठकें अकादमी की वृद्धि के लिए महत्वपूर्ण हैं क्योंकि वे इस बात पर चर्चा करने के लिए एक मंच प्रदान करते हैं कि कैसे सदस्यों को चिकित्सा और वैज्ञानिक क्षेत्र में प्रगति करने में मदद कर सकते हैं। ये बैठकें निदान और चिकित्सा विज्ञान की प्रौद्योगिकी के क्षेत्र में प्रगति के साथ समृद्ध बनाने और रखने के लिए एक मंच प्रदान करती हैं।

मुझे बताया गया है कि इस वर्ष के वार्षिक सम्मेलन की थीम में मॉलिक्यूलर बायोलॉजी और इमेजिंग तकनीकों में हाल के प्रगति पर प्री-कॉन्फ्रेंस वर्कशॉप, डायग्नोस्टिक स्टिवार्डशिप में हालिया उन्नति पर हैंड्स-ऑन वर्कशॉप, सतत ग्लूकोज मॉनिटरिंग, एंबुलेटरी ब्लड प्रेशर और होल्टर, न्यूरोलॉजिकल डिसऑर्डर में बोटुलिनम टॉक्सिन शामिल हैं। आईसीयू और बेसिक स्पायरोमेट्री आदि में हिमोडायनामिक मॉनिटरिंग। 10 अक्टूबर को प्री-कॉन्फ्रेंस वर्कशॉप के अलावा, 11 अक्टूबर को एंटीमाइक्रोबियल रेजिस्टेंस के ज्वलंत मुद्दे पर एक समर्पित सीएमई कार्यक्रम है, जहां अकादमिक ख्याति के माइक्रोबायोलॉजी और चिकित्सा के क्षेत्र में विशेषज्ञों के साथ विचार-विमर्श किया जाएगा। इससे अंडरग्रेजुएट, पोस्टग्रेजुएट विद्यार्थी और डेलीगेट्स लाभान्वित होंगे इस

क्षेत्र में प्रशंसित वैज्ञानिकों द्वारा: “आणविक जीवविज्ञान: चिकित्सा पर प्रभाव” पर एक संगोष्ठी होगी।

मैं AIIMS के President डॉ. वाई. के. गुप्ता एवं संचालक डॉ. सरमन सिंह को शुभकामनायें देता हूँ और आशा करता हूँ कि भविष्य में भी AIIMS मरीजों एवं प्रदेश की जनता के हित में उन्नत तकनीकी से रोगियों की सेवा करेगा एवं संस्थान को चिकित्सा की उन्नत ट्रीटमेंट प्रोटोकॉल के अनुसन्धान के लिए सतत प्रयासरत रहे।

आज कनवोकेशन में आये हुए प्रतिष्ठित चिकित्सको एवं वैज्ञानिकों के चिकित्सा के क्षेत्र में उत्कृष्ट कार्य के लिए उपाधि दी जा रही है। मुझे बताया गया है, कि यह डिग्री बहुत सालों की परिश्रम के बाद है हासिल होती है। मैं NAMS द्वारा चयनित सभी फेलीस एवं मेंबर्स को बधाई देता हूँ ।

(Shri Lal ji Tandon)

Academic Report

Continuing Medical Education (CME) Programme

Report of CME Activities during the period April 1, 2019 - March 31, 2020

The following are the members of the CME Programme Committee:

1. Dr. Devendra K. Taneja - Chairman
2. Dr. Saroj Chooramani Gopal - President
3. Dr. Prema Ramachandran - Member
4. Dr. Mira Rajani - Member
5. Dr. Ashok Kumar Sharma - Member
6. Dr. M.V. Padma Srivastava - Member
7. Dr. Rajeshwar Dayal - Member
8. Dr. Devendra Kumar Gupta - Member
9. Dr. K.K. Sharma - Secretary-CME Committee
10. Dr. Deep Narayan Srivastava - Hony. Secretary

The following are the Members of the Academic Committee:

1. Dr. Prema Ramachandran - Chairperson
2. Dr. Saroj Chooramani Gopal - President
3. Dr. S.S. Deshmukh - Member
4. Dr. Kamal Buckshee - Member
5. Dr. Yogesh Chawla - Member
6. Dr. Mohan Kameswaran - Member
7. Dr. P.K. Dave - Member
8. Dr. V.K. Shukla - Member
9. Dr. K.K. Sharma - Member
10. Dr. Deep Narayan Srivastava - Hony. Secretary

During the year 2019-2020 one meeting of the CME Programme Committee was held on 3rd March, 2020.

The Committee, time to time, co-opts Fellows to attend the meeting, depending on the expert advice required, based on the topics of discussion and the received CME proposal.

Extra-mural CME Programmes: These CME Programmes are run under the aegis of CME Programme Committee of the Academy. To improve the quality and contents of the Extramural CME Programmes funded by the NAMS, proposals received for funding are technically reviewed in the first instance by a subject expert who is also a Fellow of the NAMS. This practice has been followed since July 2004, and the reviewers, so designated would evaluate the proposal and identify lacunae, if any, in the programme contents. The reviewers may suggest revision/ modification to be incorporated in the programme. The suggested revision/ modifications are communicated to the Organizers, and nearly all such suggestions are invariably accepted by the organizers, and only after the CME Scientific Programmes are revised, the CME proposals are processed for the grant-in-aid. A Fellow of the Academy is designated as NAMS Observer to attend and evaluate the Extra-mural CME Programme. The Academy provides TA/DA and Honorarium to Fellows who are nominated as Observers to attend, review and submit report on the CME Programmes.

Out of the CME proposals received from various medical institutions/ professional bodies in the country, the Academy has sanctioned partial financial assistance for organizing Fourteen Extramural CME Programmes during the financial year April 1, 2019 to March 31, 2020, the details of which are placed in Annexure IV.

The total expenditure sanctioned on Extramural CME Programmes during April 1, 2019 to March 31, 2020 is Rs. 18,47,096/- (Rupees Eighteen lakhs forty seven thousand ninety six only).

Intramural CME Programmes: These CME Programmes are run under the aegis of Academic Committee of the NAMS. The Academic Committee identifies, from time to time, topics of national and academic relevance

for funding as Intramural CME Programmes. Just like for the Extramural CMEs, the Academy provides TA/DA and Honorarium to Fellows who attend and submit evaluation report on the CME Programmes as NAMS Observers.

The Academy has funded four Intramural CMEs/Symposia during the year 2019-20.

Details of the Intra-mural CMEs are:-

1. CME Programme on “**Breast Cancer-Current Trends in Diagnosis & Management**” held at All India Institute of Medical Sciences, Rishikesh on 2nd May, 2019.
2. CME Programme on “**Antimicrobial Resistance**” held at All India Institute of Medical Sciences, Bhopal on 11th October, 2019.
3. NFI-NAMS Dr. C. Gopalan Centenary Symposium on “**Triple Burden of Malnutrition in India: A Research Update**” held at Kamla Raheja Auditorium & Prof. JS Bajaj Centre for Multi-professional Education, New Delhi on 18th October, 2019.
4. CME cum Workshop on: “**Competency Based Medical Education in Pediatrics - Challenges and Opportunities**” held at All India Institute of Medical Sciences, Jodhpur on 3rd November, 2019

The total expenditure in organizing the Intramural CME/Symposia programme was Rs.7,97,227/- (Rupees Seven lakhs ninety seven thousand two hundred twenty seven only) (Annexure IV).

Fig.1 gives graphic representation of expenses incurred on extramural and intramural programmes during 2018-19 and 2019-20

Total expenditure on CME Programmes (both Extramural and Intramural) during 2018-19 and 2019-20 has been given below as a graphical representation.

