NAMS Vision - Vi 30

"To act as a think tank for policy makers in all spheres of health, including medical education, research, for cost-effective health care to help humanity, at National and International level."

Mission Statement

1. Increasing CMEs and Academic Activities of NAMS.
2. Interface with National and International Academies, Professional Societies, Government and Private Medical Institutions.
3. Preparing policy documents for policymakers and for advocacy with stakeholders.
4. Increasing the NAMS Membership by associating young scientists and maintaining quality.
5. Improving NAMS Publication.
6. Associating and Linking NAMS with International platforms.

A. Organizational Academic Activities

NATIONAL ACADEMY OF MEDICAL SCIENCES (INDIA)

Annual Report 2024-25

In accordance with the Rules of the Academy, a report on the general concerns of the Academy, the income and expenditure of the preceding year along with the estimates for the year, and the prosperity or otherwise of the Academy is to be presented to the General Body at its Annual Meeting.

Annual Meeting:

The 64th Annual Conference of the Academy was held on 22nd to 24th November, 2024 at All India Institute of Medical Sciences, Jodhpur. The Convocation of the Academy was held on 23rd November, 2024. Preconference workshops were held on the themes of "One Health: Let us Collaborate to Take Care of Our Health"; "Systematic Assessment and Methodology for Advancing Reliable Technology in Healthcare"; and on "Basic Emergency Obstetric Care (BEmOC)".

Eminent Medical professionals were invited for various Plenary Sessions. The highlights were: Presentation of scientific work & achievements by newly elected NAMS Fellows; Future Role of personalised medicine; Gut microbiota; Women entrepreneur in health care presented by Surgeon Vice Admiral Arti Sarin, AVSM, VSM, Director General Armed Forces Medical Services; Strategies and reforms in postgraduate medical examination by Dr. Abhijat Sheth, President NBE; Reforms in postgraduate medical education by Dr. Vijay Oza, Chairperson PG Board, National Medical Commission; Reinventing healthcare through disruptive inclusive innovation by Dr. R.A. Mashelkar, Chairman Reliance New Energy Council, Reliance Innovation Leadership Centre. NAMS - AIIMS – Conclave on theme: "Skills and Training in Medical Education" was organised in which the Directors of various AIIMS discussed the current Training in Medical Education and gave recommendations for future.

Hon'ble Vice President of India, Shri Jagdeep Dhankhar, was the Chief Guest, and Ms. Punya Salila Srivastava, IAS, Secretary, Health & Family Welfare, Government of India, and Dr. Rajesh Sudhir Gokhale, Secretary, Department of Biotechnology, GoI, graced the occasion as Guests of Honour. The Vice President of India, Shri Jagdeep Dhankhar, in his address, appreciated the contribution of NAMS Fellows to national policy-making and decision-making at national level. He extended his best wishes and looked forward to the intellectual bank of the Academy Fellows & Members to extend their cooperation, strengthening the health system of the country.

Eminent medical & biomedical scientists from all over the country were bestowed with NAMS Fellowships, Associate Fellowships & Memberships by the President NAMS.

Dr. Shiv K Sarin, President, NAMS, in his Presidential address, welcomed the distinguished Guests, Fellows and Members of the Academy. The full text of the Presidential address is given as Annexure I.

Hon'ble Vice President of India Shri Jagdeep Dhankhar, Chief Guest, delivered the Convocation address. The full text of the address is given as Annexure II.

Meetings of the Council

During the year 2024-25, six meetings of the NAMS Council were held.

These meetings of the NAMS Council were held on 21st April 2024; 1st July, 2024; 29th August 2024; 15th October 2024; 23rd November, 2024 and 24th February, 2025.

Filling-up of the vacancies of retiring Council Members – 2024

Following is the list of Members who retired during the year 2023 on completion of their tenure, and those who have been elected as Members of the Council:

Retired Members

1. Dr. Usha Kant Misra
2. Dr. Sanjay Kumar Agarwal
3. Dr. Anita Panda
4. Dr. Bhagwant Rai Mittal
5. Dr. Anil Kumar Jain

Elected Members

1. Dr. Anita Saxena
2. Dr. Yogendra Kumar Gupta
3. Dr. Sanjay Kumar Agarwal
4. Dr. Ashok Kumar Gupta
5. Dr. Anil Kumar Jain

The Council placed on record and appreciated the services rendered by the retiring Members.

Election of Fellows (FAMS) of the National Academy of Medical Sciences - 2024

The Credential Committee considered 313 biomedical scientists for election to Fellowship for the year 2024. The Credential Committee recommended 54 Biomedical Scientists for the award of Fellowship. The Council Members approved the recommendations of the Credentials Committee for the Fellowship. They have since been balloted and elected as Fellows by the General Body of Fellows, as per the procedure prescribed in the Rules.

The names of elected Fellows are given below:

1. **Dr. Gaurav Agarwal**
Professor and Head, Department of Endocrine Surgery, Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow, Uttar Pradesh-226014. His speciality is Endocrine & Breast Surgery.
2. **Dr. Aditya Kumar Aggarwal**
Professor and Head, Department of Orthopaedics, Post Graduate Institute of Medical Education & Research (PGIMER), Chandigarh-160012. His speciality is Orthopaedic Surgery.
3. **Dr. Amitesh Aggarwal**
Professor and Unit Head, Department of Medicine, University College of Medical Sciences & GTB Hospital, Delhi-110095. His speciality is Medicine.
4. **Dr. Sandeep Aggarwal**
Professor, Room No 411, Surgery Block, Department of Surgery, All India Institute of Medical Sciences, New Delhi-110029. His speciality is General Surgery.
5. **Dr. Mohammad Javed Ali**
Director, Clinician-Scientist Development Programme, Distinguished Alumni Chair of Ophthalmology, Head, GS Institute of Dacryology, LV Prasad Eye Institute, Road No 2, Bajnjara Hills, Hyderabad-500034. His speciality is Ophthalmology.
6. **Dr. Bushra Ateeq**
Professor and Joy Gill Chair, Dean of International Relations, Department of Biological Sciences & Bioengineering, Indian Institute of Technology, Kanpur, Uttar Pradesh-208016. Her speciality is Molecular Biology.
7. **Dr. Reema Bansal**
Professor, Room No. 503, Level 5, Advanced Eye Centre, Post Graduate Institute of Medical Education & Research (PGIMER), Sector-12, Chandigarh-160012. Her speciality is Ophthalmology.
8. **Dr. Arun Kumar Baranwal**
Chief Mentor, Department of Paediatric Cardiac Care, Sri Sathya Sai Sanjeevani Hospital, Nava Raipur, Raipur, Chhattisgarh-492001. His speciality is Paediatrics.
9. **Dr. Murali Dharan Bashyam**
Staff Scientist, Centre for DNA Fingerprinting and Diagnostics, Inner Ring Road, Uppal, Hyderabad-500039. His speciality is Cancer Genetics and Genomics.
10. **Dr. Dipasri Bhattacharya**
Principal, Tripura Santiniketan Medical College, Tripura-799003. Her speciality is Anaesthesiology.

11. **Dr. Ramesh Chandra**
Vice-Chancellor, Maharaja Surajmal Brij University, Bharatpur, Rajasthan-321001. Res: 38/01, Probyn Road, University of Delhi, Delhi-110007. His speciality is Biochemistry.
12. **Dr. Poodipedi Sarat Chandra**
Senior Professor and Head, Unit I, Department of Neurosurgery, Room No 7, 6th Floor, C N Centre, All India Institute of Medical Sciences, New Delhi-110029. His speciality is Neurosurgery.
13. **Dr. Rama Chaudhry**
Emeritus Scientist, Former Dean of Research and Head, Department of Microbiology, All India Institute of Medical Sciences, New Delhi-110029. His speciality is Microbiology.
14. **Dr. Harvinder Singh Chhabra**
Director, Department of Spine & Rehabilitation Centre, Sri Balaji Action Medical Institute, Paschim Vihar, New Delhi-110063. His speciality is Orthopaedic Surgery.
15. **Dr. Mradul Kumar Daga**
Senior Professor, Division of Internal Medicine, Max Super Speciality Hospital, Vaishali, Ghaziabad, Uttar Pradesh-201019. His speciality is Internal Medicine.
16. **Dr. Gowri Dorairajan**
Professor and Head, Department of Obstetrics and Gynaecology, Women and Child Block, JIPMER, Dhanvantari Nagar, Puducherry-605006. Her speciality is Obstetrics and Gynaecology.
17. **Dr. Anuradha Dube**
Emeritus Scientist & Ex-JC Bose Fellow, Central Drug Research Institute, Lucknow, Uttar Pradesh-226031. Her speciality is Microbiology.
18. **Dr. Usha Dutta**
Professor and Head, Department of Gastroenterology, Nehru Hospital, F-Block, Post Graduate Institute of Medical Education & Research (PGIMER), Sector-12, Chandigarh-160012. Her speciality is Gastroenterology.
19. **Dr. Bhagirathi Dwibedi**
Associate Dean and Professor, Unit Head, Department of Paediatrics, All India Institute of Medical Sciences, Bhubaneswar, Odisha-751019. His speciality is Paediatrics.
20. **Dr. Dipyaman Ganguly**
Senior Principal Scientist, CSIR-Indian Institute of Chemical Biology, Kolkata, West Bengal-700032. His speciality is Biotechnology.
21. **Dr. Vikas Gautam**
Professor, Department of Medical Microbiology, Post Graduate Institute of Medical Education & Research (PGIMER), Sector-12, Chandigarh-160012. His speciality is Microbiology.
22. **Dr. Mahesh Kumar Goenka**
Director & Head, Apollo Multispeciality Hospital, 58 Canal Circular Road, Kolkata, West Bengal-700054. His speciality is Gastroenterology.
23. **Dr. Chander Grover**
Director Professor, Department of Dermatology and STD, University College of Medical Sciences and GTB Hospital, Delhi-110095. His speciality is Dermatology & Venereology.

24. **Dr. Mohit Dayal Gupta**
Director and Professor, Department of Cardiology, GB Pant Institute of Post Medical Education & Research, New Delhi-110002. His speciality is Cardiology.
25. **Dr. Ritu Gupta**
Professor & Officer-in-Charge, Room No. 239, 2nd Floor, Laboratory Oncology Unit, Dr. BRA-IRCH, All India Institute of Medical Sciences, New Delhi-110029. Her speciality is Clinical Hematology.
26. **Dr. Deepali Jain**
Professor, Department of Pathology, All India Institute of Medical Sciences, New Delhi-110029. Her speciality is Pathology.
27. **Dr. Pramila Kalra**
Professor and Head, Department of Endocrinology, Ramaiah Medical College and Hospital, Bengaluru, Karnataka-560054. Her speciality is Endocrinology.
28. **Dr. Tanuj Kanchan**
Professor and Head, Department of Forensic Medicine, Room No. 3040, Medical College Building, All India Institute of Medical Sciences, Jodhpur, Rajasthan-342005. His speciality is Forensic Medicine & Toxicology.
29. **Dr. Rakesh Kapoor**
Professor and Unit Head, Department of Radiotherapy and Oncology, Post Graduate Institute of Medical Education & Research (PGIMER), Sector-12, Chandigarh-160012. His speciality is Radiation Oncology.
30. **Dr. Ashok Kumar**
Professor, Department of Biological Sciences and Bioengineering, LAB-15, Indian Institute of Technology, Kanpur, Uttar Pradesh-208016. His speciality is Biomedical Engineering.
31. **Dr. Ashish Kumar**
Professor and Senior Consultant, Department of Gastroenterology, Room No. 1192, Sir Ganga Ram Hospital, Rajinder Nagar, New Delhi-110060. His speciality is Gastroenterology.
32. **Dr. Govind Kumar Makharia**
Professor, Department of Gastroenterology and Human Nutrition, All India Institute of Medical Sciences, Ansari Nagar, New Delhi-110029. His speciality is Gastroenterology.
33. **Dr. Amit Kumar Mishra**
Professor and Head, Department of Bioscience & Bioengineering, Room No: 307, Indian Institute of Technology Jodhpur, Near NIFT, Jodhpur, Rajasthan-342037. His speciality is Neuroscience.
34. **Dr. Ashis Kumar Mukherjee**
Director, Institute of Advanced Study in Science and Technology, Vigyan Path, Garchuk, Paschim Boragaon, Guwahati, Assam-781035. His speciality is Biochemistry.
35. **Dr. Archana Behram Patel**
Programme Director and CFO, LMRF, Lata Medical Research Foundation, 9/1, Kinkine Kutir, Opposite Hanuman Mandir, Vasant Nagar, Nagpur, Maharashtra-440022. Her speciality is Paediatrics.
36. **Dr. Manju Rahi**
Director, ICMR-Vector Control Research Centre, Puducherry, Tamilnadu-605006. Her speciality is Public Health.

37. **Dr. D Sree Bhushan Raju**
Senior Professor and HOD, Department of Nephrology, Nizam's Institute of Medical Sciences, Panjagutta, Hyderabad, Telangana-500082. His speciality is Nephrology.
38. **Dr. Sushma Sagar**
Professor, Department of Surgery, Room No 229, 2nd Floor, JPN Apex Trauma Center, All India Institute of Medical Sciences, New Delhi-110029. Her speciality is Surgery.
39. **Dr. Naveen Sankhyan**
Professor, Department of Pediatrics Neurology, Post Graduate Institute of Medical Education & Research (PGIMER), Sector-12, Chandigarh-160012. His speciality is Pediatric Neurology.
40. **Dr. Angamuthu Selvapandiyan**
Professor, Department of Molecular Medicine, Jamia Hamdard (Deemed to be University), New Delhi-110062. His speciality is Molecular Biology.
41. **Dr. Rachna Seth**
Professor, Department of Paediatrics, All India Institute of Medical Sciences, New Delhi-110029. Her speciality is Paediatrics.
42. **Dr. Sandeep Seth**
Professor, Department of Cardiology, All India Institute of Medical Sciences, New Delhi-110029. His speciality is Cardiology.
43. **Dr. G Taru Sharma**
Director, National Institute of Animal Biotechnology, Survey No. 37, Extended Q City Road, Opp. Journalist Colony, New Gowlidoddi, Gachibowli, Hyderabad, Telangana-500032. Her speciality is Physiology.
44. **Dr. Sadhna Sharma**
Professor, Department of Biochemistry, All India Institute of Medical Sciences, Bilaspur, Himachal Pradesh-174001. Her speciality is Biochemistry.
45. **Dr. Balendra Pratap Singh**
Professor, Department of Prosthodontics, King George's Medical University, Lucknow, Uttar Pradesh-226003. His speciality is Dental Surgery.
46. **Dr. Chandramani Singh**
Director, Dr. Ram Manohar Lohia Institute of Medical Sciences, Gomti Nagar, Vibhuti Khand, Lucknow, Uttar Pradesh-226010. His speciality is Community Medicine.
47. **Dr. Daljit Singh**
Director Professor, Department of Neurosurgery, Govind Ballabh Pant Institute of Postgraduate Medical Education and Research, Delhi-110002. His speciality is Neurosurgery.
48. **Lt. Gen. (Dr.) Daljit Singh**
Director General, Armed Forces Medical Services, Ministry of Defence, O/O DGAFMA, MOD, Room No 410, 4th Floor, 'A' Block, Defence Offices Complex, Africa Avenue Road, New Delhi-110023. His speciality is Neurosurgery.
49. **Dr. Seema Sood**
Professor, Department of Microbiology, All India Institute of Medical Sciences, New Delhi-110029. Her speciality is Microbiology.

50. **Dr. Rajarajan Swaminathan**
Professor & Former Vice Chancellor, SRM University, Sonepat, Haryana-131029. His speciality is Microbiology.
51. **Dr. Rupiyoti Talukdar**
Director, Department of Pancreatology, Pancreas Research Group and Div. of Gut Microbiome Research, Telangana-500032. His speciality is Gastroenterology.
52. **Dr. Vishal R Tandon**
Professor, Department of Pharmacology, Therapeutics, Adverse Drug Reaction Monitoring Centre, Govt. Medical College, Jammu and Kashmir-190010. His speciality is Pharmacology.
53. **Dr. Nirupma Trehanpati**
Professor and Head, Institute of Liver and Biliary Sciences, D-1, Vasant Kunj, New Delhi-110070. Her speciality is Clinical Immunology.
54. **Dr. Aman Babanrao Upaganlawar**
Vice Principal and Head of Department, SNJB's Shriman Sureshdada Jain College of Pharmacy, Chandwad, Maharashtra-423101. His speciality is Pharmacology.

Election of Members (MAMS) of the National Academy of Medical Sciences – 2024

The total number of candidates considered for election to Membership was 100. The Credential Committee recommended 92 candidates, and they were approved by Council. They have since been balloted and elected as Members by the General Body of Fellows, as per the procedure prescribed in the Rules.

