

**Invitation for Circulation to NAMS Members:**  
**To Encourage Young Clinician Scientists to avail the “Sun Pharma Science Foundation  
Clinical Research Fellowship 2023”.**

Dear Shiv,

It has been always great to have your continuous support for the promotion of scientific endeavors in the country.

We are happy to share with you that Sun Pharma Science Foundation have taken an initiative to provide Clinical Research Fellowship 2023. This fellowship will be meant to support the brilliant and upcoming early career clinicians working in India. The aim is to empower clinicians to carry out independent clinical research.

We request you to kindly consider this as a personal request for sending this invitation to all the esteemed NAMS Members and affiliates. This will encourage young clinicians to apply for this Clinical Research Fellowship 2023 which will help them to do their research outside their Institutes of their choice.

The applicants should submit their nominations online using the link: <https://sunpharmasciencefoundation.net/>

Best wishes