Rs. in thousand

Thousands

Fig.2. The State-Chapter-wise representation of Extramural and Intramural CME Programmes in 2019-20

Speciality-wise distribution of CME Programmes for 2018-19

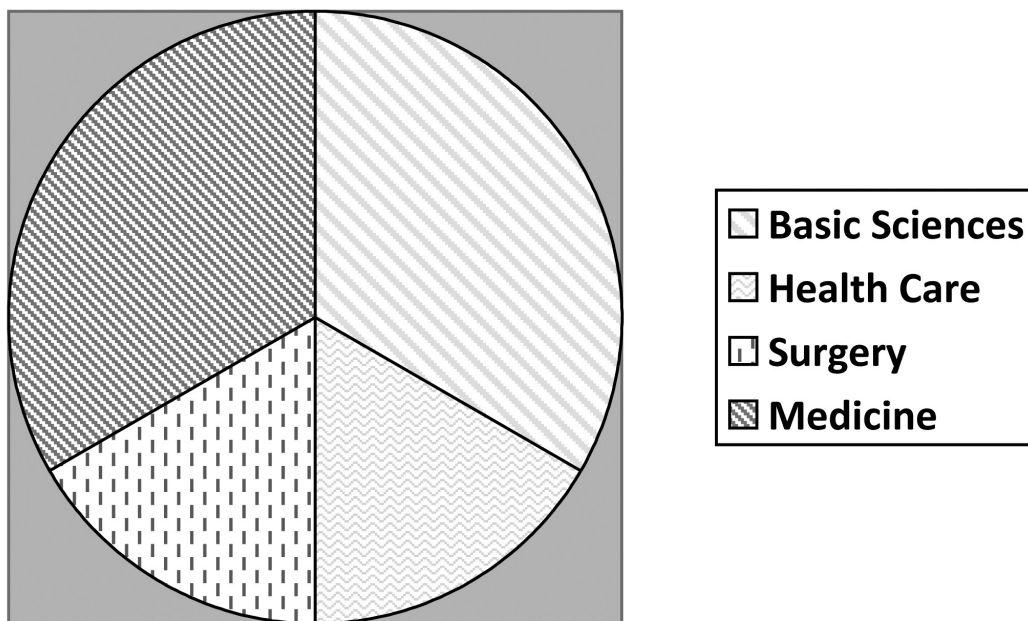

Fig. 3: The Speciality-wise distribution of CME Programmes for 2019-20

The details of Seminars, Symposia, Short-term Courses and Workshops supported under the CME programmes under State Chapters is given below as Annexure - III:

The State Chapter-wise distribution of Extramural CME Programmes sanctioned in last 3 years, viz. 2017 to 2020

The State-wise distribution of Extramural CME Programmes for each year from 2017-2020 is given in Table below:-

States	2017-2018	2018-2019	2019-2020	Expenditure incurred during 2019-2020
Andhra Pradesh	-	-	-	-
Assam	-	-	-	-
Bihar	-	1	-	-
Chandigarh	1	-	3	4,08,000/-
Chhattisgarh	-	-	-	-
Delhi	1	-	1	1,34,468/-
Gujarat	-	-	-	-
Haryana	1	-	-	-
Himachal Pradesh	-	-	-	-
Jammu & Kashmir	-	-	-	-
Jharkhand	-	-	-	-
Karnataka	-	-	2	2,55,000/-
Kerala	-	-	1	1,64,490/-
Maharashtra	2	-	-	-
Meghalya		-	1	83,924/-
Manipur	1	-	-	-
Puducherry	3	-	1	1,50,000/-
Rajasthan	-	1	1	1,60,214/-
Tamil Nadu	-	-	1	1,70,000/-
Uttar Pradesh	1	1	1	83,000/-
West Bengal	2	1	2	2,38,000/-
Total	12	4	14	18,47,096/-

The details of Seminars, Symposia, Short-term Courses, and Workshops supported under the Extra-mural CME Programmes under State Chapters is given below:

Extramural CME Programmes of NAMS Chapters

The Scientific activities of the Academy include the academic activities of its State Chapters. The reports of their activities under the CME Programmes for the financial year 2019-20 are given below:-

West Bengal

During the year under review, the West Bengal Chapter has organized two Extramural CME Programmes with the financial assistance from the NAMS.

Chandigarh

During the year under review, the Chandigarh Chapter has organized three Extramural CME Programmes with the financial assistance from the NAMS.

Delhi

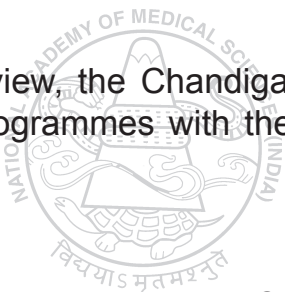

During the year under review, the Delhi Chapter has organized one Extramural CME Programmes with the financial assistance from the NAMS.

Karnataka

During the year under review, the Karnataka Chapter has organized two Extramural CME Programmes with the financial assistance from the NAMS.

Kerala

During the year under review, the Kerala Chapter has organized one Extramural CME Programmes with the financial assistance from the NAMS.

Puducherry

During the year under review, the Puducherry Chapter has organized one Extramural CME Programmes with the financial assistance from the NAMS.

Rajasthan

During the year under review, the Rajasthan Chapter has organized one Extramural CME Programmes with the financial assistance from the NAMS.

Meghalaya

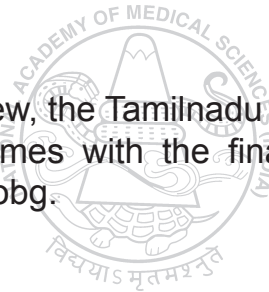

During the year under review, the Meghalaya Chapter has organized one Extramural CME Programmes with the financial assistance from the NAMS.

Tamilnadu

During the year under review, the Tamilnadu Chapter has organized one Extramural CME Programmes with the financial assistance from the NAMS at NEIGRIMS, Shillong.

Uttar Pradesh

During the year under review, the Uttar Pradesh and Uttaranchal States Chapter has organized one Extramural CME Programme with the financial assistance from the NAMS.

Report on Extramural CME Programmes from April 1, 2019 to March 31, 2020

1. CME Programme on: **“Increasing Incidence of Oral and Head & Neck Cancer in the North Eastern States”** on 3rd May, 2019 at NEIGRIHMS, Shillong.

Organizing Secretary: Dr. Suvamoy Chakraborty, Prof & Head, Department of ENT, NEIGRIHMS, Shilong.

Main Objectives of the CME Programme

The incidence of Oral and Health & Neck Cancer in the North Eastern States is increasing due to uncontrolled usage of Tobacco and Tobacco-related products. There is limited facility in the management of such patient in this region.

The Objectives of the CME were :

1. To impart knowledge about current trends in management of Head and Neck Cancers.
2. To make the participants aware about the application of the current treatment trends to the available infrastructures in the North East India.
3. To collect data regarding treatment practices and available resources in the various north eastern states.

Highlights of the Observer’s (Dr. Mohan Kameswaran, FAMS) Report:

The CME programme on “Increasing of Head and Neck Cancer on North-Eastern States” was organized in a maner that fulfilled the set-out objectives completely. Well documented LRMs related to all scientific presentations were provided to the participants. There were 110 participants registered and near about 90-100 were present at

any given time during the programme. The CME Programme consisted of didactic interactive lectures and two panel discussions. During each lecture, case scenarios were discussed during the deliberations and all discussions were very lively. The whole programme was conducted as single group with participation from everyone but with trigger questions pointing to one participant at a time. There were no hands-on training as the CME was not related to lab/bench practical work. As the CME was related to imparting the management of four key disease areas, all resource persons used real life case scenarios to illustrate the diagnostic and therapeutic modalities. The quality of presentation of all the faculty/Resource persons were evidence-based, very lively and interactive. The different types of flawless A-V Aids were provided at the venue of the Scientific Programme. In addition to the main screen, 2 high definition TV screens were also used for the wider viewing by the audience. The Academic contents presented were of good quality, evidence-based and delivered effectively.