The names of elected Members are given below:

1. **Dr. Rachana Agarwal**
Professor, Department of Obstetrics and Gynaecology, S.N. Medical College Agra-282003. Her speciality is Obstetrics & Gynaecology.
2. **Dr. Israr Ahmad**
Assistant Professor, Department of Biotechnology, Era University, Sarfarazganj, Hardoi Road, Lucknow, Uttar Pradesh-226003. His speciality is Molecular Biology.
3. **Dr. Wahid Ali**
Professor, Department of Pathology, King George's Medical University, Lucknow, Uttar Pradesh-226003. His speciality is Biochemistry.
4. **Dr. Upendra Baitha**
Additional Professor, Department of Medicine, Room No 4097, 4th Floor, Teaching Block, All India Institute of Medical Sciences, New Delhi-110029. His speciality is Internal Medicine.
5. **Dr. Sadajit Banerjee**
Doctor, CD 278, 1st Floor, Salt Lake City, Sector-1 Bidhannagar, Kolkata-700064. His speciality is Internal Medicine.
6. **Dr. Saurav Bhagat**
Assistant Professor, Department of Radio-diagnosis, School of Medical Sciences & Research, Sharda University, Greater Noida, Uttar Pradesh-201306. His speciality is Radiodiagnosis.
7. **Dr. Mudera Ponnappa Chariappa**
Public Health Specialist, A-1/701, Aura Solis, Behind Naren Hills, SRPF P.O, Pune, Maharashtra-411022. His speciality is Community Health.
8. **Dr. Mona Asnani**
Professor, Department of Paediatrics, All India Institute of Ayurveda, Sarita Vihar, New Delhi-110076. Her speciality is Paediatrics.
9. **Dr. Ashok Kumar Chauhan**
Senior Professor and Head, Department of Radiotherapy, Postgraduate Institute of Medical Science, Rohtak, Haryana-124001. His speciality is Radiotherapy.
10. **Dr. Pavithra Cheluvaraj**
Assistant Professor, Department of Community Medicine, Ramaiah Medical College, M S R Nagar, Bangalore, Karnataka-560054. Her speciality is Community Health.
11. **Dr. Arbind Kumar Choudhary**
Assistant Professor, Department of Physiology, Munshiganj, Raebareilly, Uttar Pradesh-229405. His speciality is Physiology.

12. **Dr. Pushpa Dahiya**
Senior Professor and Head, Department of Obstetrics and Gynaecology, Postgraduate Institute of Medical Sciences, Rohtak, Haryana-124001. Her speciality is Obstetrics & Gynaecology.
13. **Dr. Vikas Dhikav**
Senior Medical Scientist/Deputy Director, Room No 106, Department of Health Research, Red Cross Road, MOHFW, Government of India, New Delhi- 110001. His speciality is Neurology.
14. **Dr. Sanjeev Kumar Digra**
Professor, Department of Paediatrics, SMGS Hospital, Government Medical College Jammu, Jammu & Kashmir-180001. His speciality is Paediatrics.
15. **Dr. Garima Dundy**
Professor, S N Medical College, Agra, Uttar Pradesh-282002. Her speciality is Pathology.
16. **Dr. Farrukh Faraz**
Professor, Department of Periodontics, Maulana Azad Institute of Dental Sciences, Bahadur Shah Zafar Marg, New Delhi-110002. His speciality is Dental Surgery.
17. **Dr. Devendra Gupta**
Professor, Department of Anaesthesiology, Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow, Uttar Pradesh-226014. His speciality is Anaesthesiology.
18. **Dr. Dhan Prakash Gupta**
Professor, Era's Lucknow Medical College, Era University, Tondon Marg, Sarfarazganj, Lucknow, Uttar Pradesh-226003. His speciality is Paediatric Radiodiagnosis.
19. **Dr. Tabrez Jafar**
Associate Professor and Head, Department of Biotechnology, Era's University, Tondon Marg, Sarfarazganj, Lucknow, Uttar Pradesh-226003. His speciality is Biotechnology.
20. **Dr. Sagar Jayantilal Dholariya**
Assistant Professor, Department of Biochemistry, All India Institute of Medical Sciences, Khanderi, Para Pipaliya, Rajkot, Gujarat-360110. His speciality is Biochemistry.
21. **Dr. Arjunlal Kakrani**
Professor, Department of Clinical Eminence (Medicine) and Director, Academic Collaborations, Dr. D Y Patil Medical College, Pune, Maharashtra-411018. His speciality is Internal Medicine.
22. **Dr. Kanishka Uthansingh**
Associate Researcher, Department of Gastroenterology and Hepatobiliary Sciences, Institute of Medical Sciences and Sum Hospital, Siksha O Anusandhan Deemed to be University, Bhubaneswar, Odisha - 751003. Her speciality is Biotechnology.
23. **Dr. S Karthik**
Assistant Professor, Department of Orthodontics, All India Institute of Medical Sciences, Vijaypur, Jammu & Kashmir-184120. His speciality is Dental Surgery.
24. **Dr. Gurleen Kaur**
Professor, Department of Pharmacology, Adesh Medical College and Hospital, Haryana-133004. Her speciality is Pharmacology.

25. **Dr. Taranpreet Kaur**
Assistant Professor, All India Institute of Medical Sciences, Vijaypur, Jammu & Kashmir-184120. Her speciality is Internal Medicine.
26. **Dr. Urvershi Kotwal**
Assistant Professor, Department of Transfusion Medicine, All India Institute of Medical Sciences, Vijaypur, Jammu & Kashmir-180001. Her speciality is Transfusion Medicine.
27. **Dr. Hare Krishna**
Associate Professor, Department of Anatomy, Room No C-12, All India Institute of Medical Sciences, Jodhpur Basani Phase-2, Rajasthan-342005. His speciality is Anatomy.
28. **Dr. Ankit Kumar**
Assistant Professor, Department of Respiratory Medicine, King George's Medical University, Lucknow, Uttar Pradesh-226003. His speciality is Respiratory Medicine.
29. **Lt. Col. (Dr.) Vasnik Kumar Gautam**
Office of Director General Armed Forces Medical, Ministry of Defence, Africa Avenue, New Delhi-110023. His speciality is Pathology.
30. **Dr. Manoj Kumar Gupta**
Additional Professor, Department of Community Medicine and Family Medicine, All India Institute of Medical Sciences, Jodhpur, Rajasthan-342005. His speciality is Community Medicine.
31. **Dr. Mritunjay Kumar**
Associate Professor, Department of Paediatrics, Room No 624, Hospital Building, All India Institute of Medical Sciences, Raebareli, Munsiganj, Raebareli, Uttar Pradesh-229405. His speciality is Paediatrics.
32. **Dr. Rahul Kuamr**
Assistant Professor, Department of Cardiovascular and Thoracic Surgery, King George's Medical University, Lucknow, Uttar Pradesh-226003. His speciality is Cardiovascular & Thoracic Surgery.
33. **Dr. Rajiv Kumar**
Assistant Professor, Centre of Experimental Medicine and Surgery, Institute of Medical Sciences, Banaras Hindu University, Varanasi, Uttar Pradesh-221005. His speciality is Biochemistry.
34. **Dr. Rajnish Kumar Arora**
Additional Professor and Head, Department of Neurosurgery, All India Institute of Medical Sciences, Rishikesh, Uttarakhand-249203. His speciality is Neurosurgery.
35. **Dr. Ramesh Kumar**
Additional Professor, Department of Gastroenterology, OPD Block-D, 4th Floor, All India Institute of Medical Sciences, Phulwari Sharif, Patna, Bihar-801507. His speciality is Gastroenterology.
36. **Dr. Ritesh Kumar**
Assistant Professor, Department of Pharmacology, All India Institute of Medical Sciences, Jammu & Kashmir-184120. His speciality is Pharmacology.
37. **Dr. Satish Kumar**
Assistant Professor, Department of Medicine, King George's Medical University, Lucknow, Uttar Pradesh-226003. His speciality is Internal Medicine.

38. **Dr. Shalini Kumar**
Professor and Head, Department of Anatomy, Hamdard Institute of Medical Sciences and Research, New Delhi-110062. Her speciality is Anatomy.
39. **Dr. Sumit Kumar**
Additional Professor, Department of Public Health Dentistry, Old Dental Public Building, 2nd Floor, King George's Medical University, Lucknow, Uttar Pradesh-226003. His speciality is Dental Surgery.
40. **Dr. Tarun Kumar Singh**
Associate Professor, Department of Dentistry, Room No. 3027, All India Institute of Medical Sciences, Bathinda, Punjab-151001. His speciality is Dental Surgery.
41. **Dr. Prashant Kumbhaj**
Professor, Department of Medical Oncology, Mahatma Gandhi Medical College and Hospital, RIICO Institutional Area, Sitapura, Tonk Road, Jaipur, Rajasthan-302022. His speciality is Medical Oncology.
42. **Dr. Babu Lal**
Assistant Professor, Trauma and Emergency Medicine, All India Institute of Medical Sciences, Bhopal, Madhya Pradesh-462020. His speciality is Dental Surgery.
43. **Dr. Dipti Magan**
Associate Professor, Department of Physiology, All India Institute of Medical Sciences, Bathinda, Punjab-151001. Her speciality is Physiology.
44. **Dr. Supriya Mallick**
Additional Professor, Department of Oral Medicine and Radiology, Faculty of Dental Sciences, KGMU, Lucknow-226003. Her speciality is Radiotherapy.
45. **Dr. Sushant Kumar Meinia**
Assistant Professor, Department of Transfusion Medicine, All India Institute of Medical Sciences, Vijaypur, Jammu & Kashmir -184120. His speciality is Transfusion Medicine.
46. **Dr. Ajay Kumar Mishra**
Assistant Professor, Department of Hepatology, SGPGIMS, Lucknow, Uttar Pradesh-226014. His speciality is Hepatology.
47. **Dr. Amar Kumar Misra**
Professor and Head, Department of Neurology, Nilratan Sircar Medical College and Hospital, 138, AJC Bose Road, Kolkata-700014. His speciality is Neurology.
48. **Dr. Gaurav Mishra**
Additional Professor, Department of Public Health Dentistry, 2nd Floor, Old Dental Building, King George's Medical University, Chowk, Lucknow, Uttar Pradesh-226003. His speciality is Dental Surgery.
49. **Dr. Nitesh Manohar Gonnade**
Additional Professor, Department of PMR, All India Institute of Medical Sciences, Jodhpur, Rajasthan-342005. His speciality is Physical Medicine.
50. **Dr. Anita Nangia**
Director Professor, Department of Pathology, Lady Hardinge Medical College & Associated Hospitals, New Delhi-110001. Her speciality is Pathology.

51. **Dr. Neha**
Associate Professor, Department of Dentistry, University College of Medical Sciences, Delhi-110095. Her speciality is Dental Surgery.
52. **Dr. Amit Gajanan Nerkar**
Professor and Research Head, Caymet's Siddhant College of Pharmacy, AT/Po, Sudumbare, Talmaival, Pune, Maharashtra-412109. His speciality is Pharmacology.
53. **Dr. Nitu Nigam**
Additional Professor, Cytogenetics Lab, Centre for Advanced Research, King George's Medical University, Shahmina Road, Chowk, Lucknow, Uttar Pradesh-226003. Her speciality is Genetics.
54. **Dr. Sobia Nisar**
Associate Professor, Department of Medicine, Govt. Medical College and Associated Hospitals, Srinagar, Jammu & Kashmir-190010. Her speciality is Internal Medicine.
55. **Dr. Pooja Ojha**
Associate Professor, Department of Physiology, All India Institute of Medical Sciences, Jodhpur, Rajasthan -342005. Her speciality is Physiology.
56. **Dr. Sandhya Pandey**
Assistant Professor, Department of Plastic Surgery, King George's Medical University, Lucknow, Uttar Pradesh-226003. Her speciality is Plastic Surgery.
57. **Dr. Shikha Prakash**
Associate Professor, Department of Pathology, Sarojini Naidu Medical College, Agra, Uttar Pradesh-282002. Her speciality is Pathology.
58. **Dr. Priti**
Professor, Department of Pathology, Lady Hardinge Medical College, 1, Connaught Place, New Delhi-110001. Her speciality is Pathology.
59. **Dr. Chitra Ranjan Sahoo**
ICMR-Centenary Post-Doctoral Fellow, Central Research Laboratory, Institute of Medical Sciences and Sum Hospital, Bhubaneswar-751029. His speciality is Biotechnology.
60. **Dr. Sandeep T**
Associate Professor, Department of Microbiology, BGS Medical College and Hospital, Dasanapura, Bengaluru, Karnataka-562123. His speciality is Microbiology.
61. **Dr. Sanjay Singhal**
Associate Professor, Department of Respiratory Medicine, TSM Medical College, Lucknow, Uttar Pradesh-226008. His speciality is Respiratory Medicine.
62. **Dr. Mili Sengar**
Associate Professor, Department of Community Medicine, TS Misra Medical College and Hospital, Lucknow, Uttar Pradesh-226009. Her speciality is Community Health.
63. **Dr. Nivedita Sharma**
Associate Professor, Department of Surgical Oncology, A Block, 5th Floor, OPD Block, All India Institute of Medical Sciences, Jodhpur, Rajasthan-342005. Her speciality is Surgical Oncology.
64. **Dr. Anita Mohan Shete**
Scientist E, ICMR NIV, ICMR National Institute of Virology 130, MCC-1, Pashan-Sus Rd, Pashan, Pune, Maharashtra-411021. Her speciality is Molecular Biology.

65. **Dr. Adesh Shrivastava**
Additional Professor, Department of Neurosurgery, All India Institute of Medical Sciences, Bhopal, Madhya Pradesh-462020. His speciality is Neurosurgery.
66. **Dr. Shelly Shrivastava**
Associate Professor and Head, Department of Radiation Oncology, Government Medical College, Tirwaganj, Kannauj, Uttar Pradesh-209732. Her speciality is Radiotherapy.
67. **Dr. Hifzur Rahman Siddique**
Senior Assistant Professor, Aligarh Muslim University, Uttar Pradesh-202002. His speciality is Molecular Biology.
68. **Dr. Sapna Singh**
Assistant Professor, Oral Health Centre, Govt. Medical College and Hospital, Chandigarh-160030. Her speciality is Dental Surgery.
69. **Dr. Devendra Singh**
Scientist, Department of Pharmacology, Room No. 4012, Teaching Block, All India Institute of Medical Sciences, New Delhi-110029. His speciality is Pharmacology.
70. **Dr. Diksha Singh**
Additional Professor, Department of Oral Pathology, King George's Medical University, Shahmina Road, Chowk, Lucknow, Uttar Pradesh-226003. Her speciality is Pathology.
71. **Dr. Jaspreet Singh**
Assistant Professor, Department of Orthopaedics, Government Medical College, Patiala, Punjab-147001. His speciality is Orthopaedic Surgery.
72. **Dr. Kamalpreet Singh**
Associate Professor, Department of ENT, AFMC, Wanowarie, Pune, Maharashtra-411040. His speciality is Otorhinolaryngology.
73. **Dr. Manish Kumar Singh**
Associate Professor and Head, Department of Biochemistry, Government Medical College, Budaun, Ujhani Road, Uttar Pradesh-243601. His speciality is Biochemistry.
74. **Dr. Nishi Singh**
Additional Professor, Department of Oral Pathology and Microbiology, Faculty of Dental Sciences, King George's Medical University, Shahmina Road Chowk, Lucknow, Uttar Pradesh-226003. Her speciality is Dental Surgery.
75. **Dr. Priyanka Singh**
Additional Professor, Department of Oral Pathology and Microbiology, Faculty of Dental Sciences, King George's Medical University, Lucknow, Uttar Pradesh-226003. Her speciality is Dental Surgery.
76. **Dr. Sudhir Singh**
Professor, Department of Radiotherapy, King George's Medical University, Lucknow, Uttar Pradesh-226003. His speciality is Radiotherapy.
77. **Dr. Tarun Kumar**
Professor, Department of Cardiology, ABVIMS and Dr. RML Hospital, Delhi-110001. His speciality is Cardiology.

78. **Dr. Swish Kumar Singh**
Consultant, Department of IR, Chandan Hospital, Lucknow, Uttar Pradesh-226010. His speciality is Radiodiagnosis.
79. **Dr. Siddhartha Sinha**
Assistant Professor, Department of Orthopaedics, Hamdard Institute of Medical Sciences and Research, Block D, Hamdard Nagar, Guru Ravidas Marg, New Delhi-110062. His speciality is Orthopaedic Surgery.
80. **Dr. P P Srinivasan**
Assistant Professor, Department of Paediatrics, Haematology-Oncology, 5118, APC 5A, Advanced Paediatrics Centre, Postgraduate Institute of Medical Education and Research, Sector-12, Chandigarh-160012. His speciality is Paediatrics.
81. **Dr. Amit Srivastava**
Associate Professor, Department of Orthopaedics, University College of Medical Sciences and Associated Guru Teg Bahadur Hospital, Dilshad Garden, Delhi-110095. His speciality is Orthopaedic Surgery.
82. **Dr. B. Sunitha**
Medical Director and Senior Consultant, Milann, The Fertility Specialists, Bangalore, Karnataka-560062. Her speciality is Obstetrics & Gynaecology.
83. **Dr. Vijay Kumar Tadia**
Assistant Professor and Deputy Medical Superintendent, Department of Hospital Administration, PGIMER, Sector-12, Chandigarh-160012. His speciality is Hospital Administration.
84. **Dr. Neema Tiwari**
Assistant Professor, Department of Pathology, Post Graduate Institute of Child Health, Sector-30, Noida, Uttar Pradesh-201303. Her speciality is Pathology.
85. **Dr. Preeti Tripathi**
Professor, Department of Hematopathology, Army Hospital, Research & Referral, Delhi-110010. Her speciality is Pathology.
86. **Dr. Kaviraja Udupa**
Professor, Department of Neurophysiology, National Institute of Mental Health and Neuro Sciences (NIMHANS), Hosur Road, Bengaluru, Karnataka-560029. His speciality is Neurophysiology.
87. **Dr. Ruchi Verma**
Additional Professor, Department of Anesthesiology A-Block, Sanjay Gandhi Post-graduate Institute of Medical Sciences (SGPGIMS), Raebareli, Lucknow, Uttar Pradesh-226014. Her speciality is Anaesthesiology.
88. **Dr. Mranalini Verma**
Associate Professor, Department of Radiotherapy, King George's Medical University, Lucknow, Uttar Pradesh-226003. Her speciality is Radiotherapy.
89. **Dr. Rama Walia**
Additional Professor, Department of Endocrinology, Postgraduate Institute of Medical Education and Research, Sector-12, Chandigarh-160012. Her speciality is Endocrinology.

