Guidelines and Instructions for nomination of candidates

The attention of the Fellows making the nomination is invited to the Guidelines and Instructions laid down for the purpose.

1. The Fellow nominating the candidate should certify from personal knowledge of the professional and scientific standing/achievements of the candidate.
2. Every candidate shall be proposed and seconded by a statement in writing signed by at least two Fellows in good standing (i.e. those who are upto date in the payment of their subscription), Proposer should preferably be from the same speciality as the nominee, while the Secunder can be from any other specialty/discipline.
3. The criteria for election to Fellowship are as under:
A person elected as a Fellow of the Academy is expected to:
 - (a) Stand out among peers in the profession as a person of distinction at the national/ international level.
 - (b) Have distinguished himself/herself in the profession:
 - (i) as a physician in his/her respective specialty ; and/or
 - (ii) as a scientist; and/or
 - (iii) in service to Medicine in patient care, teaching, public health work and/or health administration.

INSTRUCTIONS

1. 10 copies each and a CD/DVD of the following documents must accompany the application for nomination.
 - (i) A precise statement limited to 120 words on nominee's professional and scientific standing/ achievements which form the basis for nomination signed by proposer/secunder.
 - (ii) Information as per format prescribed, duly completed. **Follow the same section numbers in their submission as in the nomination form avoiding reference to enclosed appendices.**
 - (iii) Self-attested photocopies as proof for each educational qualification and proof of experience as certified by the competent authority needs to be provided; in the absence of which the claimed qualification or experience will not be considered.
 - (iv) List of publications:
 - (a) Two separate lists of publications, i.e. one in Journals included in Medical Databases, Medical Literature analysis and retrieval system (Medlar) etc. and other one in Journals, not included in medical database but published in Journals of National Societies/Professional Associations.
 - (b) be written in chronological order and should include (1) Names and initials of all authors (2) Title of article (3) Title of publication abbreviated (4) Volume number (5) First and last page number (6) Years of publication.
Reference to books should include: (1) City of publication (2) Name of Publisher (3) Year of Publications. Abstracts and Proceedings of Conferences etc. should not be include in the list of publications.
2. Six copies each of six published papers considered to be best by the proposer. The Citation Index of six best published papers of the nominee and Average Impact Factor of the Journals in which the six best papers have been published may also be provided along with nomination for Fellowship. **(Impact factor in the year of publication of the concerned article).**

The under-mentioned guidelines may also please be noted in this connection:

1. Only Fellows on the Academy can propose or second the Nominee's form.
2. Members of the Council (elected and Ex-officio) and Members of the Credentials Committee should not propose or second any name for Fellowship/Membership of the Academy.
3. A Fellow should not propose more than three names for Fellowship and five for Membership in a year. He may, however, second any number of proposals.
4. The proposer should preferably be from within the same speciality to which the person nominated belongs and seconded can be from any speciality/discipline.
5. The candidate shall be an Indian citizen. Exceptionally a foreign national who may have done outstanding work in India or in his/her own country which has relevance for the health needs of India may be considered.
6. The candidate should provide an undertaking that there is no case pending for any ethical misconduct in research or research publication against him/her.

Note : Nominations which are either incomplete or not according to the prescribed format will not be processed.