2. CME Programme on: **“Accelerating Universal Health Coverage in India: Issues and Challenges”** on 18th& 19th June, 2019 at the University of Mysore, Mysore.

Organizing Secretary: Dr. D.C. Nanjunda, Associate Professor cum Director, Center for the Study of Social Exclusion and Inclusive Policy, Humanities Block, University of Mysore, Mysore 06, Karnataka.

Main Objectives of the CME Programme

1. To discuss the organization, financing, management and resources to deliver universal health care services in India
2. To debate on Health and Wellness Centers and National Health Protection Schemes under UHC
3. To identify the issues and challenges to achieve Universal Health Coverage (UHC) in the country

4. To debate the impact of universal health care services on promotive, preventive curative and rehabilitative health issues specialty for the rural and tribal section
5. To discuss possible drivers of present health inequities within UHC efforts and possible approaches to shifting the curve towards pro-equity strategies

Highlights of the Observer's (Dr. M. K. Sudarshan, FAMS) Report

The overall ambience was good. The participants were enthusiastic and there were fruitful discussions/Q&A sessions including panel discussion, etc. The objectives was fulfilled and outlined by the Convenor, LRM was not provided to the participants only plastic folder/pen/pad/was provided. 106 participants were registered and approx. 90+ were present during the programme. There was a panel discussion which was very lively and was held. Presentation by the course faculty was good and audiovisual aids used during the programme were good. A good quality of State-of-the-art information was provided and it was evidence based.

3. CME Programme on 26th Indian Eye Research Group IERG 2019 Pre Conference (1) Workshop on: **“Recent Technologies in Regenerative Medicine and Nanotechnology”** and (2) **“Advances in Genomics involving Next-Generation Sequencing using Nanopore Technologies with Data Analysis”** on 26th July 2019 at VD Swami Auditorium , Sankara Nethralaya, College Road, Chennai.

Organizing Secretary: Dr. N. Angayarkanni, Professor and Head, Department of Biochemistry and Cell Biology, Vision Research Foundation, Sankara Nethralaya, 41, College Road, Chennai.

The Objectives of the CME Programme:

The Objectives of the CME were to :

Workshop 1:

1. Finding rare cells from large scale single cell RNA-seq data.
2. Magnetic bead-based DNA isolation.
3. NGS-based DNA sequencing using Nanopore technique and data analysis.
4. Mathematical Modelling using Genomic Data.

Workshop 2:

1. Nanomaterials for medical application.
2. 3D in vitro cellular assays: a simple microfluidic method based on the encapsulation and growth of cells.
3. Mechanobiology: Cellular Dynamics.
4. Demonstration of the Nanofiber and hydrogel preparation, followed by SEM characterization.

Symposium:

1. Fundamentals of IPR.
2. Patenting process.
3. Technology transfer.
4. Experiences of successful innovators.
5. What is Block chain and what is its application in Medical/Clinical research.
6. Panel Discussion.

Highlights of the Observer's (Dr. Vemuganti Geeta K., FAMS) Report

Two parallel sessions as workshop 1 and workshop 2 were organized and conducted in the same building. workshop 1 with 27 participants was held in the lecture hall and workshop 2 with 25 participants was held in the Auditorium. Both sessions were well supported with a properly functioning audio-visual facility. The morning sessions were held from 9.00 AM to 12.00 PM for 3 hours. Each of the workshop had lectures relevant to title of the CME and after each of the lectures there were interactive sessions. This was followed by the demonstration session in the respective laboratories (Nanotechnology lab and Genetics lab) in the same building. The faculty and the resources personnel from the departments and experiments were done real-time for the next 1.15 hours until 1.30 PM. These demos sessions were also interactive and gave information on the new platform of Scanning Electron Microscopy which is user-friendly and the Genomics dealt with more sensitive methods of DNA and protein purification using magnetic bead technology.

The afternoon session on Intellectual Property Rights was attended by the participants of workshops 1 and 2, where the speakers started with the overview and relevance of IPR, followed by steps involved in IPR. This was followed by talk on how to do technology transfer of patent within time frame. The real-time experiences of successful scientists were shared. Points to be kept in mind while filling for patent were also discussed. A relatively new topic-Block Chain technology and its applications in research and healthcare was put forth, which elicited good discussions. This was attended by 54 participants of the workshop 1 and 2 which included from 2.00 PM – 6.00 PM. The total hours accounted for 8.5 hours. Pre-and Post-assessment were done in all the 3 sessions. The sessions evidenced active, enthusiastic participants. All the sessions were attended by other participants who resource persons, faculties and other students that totaled to more than 100.

4. CME Programme on **“Graceful Ageing Medical Psychological and Social Aspects”** on 16th November, 2019 at Auditorium, Jaipur National University Institute of Medical Sciences and Research Centre, Jaipur.

Organizing Secretary: Dr. Purna Upadhyaya, Professor and Head, Department of Pharmacology, JNUIMSRC, Jaipur

Main Objectives of the CME Programme:

- a) To recognize the altered presentation of common illnesses in elderly patients
- b) To review the principles of appropriate and effective prescribing in elderly patients
- c) To apply new strategies to manage common medical problems in elderly patients such as COPD, pain, infection and osteoarthritis

Highlights of the Observer's (Dr. J.S. Bapna, FAMS) Report

The CME was well organized. Each session was followed by interactive sessions with relevant questions and answers by the participants. The ambience of the venue was very good. The participants were very enthusiastic. The CME programme fulfilled the objectives and outlined by the Convenor. A well documented LRM was given to the participants. 280 participants were registered and around 200 participants were present during the programme. Program was not consist of didactic lectures only but each session was followed by Interactive discussion. Practical demonstration/hands-on training was not applicable. Presentation by the Course faculty was Excellent. Full screen projection of the slides was displayed. State-of-the-art latest information by the senior experts such as Senior President of Indian Academy of Geriatrics, Distinguished Emeritus Professors, Principles and Ex-President of the geriatric society of India. The information was latest and was evidence based.

5. CME Programme on: **“Preconference Simulation in Operation Room”** 2019 on 25th November, 2019 at Simulation Lab, St. John’s Medical College Hospital, Bangalore.

Organizing Secretary: Dr. K.S. Savitha, Professor, Department of Anesthesiology, SJMCH, Bangalore.

Main Objectives of the CME Programme:

1. To equip anesthesiologists with the new innovative and educational tool called simulation for training and competency assessment.
2. To make practitioners understand the importance of task management which involves planning, preparing, prioritizing, providing maintaining standards and utilizing resources.
3. To sensitise the participants about good team dynamics which involves team leadership, coordinating activities and closed loop communication.
4. To understand the elements of situation awareness namely vigilance and anticipating problems.
5. To expose the participants to different elements of decision making such as identifying, reflecting and selecting options, and also balancing and re-evaluating them.

Objectives specific to the domains of the workshop are as follows in the chronological order

1. Effective clinical management and documentation in a case of unanticipated difficult airway as per All India Difficult Airway Association.
2. Early recognition and safe management of a case of post extubation stridor.
3. Early recognition of intra-operative untoward cardiac event under general anaesthesia and its clinical management.
4. To know various differential diagnosis for intra-operative hypoxia and appropriate clinical management.

5. To effectively communicate with multidisciplinary teams and to manage haemodynamically unstable poly trauma patient on an emergency duty.

Highlights of the Observer's (Dr. A.V. Kurpad, FAMS) Report

Workshop 'Simulation in Operation Theater' was well structured, planned and executed with due focus to time management by organizers. Faculty was very innovative in teaching, motivating every participant to be actively involved in hands-on learning. All basic needs were provided in the premises. Overall the workshop was conducted in the best possible way. Workshop hall was spacious, pleasant with central air-condition comfortable seating and effective audio visual aids conducive for interactive learning. Simulation lab was well equipped just like an operation theater with modern technological aids. Participants were enthusiastically involved in hands-on learning. Teaching learning process was very interactive giving room for critical thinking and understanding. The objectives was fulfilled and training was innovative, delineating every component of the objectives given by the convenor. A well documented LRM was given to the participants and every scenario while briefing, participants were provided with learning material. There were 32 participants registered for the CME.