90. **Dr. Isha Yadav**
Assistant Professor, University College of Medical Sciences and Guru Teg Bahadur Hospital, New Delhi-110095. Her speciality is Anaesthesiology.
91. **Dr. Raj Kanwar Yadav**
Additional Professor, Department of Nephrology, All India Institute of Medical Sciences, New Delhi-110029. His speciality is Nephrology.
92. **Dr. Deepak Yuvraj**
Scientist B, Maximum Containment Facility, Indian Council of Medical Research-National Institute of Virology, Sus Road, Pashan, Pune, Maharashtra-411021. His speciality is Molecular Biology.

Election of Associate Fellow (Assoc FAMS) of the National Academy of Medical Sciences– 2024

The candidates who have passed DM/MCh, Dr. NBE and are upto the age of 45 years are elected as Associate Fellow of NAMS. A total of 23 applications were received. As per the criteria, 19 candidates were elected for the award of Associate Fellowship.

The names of elected Associate Fellows are given below:

1. **Dr. Shilpa Khanna Arora**
Professor, Department of Paediatrics, ABVIMS & Dr. RML Hospital, New Delhi. Her speciality is Paediatrics.
2. **Dr. Avivar Awasthi**
Assistant Professor, C-29, Sector C, Chetan Vihar, Aliganj, Lucknow-226024. His speciality is Clinical Endocrinology.
3. **Dr. Balamurugan T**
Assistant Professor, Department of Pathology, All India Institute of Medical Sciences, New Delhi-110029. His speciality is Pathology.
4. **Dr. Nidhi Chauhan**
Assistant Professor, Department of Psychiatry, Postgraduate Institute of Medical Education & Research, Chandigarh-110016. Her speciality is Psychiatry.
5. **Dr. Anany Gupta**
Consultant, Gastroenterology, Vivekananda Hospital, Lucknow. His speciality is Gastroenterology.
6. **Dr. Gaurav Gupta**
Associate Professor, Department of Paediatrics, All India Institute of Medical Sciences, Guwahati-781101. His speciality is Paediatrics.
7. **Dr. Ashutosh Kaushal**
Associate Professor, Department of Anaesthesiology, All India Institute of Medical Sciences, Bhopal-462026. His speciality is Anaesthesiology.
8. **Dr. Harit Kothari**
Senior Consultant, Yashoda Hospital, Kaushambi, Uttar Pradesh. His speciality is Gastroenterology.
9. **Dr. Neredumilli Prasanna Kumar**
Professor & HoD, Child and Adolescent Psychiatry Super speciality department, Andhra Medical College & GHMC-COE, Visakhapatnam. His speciality is Psychiatry.
10. **Dr. Mahabaleshwar Mamadapur**
Assistant Professor, Department of Clinical Immunology and Rheumatology, JSS Hospital, MG Road, Mysore-570004. His speciality is Rheumatology.
11. **Dr. Sanjib Mondal**
Assistant Professor, Department of Paediatrics, KPC Medical College and Hospital, Jadavpur, Kolkata-700032. His speciality is Paediatrics.

12. **Dr. Mohd Mustahsin**
Associate Professor and Head of Critical Care Unit, Era's Lucknow Medical College & Hospital, Lucknow-226003. His speciality is Anaesthesiology.
13. **Dr. Rengarajan Rajgopal**
Associate Professor, Department of Diagnostic & Interventional Radiology, All India Institute of Medical Sciences, Jodhpur. His speciality is Radiodiagnosis.
14. **Dr. Tanushree Sahoo**
Associate Professor, Department of Neonatology, All India Institute of Medical Sciences, Bhubaneswar. Her speciality is Neonatology.
15. **Dr. Apurvakumar Sudhirbhai Shah**
Senior Consultant, Apollo Hospitals International Limited, Gandhinagar-382428. His speciality is Gastroenterology.
16. **Dr. Amarinder Singh**
Assistant Professor, Department of Pathology, All India Institute of Medical Sciences, New Delhi-110029. His speciality is Radiodiagnosis.
17. **Dr. Vikram Singh**
Classified Specialist (Path) & Oncopathologist, Assistant Professor, Department of Pathology, Armed Forces Medical College, Pune-411040. His speciality is Pathology.
18. **Dr. Srinivasan P P**
Assistant Professor, Department of Paediatrics, Postgraduate Institute of Medical Education & Research, Chandigarh-160012. His speciality is Paediatrics.
19. **Dr. Richa Tripathi**
Associate Professor, Department of Psychiatry, All India Institute of Medical Sciences, Gorakhpur. Her speciality is Psychiatry.

Election of International Fellow and Member of the National Academy of Medical Sciences - 2024

The following eminent scientists who applied for International Fellows/Members are elected as International Fellows:

1. **Dr. Mamatha Bhat**
Associate Professor, Dept. of Medicine, University of Toronto, Clinician-Scientist, Ajmera Transplant Centre, University Health Network, 585 University Avenue, Toronto, Canada. Her speciality is Medicine, Gastroenterology.
2. **Dr. Jayanta Roy Chowdhury**
Professor, Department of Medicine (Hepatology) and Genetics, Albert Einstein College of Medicine, Bronx, NY10461, USA. His speciality is Medicine.
3. **Dr. Naga P. Chalasani**
Professor, Indiana University School of Medicine; Vice President for Academic Affairs. Indiana University Health. 340 West 10th Street, Indianapolis, IN, USA 46202. His speciality is Gastroenterology.
4. **Dr. Rajani Dube**
Professor Obstetrics and Gynaecology, Dept Head, Rak College of Medical Sciences, Rak Medical and Health Sciences University, AL Qusaidat, RAS AL Khaimah, United Arab Emirates-971, PO Box-11172. Her speciality is Obstetrics & Gynaecology.
5. **Dr. Shyamasundaran Kottlil**
Director, Institute of Virology, University of Maryland, 725 W Lombard St, Baltimore MD 21021. His speciality is Gastroenterology.
6. **Dr. Anand Marya**
Professor & Head, Dept. of Orthodontics, Faculty of Dentistry, University of Puthisastra, #55, st 180, Khan Daun Penh, Phnom Penh, Cambodia-12211. His speciality is Dental Surgery.
7. **Dr. Jagat Narula**
Executive Vice President & Chief Academic Officer, University of Texas Health Sciences Centre, Houston K. Lance Gould Distinguished University Chair for Coronary Pathophysiology, John P. & Kathrine G. McGovern Medical School, Houston. His speciality is Cardiology.
8. **Dr. Arun J Sanyal**
Director, Stravitz-Sanyal Institute for Liver Diseases and Metabolic Health, 1200 E, Broad St, Richmond VA, 23298. His speciality is in liver diseases.
9. **Dr. Ashwain K Singal**
Professor of Medicine, Univ. of Louisville, Louisville, KY, 40202, USA. His speciality is Gastroenterology.

International Member

1. **Dr. Rohit Kohli**
Professor, Department of Pediatric, Keck School of Medicine USC and HOD, Gastroenterology, Childrens Hospital Los Angeles. His speciality is Paediatrics.

List of Candidates who were conferred MNAMS Membership – 2024

The candidates who applied for NAMS Membership (MNAMS) of the Academy and who were duly proposed by at least one Fellow as stipulated under Regulation V, were placed before the Council for approval at its meetings. The Council approved 793 applicants for MNAMS.

Summary of Fellows/Members on Roll of the Academy as on 31st March, 2025

NAMS Family	Total No.
Honorary Fellow	5
International Fellow	9
International Member	1
Fellow (FAMS)	1114
Member (MAMS)	2762
Associate Fellow (A-FAMS)	139
Member (MNAMS)	11121
Associate Members	49
Total	15200

Publication of Annals of the National Academy of Medical Sciences (India)

Annals of the National Academy of Medical Sciences (India) (ANAMS), the official journal of NAMS (National Academy of Medical Sciences, India) under the aegis of the Ministry of Health and Family Welfare, Govt. of India, has been serving the biomedical research fraternity of India since its inception 60 years ago.

Back in 2016, NAMS decided to go for digital transition and ANAMS got its online presence. Since then, the journal has been growing progressively and has published high-quality articles in a multi-disciplinary format. The year 2024 marks the 60th Volume of the journal and it was presented with a new face and appeal starting the January–February 2024 Issue.

The new website of the journal is <https://editorialassist.com/#/login/ANAMS>, whereas the new submission site of the journal is <https://editorialassist.com/#/login/ANAMS>.

Annals of National Academy of Medical Sciences (India) has been progressively developing in the past years, with a significant increase in all indices.

Peer-review time:

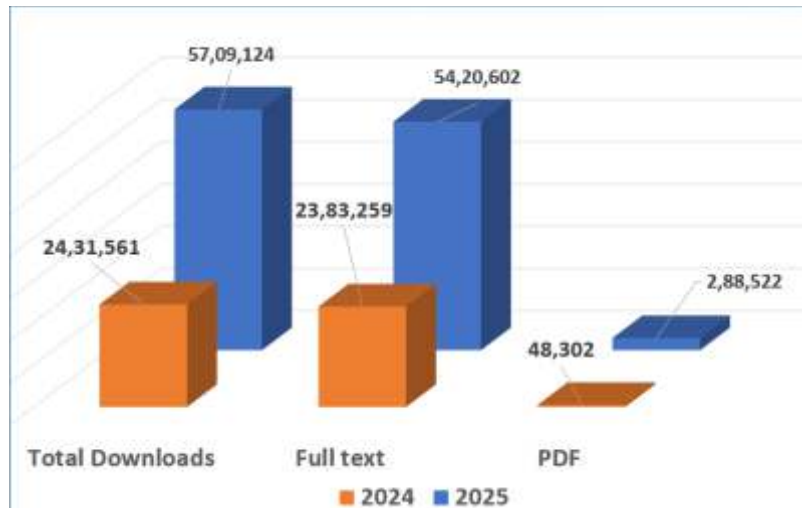

Manuscripts peer-review time has commendably reduced from 164 in previous years to 99.5 days, showing the efficiency of the Editorial team.

The turnaround time for acceptance to publishing also got significantly reduced from 141 to 83.5 days, the overall effect resulted in a reduction of the publication time from 272 to 129 days! This is a 53% reduction in overall time taken from submission to publication.

Visibility:

Downloads: Compared to 2024, till date in 2025, the journal has 32,77,563 more downloads! Showing an overall 57% growth in terms of downloads and resulting visibility.

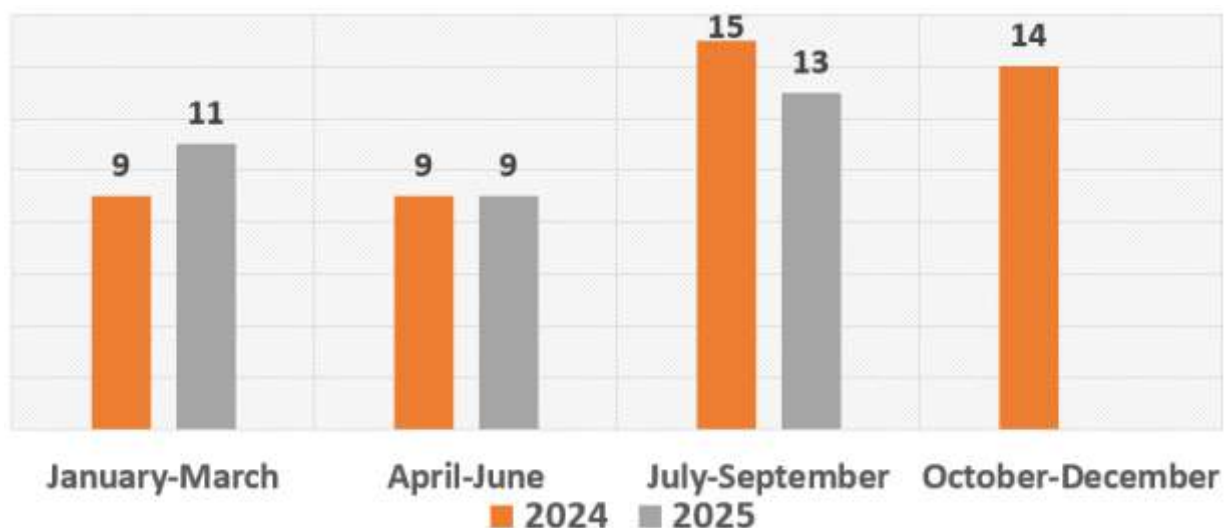

Citations: Since, January, 2024 till date, journal's website hits are 55000, total 348 citations received in the 395 published manuscripts; Avg. Citations per year are 38.67, i.e. Avg. Citation per manuscript is 0.88.

Submission & decision: **In 2024**, the journal received **303 submissions**, of which **71 were accepted** and **149 were rejected** with **23% acceptance rate**.

To date in **2025**, the journal has received **233 submissions**, **34** of which were **accepted** and **87 rejected** and a **14% acceptance rate**.

The low acceptance rate is commendable, adds significantly to the overall prestige of the journal, and sets a benchmark that ANAMS only accepts top-quality content.

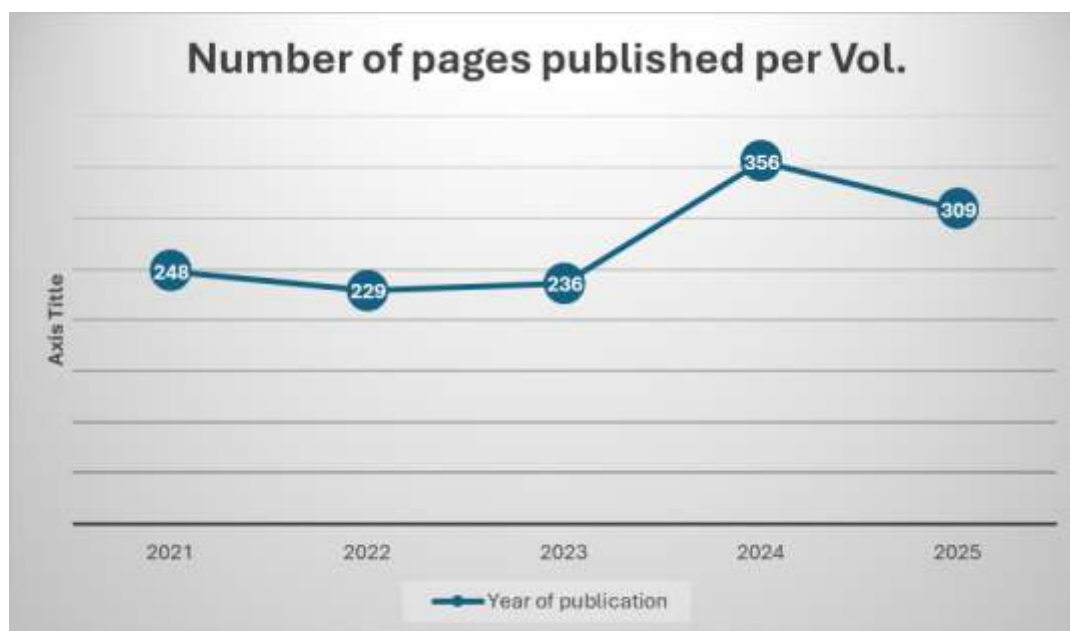

Issues publication data:

Year	2021	2022	2023	2024	2025
No. of pages published per Volume	248	229	236	356	309*

*Number of pages published in 3 Issues of 2025; 4th Issue is under print.

We are regularly publishing over 100 pages per Issue. In 2024, we printed 356 pages in four Issues, while in 2025 in three Issues, 309 pages were published.

Published Task Force Reports:

Total published task force reports (n=9) in various Issues

1. Venous thromboembolism
2. Organ donation and transplantation
3. Alcohol, substance use disorders, and behavioral addiction in India
4. Obesity and lifestyle diseases in India
5. Evidence-based traditional medicine for health care in India
6. NAMS-AFMS Joint task force on gunshot and blast injuries
7. Task force report on cervical cancer
8. AFMS-NAMS High Altitude
9. Task force report on mental stress

Reports to be published in the forthcoming Issues

1. Task force report on oral cancer
2. Antimicrobial resistance
3. Breast cancer in India
4. NAMS Task force report on Tribal Health
5. NAMS Task force report on Tobacco Control
6. NAMS Task force report on Vector Borne Diseases
7. NAMS Task force report on Prevention of Neural Tube Defects (NTD) in India
8. Tuberculosis in India
9. Artificial Intelligence in Healthcare

Ahead-of-print articles on our website (n=17):

1. Role of lymph node aspiration in diagnosing lepromatous leprosy
2. Should we stop using fluoroquinolone in non-tuberculosis patients? A study to assess the drug resistance profile of rifampicin-resistant pulmonary tuberculosis
3. Validating knowledge and attitude for cervical cancer screening among rural women: A rasch and factor analysis approach
4. Fighting medical misinformation and disinformation: Intervention opportunities for the future-A critical review
5. A study on emerging resistance to carbapenem antibiotics in gram-negative bacteria isolated from clinical samples
6. Surgical management of gastric gastrointestinal stromal tumors: Comparison of outcomes for open and laparoscopic resection
7. Triple jeopardy: Blind-ending ureter harboring calculus, ureteral tumor with severe hydronephrosis
8. Spatio-temporal effects of iodine/thyroid hormone deficiency on neurodevelopment and plausible amelioration approaches beyond the critical window
9. Assessment of drug utilization pattern of antihypertensive medications using defined daily dose, drug utilization 90% and World Health Organization drug use indicators
10. Utilisation pattern of health benefit packages under Ayushman Bharat Pradhan Mantri Jan Arogya Yojana
11. Does injectable platelet-rich fibrin enhance healing in intracapsular femoral neck fractures: A preliminary study
12. Estimation of normal limits of the ratio of prevertebral shadow thickness to anteroposterior diameter of the corresponding vertebral body
13. Study of right liver lobe diameter to the serum albumin ratio as a marker of esophageal varices in patients with cirrhosis of liver
14. Customized ocular prosthetic rehabilitation: A case report on restoring aesthetics in patient with post traumatic eye defect
15. Validation of neck length and neck circumference together as predictors of difficult airway in overweight and obese females
16. Small steps, big impact: Effect of mandatory sputum quality assessment prior to sputum culture processing on quality of samples received
17. Metastatic disease in primary squamous cell carcinoma of ichthyosis uteri

Manuscripts in different stages of publication before AOP (n=4):

1. MS No. 232_2024 titled: Roadblocks to Early Surgery for Patients with Cervical Spine Injury in a Tertiary Care Setting - An Observational Study
2. MS No. 85_2025 titled: Beyond Clinical Excellence: Urgent Need of Empowering Senior Medical Faculty with Leadership Skills
3. MS No. 29_2025 titled: Evolution of Indian Orthopaedics and the Legacy of its Pioneers
4. MS No. 102_2024 titled: Comprehensive Genetic Counseling in Pediatric Cancer: Overcoming Challenges and Setting Standard

Different stages of editorial process (n=35)

We have 35 ACCEPTED manuscripts in different stages of editorial process.