6. CME Programme on: **"Regional Anaesthesia – The Way Forward"** on 6 – 7 December, 2019 at Command Hospital, Kolkata.

Organizing Secretary: Lt. Col. (Dr.) Suresh Babu, Organising Secretary, Classified Specialist (Anaesthesia), Command Hospital (Eastern Command), Alipore Road, Kolkata

Main Objectives of the CME Programme:

1. The CME will be primarily aimed to impart practical skills to young specialists posted in zonal and peripheral hospitals.
2. A detailed systematic overview regarding the use Ultra sound imaging for regional anaesthesia techniques will be conducted during the CME in additional to didactic lectures by experts in respective fields.

3. Apart from specialists from the hospitals, it is proposed to invite guest speakers from across the Armed Forces Medical Services whose experience over the years will be immense practical value to the delegates.

Highlights of the Observer's (Dr. A. Rudra, FAMS) Report

The ambience of the CME was excellent, Enthusiasm, overwhelming, interactive sessions with delegates and hands-on workshop was conducted. The main objectives of the CME programme was Tools necessary to safely utilize epidemical anaesthesia, techniques using like sonography. The objectives were fulfilled as outlined by the Convenor. A well documented LRM was given to the participants. 103 participants were registered and around 80-90 participants were present during the programme. Hands-on training and practical demonstration was provided. Presentation by the Course faculty was excellent. Audiovisual aids were used during the programme and state of art information was provided which was evidence based.

7. CME Programme on: **“Integrated Pharmacogenomics Program”** on 18-23rd November 2019 at Department of Pharmacology, JIPMER, Puducherry.

Organizing Secretary: Dr. R. Raveendran, Professor (Senior Scale and Head) Department of Pharmacology, JIPMER, Puducherry.

Main Objectives of the CME Programme:

1. The programme will serve to help clinicians as well as scientists to plan future pharmacogenetic studies by specialized pharmacogenetic research methodologies.
2. To help throw light on application of pharmacogenetic testing in every field of medicine.
3. To provide a unique opportunity for scientists to apprise themselves of the current status of pharmacogenetic research in various fields of medicine.

Highlights of the Observer's (Dr. C. Adithan, FAMS) Report

The workshop started with an opening ceremony and followed by self-introduction by the resource persons and participants. The programme has fulfilled the objectives as outlined by the Convenor. The main objectives was to equip the participants with the relevant knowledge in research methodology in pharmacogenomics in order to help the clinicians, scientists and postgraduate students to effectively plan future pharmacogenomic studies. A well documented LRM was given to the participants. There were 60 participants registered and all were present during the programme. All sessions were interactive and hands-on exercises were given for all the sessions. Hands-on training was given to the participants. The lectures and exercises were presented well and were of good quality. Different types of audiovisual aids of high standards and quality were used for the programme. In addition to the main projector, 2 big high definition TVs were also used for the programme. The academic content presented was of good quality and was effectively delivered by the course-faculty to the participants. The information was evidence based.

8. CME Programme on: **“Revisiting Issues in Rational Pharmacotherapeutics in Key Disease Areas”** on 27th November, 2019 at School of Tropical Medicine, Kolkata.

Organizing Secretary: Prof (Dr) Santanu Kumar Tripathi, Professor and Head, Department of Clinical and Experimental Pharmacology, Calcutta School of Tropical Medicine, Chitta Ranajan Avenue, Kolkata

Main Objectives of the CME Programme:

The Objectives of the CME were to:

1. Aware of the principles of rational use of medicines.
2. Cognizant about the need and scope of antibiotic stewardship.
3. Introduced to evidence-informed prescribing in diabetes, asthma, COPD, hypertension etc.

4. Appreciate the need of and understand the process in medication reconciliation.

Highlights of the Observer's (Dr. K.K. Sharma, FAMS) Report

The participants through attending this events, shall be showing the following attributes:

1. To make the participants aware of the principles of rational use of medicines.
2. To make the participants Cognizant about the need and scope of antibiotics stewardship.
3. To make the participants introduced to evidence-informed prescribing in the disease areas of diabetes, asthma, COPD, hypertension, etc.
4. To make the participants appreciate the need of and understand the processes in medication reconciliation.

The way the CME workshop was organized fulfilled the set-out objectives. Well documented LRMs were provided to the participants by visual presentations on the screen at the time of discussion. There were 60 participants registered and near about 55-60 were present at any given time during the programme. The CME Programme consisted of 12 didactic interactive lectures. During each lecture case scenarios were discussed during the lecture deliberation and discussion. The whole programme was conducted as single group with participation from everyone but with trigger question pointing to one participant at a time. There were no hands-on training as the workshop was not related to lab/bench practical work. As the workshop was related to imparting the management of four key disease areas, all resource persons used real life case scenarios to illustrate the diagnostic and therapeutic modalities. The quality of presentation of all the faculty/Resource persons were evidence-based, very lively and interactive. The different types of flawless A-V Aids were provided at the venue of the Scientific Programme. In addition to the main screen 2 high definition TV screen were also used for the wider viewing by the audience. The Academic contents presented were of good quality and delivered effectively. The information was evidence-based.

9. CME Programme on: **“Health Systems Strengthening”** held from 19-20th December 2019 at the School of Public Health, PGIMER, Chandigarh.

Organizing Secretary: Dr. Arun Aggarwal, Professor, School of Public Health, PGIMER, Chandigarh.

Main Objectives of the CME Programme:

1. To provide the fundamentals of communication skills while health the patient and the relatives like in office and in the Community.
2. To provide the communications skills for special situation like in case of HIV patients revealing adverse outcomes to attendants.
3. To provide the concepts of leadership and supportive supervision.
4. To make the participants aware about the recent national initiatives like Ayushman Bharat-PMJAY, Health and Wellness centers: sharing the experiences and challenges faced in different states and progress of states.
5. To enable the participants use of information technology for healthcare service delivery and use of services like GIS for data collection and monitoring.

Expected Outcomes:

- Improving communication skills
- Improving leadership skills
- Improving skills for supportive supervision
- Gaining knowledge about use of Information Technology in Healthcare
- Experience on implementation of AB-PMJAY

Highlights of the Observer's (Dr. Rajesh Kumar, FAMS) Report

The overall ambience of the CME programme was good. The participants were enthusiastic and there were fruitful discussions/Q&A sessions including panel discussion, etc. The outlined objectives as elaborated by the organizer were fulfilled. LRs of all the scientific presentations were provided to the participants. A total 67 participants were registered and approx. 60-65 were present in any given time during the programme. There were three panel discussions which were very lively and held with real life case scenarios during each panel discussion. All presentations by the course faculty were good and accompanied audiovisual aids used during the programme were very good quality. A State of the art evidence based information was provided. The whole CME Programme was very academic stimulating experience to all participants.

10. CME programme on : **“Basic Life Support Course for Health Care Providers”** on 2nd February 2020 at Patanjali Hall, Government Institute of Medical Sciences, Greater Noida, U.P.

Organizing Secretary: Dr. Malobika Bhattacharya, Associate Professor, Department of Pediatrics, Government Institute of Medical Sciences, Greater NOIDA.

Main Objectives of the CME Programme

1. To provide basic life support to adult, child and infant.
2. To make the participants be able to manage choking in adult, child and infant.