The Annals of the National Academy of Medical Sciences (India) [ANAMS] is progressing steadily. With the continued trust and support of the NAMS community, we aim to position the journal at the forefront of national and global recognition. We invite you to partner with us—as authors, reviewers, and editors—to advance high-quality science. Together, we can reach greater heights.

Obituaries

The death of the following distinguished Fellows/Members of the Academy is noted with deep heartfelt feelings of anguish and sorrow:

Fellows:

1. Dr. Perumalsamy Namperumalsamy, FAMS-2000
2. Dr. Sunil K. Pandya, FAMS-1991
3. Dr. Gurmukh Sajanmal Sainani, FAMS-1978
4. Dr. Sanjeev V. Thomas, FAMS-2010

Address by the President-NAMS, Dr. Shiv K. Sarin delivered at the 64th Annual Convocation on 23rd November, 2024 at All India Institute of Medical Sciences, Jodhpur

I thank the almighty God, my late parents, and my teachers to make me enabling to see this historic event. The NAMS is extremely privileged that the Hon'ble Vice President Shri Dhankhar ji has graced the 64th Annual Convocation and Conference. An eminent lawyer and visionary with an adorable smile, simplicity, and humility, Dhankhar Sahib is loved by one and all. I am personally indebted to you, sir, for accommodating this event. NAMS is also privileged to have Madam Dhankhar with us. Thank you, Madam, for gracing and empowering the women scientists of India. NAMS is also privileged to have the Secretary of Health, Govt of India, Madam Punya Salila Srivastava. We also welcome Dr. Rajesh Gokhale ji, postdoctorate from Stanford, Professor of Biology at Indian Institute of Science, and Secretary, Dept. of Biotechnology. The two together symbolize science and biology are two sides of the same coin, and they coexist in India. India needs hybrid scientists and hybrid doctors. The theme was amply reflected in today's convocation, where we have 54 new Fellows, 92 new Members, 19 Associate Fellows, 31 Associate Members, and 460 MNAMS inducted into the Academy.

I also welcome the President of the Postgraduate Board of the National Medical Commission, Dr. Vijay Oza, who is in the audience, President of the National Board of Examination Prof. Abhijat Sheth, Directors of various All India Institute of Medical Sciences, Principal Health Secretary, Rajasthan, Madam Gayatri. We also welcome the President and faculty members of AIIMS, Jodhpur, the newly elected Fellows, Members, and their Family members at this convocation. Welcome to all of you.

On behalf of our worthy Council Members and our President-Elect Prof. Digambar Behera, I am happy to tell you that now we have 1064 Fellows, 2670 Members, 10328 MNAMS by DNBE, 120 Associate Members. We have started the International Fellowship and Membership for overseas Indians, NRI's and we have 9 International Fellowships and 1 International Membership accepted for this year.

Sir, in 2022, when I was privileged to lead this Council, we, together with the Council, developed NAMS Vision-2030. I will briefly narrate the major activities of the Academy in the last three years.

We prepared policy documents for policy makers, NAMS constituted 28 Task Forces of eminent medical professionals to prepare policy documents to provide support to the Govt. of India for considering inclusion of important points in the policies of the Health. I do hope under Madam Punya, these will continue to be accepted and given attention too. In last three years, we have in 115 institutions, high-quality CMEs, Symposia and workshops. We started a National Virtual CME called Navigate Medico CME in January 2023, to help postgraduate students in the country. As of now, 41 sessions have been completed. We also started with AIIMS, New Delhi, AIIMS-NAMS Navigate Medico CME in September 2023. Thanks to Dr. M. Srinivas, Director AIIMS, for his support. Many teachers who have participated in these CMEs have volunteered their time to become mentors and to hold the hands of students to guide them.

Sir, we launched a leadership development programme called LEAD workshops for the first time for the Directors, Deans, and Heads of the institutions. We have completed 3 leadership programmes and have trained 76 participants from All India Institutes, Medical Colleges, Institute of National importance, and many medical colleges. I also encourage Fellows to join the next Leadership Programme.

Sir, looking at the change in the learning methods, NAMS collaborated with the International Institute of Information Technology, Hyderabad (IIIT-H) and started an online certificate course on 'AI in Health' for

health professionals from September, this year. Thanks to Dr. Abhay Karan, Secretary, DST and Prof. P.J. Narayan, Director, IIIT-H. Now, 142 doctors have converted into AI professionals. Our next course will start in January, 2025 and you can enroll. The mid-term conference at Bombay, organized by Dr. Ashok Gupta, also brought AI into the mainstream of the medical curriculum.

Biostatistics is needed by every MD, DM, MCh student, and with more than 700 medical colleges, there is a paucity of biostatisticians. Sir, with the help of ICMR, a National Biostatistics helpline was started, and I am very happy to say that DG-ICMR, started this helpline.

NAMS also recognizes women in medicine and we have this as an annual event. We do networking a lot and all medical colleges in twice get connected with the National Academy. To engage the youngsters, we have started the National Medical Quiz. NAMS cells have been established in 62 medical colleges of 23 states in the country.

On behalf of the Council Members, Past Presidents, and our President-Elect, I would like to thank you. I am very indebted to the organizing team led by Dr. G.D. Puri, and I do hope NAMS will grow, and your coming here is a big blessing.

Thank you and welcome to this Convocation.

(Dr. Shiv K. Sarin)
President, NAMS

**Address of the Chief Guest, Hon'ble Vice President of India
Shri Jagdeep Dhankhar, delivered at the 64th Annual
Convocation on 23rd November, 2024 at the All India
Institute of Medical Sciences, Jodhpur**

Good Evening, all of you,

Dr. Shiv Sarin, President, NAMS, I know him, who is very passionate about his mission, and that is- 'Health'. It was my good fortune to have agreed to the request to be at Jodhpur, the Sun city and particularly at AIIMS Jodhpur, for this occasion to interact and share my thoughts with professionals who matter hugely to society and humanity.

The presence of Secretary, Health & Family Welfare, Government of India, Dr. Punya Salila Srivastava, is indicative of the attention the government is paying to this very vital sector.

The presence of Dr. Rajesh Sudhir Gokhale, Secretary, Department of Biotechnology, Government of India, also indicates a big change that has taken place in governance. Dr. G.D. Puri, we are your guests, you are being profusely and rightly thanked for making it absolutely facilitating for all of us.

Dr. Digambar Behera, President-Elect and I am sure he will have next three years very challenging and take this institution and its mission on incremental trajectory and pass on the baton to the next person for being in exponential mode.

Distinguished persons in the audience, fellows, members, associate members and distinguished audience, for me, it is an absolute honour to be associated with the 64th Convocation and NAMSCON 2024 and it has a contemporaneously relevant theme- "One health, let us collaborate to take care of our health".

Friends, when I came here, I had the occasion to go through the list of the distinguished fellows, of this great institution, which includes the distinguished scientist who adorned the high office of President of India, Dr. A.P.J. Abdul Kalam and from our own state Rajasthan, Dr. K.C. Gangwal, Dr. S.R. Dharkar, Dr. Gautam Shiv Kumar Sharma and Dr. Sheetal Raj Mehta. For the simple reason, I had the occasion to know them personally and to get benefit out of their counsel.

Distinguished audience, I seek to avail the opportunity to applaud Dr. Siddharth Dev Manav, an alumnus of Saini School, Chittorgarh, my alma mater, who donated his dead body to this institution for study and research. Friends, just a few months back at Jaipur, at an event organised by Jain Social Groups, Central Sansthan Jaipur and Dadithi Deh Daan Samiti, Delhi, I had indicated that organ donation is the highest moral exemplification of human nature and citizens should make conscious efforts towards it. We need to promote organ donation. It gives life to those who lose hope of life and therefore, I thought it fit to recognise what has been done by Dr. Siddharth Dev Manav.

To the newly inducted fellows, you stand amongst India's medical luminaries. This fellowship is based on through meticulous peer review and peer review friends, is the most difficult because it is objective. Consider this not your destination but a milestone in your journey of service to humanity.

Friends, let us look around our Bharat at the moment in a global perspective. There has been an exponential economic upsurge. My generation never dreamt of it, never conceived it, never thought it

was possible. But we are having an exponential economic upsurge and phenomenal infrastructure growth in last few years. This has made Bharat as big five global economies, on way to becoming third largest global economy ahead of Japan and Germany in next year or two. And this has generated an atmosphere of hope and possibility in the country. Our aspirations have taken wings and we have, in togetherness, chalked out a programme that our Bharat will be a developed Bharat at 2047. But friends, this aspirational object, very ambitious, requires an eightfold increase in our per capita income. And this takes me to something that is of your interest. This is attainable only if our population is healthy and fit. One may be committed, sincere, earnest, gifted, devoted, but if that person is not physically healthy, rather than helping society at large, with his dedication and expertise, he would be seeking help. And therefore, it is essential that everyone in the country remains healthy. That is the only password to make our journey fructify into our destination, Bharat, a developed nation at 2047, health is paramount and priority concern, as good health is not only necessary for individuals, not for our pursuits, but for the good health of the society. That, broadly, is also your thing.

Friends, having good health is directly related to your productivity, as I said. If you are not healthy, your productivity will not be optimal. As a matter of fact, it may nose-dive. Rather than helping others, you might be seeking others' help. Humare Rishi Muni keh gaye, aur wo sahi baat keh gaye- "Pehla sukh nirogi kaya". They put health as a priority, in precedence to everything else. Health, well-being is fundamental and quintessential to one's making contribution to society. Health, friends, is not just absence of illness, but a state of holistic well-being. Our Vedas, our Puranas, our Upanishads, are a mine store, gold mine of wisdom and knowledge. We need to base to attention on them. It emanates from them. I quote-"Prassan, Indriye, man, atman, the harmony between mind, body and spirit, that is essential for a person to perform and be a complete human being".

It was the foresight of India's Prime Minister, Shri Narendra Modi, that he could secure in the shortest time, the largest support of nations, or yoga, when he addressed the United Nations General Assembly. We now have International Yoga Day that is celebrated in every nook and corner of the globe. Yoga is not just for that event, it has to be way of life with us.

Friends, medical professionals serve as guardians. And their role is all the more significant in Bharat, that is home to one sixth of humanity. Your concern must be beyond clinical care. You have to be engage in advocacy of good health. You have to become educators and public health advocates.

But the challenges are there now in healthcare. And the challenges are commercialisation and ethical dilution, which need to be addressed. Healthcare is a divine contribution. Healthcare is service. Healthcare has to be far distant from commerce. And healthcare is antithetical to exploitation.

By and large, our system is in good health. But we can't say as on this date that instances of commercialisation and ethical dilutions are not there. That bodies like this, you all are code of conduct and exemplify by action that any transgression on these twins would attract the wrath of the regulator.

NAMS serves a great purpose. It deserves commendation for its vital contribution to India's healthcare planning. Their evidence-based guidance has significantly shaped national health policies, medical education reforms, and public health strategies. We all know in a country like ours, policy planning is a very tough job. We need to have credible data. We need to have thought process. We need to get into a situation where experts apply their minds. This body has done something amazingly commendable. The input has come to me from several quarters. Congratulations to this body.

Friends, strategic reforms and digital innovation have transformed India's healthcare landscape. But I would say, there has been a paradigm shift now. We are witnessing another industrial revolution. Disruptive technologies have made in roads in every walk of life. Artificial intelligence, data analytics, machine learning, blockchain chain and the kind. These have to find increasing employability in the system. And that can be done only when institutions like this are in overdrive mode. I was so happy to

notice when the president was indicating how they are having convergence of thought processes of leading institutions that is required. We must never forget there was a time in ancient Bharat, when we had institutions of eminence- Nalanda, Takshila. People from all over the globe came to this country in search of knowledge, wisdom. In the process, we also gained, they also gained. Time has come and India is on the rise. The rise is unstoppable. We must ensure our institutions get into that eminence category at a global level. And that requires a change of mindset which actually has taken place by and large. There was a time we thought anything coming from the West, we need not examine, we had to follow. That is no longer in vogue.

Friends, big changes have taken place in this country. A country at the moment of 1.4 billion people; Ayushman Bharat, PMJAY, Arogya Yojana, they provide coverage to virtually everyone up to 5 lakhs, 104 million families. India is a nation that in recent times has attained what to others is astronomical. Like 500 million Indians were included in the banking sector world's largest exercise. Just imagine cooking gas was made available to needy women to the extent of 150 or 170 million free. So ours is a country where we have to have an ecosystem that has to operate at a gigantic level. And that has been done. Our Arogya Mandirs are geometrically increasing. We are having more AIIMS, medical colleges, number of seats for medical education, paramedical courses. One offshoot of Ayushman Bharat is that there has been much-needed required growth paramedical services that has taken place. In this situation, India's healthcare provides science through its remarkable achievements. We happen to be the only country in the world that COVID vaccine was given to 130 billion citizens. With indigenous COVID vaccines, earning reputation as world's pharmacy. We help other nations also. And what is more striking friends, a matter of joy for all of us. A certificate that a person has been vaccinated was never given on paper. It was digital. It was instant. A feat not achieved even by the most developed nation. Now we are known as pharmacy of the world.

But time has come for a different shift now. We must engage and strongly champion, locally manufactured medical equipment. Let us demolish the myth that imported items are superior. Not any longer. Through this platform, I will urge Indian industry, business, trade and commerce to engage into activities of making medical equipment in the country; for the nation; also for the world. But that will require again, some kind of hand-holding by people in the front row here, by people on the dais, your institutions.

Another aspect, go to any part of the world, the kind of quality medical assistance India gives for value is not available elsewhere. This has made India an attractive destination for people to come here for treatment. This has taken a new shape also- "Medical tourism". Only if I give you figures, this year, 7.3 million medical tourists came to this country. It was preferred destination, Why? Because we have competent human resources, we have supporting infrastructure, we have world class hospitals-in public sector, In private sector. But we must have more of it. As India confidently marches towards Viksit Bharat, a marathon march, We all are foot soldiers. For that it is required that there must be robust public private partnership to take our health infrastructure, equipment and otherwise to the highest global benchmark.

Friends, I strongly advocate and urge, India must pioneer the healthcare technology revolution, embracing as I said, Artificial intelligence, Genomics and biotechnology. With modern tools, I indicated, we have engaged into AI diagnostics, telemedicine and robotic surgery, becoming essential and backed by strong government support, our medical sector is poised for unprecedented transformation. I had the good occasion to be present at a hospital in Jaipur, where an operation was done by a young surgeon using robotics and the event was watched globally, more particularly in developed countries.

Friends, our focus should be- Prevention, Precaution and, Eradication. It was so soothing to note that the health minister declared yesterday, 2025 tak TB ka unmulon complete ho jaega. And this country has achieved phenomenally regarding some of the diseases. So I strongly advocate and plead with the healthcare experts to be champion for preventive wellness and health education.

Now there is another aspect, our traditional medicines are known for efficacy. Well, let us adopt it. After all, this country has seen midwives in every village doing a remarkably good job and therefore, when we have such a rich background, let us monetise it. The wisdom embedded in these traditional systems is profound and now this is all over the country. People from all over the globe are drooping to this country. To what we say our health resorts, to get yoga treatment. If they don't have an ailment and they wish to get fitter, they go for a course. That being so, let us make this also an important fundamental premise of the Indian health care system. It must be integrated because it emanates from our heritage. This requires both research and a fundamental shift in perspective. Moving beyond the fast dichotomy, that equates ancient with backward and western with progress, It still does on some occasions. I have felt it, though it is fast receding. But now we have to make the reverse of it.

Friends, your dedication to healthcare excellence will not only shape India's future, it will also contribute to the welfare of humanity at large because "Vasudhaiv Kutumbakam" -We take the world to be one family. One planet, one family, one future, that has been our message to the world.

Once again, my congratulations to all the fellows and members of the National Academy of Medical Sciences. With the permission of the President, I'm inviting members of the Council and fellows also, to be my guests at the new building of the Indian Parliament. You will love to see what a marvel has been created by we have of the new building of Parliament. So I'm sure my invite will be accepted, and soon I'll be having a visit by your fellows and faculty.

Friends, distinguished audience, may your pursuit of excellence continue to illuminate the path towards a healthier, more prosperous India. Let us take care of the health of the nation and of the planet.

Thank you so much.

B. Academic Report of NAMS

Continuing Medical Education (CME) Programme

Report of CME Activities during the period April 1, 2024 - March 31, 2025

The following are the members of the CME Programme Committee:

- | | | |
|----|-----------------------|----------|
| 1. | Dr. Digambar Behera | - Member |
| 2. | Dr. Y.K. Chawla | - Member |
| 3. | Dr. M.R. Jain | - Member |
| 4. | Dr. V. Mohan | - Member |
| 5. | Dr. K. Srinath Reddy | - Member |
| 6. | Dr. Mitali Chatterjee | - Member |
| 7. | Dr. Arun Jamkar | - Member |

Extra-mural CME Programmes: To improve the quality and contents of the Extramural CME programmes funded by the NAMS, proposals received for funding are technically reviewed by a subject expert who is also a Fellow of the NAMS. The Subject Expert evaluates the proposal and identifies lacunae, if any, in the programme contents. The reviewers may suggest revisions/modifications to be incorporated in the programme. The suggested revisions/modifications are communicated to the Organisers, and only after the CME proposal is revised, CME is processed for the grant-in-aid.

A Fellow of the Academy is designated as NAMS Observer to attend and evaluate the Extra-mural CME Programme. The Academy provides Honorarium to Fellows who are nominated as NAMS Observers to attend, review, and submit a report on the CME Programmes.

The details of Seminars, Symposia, Short-term Courses, and Workshops supported by NAMS under the Extra-mural CME Programmes are given below:

- CME Programme topic: **"Workshop on Geriatric Health"** held on 19th April 2024 at Era University, Lucknow

Organizing Secretary: Dr. Prabha Shrivastava, Professor and Head, Dept. of Community Medicine, Era Medical College and Hospital, Era University, Lucknow.
- CME Programme topic: **"National Training Project Practical Pediatric"** held on 27th April 2024 at NSCB Medical College, Jabalpur

Organizing Secretary: Dr. Shweta Pathak, Associate Professor, NSCB Medical College, Jabalpur.
- CME Programme topic: **"Upper Aero Digestive Tract Update-2024"** held on 27th April 2024 at S.N. Medical College, Agra

Organizing Secretary: Dr. Dharmendra Kumar, Prof. & Head, Dept. of ENT and Head-Neck Surgery, Sarojini Naidu Medical College, Agra.
- CME Programme topic: **"Cancer Pain: Holistic Management"** held on 27th April 2024 at All India Institute of Medical Sciences, Delhi

Organizing Secretary: Dr. Preethy, Assistant Professor, All India Institute of Medical Sciences, New Delhi.
- CME Programme topic: **"Venous Thrombosis: The Challenges"** held on 4th May 2024 at Apollo Cancer Center, Ahmedabad

Organizing Secretary: Lt. Gen. (Dr.) Velu Nair, AVSM, VSM, Chairperson, IMA-AHL-NAMS-Hematology, Chief Consultant, Hematology & Bone Marrow Transplant, Apollo Cancer Center, Ahmedabad.

6. CME Programme topic: **"Workshop on Basic Cytogenetics and Karyotyping"** held on 10-11th May 2024 at All India Institute of Medical Sciences, Jodhpur

Organizing Secretary: Dr. Nikha Bhardwaj, Associate Professor, Dept. of Anatomy, All India Institute of Medical Sciences, Jodhpur.

7. CME Programme topic: **"National Workshop on Tobacco use Among Tribal and Indigenous Communities of India"** held on 10th May 2024 at the Academic Block, All India Institute of Medical Sciences, Deoghar

Organizing Secretary: Dr. Saurabh Varshney, Executive Director & CEO, All India Institute of Medical Sciences, Deoghar.

8. CME Programme topic: **"Webinar on Adult Vaccination"** held on 17th May 2024 at Kempegowda Institute of Medical Sciences, Bangalore

Organizing Secretary: Dr. D. H. Ashwath Narayana, Professor, Dept. of Community Medicine, Kempegowda Institute of Medical Sciences, Banashankari 2nd Stage, Bangalore.

9. CME Programme topic: **"Pediatrics in New Era (Pine)"** held on 25-26th May 2024 at Armed Forces Medical College, Pune

Organizing Secretary: (Dr.) Shuvendu Roy, Professor and Head, Dept. of Pediatrics, Armed Forces Medical College, Pune.

10. CME Programme topic: **"Childhood Obesity-A Silent Epidemic: Management and its Control"** held on 28th May 2024 at Silchar Medical College, North East

Organizing Secretary: Dr. Kanica Baruah, Professor and Head, Dept. of Community Medicine, Silchar Medical College, Silchar.

11. CME Programme topic: **"Basic Life Support and Advanced Life Support Workshop"** held on 5-6th June 2024 at Agartala Government Medical College, Tripura

Organizing Secretary: Dr. Vaskar Majumdar, Associate Professor, Dept. of Anaesthesiology, Agartala Government Medical College & GBPH, Tripura.

12. CME Programme topic: **"Antibiotic Resistance and Emerging Health Problems in North East India"** held on 12th June 2024 at Lakhimpur Medical College, Lakhimpur, Assam

Organizing Secretary: Dr. Jitu Das, Assistant Professor, Department of Community Medicine, Lakhimpur Medical College, Lakhimpur, Assam.

13. CME Programme topic: **"Artificial Intelligence in Oto-rhino-laryngology: Newer Horizons"** held on 28-30th June 2024 at Dept. of Oto-rhino-laryngology, Armed Forces Medical College, Pune

Organizing Secretary: Dr. Poonam Raj, Professor and Head, Dept. of Otorhinolaryngology, Armed Forces Medical College, Pune.

14. CME Programme topic: **"Theory to Practice: A workshop on Qualitative Research"** held on 28th June to 2nd July, 2024 at Post Graduate Institute of Medical Education and Research, Chandigarh

Organizing Secretary: Dr. PVM Lakshmi, Professor of Epidemiology, Dept. of Community Medicine, Post Graduate Institute of Medical Education and Research, Chandigarh.
15. CME Programme topic: **"Curriculum Renaissance: Shaping Tomorrow's Healers Today"** held on 11th July 2024 at Sri Ramachandran Medical Education and Research Institute, Chennai

Organizing Secretary: Dr. M. Shanti, Sri Ramachandran Medical Education and Research Institute, Chennai.
16. CME Programme topic: **"Workshop on Undergraduate Research: Need, Scope and Opportunities"** held on 19th July 2024 at Govt. Institute of Medical Sciences, Greater Noida

Organizing Secretary: Dr. Bharti Bhandari Rathore, Professor and Head, Govt. Institute of Medical Sciences, Greater Noida.
17. CME Programme topic: **"10th UPOA Special Course 2024"** held on 27-28th July 2024 at S.N. Medical College, Agra

Organizing Secretary: Dr. Brijesh Sharma, Associate Professor, S.N. Medical College, Agra.
18. CME Programme topic: **"Workshop on Advances in Anesthesia"** held on 2nd August 2024 at Himalayan Institute of Medical Sciences, Swami Rama Himalayan University, Dehradun

Organizing Secretary: Dr. Gurjeet Khurana, Professor and Head, Dept. of Anaesthesiology and Pain Management, Himalayan Institute of Medical Sciences, Swami Rama Himalayan University, Dehradun.
19. CME Programme topic: **"Hands-on Workshop on Research Methodology for Biomedical Scientists"** held on 8-9th August 2024 at SGT University, Gurgaon

Organizing Secretary: Dr. Shalini Kapoor, Dean, Research and Development Cell SGT University, Gurgaon.
20. CME Programme topic: **"Climate Change and Human Health Research Perspective on Air Pollution"** held on 9th August 2024 at Tomo Riba Institute of Health and Medical Sciences, Naharlagun, Arunachal Pradesh

Organizing Secretary: Dr. Anoop Dev, Professor and Head, Dept. of Community Medicine, Tomo Riba Institute of Health and Medical Sciences, Naharlagun, Arunachal Pradesh.
21. CME Programme topic: **"Women in Medicine: Pioneer of Change and Innovation"** held on 10th August 2024 at All India Institute of Medical Sciences, Rishikesh

Organizing Secretary: Dr. Meenu Singh, Professor, All India Institute of Medical Sciences, Rishikesh.
22. CME Programme topic: **"1st Workshop on Genetic Counseling and Prenatal Diagnostics"** to be held on 16-17th August 2024 at All India Institute of Medical Sciences, Jammu

Organizing Secretary: Dr. Sanjay Rampravesh Mishra, Assistant Professor, Dept. of Anatomy, All India Institute of Medical Sciences, Jammu.

23. CME Programme topic: **"Pharmacometrics and Model Informed Precision: A Capacity Building Programme"** held on 20th October 2024 at Post Graduate Institute of Medical Education and Research, Chandigarh

Organizing Secretary: Dr. Samita Pattanaik, Professor, Dept. of Pharmacology, Post Graduate Institute of Medical Education and Research, Chandigarh.

24. CME Programme topic: **"Addressing Anemia: An Indian Perspective"** held from 21-22nd August 2024 at Dr. Ram Manohar Lohia Institute of Medical Sciences, Gomti Nagar, Lucknow

Organizing Secretary: Dr. Arvind Kumar Singh, Associate Professor, Dept. of Community Medicine, Dr. Ram Manohar Lohia Institute of Medical Sciences, Gomti Nagar, Lucknow.

25. CME Programme topic: **"Implementation of Antibiotic Stewardship Programs in Resource Constrained Settings: Challenges and Solutions"** held on 22nd August 2024 at Postgraduate Institute of Medical Education and Research, Chandigarh

Organizing Secretary: Dr. Ashish Kumar Kakkar, Associate Professor, Dept. of Pharmacology, Postgraduate Institute of Medical Education and Research, Chandigarh.

26. CME Programme topic: **"Use of Digital Platform for Prescription Analysis for Rational Therapeutics and Controlling Antimicrobial Resistance"** held on 23rd August 2024 at SVS Medical College, Telangana

Organizing Secretary: Dr. K.P. Joshi, Dean and Principal, SVS Medical College, Mahbubnagar, Telangana.

27. CME Programme topic: **"Stem Cell Technology-an Emerging Therapeutic Tool"** held on 29th August 2024 at Nalbari Medical College, North East

Organizing Secretary: Dr. Arunjyoti Sarmah, Assistant Professor, Dept. of Microbiology, Nalbari Medical College, North East.

28. CME Programme topic: **"Hands-on Workshop & CME in Oral Health"** held on 31st August and 1st September 2024 at Ramaiah Medical and Dental College, Ramaiah University, Bengaluru

Organizing Secretary: Dr. O.P. Kharbanda, Pro-Vice Chancellor, Health Sciences, Ramaiah Medical and Dental College, Ramaiah University, Bengaluru.

29. CME Programme topic: **"Cardiovascular Morbidity in high Altitude Area-Current Concepts"** held on 30-31st August 2024 at Raina Auditorium, 153 General Hospital, Leh

Organizing Secretary: Col. Anvesh Rathore, Col. Med. HQ 14 Corps, C/o 56 APO.

30. CME Programme topic: **"Physiological Foundation of Lifestyle Medicine: A Key to Prevent and Manage Non-communicable Diseases"** held on 6th September 2024 at All India Institute of Medical Sciences, Deoghar

Organizing Secretary: Dr. Anupkumar D Dhanvijay, Associate Professor, Dept. of Physiology, All India Institute of Medical Sciences, Deoghar.

31. CME Programme topic: **"Pharma Guard: Navigating Drug Safety with Confidence"** held on 7th September 2024 at All India Institute of Medical Sciences, Deoghar

Organizing Secretary: Dr. Samiksha Bhattacharjee, Assistant Professor, Pharmacology, All India Institute of Medical Sciences, Deoghar.
32. CME Programme topic: **"Parasitic Infections of the Liver"** held on 12-14th September 2024 at All India Institute of Medical Sciences, Guwahati

Organizing Secretary: Dr. Deep Jyoti Kalita, Associate Professor, Dept. of Microbiology, All India Institute of Medical Sciences, Guwahati.
33. CME Programme topic: **"Advancing Strategies for Control of Vector Borne Diseases: A Deep Dive into Japanese Encephalitis"** held on at 13th September 2024 at Nagaon Medical College and Hospital, Nagaon, Assam

Organizing Secretary: Dr. Mousumi Krishnatreya, Professor and Head, Dept. of Community Medicine, Nagaon Medical College and Hospital, Nagaon, Assam.
34. CME Programme topic: **"Bench to Bedside -Pediatric Critical Care Updates"** held on 13-15th September at All India Institute of Medical Sciences, Raipur

Organizing Secretary: Dr. Atul Jindal, Professor, Division of Pediatric Pulmonary & Critical Care, Dept. of Pediatric, All India Institute of Medical Sciences, Raipur.
35. CME Programme topic: **"Consultation Liaison Psychiatry-Bridging Gaps Between Specialties"** held on 14-15th September, 2024 at Base Hospital, Delhi Cantt, Delhi

Organizing Secretary: Dr. (Col) Anurag Timothy, Professor and HOD, Dept. of Psychiatry, Base Hospital, Delhi Cantt, Delhi.
36. CME Programme topic: **"Micro Insights-Navigating Landscape of Small Biopsies in Pathology"** held on 27th September 2024 at Datta Meghe Medical College, Wanadongri, Nagpur

Organizing Secretary: Dr. Pravin Gadkari, Professor and Head, Dept. of Pathology, Datta Meghe Medical College, Wanadongri, Nagpur.
37. CME Programme topic: **"Managing Liver Cancer Beyond Guidelines"** held on 27-29th September 2024 at Institute of Liver and Biliary Sciences, New Delhi

Organizing Secretary: Dr. Ashok Kumar Choudhary, Additional Professor, Institute of Liver and Biliary Sciences, New Delhi.
38. CME Programme topic: **"Symposium on Forensic Nursing"** held on 28th September 2024 at All India Institute of Medical Sciences, Jodhpur

Organizing Secretary: Dr. Suresh K Sharma, Principal and Professor, All India Institute of Medical Sciences, Jodhpur.
39. CME Programme topic: **"Diagnosis and Management of Hirschsprung's Diseases and Allied Disorders"** held on 30th September to 1st October 2024 at St. John's Medical College and Hospital, Bangalore

Organizing Secretary: Dr. Usha Kini, Professor of Pathology, Head, Translational Research Lab for Gut Motility Disorders, St. John's Medical College, Bangalore.

40. CME Programme topic: **"National Workshop on Diagnostic Mycology: A Walk through Basics to Advance"** held on 3-5th October 2024 at Banaras Hindu University, Varanasi

Organizing Secretary: Dr. Ragini Tilak, Professor, Institute of Medical Sciences, Banaras Hindu University, Varanasi.

41. CME Programme topic: **"Current Trends and Management of Snake Bites in Tribal Population"** held on 5th October 2024 at All India Institute of Medical Sciences, Deoghar, Jharkhand

Organizing Secretary: Dr. Dheeraj Abhay Kumar, Assistant Professor, All India Institute of Medical Sciences, Deoghar, Jharkhand.

42. CME Programme topic: **"Workshop on Good Clinical Practice"** held on 8th October 2024 at Christian Medical College & Hospital, Ludhiana

Organizing Secretary: Dr. Dinesh Kumar Badyal, Professor and Head, Dept. of Pharmacology, Vice-Principal, Christian Medical College & Hospital, Ludhiana.

43. CME Programme topic: **"Vector Borne Diseases: Updates and Advances"** held on 18-19th October 2024 at All India Institute of Medical Sciences, Madurai

Organizing Secretary: Dr. Mangayarkarasi V, Professor and Head, Dept. of Microbiology, All India Institute of Medical Sciences, Madurai.

44. CME Programme topic: **"Anemia in Uttarakhand: A Regional Perspective"** held on 19th October 2024 at Govt. Medical College, Haldwani

Organizing Secretary: Dr. Sadhana Awasthi, Professor & HOD, Dept. of Community Medicine, Govt. Medical College, Haldwani.

45. CME Programme topic: **"USG Guided Blocks CME Schedule"** held on 25th October, 2024 at MLB, Medical College, Jhansi

Organizing Secretary: Dr. Anshul Jain, Professor and Head, MLB, Medical College, Jhansi.

46. CME Programme topic: **"National Hands-On Workshop on Immunohistochemistry: Basics and Beyond"** held on 11-12th November 2024 at Dept. of Anatomy, All India Institute of Medical Sciences, Bhubaneswar

Organizing Secretary: (Col) Dr. Sipra Rout, Associate Professor, Dept. of Anatomy, All India Institute of Medical Sciences, Bhubaneswar

47. CME Programme topic: **"Workshop on Research Methodology and Scientific Paper Writing"** held on 15-17th November 2024 at National Institute of Health and Family Welfare, New Delhi

Organizing Secretary: Dr. Pooja Dewan, Editor in Chief, Indian Pediatric, National Institute of Health and Family Welfare, New Delhi.

48. CME Programme topic: **"Importance of Genetic Counseling and Testing in Medical Sciences"** held on 21st November 2024 at Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar

Organizing Secretary: Dr. Anupama Mahajan, Director Principal cum Professor Anatomy, Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar.
49. CME Programme topic: **"Infectious Disease Modeling Using R"** held on 28th November 2024 at King George's Medical University, Lucknow

Organizing Secretary: Dr. Shivendra Kumar Singh, Professor, Dept. of Community Medicine, King George's Medical University, Lucknow.
50. CME Programme topic: **"Neonatal Hemodynamics"** held on 30th November to 1st December 2024 at IMS, BHU, Varanasi

Organizing Secretary: Dr. Ashok Kumar, Dean, Faculty of Medicine, IMS, BHU, Varanasi.
51. CME Programme topic: **"National Training Project-Practical Pediatric Oncology"** held on 20th December 2024 at NSCB Medical College, Jabalpur

Organizing Secretary: Dr. Shweta Pathak, Associate Professor, NSCB Medical College, Jabalpur.
52. CME Programme topic: **"Microbiology in the 21st Century: Diagnostic and Antimicrobial Stewardship"** held on 7-8th February 2025 at All India Institute of Medical Sciences, Deoghar

Organizing Secretary: Dr. Pratima Gupta, Professor and Head, Dept. of Microbiology, All India Institute of Medical Sciences, Deoghar.
53. CME Programme topic: **"Innovations in Interventions: Healing Minds and Nurturing Souls"** held on 8-9th February 2025 at All India Institute of Medical Sciences, New Delhi

Organizing Secretary: Dr. Rachna Bhargava, Professor, NDDTC, All India Institute of Medical Sciences, New Delhi.
54. CME Programme topic: **"Workshop 1-Diagnostic approach for Intestinal Parasites Workshop 2- Diagnostic of Blood Parasites: from Bench of Community"** held on 13th February 2025 at Seth G.S. Medical College and KEM Hospital, Mumbai

Organizing Secretary: Dr. Chaya A Kumar, Professor and Head, Dept. of Microbiology, Seth G.S. Medical College and KEM Hospital, Mumbai.
55. CME Programme topic: **"Lung Cancer"** held on 25th February 2025 at JIPMER, Puducherry

Organizing Secretary: Dr. Surender Kumar Verma, Professor, Dept. of Pathology, JIPMER, Puducherry.
56. CME Programme topic: **"Recent Advances in Ophthalmology"** held on 2nd March 2025 at All India Institute of Medical Sciences, Jammu

Organizing Secretary: Dr. Bhavani Raina, Additional Professor, Dept. of Ophthalmology, All India Institute of Medical Sciences, Jammu.