Highlights of the Observer's (Dr. K.K. Sharma, FAMS) Report

The National Health Policy-2017 released by the Govt. of India in MoH&FW has made it mandatory to train the Healthcare Providers (HCPs) of all rank and order and certified in the Basic Life Support (BLS) Skills. Similarly all people involved in the National Disaster Relief Force (NDRF) should also be skilled in the BLS skills including the Ambulance Drivers, Lab Technicians, Hospital Ward Staff and the Nurses and Nursing orderlies,

all involved in patient care and in Emergency and Routine OPD/IPD duties in the hospitals. The present BLS workshop has been a fourth in series of BLS Workshops conducted at the GIMS, Gt. Noida. The Workshop provided an opportunity to 35 doctors and nurses to learn and hone their skills in Cardio-Pulmonary Resuscitation (CPR) Techniques.

The Workshop was organized under the directorship of Dr. R.K. Thapar, Professor and HOD, Pediatrics Al-Falah School of Medical Sciences and Research, Faridabad with an able team of certified Instructors: Dr. S.S. Bisht (Specialist), Dr. A.P. Azad (Senior Specialist), Dr. Mahendra Singh (Clinical Pharmacist), and Dr. Malobika Bhattacharya (Associate Professor, Dept. of Pediatrics, GIMS, Greater Noida).

All attendees were given a Pre-Workshop Evaluation Questionnaire to test the background understanding of BLS and its skill components through 25 MCQs. In actual exercises, all were shown instructional videos by the Instructors explaining the scientific basis of various CPR components and steps involved and recent updates. Subsequently they were divided into two groups and given hands-on training in CPR on both the infants/child and adult mannequins and human volunteers subjects. All exercises were interactive and all participants were given full opportunity to interact with the instructors to raise questions and clarify their queries.

Finally at the end, the delegates were evaluated again thorough a written test consisting of 15 MCQs questionnaire and two practical CPR stations where one has to demonstrate CPR steps on the mannequins under the watchful eyes of the evaluating instructors who were going to give marks and scores for the performed steps of the given exercise. Majority of attendees scored 80% and above marks, whereas in the Pre-Workshop evaluation they scored less than 50% marks.

All candidates successfully completed the workshop and gave their feedback on the course contents and the workshop activities. At the end all were given Certificates for attending and successfully completing the evaluation procedure.

The BLS Workshop was conducted by the five faculty/ Resource Persons. It consisted three sessions: 1-h of video demonstrations, 1-h of theory lectures on the Scientific basis of CPR theory, practical and skill tips and 4 hours of Training Sessions on mannequins and live volunteer subject

demonstrations as hands-on exercises. Problem-based demonstrations were the highlights of the Workshop. The Workshop had both Pre-and Post-Workshop Evaluation exercises. The Second Evaluation Exercise at the end of the Workshop also has two hand-on Work Stations for evaluating the learned CPR skills by the candidates. State-of-art flawless A-V Aids were provided at the venue of the Scientific Programme. All information was current, based on literature evidence, supported by the published MS of articles provided to the participants in the Workshop. All deliberation were evidence based.

11. CME Programme on: **“APSID School cum Workshop on Primary Immunodeficiency Diseases”** on 6th – 7th February, 2020 at Advanced Pediatrics Centre, PGIMER., Chandigarh.

Organizing Secretary: Dr. Vignesh P, Assistant Professor, Allergy Immunology Unit, Advanced Pediatrics Center, PGIMER, Chandigarh

Main Objectives of the CME Programme:

1. To provide knowledge on the discovery and methods of detection of novel primary immunodeficiency diseases.
2. To learn the Pathogenic mechanisms of various disorders of immunodysregulation.
3. To understand the Genetic determinants of diseases susceptibility and outcome.
4. To become aware about the Immune modulation and newer therapies on the anvil.

Highlights of the Observer's (Dr. Meenu Singh, FAMS) Report

The CME was good, overall ambience was congenial for the learning. 76 participants were registered and all attendees were enthusiastic. Time was given for discussion after the didactic lectures as well as oral posters. Didactic lectures as well as discussion by the course faculty was excellent. The workshop was expected to provide hands-on training on flow cytometry and next generation sequencing. The CME programme

fulfilled the objectives as outlined by the Convenor, the theoretical aspects were well covered; however practical training could have been more hands-on. A well documented learning Resource Material was given to the participants. There were oral poster presentation, poster walks and workshops on flow cytometry and genetics and poster walks and workshops were held in small group learning sessions. Hands-on training was provided to the participants. Overall presentation by the course faculty was good. Audiovisual aids used during the CME programme were Adequate and of good quality.

12. CME Programme on: **“Hands-On Training and Workshop on Utilising Artificial Intelligence and Innovative Practices to Strengthening Cardiovascular Health”** on 22nd February 2020 at Delhi Pharmaceutical Sciences and Research University, Pushp Vihar, Sec III, MB Road, New Delhi

Organizing Secretary: Dr. Ajit Kumar Thakur, Department of Pharmacology, School of Pharmaceutical Sciences & Research University, Pushp Vihar, New Delhi

Main Objectives of the CME Programme:

1. To present an overview of artificial intelligence (AI) principles and approaches.
2. To help in developing a basic understanding of the building blocks of AI and the participants will learn to implement the AI system in their settings related to cardiovascular health.

Highlights of the Observer's (Dr. S. Dwivedi, FAMS) Report

It was a very educative and interactive CME with lots of hands-on experience on innovative practices. Only lacunae were its different locations for different sessions. However, this was overcome by prior intimations of the respective locations. The objectives were outlined which were to appraise participants about Innovation in Medical Devices for Cardiovascular Diseases. A well documented Learning Resource Material was given to the participants. It was well organized programme with large number of participants eager to learn recent medical devices and artificial

intelligence. There were 55 participants registered and on an average 40 were present during the programme. The program was based on PPTs, overhead and interactive sessions. A number of interactive sessions and practical demonstration/hands-on training sessions were provided to the participants. Presentation by the course faculty was very good. The state of art information was evidence based.

13. CME Programme on: **“Basic and Applied Pharmacokinetics: Capacity Building Programme”** held on 28th February 2020 at Lecture Theater, PGIMER, Chandigarh.

Organizing Secretary: Dr. Nusrat Shafiq, Professor, Department of Pharmacology, PGIMER, Chandigarh.

Main Objectives of the CME Programme:

Specific Learning Objectives	Relevance of objectives to the programme	Expected Outcome/ Impact areas
To provide understanding of the concept of pharmacokinetics	Principles of pharmacokinetics are the basis of drug dosing and hence the basic understanding would improve the concepts in therapeutic application of drugs	Strengthening the basic understanding of core pharmacokinetic principles
To make the participant acquire the skills to compute the PK parameters by computer software	Since well-defined calculated parameters are important for understanding the disposition of drug in the body, it is important to acquire skills for the same	The participants would acquire skills for computation of various pharmacokinetics parameters for a given data set

To make the participants understand the application of principles of pharmacokinetics for various clinical and research contexts	This knowledge is required for dose optimization in a given patient and in interpreting results of studies and planning further studies	Improved role playing as a clinical pharmacologist and helping in therapeutic decision making, drawing meaningful conclusion (s) of a research study and designing further research
--	---	---

Highlights of the Observer's (Dr. P.L. Sharma, FAMS) Report

The CME was well organized with attentive audience and all the sessions and lectures were interactive. Discussion was meaningful. The objectives were fulfilled as outlined by the CME Convenor, which were (1) understanding the concepts of pharmacokinetics, (2) Acquiring skills to compute the PK parameters by computer software, (3) Understanding the application of principles of pharmacokinetics for various clinical and research context. Learning Resource Material was given to the participants. 112 participants were registered, almost all the participants were present during the programme. All programme sessions were consisted of not only didactic lectures but also included practical training and interactive discussion. Practical demonstration/hands-on training was provided to the participants. Presentation by the course faculty was very good. Audiovisual aids used during the programme were good. State-of-the-art information was provided to the participants which was evidence based.