57. CME Programme topic: **"Gender Perspectives in Mental Health"** held on 22nd March 2025 at Mahatma Gandhi Institute of Medical Sciences, Sewagram

Organizing Secretary: Dr. Harshal Sathe, Associate Professor, Dept. of Psychiatry, Mahatma Gandhi Institute of Medical Sciences, Sewagram.

58. CME Programme topic: **"Anemia-the Unsolved Mystery"** held on 8th April 2025 at Assam Medical College, Dibrugarh, Assam

Organizing Secretary: Dr. Abanti Bora Baruah, HOD, Dept. of Physiology, Assam Medical College, Dibrugarh, Assam.

The Medical Scientists' Exchange Programme (Health Manpower Development)

The Medical Scientists' Exchange Programme (Health Manpower Development) :

One of the activities promoted by the Academy under the Continuing Medical Education programme in the area of Health Manpower Development is the Exchange of Medical Scientists possessing positions at Junior & Middle Level Medical/Bio-Medical/Teachers.

The Academy provides funding to Junior & Middle Level Medical/Bio-Medical/Teachers to go to well-established centers of excellence and acquire new/newer skills. Under the scheme, the selected nominees are eligible for reimbursement of travelling expenses (limited to actual II class AC rail fare) and DA @ Rs. 600/- per diem during the training period, subject to a maximum of Rs. 15,000/-.

Till date (March 2025), Two Hundred Sixteen (216) Medical Scientists/Teachers have been selected for the advanced training. They have successfully completed their proposed training programmes after getting the grant-in-aid from the NAMS.

Activities by Emeritus Professors of NAMS

Following is the Summary Report of Lectures delivered by Emeritus Professors of NAMS 2024-25.

- 1. Lectures Delivered by Dr. Tejinder Singh, Emeritus Professor, NAMS.**
Lecture on **"Assessment in CBME Curriculum"** at Gauhati Medical College & Hospital, Assam on 8th April 2024 to 9th April 2024.
- 2. Lectures Delivered by Dr. Rajendra Prasad, Emeritus Professor, NAMS.**
Lecture on **"Diagnosis and Management of Allergic Respiratory Diseases"** and also conduct practical PG clinics on Chest X-Ray evaluation as well as practical demonstration of skin-prick test at Geetanjali Medical College and Hospital, Geetanjali University, Udaipur, from 11th June 2024 to 14th June 2024.
- 3. Lectures Delivered by Dr. Tejinder Singh, Emeritus Professor, NAMS.**
Lecture on **"Assessment Alchemy: Designing and Implementing Programmatic Assessment"** at Sri Ramachandra Medical Institute and Research Institute, Chennai on 11th July 2024 to 12th July 2024.

The following are the NAMS Emeritus Professors:

Sl.No	Name	Sl.No	Name
1.	Prof. M. Berry	2.	Prof. R. V. Bhatt
3.	Prof. M.S. Boparai	4.	Prof. Mrs. Kamal Buckshee
5.	Prof. P. K. Dave	6.	Prof. M. G. Deo
7.	Prof. N. K. Ganguly	8.	Prof. J. S. Guleria
9.	Prof. B. M. L. Kapur	10.	Prof. G. S. Sainani
11.	Prof. C. P. Sawhney	12.	Prof. Shridhar Sharma
13.	Prof. Gurmohan Singh	14.	Prof. K. K. Talwar
15.	Prof. P. N. Tandon	16.	Prof. S. N. Wadhwa
17.	Dr. Krishnan Ganapathy	18.	Dr. Daya Kishore Hazra
19.	Dr. Swatantra K. Jain	20.	Dr. N. K. Lohiya
21.	Dr. Man Mohan Mehndiratta	22.	Dr. Rajendra Prasad
23.	Dr. Pradeep Seth	24.	Dr. Indira Sharma
25.	Dr. Shiv K. Sharma	26.	Dr. Shivinder Singh
27.	Dr. Babu Lal Verma	28.	Dr. Lt. Col. Ravikumar Arunachalam
29.	Dr. M. Balasubramanyam	30.	Dr. Siddhartha Datta Gupta
31.	Dr. Ajay Kumar Khanna	32.	Dr. Om Prakash Kharbanda
33.	Dr. Subhash Chandra Parija	34.	Dr. Parthasarathy Satishchandra
35.	Dr. Tejinder Singh	36.	Dr. Deepak Keshaorao Tempe
37.	Dr. Rajendra Prasad Tripathi	38.	Dr. Kim Vaiphei

NAMS Website and NKN Connectivity

All information about NAMS and its activities is available on the NAMS website. It includes Rules and Regulations, List of Council Members, Fellows and Members, Annual Reports, Audited Accounts Statements, Employee Data, Learning Resource Materials, Task Force Reports, Annals, NAMS Newsletters, CME Monographs, CME Guidelines, etc. It also has access to read and download past Convocation Addresses and Annual Reports. It also displays future academic activities, such as CMEs and skill development courses.

To achieve digitalization, NAMS initiated the online submission of all Fellowship and Membership forms, along with an online Payment System, through its website, and also introduced online submission of Articles for the Annals. We have also started our YouTube channel, **NAMS, India**, which is free for wider circulation and live streaming of CMEs organized by NAMS.

NAMS has NKN connectivity, which enables NAMS to connect with various AIIMS institutions, academic institutions of national importance, and medical colleges for teaching and academic activities, including interactive sessions and educational programmes.

This not only helps in disseminating knowledge to all but also supports the government's goals while minimizing financial expenditures.

NAMS National Virtual Graduated Medical CME (NAVIGATE-Medico-CME) for PG Students

The NAVIGATE-Medico CME programme was launched in January 2023 with the objectives to develop a network of medical colleges/ institutions in the country to assist in the development of competencies among PG students and to develop an E-Library. NAMS with the collaboration of eminent medical scientists organizes online theme-based Lecture sessions of two hours duration. From the period January to June 2023, the programme covers the themes of Management of Emergencies, Research Methods and Biostatistics and Common Liver Diseases, Common psychiatric diseases, Diabetes and Common Haematological diseases, in collaboration with experts from various eminent institutions in the country.

From April 2024 to March 2025 the following topics have been covered through Navigate CME Programme and their videos are available on NAMS website :

1. NAVIGATE MEDICO CME- **"Total Knee Replacement"**, Presentation by speaker: Dr. Rajesh Malhotra, 19.04.2024; Moderator: Dr. Preethy.
2. NAVIGATE MEDICO CME- **"Cervical Injuries"**, Presentation by speaker: Dr. Bhavuk Garg, 17.05.2024; Moderator: Dr. Preethy.
3. NAVIGATE MEDICO CME- **"Lumbar Canal Stenosis"**, Presentation by speaker: Dr. Ram Chaddha, 21.06.2024; Moderator: Dr. Preethy.
4. NAMS NAVIGATE MEDICO CME- **"Alcohol, Substance Use Disorders, and Behavioral Addictions: Historical Trends and Policy Development"**, Presentation by speaker: Dr. Rakesh K. Chadda, 20.09.2024; Moderator: Dr. Jaswant.
5. NAMS NAVIGATE MEDICO CME- **"Need for Pharmaco-vigilance"**, Presentation by speaker: Dr. Y.K. Gupta, 21.02.2025; Moderator: Dr. Jaswant.
6. NAMS NAVIGATE MEDICO CME- **"One Health Approach in India & Future Preparedness"**, Presentation by speaker: Dr. Pragya Yadav, 21.3.2025; Moderator: Dr. Jaswant.
7. AIIMS-NAMS NAVIGATE MEDICO CME- **"Strategies of Management of Mental Stress Amongst PG Students"**, Presentation by speaker: Dr. Rajesh Sagar, 05.04.2024; Moderator: Dr. Jaswant.
8. AIIMS-NAMS NAVIGATE MEDICO CME- **"Artificial Intelligence in Health Care"**, Presentation by speaker: Prof. S. N. Sarbadhikari, 03.05.2024; Moderator: Dr. Jaswant.
9. AIIMS-NAMS NAVIGATE MEDICO CME- **"Organ Donation & Transplantation"**, Presentation by speaker: Dr. Y.K. Chawla, 07.06.2024, Moderator: Dr Jaswant.
10. AIIMS-NAMS NAVIGATE MEDICO CME- **"Venous Thrombosis and Embolism"**, Presentation by speaker: Lt. Gen. (Dr.) Velu Nair, PVSM, AVSM, VSM** (Retd.), 02.08.2024; Moderator: Dr. Jaswant.
11. AIIMS-NAMS NAVIGATE MEDICO CME- **"Obesity & Lifestyle Disorders"**, Presentation by speaker: Dr. Ajay Duseja, 06.09.2024; Moderator: Dr. Jaswant.

12. AIIMS-NAMS NAVIGATE MEDICO CME- "**Evidence-based Traditional Medicine**", Presentation by speaker: Dr. Bhushan Patwardhan, 04.10.2024; Moderator: Dr. Jaswant.
13. AIIMS-NAMS NAVIGATE MEDICO CME- "**Tobacco Control Strategies in India**", Presentation by speaker: Dr. Sonu Goel, 07.02.2025; Moderator: Dr. Jaswant.
14. AIIMS-NAMS NAVIGATE MEDICO CME- "**Tobacco Cessation in India: Challenges, Opportunities and Way Forward**", Presentation by speaker: Dr. Rakesh Gupta, 07.02.2025; Moderator: Dr. Jaswant.
15. AIIMS-NAMS NAVIGATE MEDICO CME- "**Autism Spectrum Disorders: Current Update**", Presentation by speaker: Dr. Sheffali Gulati, 07.03.2025; Moderator: Dr. Preethy.

Leadership Development (LEAD)

As approved by the Council, NAMS has launched an important initiative of the Leadership Development (LEAD) Programme for Directors, Deans, and Heads of Departments and senior faculty members in the AIIMS, medical colleges, and institutions of National importance, to help them become visionary leaders and agents of change.

The key topics covered during the workshop are leadership development, critical thinking, communication, conflicts & stress management, teamwork, time management, institution building and transformation, decision making, negotiation, advocacy, networking and collaboration, service rules, general Financial rules, orientation to Government e-Marketplace (GeM) & procurement of costly hospital equipments, accounting practices, core directives of National Medical Commission (NMC), National Accreditation Board for Hospitals & Healthcare Providers (NABH) accreditation process & issues, E-library in medical institutions, role of Medical Institutions in National Health Programmes/NHM, etc.

The first NAMS Leadership Development (LEAD) National Conference was organised from 8th – 10th March, 2024 at NAMS, Ansari Nagar, New Delhi, in which 25 participants from AIIMS and other institutions participated. This was followed by two follow-up sessions for the participants.

The 2nd NAMS Leadership Development (LEAD) National Conference was organized from 9th – 11th May, 2024 at NAMS, Ansari Nagar, New Delhi, in which 27 participants from AIIMS and other institutions participated. This was followed by two follow-up sessions for the participants.

The 3rd NAMS Leadership Development (LEAD) National Conference was organised from 5th – 7th July, 2024 at NAMS, Ansari Nagar, New Delhi, in which 24 participants from AIIMS and other institutions participated. This was followed by two follow-up sessions for the participants.

The resource persons were the eminent medical leaders & administrators. The main highlight of the Conference was the “Meet the Leader” sessions, in which the eminent medical & biomedical leaders of the country shared their experiences with participants.

MEDI-QUEST 2024: NAMS National Quiz

The quiz was conducted online in the first Prelims Round and the final round for the top 6 finalists. The quiz masters were Dr. Preethy Kathiresan, Assistant Professor of Psychiatry, AIIMS Delhi, Dr. Jaswant Jangra, Senior Resident (Psychiatry), AIIMS Delhi, Dr. Saurabh Bhatia, Ex-Senior Resident (Dermatology), AIIMS Delhi, Dr. Nikhil Mehta, Senior Resident (Dermatology), AIIMS Delhi, and Dr. Anand Neelakantan (From Chennai).

A total of 451 participants from medical colleges/institutions from all over the country registered for the preliminary round. The top 6 finalists were:

- Rank 1 - Dr. Avijit Batra, Junior Resident, SMS Medical College, Jaipur
- Rank 2 - Dr. Rithwik S, Assistant Professor, Dr. Moopen's Medical College, Wayanad, Kerala
- Rank 3 - Dr. Roshan Pund, Junior Resident, IBHAS, Delhi
- Rank 4 - Dr. Shivam Gakkhar, Senior Resident, NIMHANS, Bengaluru
- Rank 5 - Dr. Bivek Mohanty, Junior Resident, CIP, Ranchi
- Rank 6 - Dr. Sudhakar Dombale, Junior Resident, CIP, Ranchi

The finals of the NAMS Quiz were also telecast live through YouTube in the link:

ICMR-NAMS National Biostatistics Helpline for PG Medical Students

Both ICMR & NAMS recognize the critical role of Epidemiologists and Biostatisticians in medical research, especially for postgraduate students undertaking thesis projects. To support these students in designing and analyzing their research work, ICMR & NAMS have come together to establish a Joint “ICMR-NAMS National Biostatistics Helpline” by having a dedicated website with an on-line facility, supported by highly qualified biostatisticians and epidemiologists to help medical post-graduates and young faculty members across the country to facilitate and resolve their queries related to research work.

The helpline was launched on 5th September 2024. The helpline services were utilized by 227 postgraduate students and young faculty members.

Online Certificate Orientation Course on AI in Health for Medical Students and Health Professionals

International Institute of Information Technology, Hyderabad (IIITH), IIIT-H IHub-Data and National Academy of Medical Sciences (India) have launched an online certificate course on “AI in Healthcare” for health professionals.

The integration of Machine Learning based Artificial Intelligence (AI) in healthcare is transforming the way medical professionals diagnose, treat, and manage patients. However, many clinicians lack the necessary skills and understanding to effectively leverage these technologies. This course is designed to bridge this gap by equipping clinical professionals with the knowledge and tools to understand, evaluate, and apply AI in clinical settings, ultimately enhancing patient care and operational efficiency.

The Target Group is postgraduate medical students, faculty, and medical professionals. The duration of the course is 12 weeks. The first course was inaugurated on 15th September, 2024 jointly by Prof. Abhay Karandikar, Secretary, Department of Science & Technology, Government of India, Dr. S.K. Sarin, President, NAMS, and Dr. P.J. Narayanan, Director, International Institute of Information Technology, Hyderabad. 141 participants registered for the first course from all over the country.

NAMS Research Fellowship for Postgraduate Medical Students from North Eastern states, Jharkhand, Chhattisgarh, Andaman & Nicobar, Damann & Diu, J&K, and Ladakh

NAMS initiated Research Fellowship for postgraduate Medical Students and Young Faculty from Northeastern States, Jharkhand, Chhattisgarh, Andaman & Nicobar, Daman & Diu, J&K, and Ladakh.

For the year 2024, four eminent postgraduate medical students were recommended the NAMS Research Fellowship, along with one Young Faculty Fellowship recipient from the Northeastern States, Jharkhand, Chhattisgarh, Andaman & Nicobar Islands, Daman & Diu, Jammu & Kashmir, and Ladakh.

The following are the NAMS Research Fellowship and Young Faculty:

1. Dr. Thounaojam Jeffchand Luwang, Senior Resident, Department of Plastic and Reconstructive Surgery, Assam Medical College and Hospital, Barbari, Dibrugarh, Assam-786002. Title of thesis: **"A cross-sectional Study on the Outcomes of Various Reconstructive Procedures in Post-excisional Debuts of Oral Malignancies"**.
2. Dr. Sarda Konsam, Department of Microbiology, Assam Medical College and Hospital, Barbari, Dibrugarh, Assam-786002. Title of thesis: **"Molecular Detection of Terbinafine Resistance in Dermatophytes"**.
3. Dr. Pranab Kumar Das, PGT, Department of Microbiology, Assam Medical College and Hospital, Barbari, Dibrugarh, Assam-786002. Title of thesis: **"Detection of Aeromonas Species from Intestinal and Extra-Intestinal Samples and Molecular Characterization of Virulence Associated Genes"**.
4. Dr. M. Gowshik Siddharthan, Junior Resident, Department of Community Medicine, Assam Medical College and Hospital, Barbari, Dibrugarh, Assam-786002. Title of thesis: **"Stress, Anxiety and Depression Among Undergraduate Students in Dibrugarh District"**.

Young Faculty:

Dr. Rahul Gorka, Assistant Professor and Office-In-Charge, Room No 313, OPD Block, Department of Burns and Plastic Surgery, AIIMS, Vijaypur, Jammu and Kashmir-184120. Title of Thesis: **"BAPFAS-Burns Awareness, Prevention & First-Aid program for the School Students of Samba, Jammu"**.

NAMS Recognition of “Women in Medicine”

NAMS fosters and utilizes the academic excellence of health professionals in the country as its resources to promote excellence in medical education and skill development in the field of medicine and allied sciences. The NAMS Council has approved to honour eminent medical & biomedical women scientists in India as NAMS “**Women in Medicine**” recognizing their academic achievements & contributions.

For the year 2024, three eminent women medical & biomedical Scientists were honoured as NAMS “Women in Medicine 2024” for their Academic Excellence & contributions in the Conference organized by Prof. (Dr.) Meenu Singh, Executive Director & CEO, AIIMS Rishikesh, on 10th August 2024.