- 14 CME Programme on: “**Genetics of Rare Diseases**” on 1st March, 2020 at Institute for Communicative and Cognitive Neurosciences, Shoranur, Palakkad, Kerala.

Organizing Secretary: Dr. Anitha Ayyappan Pillai, Associate Professor, Department of Neurogenetics, Institute for Communicative and Cognitive Neurosciences (ICCONS), Kavalappara, Shoranur, Palakkad, Kerala.

Main Objectives of the CME Programme:

1. To make the participants understand how research findings could be translated into clinical practice.
2. To provide information on various types of genetic tests and their uses.
3. To Make the participants understand the possibilities and concerns in genetic testing of rare disorders.
4. To provide an overview on pediatric rare diseases and their management.
5. To gain a deeper understanding of the biological mechanisms of rare genetic disorders by the participants.

Highlights of the Observer's (Dr. D.M. Vasudevan, FAMS) Report

The CME Programme was a great success. All the participants showed great enthusiasm. 125 participants were registered (Teachers +students) and more than 100 present during the programme. At the end of each presentation, there was good interaction among course faculty and the students. CME programme fulfilled the Objectives of the CME programme, which were Genetic testing of rare disorders, and gain a deeper understanding of biological mechanisms of rare diseases. A well documented Learning Resource Material was provided to the participants. Programme consists of Lectures, Poster presentations, Clinical case discussions, Panel discussion etc. Hands-on training and small group learning activities were not provided. Presentation by the course faculty was excellent. Audiovisual aids which was used during the CME programme was good. State-of-the-art knowledge was provided and all the information and data were evidence based.

Statement showing grant-in-aid released under the Extramural CME Programmes held during the period of 01.04. 2019 to 31.03.2020

Sl. No.	Topic	Amount released (Rs.)
1.	CME Programme on : “Increasing Incidence of Oral and Head & Neck Cancer in the North Eastern States” at NEIGRIHMS, Shillong held on 3rd May, 2019.	Rs. 83,924/-
2.	CME Programme on : “Accelerating Universal Health Coverage in India: Issues and Challenges” at IOE Hall, University of Mysore, held on 18th& 19th June, 2019.	Rs.85,000/-
3.	CME Programme on : “26th Indian Eye Research Group IERG 2019 Pre Conference (1) Workshop on: “Recent Technologies in Regenerative Medicine and Nanotechnology” (2) “Advances in genomics involving Next-Generation Sequencing using Nanopore Technologies with Data Analysis” at VD Swami Auditorium, Sankara Nethralaya, College Road, Chennai held on 26th July 2019.	Rs.1,70,000/-
4.	CME Programme on : “Graceful Ageing Medical Psychological and Social Aspects” at Auditorium, Jaipur National University Institute for Medical Sciences and Research Centre, Jaipur held on 16th November, 2019.	Rs.1,60,214/-

5.	CME Programme on : “Preconference Simulation in OR” at Simulation Lab, St. John’s Medical College Hospital, Bangalore 2019 held on 25th November, 2019.	Rs.1,70,000/-
6.	CME Programme on : “Regional Anaesthesia – The Way Forward” at Command Hospital, Kolkata held on 6-7th December, 2019.	Rs. 1,19,000/-
7.	CME Programme on : “Integrated Pharmacogenomics Program” at Department of Pharmacology, JIPMER, Puducherry held on 18-23rd November 2019.	Rs.1,50,000/-
8.	CME Programme on : “Revisiting Issues in Rational Pharmacotherapeutics in Key Disease Areas” at School of Tropical Medicine, Kolkata held on 27th November 2019.	Rs.1,19,000/-
9.	CME Programme on : “Health Systems Strengthening” at PGIMER, Chandigarh held on 19-20th December 2019.	Rs.1,70,000/-
10.	CME programme on: “Basic Life Support Course for Health Care Providers” at Patanjali Hall, Government Institute of Medical Sciences, Greater Noida held on 2nd February 2020.	Rs.83,000/-

11.	CME Programme on: “APSID School cum Workshop on Primary Immunodeficiency Diseases” at Advanced Pediatrics Centre, PGIMER, Chandigarh held on 6th – 7th February, 2020.	Rs.1,19,000/-
12.	CME Programme on : “Hands-On Training and Workshop on Utilising Artificial Intelligence and Innovative Practices to Strengthening Cardiovascular Health” at Delhi Pharmaceutical Sciences and Research University, Pushp Vihar, Sec III, MB Road, New Delhion held on 22nd February 2020.	Rs.1,19,000/-
13	CME Programme on : “Basic and Applied Pharmacokinetics: Capacity Building Programme” at PGIMER, Chandigarh held on 28th February 2020.	Rs.1,19,000/-
14.	CME Programme on : “Genetics of Rare Diseases” at Institute for Communicative and Cognitive Neurosciences, Shoranur, Palakkad, Kerala held on 1st March, 2020.	Rs. 1,64,490/-

The Medical Scientists' Exchange Programme (Health Manpower Development)

The Medical Scientists' Exchange Programme :

(Health Manpower Development) One of the activities promoted by the Academy under Continuing Medical Education Programme in the area of Health Manpower Development is the Exchange of Medical Scientists' possessing positions at junior and middle levels. The Academy provides funding to junior and middle level specialists/ scientists to go to well established centers of excellence and acquire new/ newer skills. Under the scheme, the selected nominees are eligible for reimbursement of traveling expenses (limited to actual II class AC two-tier rail fare) and D.A. @ Rs.300/- per diem during the training period subject to maximum of Rs.5,000/-. Two hundred three (203) Medical Scientists/Teachers have been selected for the advance training upto the year 2019-20 and have successfully completed their proposed training programmes after getting the grant-in-aid from the NAMS.

Report on Intramural CME Programme held during the period from April 1, 2019 to March 31, 2020

1. National Symposium on “**Breast Cancer – Current Trends in Diagnosis & Management**” held on 2nd May, 2019, at All India Institute of Medical Sciences, Rishikesh.

Organizing Secretary: Dr. Bina Ravi, Organizing Secretary, Senior Professor, Dept. of Surgery, All India Institute of Medical Sciences, Rishikesh.

Main Objectives of the Symposium:

The Objectives of the Symposium were :

1. To provide an Overview on epidemiology and changing trends of Breast cancer in India.
2. To outline and explain the concept of Integrated Breast Clinic facility and its implication.
3. To Update on recent advances in Breast Imaging and its significance, challenges and limitations.
4. To select the strategies applied for imaging for women of different age groups.
5. To Enumerate and explain essential Histopathological Indicators in Carcinoma Breast & its Clinical Implications in therapy,
6. To highlight recent predictive and Prognostic markers and explain their relevance in context to Indian population.
7. To discuss option of accelerated partial breast irradiation as a convenient alternative to whole breast irradiation.

8. To discuss practical problems related to diagnosis and management in breast cancer.
9. To discuss application of novel surgical techniques to deliver satisfactory cosmetic effect on appearance of breast.
10. To focus on impact of surgery on patient's quality of life with less mutilating procedures.

Highlights of the Observer's (Dr. B.K. Jain) Report:

The National Symposium on Breast Cancer – Current Trends in Diagnosis and Management was very well organized. A wide range of topics on breast cancer were covered by eminent expert faculty from prestigious institutions of the country. The participant interacted with faculty freely. During the panel discussion, participants had the opportunity to raise a diverse range of topics for clarification from the panel experts. The overall ambience of the symposium was very encouraging to the participants. Participants were familiarized with latest guidelines on diagnosis and management of breast cancer. A well-documented Abstract Book of 69 pg, covering the topics presented during the symposium, was distributed to the participants. 97 participants were registered and 85 to 95 participants were generally present throughout the programme. All the lectures were interactive. In addition, a panel discussion gave ample opportunity to clarify their queries from the expert panel. A poster display was also organized showcasing various aspects of epidemiology, diagnosis, and management of breast cancer. All the lectures were interactive in format and the participant had ample opportunity to actively participate in the programme. Presentation by the course faculty was excellent. Audiovisual aids used during the CME Programme were very good. Information provided was evidence-based. The CME programme was high quality and was highly beneficial to the participants.