Dr. Pragya D. Yadav, Director-in-charge, National Institute of One Health, Nagpur played an important role during the COVID-19 pandemic, she contributed to the quick isolation of SARS-CoV-2 virus from India, which was utilized by Bharat Biotech International Limited to generate the first Indigenous vaccine (COVAXIN™).

Dr. Savita Malhotra, Senior Consultant at Fortis Consultant at Fortis Hospital, Mohali, Ex-Dean, Prof. and HOD, Psychiatry PGIMER Chandigarh, has made great contributions to research in child psychiatry, acute and transient psychosis, and telepsychiatry. She got an Indian patent for the Invention “Automated System and Method for Telepsychiatry”

Dr. Sheffali Gulati, Faculty-in-charge, Centre of Excellence & Advanced Research for Childhood Neuro-developmental Disorders, Department of Pediatrics, AIIMS, New Delhi, is a trailblazing figure in the field of pediatric neurology, renowned for her extensive contributions in Autism and other neuro-developmental disorders spans across three decades.

C. Financial Report

Government of India Grant

The position of grant-in aid sanctioned/released by the Ministry of Health and Family Welfare, GoI to the Academy for implementation of the CME programs and expenditures incurred there against during the last three years (2022-23 to 2024-25) are as under :-

(Rs. in lakhs)

Year	Grant Sanctioned	Grant Released	Expenditure (including assets purchased)
2022-23	220.00	220.00	219.44
2023-24	228.00	228.00	227.95
2024-25	300.00	300.00	299.98

Finance

During the year 2024-25, a sum of Rs. 69,49,369/- as Life membership from fellows and members has been credited to corpus. Besides Rs. 66.73 lakhs has been received from savings account and on fixed deposits.

Accounts

The audit of accounts for the year 2024-25 has since been completed by the chartered accountant. The council by circulation has approved the statement of accounts and endorsed in its meeting held on 8th November 2025.

AUDITOR'S REPORT

Report on the Financial Statements

We have audited the accompanying financial statement of **NATIONAL ACADEMY OF MEDICAL SCIENCE (INDIA)** ("The Academy"), which comprises the Balance Sheet as at 31st March, 2025, and the Income and Expenditure Account for the year ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Academy in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India to the extent applicable to the Academy being the charitable institution. This responsibility includes the design, implementation and Maintenance of internal control relevant to the preparation and presentation of the financial Statements that give a true and fair view and are free from material misstatement, whether due to Fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

UDIN: 25088420BMJLGY5762

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Academy preparation and fair presentation of the financial statements in order design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion and to the best of our information and according to the explanation given to us, the financial statements give a true and fair view in conformity with the accounting principal generally accepted in India: -

- a) In the case of the Balance Sheet, of the state of affairs of the Academy as at 31st March 2025.
- b) In the case of the Income and Expenditure accounts, of the excess of Income over expenditure for the ended on that date.

NATIONAL ACADEMY OF MEDICAL SCIENCES (INDIA)
SCHEDULE FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH '2025

SCHEDULE-24 -CONTINGENT LIABILITIES AND NOTES ON ACCOUNTS

1. Nature of Entity

The **National Academy of Medical Sciences** is a society registered under the Societies Registration Act, 1860, engaged in health-related awareness, medical education, professional development, community health camps, and outreach programmes. It operates as a Not-for-Profit Organisation (NPO).

2. Fixed Deposits and Interest Accrued

The Association has made term deposits with nationalised/scheduled banks. As per accrual basis, interest accrued but not received on these FDRs as on 31st March 2025 is ₹_71,02,432/- 0 (PY 68,10,050/-) and has been recognised as income for the year. FDR wise detail of interest accrued not made. This balance is subject to reconciliation and confirmation.

3. Grant Utilisation

Grants received during the year ₹_3,00,00,000, (PY 2,28,00,000) are shown as income. The amount of ₹ 1,20,979 (PY 60,053) remains **unutilised** and is refunded and shown as expense during the year under consideration.

4. Life Subscription Corpus Donations

During the year Life Subscription Corpus of Rs.92,65,825 (PY.(85,30,998/-) received. Out of which 75% life subscription corpus amounting to Rs.69,49,369/-(PY.63,98,248/-) has been transferred to the Life subscription Corpus Fund during the year under consideration as per the bye-laws of the academy. There are no contributions from foreign sources under FCRA during the year.

5. Related Party Transactions

No related party transactions were conducted during the year other than reimbursement of actual expenses incurred by office bearers for official work.

6. NBE Reimbursement of expenses:

The Academy has two buildings, known as the old building and the new building Smt. Kamla Raheja Auditorium and J.S.B. Centre for Multi-Professional Education. The Academy and National Board of Examination (NBE) are sharing the accommodation of the old building in accordance with the terms and conditions which has been approved by Ministry of Health and Family Welfare, Government of India. The Academy is incurring all maintenance expenses, and 50% of those expenses are recovered from NBE as reimbursement of expenses

7. CURRENT ASSETS, LOANS, AND ADVANCES

In the opinion of the Management, the current assets, loans and advances have a value on realization in the ordinary course of business, equal to at least the aggregate amount shown in the Balance Sheet.

8. Tax Exemption

The Association is registered under **Section 12AB** of the Income-tax Act, 1961. There being no taxable income under Income Tax Act 1961, no provision for the Income tax has been considered necessary.

9. Contingent Liabilities

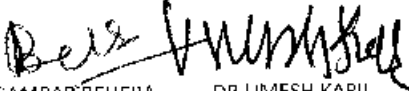

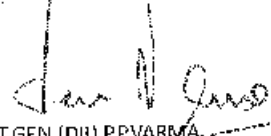

There are no contingent liabilities as on 31st March 2025. (P.Y. 91,60,454/- of Income Tax)

10. Comparative Figures

Figures for the previous year have been regrouped/rearranged, wherever necessary, to make them comparable with the current year's presentation.

11. Schedules forming part of Balance Sheet and Income & Expenditure account:

Schedules 1 to 24 are annexed to and form an integral part of the Balance Sheet as at 31.03.2025 and the Income and Expenditure account for the year ended on that date.

4. Dr. Bhagwant Rai Mittal
5. Dr. S.M. Bose

3. **Report of NAMS 65th Foundation Day held on 21st April, 2025 at NAMS House, New Delhi**

The 65th Foundation Day of the National Academy of Medical Sciences (INDIA) was celebrated on 21st April 2025, at 5:00 PM at NAMS Auditorium, New Delhi. Hon'ble Prof. Satya Pal Singh Baghel ji, Union Minister of State in the Ministry of Fisheries, Animal Husbandry and Dairying, and Minister of State in the Ministry of Panchayati Raj, was the Chief Guest. Dr. M. Srinivas, Director, AIIMS, New Delhi, and Dr. Vivek Lal, Director, PGIMER, were the Guests of Honour.

Lt. Gen. Dr. Velu Nair, PVSM, AVSM, VSM** (Retd), President-Elect NAMS, welcomed the dignitaries and the guests. Dr. Digambar Behera, President NAMS, in his address described the historical development of NAMS, its academic achievements, newer initiatives, and future vision of NAMS. Dr. M. Srinivas, Director, AIIMS, New Delhi, in his address highlighted that the vast pool of eminent medical & biomedical health professionals, which NAMS has its Fellows & Members, is most precious resource to promote excellence in medical education and research in the country. He assured the support of the AIIMS faculty for joint academic activities. Dr. Vivek Lal, Director, PGIMER, in his address, focused on the importance of building values and skills among medical students.

Hon'ble Chief Guest Prof. Satya Pal Singh Baghel ji, Union Minister of State in the Ministry of Fisheries, Animal Husbandry and Dairying; and Minister of State in the Ministry of Panchayati Raj, appreciated the role of National Academy of Medical Sciences (India) in recognising excellence among medical & biomedical scientists and in promoting Continuing Medical Education in the country. He also appreciated the commitment and dedication of Medical & Paramedical professionals during the COVID pandemic towards service to patients and communities. He also highlighted the key services under various Health & Social Security Programmes of the Government of India, such as the National Health Mission and Ayushman Bharat.

The Dignitaries also honoured the following Eminent Medical & Biomedical Scientists:

Dr. G.P. Talwar, former Professor & Head Biochemistry, AIIMS, Founder Director, National Institute of Immunology, Director Research, Talwar Research Foundation 2000 onwards.

Dr. K.K. Talwar, renowned Cardiologist, former Chairman of the Medical Council of India, former

Head Dept of Cardiology, AIIMS, New Delhi & Director of the Post Graduate Institute of Medical Education and Research (PGIMER), Chandigarh.

Dr. N.K. Ganguly, Former Director General (ICMR), Visiting Professor of Eminence, Policy Center for Biomedical Research, Translational Health Science & Technology Institute, Faridabad, India, Honorary Senior Research Professor (Clinical Research), Institute of Liver & Biliary Sciences, New Delhi, & Professor (GRIPMER), The Ganga Ram Institute for Postgraduate Medical Education & Research, Sir Ganga Ram Hospital, New Delhi.

Dr. Saroj Chooramani Gopal, first woman M.Ch, Paediatric Surgeon from All India Institute of Medical Sciences, New Delhi, in the country, Dean of the Faculty of Medicine, Banaras Hindu University, former Vice Chancellor of the King George's Medical University (KGMU), Lucknow, former President, National Academy of Medical.

Dr. Neerja Bhatla, Vice President NAMS, thanked the dignitaries and guests.

Foundation Day Orations of the National Academy of Medical Sciences (India) on 21st April 2025

On the NAMS Foundation Day celebrations, the NAMS Family Members, Eminent National Medical and Biomedical professionals, Presidents of National Professional organisations and National academies are invited.

During the 65th Foundation Day of the National Academy of Medical Sciences (India), organised 21st April 2025 at the National Academy of Medical Sciences Auditorium, NAMS Foundation Day Orations were organised on Breast Cancer and Cancer Cervix for creating awareness among the general public and college students on these important public health issues.

Breast cancer is the most common cancer among women in India, accounting for approximately 25% of all female cancer cases. The age-standardized incidence rate of female breast cancer has increased significantly in recent years. There's a concerning trend of increased incidence in younger Indian women (between the ages of 30 and 40). Dr. S.M Bose, Sr. Consultant, General Surgery, at Fortis Mohali Hospital, former Senior Professor and Head of Surgery from PGI, delivered NAMS Foundation Day oration on the topic of breast cancer.

Cervical cancer is the second most common cancer among women in India, after breast cancer. It is a leading cause of cancer deaths among women in India. India accounts for a significant portion of the global cervical cancer burden. In 2020, India had 123,907 new cases of cervical cancer and 77,348 deaths. Human Papillomavirus (HPV) infection, particularly HPV types 16 and 18, is the primary cause of cervical cancer. Dr. Neerja Bhatla, Padma Shri awardee, for Pioneering Work in Cervical Cancer Prevention, former Head of Obstetrics and Gynaecology at AIIMS Delhi, delivered NAMS Foundation Day oration on the topic of detection, prevention, and management of cervical cancer.

Scrolls distribution for MNAMS & Associate Members

The scroll distribution function was organized for newly elected MNAMS & Associate Members during the 65th Foundation Day of the National Academy of Medical Sciences (India) function, on 21st April 2025.

Dr. Digambar Behera, President NAMS and Lt. Gen. Dr. Velu Nair, PVSM, AVSM, VSM** (Retd.), President-Elect NAMS, distributed scrolls to 30 MNAMS & 10 Associate members during the function.

4. **Guest lecture on "A New Way to Manage Asthma and Eczema in Children: Onesizefits1"**

The National Academy of Medical Sciences (India), organised the guest lecture on 6th August 2025 by Dr. Somnath Mukhopadhyay, Head of Department of Clinical and Experimental Medicine, Chair of Paediatrics, Brighton and Sussex Medical School, UK.

Dr. Digambar Behera, President NAMS welcomed and introduced to the distinguished speaker Dr. Somnath Mukhopadhyay. Dr. K.K. Talwar, in his opening remarks, highlighted that the research work of Professor Somnath Mukhopadhyay on the role of skin barrier function and other gene variation in allergy-related diseases has led to a change in the management of paediatric asthma and eczema. The lecture focused on his research evidence to establish a new person-centred clinical approach at the Royal Alexandra Children's Hospital (Brighton, UK), changing the provision of care for children under 6 months of age. Researchers at BSMS in partnership with the Royal Alexandra Children's Hospital, are currently exploring the importance of public engagement with research. This work seeks to understand the unique interplay of genetic and environmental factors affecting individual children suffering from allergy, asthma, and eczema.

Dr. Y.K. Gupta moderated the session.

5. **NAMS Family Members-2025**

The following eminent scientists have become members of the NAMS Family under various categories as approved by NAMS Council:

- a) Fellowship (FAMS) – 58
- b) Membership (MAMS) – 153
- c) Associate Fellowship (Assoc.-FAMS) – 21
- d) Members after passing DNB (MNAMS) – 380
- e) Associate Members (Assoc. MAMS) – 12
- f) International Fellow (Int. FAMS) – 3

6. **NAMS Task Forces**

NAMS Council had approved various Task Forces to prepare policy papers for the Ministry of Health & Family Welfare, Government of India.

The following task force reports were published in NAMS Annals from 1st April to September, 2025:

- 1. Task force report on oral cancer
- 2. Antimicrobial resistance
- 3. Breast cancer in India

7. **NAMS-AIIMS-PGIMER Navigate-Medico-CME**

The NAVIGATE-Medico CME programme was launched with the objectives to develop a network of medical colleges/ institutions in the country to assist in the development of competencies among PG students and to develop an E-Library.

NAMS, in collaboration with AIIMS, New Delhi, PGIMER Chandigarh and eminent medical scientists, organizes online theme-based Lecture sessions of two hours duration.

Till 30th September 2025, NAMS has organized 8 sessions; the videos of these sessions are available on YouTube and NAMS website.

8. **NAMSCON-2025** will be held at Postgraduate Institute of Medical Education and Research, Chandigarh, from 7th - 9th November, 2025. The Convocation will be held on 8th November, 2025.
9. **Leadership Development (LEAD)** : This important initiative has been launched for Directors, Deans, Heads of Departments, and senior faculty members of AIIMS, medical colleges, and institutions of national importance. The programme aims to empower them to become visionary leaders and effective agents of change.

The 4th NAMS Leadership Development (LEAD) National Conference will be organized from 23rd - 25th October, 2025 at NAMS, Ansari Nagar, New Delhi, in which 31 participants from AIIMS and other institutions will participate. This will be followed by two follow-up sessions for the participants.

The resource persons will be the eminent medical leaders & administrators. The main highlight of the Conference will be the "Meet the Leader" sessions, in which the eminent medical & biomedical leaders of the country will share their experiences with participants.

10. Online Certificate course on AI in Health for Medical Students & Health Professionals, initiated by NAMS was a great success. The second batch was started in July, 2025. The 110 students participated and complete the course. A full day of physical interaction of the participants with the IT Professionals was organized at two places in Hyderabad and NAMS, Delhi.

**F. Guidelines approved by NAMS Council
during its Meeting held on
01st April, 2025 and 30th September, 2025**

The Guidelines for NAMSCON.

Guidelines for Organization and Funding of Annual Conference of National Academy of Medical Sciences (India) (NAMSCON)

(Including Mid-Term NAMSCON)

Annual Conference of National Academy of Medical Sciences (India), also known as NAMSCON, is a prestigious function and is a matter of pride for the organizers and the organizing institution. The same applies to the mid-term conferences.

The following guidelines are laid down to facilitate the organization of these conferences and to clarify the roles and responsibilities of the various stakeholders.

Responsibilities of the Organizing Committee (Including the Head of the Host Institution) **(Some time there may not be an institution involved, but desirable)**

- i. A Fellow of the Academy who wishes to organize an annual or mid-term conference of NAMS, will submit a proposal to this effect to the Academy in a prescribed performa (A performa should be made for submitting the proposal: already made / approved Ann 1). The proposal should include the details of an Organizing Committee (of at least 3 members, Chairman, Org. Secretary and Treasurer), which must be headed by a Fellow of the Academy.
- ii. The organizing committee will make scientific programme in close coordination with NAMS secretariate. Scientific programme normally should consist of Guest lectures, Key-note lectures, parallel, theme-based CME programmes and Workshops on important contemporary medical and health issues during the NAMSCON, for students, faculty members and medical professionals. The conference duration and the number of sessions would generally correspond to the past practice, and be mutually decided by the Organizing Committee and NAMS.
- iii. The Organizing Committee will have the primary responsibility for generation of funds, through various sources including but not limited to registration fees for attending the conference and grants and sponsorships from various agencies.
- iv. The Organizing Committee will sign an MOU (draft enclosed Ann 2), which may includes an undertaking by the Organizing Committee to NAMS that the Committee will generate their own resources and funds for various purposes, including venue, auditorium, lecture theatres, A-V Aids, zoom ink etc. and other support facilities.
- v. The Organizing Committee may seek collaboration with local universities, medical/ dental/ nursing colleges, professional bodies, other organizations in government and private sector for sharing of resources, such as infrastructure, logistics, hospitality, sponsorship of academic sessions, etc.
- vi. The responsibility of handling all the regulatory compliances related to the conference funds will be of the Organizing Committee, including but not limited to bank account, PAN, TAN, GST number etc. NAMS PAN, TAN etc. will not be available to organizing committee for this purpose.
- vii. The preparations for NAMSCON should be started much in advance (prior to submission of the Bid to host the NAMSCON) for smooth organization.