2. CME Programme on “**Antimicrobial Resistance**” held on 11th October, 2019 at All India Institute of Medical Sciences, Bhopal.

Organizing Officer: Dr. Arneet Arora, NAMSCON-2019, Dean Academics, All India Institute of Medical Sciences, Bhopal.

The Objectives of the CME was to familiarize the participants with :

1. To provide updates on Current prevalence of drug resistance in India and MP.
2. To discuss guidelines and strategies on containing AMR.
3. To understand the achievements of One Health Approach in tackling the problem and road ahead.
4. Know how to rationalize the use of antibiotics in various healthcare settings specifically in ICU's.

Highlights of the Observer's (Dr. Snehalata. S. Deshmukh, FAMS) Report:

The outlined objectives of the CME Programme was discussed and partly fulfilled. To fulfill all the objectives there should be more participation of Undergraduate students, Post-graduate students & Resident Doctors including Lectures; more stress on having antibiotic policy of the hospital. Also for preventing infection a stress should be laid on proper sterilizing techniques, prevention of fungal infection, Hospital cleanliness & washing hands. Organizers did not provide LRM to participants. Total registered participants were 176. Number of participants available during the programme was 70. The programme consists of didactic lectures and demonstration by ppt and videos. The programme was interactive. Presentation by the course faculty was excellent as the speakers were the stalwarts in their field except few. The Audiovisual aids used during the CME Programme were good. Academic contents, i.e. was the state of art information provided was upto 75%. The information provided was evidence-based upto 45%.

3. NFI-NAMS Dr. C. Gopalan Centenary Symposium on “**Triple Burden of Malnutrition in India: A Research Update**” held on 18th October, 2019 at Prof. JS Bajaj Centre for Multiprofessional Education & Kamla Raheja Auditorium, NAMS House, New Delhi.

Organizing Officer: Dr. Prema Ramachandran, Director, Nutrition Foundation of India, New Delhi.

The Objectives of the CME was to familiarize the participants with :

1. Management of mild and moderate anaemia in pregnancy.
2. Calcium and Vitamin D supplementation to pregnant women.
3. Calcium and Vitamin D supplementation during infancy and early childhood.
4. Use of Mother Child Protection Card for improving IYCF and nutrition.
5. Nutritional status of pre-school children in urban low middle income groups.
6. Intra-family differences in nutritional status in urban low middle income families.
7. Dual nutrition burden in public school children.
8. Dual nutrition burden in women from urban low middle income group.

Highlights of the Observer's (Dr. R.M. Pandey, FAMS) Report:

The symposium was very well organized. Ambience was excellent. Most of the participants were young researchers with full of enthusiasm and keen to learn about the subject. In all the sessions, there was an excellent participation from the participant, both in the audience and from AIIMS, Jodhpur, through online. In future such programmes need wider publicity so that more young researchers could benefit. Audio video system was much better than what it used to be. The main focus of the symposium was to highlight about the Triple Burden of Malnutrition in India based on the findings from research work based on data from multiple sources. The target audience was primarily the young researchers working in the field of nutrition and health. Through an excellent content and the speakers, organizers were able to achieve the objectives of the symposium.

About 60 participants were registered and 50 were present throughout the programme. The programme was interactive. Presentation by the course faculty was excellent. The Audiovisual aids used during the CME Programme were very good. Academic contents, i.e. was the state-of-art information provided was most update and the information provided was evidence-based.

4. CME cum Workshop on **“Competency Based Education in Pediatrics: Challenges and Opportunities”** held on 3rd November, 2019 at All India Institute of Medical Sciences, Jodhpur.

Organizing Officer: Dr. Kuldeep Singh, Dean Academics and Professor Pediatrics, All India Institute of Medical Sciences, Jodhpur.

The Objectives of the CME was to familiarize the participants with :

1. To sensitize young faculty members towards new MCI CBME curriculum for UG & PG education.
2. Creating awareness for technology integration in pediatric medical education and child health.
3. Facilitate Faculty development for Entrustable Professional Activities (EPA) and framing Competencies required form the health professionals.
4. To develop research acumen and use of innovations in teaching learning among healthcare professionals dealing with children.
5. To align conventional teaching technologies with contemporary competency based educational methods.

Highlights of the Observer's (Dr. Piyush Gupta, FAMS) Report:

The symposium was conducted in a conducive environment. The e-classroom utilized for the CME was appropriate in size. All required Audiovisual facilities were available. Since the CME was conducted just

prior to the conference most participants and faculty from the conference had arrived in Jodhpur and enthusiastically took part in the CME. The hall was perfect for facilitating interactions. Participants were seated in group of 5-6 per table in half moon configuration and the speaker could easily navigate through the tables to reach the last participant. Cordless mikes were there for hassle free comments and interaction with participants. The temperature of the hall was perfect and there was arrangement of tea/coffee just outside the main hall. Participants were very enthusiastic and included delegates from all over India, and also from Nepal and Bhutan. All the above objectives were addressed in the CME. Due to paucity of time all areas could not be discussed in detail but all the concepts were adequately touched upon, which should be adequate for adult learners and stimulate them for further explorations. The subsequent CMEs can address smaller subheadings such as methods or specific learning objectives individually. LRM was provided as abstract of all presentation were compiled in a Souvenir Booklet. Number of participants registered were 105 and were divided into main CME group, Workplace Based Assessment and Attitude, Ethics and Communication Group. 98 participants were present throughout the programme. The Programme was very interactive and hands-on-training and practical demonstration were provided to the participants. Presentation by the course faculty was excellent. Audiovisual aids used during the CME Programme was appropriate. Academic content i.e. the state-of-art information was provided and the information was evidence-based.

**Statement showing grant under Intramural CME Programmes from
01.04.2019 to 31.03.2020**

Emeritus Professors of NAMS

Summary on Report/Lectures delivered by Emeritus Professors of NAMS 2019-20.

1. Summary of Lectures delivered by Retd. Air Marshal (Dr.) M.S. Boparai, Emeritus Professor, NAMS

Lecture on Random thoughts on Ocular Trauma to the World Congress of Ocular Trauma at Delhi on 15th December 2019.

Trauma is as old as the human civilization. Ocular trauma is no exception. Out of nearly 9 million blind people in India approximately 1/3 are thought to be due to ocular trauma. Ocular trauma assumes a great importance as the delay in handling is fraught with visual morbidity & even blindness. This particularly happens in cases of polytrauma.

There is an urgent need to sensitize the casualty medical officers & General surgeons to involve the Eye surgeons in treating these cases from the very beginning. First attention does go to saving life but if an eye surgeon is involved early the eye injury will be attended in time to reduce & avoid ocular & visual morbidity. It is not uncommon to see a patient recover from polytrauma but is left with impaired vision or even blindness. This is avoidable. Rehabilitation of visually disabled is very very important & the job of the treating eye surgeon. He should have no hesitation in involving the Institute for visually handicapped, Dehradun or such other organization from the very beginning.

Prevention is even more important than treatment & needs great emphasis. Involvement of the Media & Socio- religious organisations is very important. Governmental organizations should ensure the availability of safety devices & implements in trade, agriculture & manufacturing. Lastly, refreshing & updating the training of the eye surgeons in handling ocular trauma & use of microscope in handling intraocular as well as extraocular injuries is of prime importance.”

Report of Academic Committee & Academic Council

The Meetings of Academic Committee and Academic Council were held on Tuesday, the 3rd March, 2020 at the National Academy of Medical Sciences (India), New Delhi. The members were apprised about the four Intramural CME Programmes held during the year. All the programmes were successfully held.

The recommendations of the meeting are as following:

Regarding Lifetime Achievement Award for the year 2019, to Dr. Mukund S. Joshi, it will be delivered at his house in Mumbai to his family members after convocation.

- **Contribution of NAMS-Centre for Research in Medical Education at AIIMS, Jodhpur**

The Members appreciated the work being carried out in the Jodhpur Centre and recommended continuing the extension of the Centre for further two years i.e. July 2020 to June 2022).

- **To consider and discuss Scientific Programmes for NAMS Annual Conference 2020 to be held at the North Eastern Indira Gandhi Institute of Health & Medical Sciences, Shillong**

The letter received from Dr. D.M. Thappa, Director, regarding NAMSCON-2020 was placed before the Committee. Secretary informed the Committee that Dr. Thappa has proposed the topic for CME as “**Multi-Drug Resistant Tuberculosis in North East**”; (Epidemiological Aspects, Microbiological Aspect, Drug Resistance, Clinical Profile, Challenges in Laboratory Diagnosis, Treatment Protocols in MDR TB, Surgical aspects MDR TB, National Tuberculosis Elimination Programme with reference to MDR TB, Newer Drugs and Future Prospects, Adherence/Compliance to treatment). The CME Proposal was approved by the Committee. Few topics/speakers were suggested by the members also- as Pediatric TB, MDR- HIV-TB contribution – Dr. Rajeshwar Dayal, Dr. A.K. Sharma also showed his interest to be a speaker in the CME Programme. Dr. Mira Rajani suggested that there should be a talk on interventional aspects. Dr. Srivastava suggested that he will discuss with the Chairperson and write a letter to the Director, Shillong.

Dr. S.S. Deshmukh suggested the topic for Scientific Symposium “**Mental Health**” and was approved by the Committee. Dr. Deshmukh suggested few names of Psychiatrists and Psychologists for the Scientific Symposium in NAMSCON-2020. The Symposium will be of 2-hour duration with four speakers to discuss the following topics :

1. Dr. Anand Nedgaker, Mumbai
2. Dr. Rakesh Chadda, Delhi
3. Dr. Nimesh Desai, Delhi

in respect of Dr. Nimesh Desai, Delhi was suggested to send an invitation to attend the NAMSCON-2020 as a speaker. The topic Mental Health can be divided in categories of Paediatric, Adolescent, Adult and Geriatric.

The Academic Committee authorized

- Chairperson and Secretary, Academic Committee to assist NEIGRIHMS. Shillong in finalizing the NAMSCON-2020 CME Programme
- Dr. S.S. Deshmukh, Dr. Prema Ramachandran and Dr. Deep N. Srivastava to identify speakers and finalizes programme of the NAMSCON-2020 Symposium.
- **Nomination for Lifetime Achievement Award for the year 2020**

The Committee after discussion decided to bestow the Lifetime Achievement Award (2020) on Dr. Manorama Berry.

NAMS Website and NKN Connectivity:

All information about NAMS and its activities are available on the website. It includes Rules and Regulations, Council Members, Fellows and Members, Annual Reports, Audited Accounts statements, Employee Data, Learning Resources Material, Annal of NAMS, CME Monographs, CME Guidelines, etc. It also has access to read and download past Convocations, Addresses and Annual reports. It also displays future academic activities like CMEs and Skill Development Programmes, etc. In order to attain digitized facilities, NAMS had started Online Payment System through Website & also Online submission of Articles for Annals. NAMS has also started NAMS YouTube Channel (National Academy of Medical Sciences India), which is free for wide circulation of CMEs organized under the aegis of NAMS. With the help of NKN connectivity, NAMS connects to other academic institutions like AIIMS Jodhpur, Rishikesh, Bhopal, Patna, Bhubaneswar, etc. so that people from distant places can also participate in interactive sessions and teaching/learning programmes. This not only enhances the goals of our GoI but also minimizes the financial expenditures.

NFI-NAMS DR. C. GOPALAN CENTENARY SYMPOSIUM On “**Triple**

Burden of Malnutrition in India: A Research Update”, was successfully held on 18th Oct. 2019 at Smt. Kamla Raheja Auditorium & Prof. J S Bajaj Centre for Multi-professional Education, NAMS House, Ansari Nagar, New Delhi.

National institution, AIIMS Jodhpur was also connected during the programme.

Financial Report

Government Grant

The position of grant-in-aid sanctioned/released by the Ministry of Health and Family Welfare to the Academy for implementation of the CME Programme and expenditure incurred against during the last three years (2017-18 to 2019-20) was as under:

(Rs. in Lakhs)

Year	Grant Sanctioned	Grant released	Expenditure (including assets purchased)
2017-18	180.00	170.00	160.22
2018-19	180.00	180.00	155.69
2019-20	180.00	180.00	174.00

FINANCE

During the year 2019-20, a sum of Rs.44,36,000/- as Life Membership from Fellows and Members has been received. Besides, an income of Rs. 38.23 Lakh has been received on account of interest on the fixed deposits.

ACCOUNTS

The audit of accounts for the year 2019-20 has since been completed by the Chartered Accountant. The Council members have also approved the statement of accounts in principal. These are now recommended for adoption by the General Body.

Accounts

Audit Report

National Academy of Medical Sciences (India)
Ansari Nagar,
Ring Road,
New Delhi.

Report on the financial statements

We have audited the accompanying financial statement of **NATIONAL ACADEMY OF MEDICAL SCIENCES (INDIA)** ("The Academy") which comprises the Balance Sheet as at 31st March, 2020, and the Income and Expenditure Account for the year ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Academy in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India to the extent applicable to the Academy being the charitable institution. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal control relevant to the Academy preparation and fair presentation of the financial statements in order design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:-

- a) In the case of the Balance Sheet, of the state of affairs of the Academy as at 31st March, 2020:
- b) In the case of the income and Expenditure account, of the excess of Income over expenditure for the year ended on that date.

NEW DELHI-110060

PH. 011-4509142 MOB:9868142887

Emphasis of Matter

Without qualifying our opinion, we draw attention on the following:

- a) Physical verification of fixed assets and its reconciliation with books of accounts is pending.
- b) Interest on FDR has been credited on accrual basis.

NATIONAL ACADEMY OF MEDICAL SCIENCES (INDIA)

SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF

ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2019

A) Significant Accounting Policies

1. Accounting Convention

The financial statements have been prepared under the historical cost convention on cash basis.

2. Revenue Recognition

Revenue, donation, grants are recorded when received.

Expenses are recorded when paid.

3. Fixed Assets

Fixed Assets are recorded at Original Cost.

4. Depreciation

Depreciation is being charged on fixed assets.

5. Grants

Grants are recorded in accounts as per specific direction of donor.

The government grant received is recurring in nature. The grant is credited to the income and expenditure accounts

B) NOTES FORMING PART OF ACCOUNTS

6. During the year, 100% of Life membership fee received from members credited to respective Capital Fund Accounts.
7. The corpus fund received by Academy for orations and awards has been earmarked for that particular funds as per direction of the donor.
8. The Academy has two buildings known as old building and new building Smt. Kamla Raheja Auditorium and J.S.B. Center for

Multi-Professional Education. The Academy and National Board of Examination (NBE) are sharing the accommodation of old Building in accordance with the terms and conditions which has been approved by Ministry of Health and Family Welfare, Government of India. The Academy is incurring all maintenance expenses and 50% of those expenses are recovered from NBE and accordingly reduced from the maintenance expenses.

9. The newly constructed building Smt. Kamla Raheja Auditorium and J.S.B. Center for Multi-Professional Education have been completed and are functional.
10. The Physical verification of fixed assets and its reconciliation with books of accounts is pending.
11. Previous year's figures have been regrouped wherever necessary.