- viii. NAMS logo should be shown on every Podium Backdrop, print document, virtual platform, social media and certificates etc during the conference
- ix. The Organizing Committee will undertake to provide the following:
 - 1. Travel, logistics and local hospitality for (i) 3 (Key Note) speakers invited by NAMS from within India, (ii) the Chief Guest(s), (iii) up to three Guests of Honour and d) up to 5 officers or staff members of NAMS.
 - 2. Infrastructure and facilities for organizing the General Body Meeting of NAMS, the Council Meeting and other committee meetings of NAMS and sessions for presentations by the newly-elected Fellows/ Members/ Associate Fellows/ MNAMS, etc.
- x. The Organizing Committee will make every effort to seek participation of a large number of Fellows (including the newly-elected Fellows, Members and Associate Fellows) at the NAMSCON.
- xi. The Organizing Committee will submit an audited statement of accounts within 120 days after the end (Conclusion) of NAMSCON.

Responsibilities of National Academy of Medical Sciences (India)

- i. NAMS should have a core committee (including the State Convener) to have close coordination with the organizing committee of every NAMSCON.
- ii. The Core committee will review the Performa submitted by the applicant fellow for organizing the NAMSCON for the credibility and feasibility of the NAMSCON at proposed city and venue by the concerned fellow.
- iii. NAMS will coordinate with the Organizing Committee of the proposed NAMSCON duration and of the various sessions that should customarily be held at the conference.
- iv. If the Organizing Committee so requests, NAMS will extend an advance seed money (of up to Rs. 2.00 lakh for the annual NAMSCON and up to Rs. 1.50 lakh for the mid-term NAMSCON) to the Organizing Committee. This amount will be returned by the Organizing Committee to NAMS within 3 to 4 months after the NAMSCON.
- v. NAMS has some funds to support CMEs. It can thus consider providing financial support for the CMEs during the or Pre-conference, as per its guidelines for CMEs. The proposal for such CME(s) should be separately sent to NAMS at least 3 months in advance of the event and complying with all the requirements for holding CME.
- vi. NAMS will support travel, logistics and registration fee for its Council Members ONLY, who attend the NAMSCON and/or its Council meeting / Convocation.

Draft MoU/Document of Agreement between (Ann 2)

NAMS and
the Organizing Chairman hosting the annual/mid-term NAMSCON

The purpose of this MOU is to document the terms and conditions between the National Academy of Medical Sciences (India) (hereinafter called NAMS) and the Host Organizing Chairman NAMSCON (hereinafter called the Organizing Chairman) who has agreed to host the NAMS an annual/mid-term National Conference (hereinafter called the NAMSCON), the details of which appear in the title of this document.

The two parties jointly agree to act as follows:

1. The NAMS grants to the Organizing Chairman and the Organizing Chairman accepts all duties and responsibilities for planning, development, and implementation of the concerned NAMSCON. The Organizing Chairman agrees to use all efforts to organize a successful scientific, educational and cultural event.
2. The Organizing Chairman/Secretary will arrange to share the NAMS with facilities, equipment, and secretarial and clerical services for the conduct of its organizational affairs during the course of the NAMSCON. The NAMS agrees to, consistent with its capacity and to the extent requested by the Organizing Chairman/Secretary, provide assistance to the Organizing Chairman/Secretary in assuring the success of the NAMSCON. NAMS shall also provide finances as per the norms for holding pre-decided CMEs, Orations, Lectures and Symposia as per rules and regulations.
3. The delegate registration fees shall be such that these can support the organization of the event and shall be inclusive of all events and related taxes that the Organizing Chairman/Secretary may have to pay to various government departments, though this may not be detrimental for participation of the conference. Additional revenue may be generated from participants at a trade exhibition and from other sponsors under various other heads.
4. The Organizing Chairman shall constitute an Organizing Committee to help him in various aspects of organization of the NAMSCON, and inform its constituents (Constituents) to the NAMS. All communications between the Organizing Committee and NAMS will be routed through the Organizing Chairman.
5. The Organizing Chairman will periodically provide NAMS with updated information during the course of planning and development of the NAMSCON. The Organizing Chairman will maintain segregated accounts of all income and expenditure relating to the planning and development of the NAMSCON. The accounts of the NAMSCON will be held and accessed directly only by authorized representatives of the Organizing Chairman.
6. The NAMS may provide the Organizing Chairman, on the latter's request, an interest-free loan as "**Seed Money**" for initial planning and development of NAMSCON or Mid Term Conference, of up to Rs. 200,000 (Two hundred thousand Rupees) / Rs. 150,000 (one hundred and fifty thousand only) respectively. This loan amount shall be repayable as soon as possible but always within 90 (120) days after the end conclusion of NAMSCON or the end of the accounting year in which it was received, whichever is earlier. This repayment shall not be dependent on the financial outcome of the NAMSCON.
7. The Organizing Chairman shall inform the NAMS of its selection of a PCO Professional Conference Organiser if any and send a copy of the draft agreement between the Organizing Chairman and the PCO prior to its signing. NAMS shall have a right to suggest changes to such draft agreement.

8. The Organizing Chairperson undertakes to submit an audited final financial account of the NAMSCON, prepared in accordance with generally accepted accounting principles, to NAMS no later than four (4) months after the last date of the NAMSCON.
9. The NAMS shall receive all 25% of the excess of revenue over all expenses, prior to any incentivized payments to the PCO, immediately following completion of the final audit. Any deficit resulting from an excess of expenditure over all revenue will be borne by the Organizing Committee. It is vital that the Organizing Chairman takes into consideration any taxes and currency transfer implications while preparing budget or spending on various activities for NAMSCON.
10. The Organizing Chairman may obtain an insurance policy comprehensively covering any damage and/or public liability for the NAMSCON – naming primarily the Organizing Chairman, NAMS Office Bearers or the Council and related members and staff of these organizations as the insured parties.
11. At its discretion, the Organizing Chairman may also obtain an insurance cover insuring the Organizing Committee against financial loss in the event of cancellation or impairment of the NAMSCON due to any unforeseen catastrophic event(s) or Force majeure.
12. Under No Circumstances, the NAMS Office and the President / Council Members, will be held responsible for any financial defaults/Liabilities towards unpaid expenses or any legal liabilities/or law suits arising out of any such disputes.
13. The Organizing Chairman will have the exclusive right to solicit contributions in support of the planning, development and conduct of the NAMSCON. Any such contributions shall be credited to the account opened for organization of the said NAMSCON.
14. The Organizing Chairman agrees to work in close cooperation with the NAMS Committee in the development and conduct of the programme for the NAMSCON.
15. The NAMS grants to the Organizing Chairman the rights to use the name and logo of the NAMS in connection with promotion, planning, development and implementation of the NAMSCON. The NAMS will indicate in all publicity that it is NAMS Annual Conference.
16. The Organizing Chairman undertakes to provide complimentary NAMSCON registration to the NAMS President, President-Elect and Immediate Past President (and their spouses), and Secretary of NAMS (Rest is already reimbursed by NAMS).
17. The Organizing Chairman also undertakes to provide complimentary accommodation for the NAMS President (and spouse) and NAMS Secretary from the time of arrival at the NAMSCON venue city to the final day of the NAMSCON.
18. The NAMS reserves the right to suspend or to alter this agreement in case of failure of compliance by the Organizing Chairman with these guidelines, which is not remedied within 30 days of a request in writing from the NAMS.

Agreed by the two parties and signed on their behalf:

NAMSCON Bid Form (Ann. 1)

Please fill the form as per the format. It will help the evaluation process.

City (State) where the congress is proposed:	
Name of the bidder (Host Chairperson):	
Email of the bidder (Host Chairperson):	
Nearest airport with distance:	
Nearest Railway Station with distance:	
Proposed Congress venue:	
Proposed dates:	
Number of Fellows in the City/locality:	
What is usual temperatures of the city during the Congress dates?:	
Likelihood of rain in the city during the Congress dates?:	
Names of at least 3 Fellows who will be part of Organizing Committee:	1
	2
	3
Are there permanent halls for two simultaneous sessions, E-posters and a lobby?:	Yes/No
Is there hall that can accommodate at least 200 delegates?	Yes/No
Where will the trade exhibition be organized?	Yes/No
Will there be a room(s) for holding meetings of NAMS Council and other meetings during the day time?:	
Will there be facility for packed lunches for lunch symposia which can be served in the main hall while the symposia continue?	Yes/No
Will a server, 25 independent terminals and software to allow searchable database of posters be provided for E-posters?	Yes/No
Please provide the number of hotel rooms that will be available within 1 km and 5 km radius of the venue: 4-5 star	
Please provide the number of hotel rooms that will be available within 1 km and 5 km radius of the venue: 3 stars	
Will the Organizing Committee negotiate rates that are less than the normal tariff?	Yes/No
Will subsidized accommodation, e.g. guest houses be provided to students by the Organizing Committee?	Yes/No
How many postgraduates from the city/nearby areas are expected to come for the CMEs/courses:	
Do you agree to contribute 25% of the Conference savings (If any) to the NAMS?	Yes/No
How much money you expect to be able to contribute to the NAMS accounts as part of Congress proceedings:	
When was the NAMSCON last held in this city:	
When was the NAMSCON last held in this city:	
What are the attractions for accompanying delegates:	
Will there be official sightseeing tours? If yes, please provide details: Will there be official Conference / Convocation Banquet? If yes, please provide details:	

Signature of Fellow Bidding for Conferences

Terms of Reference (TORs) for NAMS Standing Committee

Terms of Reference (TORs) for Standing Committees

1. Constitution of Standing Committees of NAMS:

As per the NAMS Memorandum of Association, Rules and Regulations, and Byelaws, there shall be the following Standing Committees:

1. Finance Committee
2. Academic Committee
3. Academic Excellence Recognition Committee
4. Estate Committee (Building Committee)
5. Publication Committee, and
6. Disciplinary Committee.

The Council may decide to set up additional Standing Committees with specific terms of reference for smooth functioning of the Academy.

Further, the Council may also set up one or more hoc committees for any specific work for a limited duration.

2. Membership of Standing (and Ad-hoc) Committees:

Each Standing Committee will be chaired by one of the Members of the Council. It can have up to seven members, who will be nominated by the Council from among the Fellows (who must form at least two-thirds of the members of the Standing Committee) or elected Members of the Academy.

The Council or Committee (with permission of the Council or the President) may invite any person other than Fellows or elected Members to attend one or more meetings of the Standing Committee as Special Invitee.

3. Terms of reference of Standing (and Ad-hoc) Committees:

The terms of reference and scope of work of each Standing committee are defined below.

However, the Council can review and revise these as necessary from time to time. For any Ad- hoc Committee being set up, the Council will lay down the duration of its operation and the terms of reference.

4. Functioning of Standing (and Ad-hoc) Committees:

The Standing (and Ad-hoc) Committees will function as follows:

- 4.1. The Chairperson should be a Council Member (as is the current practice). Both the Chairperson and; the Secretary should be nominated by the Council. The Standing Committee may invite subject matter experts as and when required.
- 4.2. Secretary of a Standing Committee shall keep record of its deliberations and submit a report to the Council through the Chairperson of the respective Committee;
- 4.3. The tenure of these Standing Committees should be three years and this may not be Co- co-terminus with the tenure of the President. The frequency of meetings may be decided by the

Council. However, there can be ONE Ex-officio Member in each committee to ensure continuity.

- 4.4. The standing committees work in an advisory capacity, and their reports will be presented to the Council, which will take any decisions regarding action on or implementation of their recommendations; and
- 4.5. A person cannot serve on more than two Standing Committees simultaneously.
- 4.6. Members of Standing Committees may receive traveling and halting allowances (TA and DA) for attending the Committee meetings, as per the rates prescribed under the Government of India's rules/Council, as applicable from time to time.

5. **Terms of reference of the Finance Committee**

The Committee shall provide guidance and recommendations to the Council on financial matters related to the Academy, including oversight on budget, analysis of financial status, compliance with financial regulations, and improving transparency and accountability in financial operations. The Finance Committee may invite expert(s) in the field of Finance as and when required.

Its key responsibilities shall include providing advice on:

- (a) Budget and accounting of funds of the Academy,
- (b) Oversee the accounts,
- (c) Oversee the vouchers of the receipts and expenditure of the Academy.
- (d) Annual Financial Statements of NAMS (Balance Sheet and Income and Expenditure Account), before these are (i) signed by the authorised signatories viz. President, Secretary and the Accounts Officer and (ii) handed over to the Statutory Auditors (Chartered Accountant) for conducting audit, shall be reviewed by the Finance Committee and sent to the Council for approval.
- (e) The Annual Financial Statements (Balance Sheet and Income and Expenditure Account) of the Academy shall be audited by a Chartered Accountant so appointed by the NAMS Council for the purpose. The Annual Financial Statements along with the Auditors' report thereon shall, after its review by the Finance Committee, will be placed before the NAMS Council for adoption and then, on adoption by the Council, shall be printed in the Annual Report of the Academy.
- (f) Financial Compliance: They ensure adherence to financial regulations and policies, promoting ethical and responsible financial practices.
- (g) They provide strategic financial advice to the Council, supporting informed decision-making on financial matters.
- (h) Risk Management: The committee helps identify and mitigate financial risks, protecting the organization from potential losses.
- (i) Internal Controls: Ensure the establishment and maintenance of effective internal controls to safeguard assets and prevent fraud.
- (j) review the Academy's capital structure and annual capital plan, including its capital

adequacy and capital planning process, stress-testing and related activities, capital raising, capital distributions, as well as approve and recommend to the full Council approval of our annual capital plan submission and capital management policy;

- (k) review financial aspects of the Corporation's recovery and resolution plans;
- (l) review the Corporation's asset/liability management; and
- (m) review any additional matters that the Council may direct to the Committee.

6. Terms of reference of the Academic Committee

The Academic Committee is tasked with supporting the Council in overseeing and advising on all academic matters, ensuring the quality and integrity of educational programmes organized or supported by the Academy in any manner. For this, it will:

- (a) Work and collaborate with academic institutions in India and establish partnerships with various stakeholders to develop networks of expertise across disciplines and domains to advance health, practice of medicine, and the development and use of related technology.
- (b) Provide evidence-based advisory services, by using expertise of accomplished and talented healthcare professionals from across the country and abroad. In this role, it is expected to act as a think-tank to provide intellectual leadership and direction to the medical and public health ecosystem, which may also provide expert evidence-based or consensus-driven solutions or approaches on various health-related issues.
- (c) To prioritize themes for developing and conducting CME programmes.
 - i. Review and approve funding support or accreditation of the CME programmes proposed by various institutions or organizations.
 - ii. Set policies for providing financial support and/or accreditation to CMEs, evaluate outcomes of such CMEs, and generally ensure compliance with accreditation standards.
 - iii. Identify educational needs of the medical professionals around the country and provide guidance to CME planners.
 - iv. Facilitate the conduct of professional CME programmes for healthcare professionals across India and abroad.
 - v. Establish a network of partner institutions to host and facilitate the initiatives of the NAMS in providing a reliable source of CME for healthcare professionals.

7. Terms of reference of the Academic Excellence Recognition Committee

The Academic Excellence Recognition Committee is tasked with supporting the Council in overseeing and advising on matters related to recognition of academic excellence by the Academy. For this, it will:

- (a) Periodically review and suggest changes in guidelines, application procedure and assessment criteria for Academy's 'Recognition of Academic Excellence' (RAE), which is aimed at identifying and honouring eminent scientists in the field of medical, biomedical and dental sciences.

- (b) Evaluate applications for RAE as per the criteria laid down by the Council and recommend the names of suitable applicants for selection for various forms of recognition.
- (c) Evaluate applications for Emeritus Professorships awarded by the Academy as per the criteria laid down by the Council and recommend names of suitable applicants for this purpose.

8. **Terms of reference of the Estate Committee**

The Building Committee is tasked with supporting the Council in overseeing and advising on matters related to buildings and other infrastructure of the Academy. For this, it will:

- (a) Periodically review the physical infrastructure and facilities at NAMS House, in relation to requirements of the NAMS Office.
- (b) Ensure compliance with regulations, and maintaining the overall condition of buildings.
- (c) Prepare proposals for upgradation of physical infrastructure and facilities at NAMS House, as per requirements of the NAMS Office, and submit these to the Council.
- (d) Act as an advisory body for issues related to new constructions, renovations, and repairs, ensuring that the projects align with organizational goals
- (e) To generally oversee of all major capital works including construction, renovation and repairs (after securing the necessary administrative approval and financial sanction) to ensure that these are completed efficiently and safely
- (f) Advise the Council about procedures for enlistment of suitable contractors and the acceptance of tenders

9. **Terms of reference of the Publication Committee**

The Publication Committee is tasked with overseeing and guiding the Academy's publishing activities, including ensuring that its publications meet the necessary standards of quality, relevance, and ethical standards. For this, it will:

- (a) Periodically review the publication programme of the Academy, including books, journals, scientific communications, magazines, monographs, or any online or other hardcopy publications, and propose policies in this regard.
- (b) Assess the editorial quality and content of the publications of the Academy, and make recommendations to the Council.
- (c) Serve as a channel for communication between Fellows/Members/Associate Members of the Academy and other users of the Society's publications, the editorial teams for various publications of the Academy and the Council, to ensure that the needs of users are addressed within the parameters of quality, ethical standard and available resources.
- (d) Consult with and advise the editors of the above publications on issues related to editorial policy, content and quality of various publications.
- (e) Provide advice to the Council on matters of appointments concerning the various publications.

- (f) Make recommendations to the Council related to the needs and adequacy of the publications of the Society, including for initiation of new publications and curtailment of ongoing efforts, or changes in the focus and/or content of various publications.
- (g) Look at issues related to copyright on the various publications of the Academy.

10. **Terms of reference of the Disciplinary Committee-**

The Scope of Disciplinary Committee should be restricted to issues related to all NAMS Fellowships and; Memberships. For this, it will:

- (a) Propose the establishment of rules of conduct for Fellows, Members, Associate Members and staff of the Academy, educate the various stakeholders on these rules,
- (b) Examine any complaints against one or more Fellows, Members, Associate Members and staff members of the Academy that may be referred to it by the Council, prepare a report and propose appropriate action.
