

National Academy of Medical Sciences (India)
Format for Report of academic activities carried out during the visit of
Emeritus Professor 2023.

1. **Name of the Institution visited:** Bharti Vidyapeeth Medical College, Pune

Address & contact details: Medical College Road, Pune - Satara Rd, Dhankawadi, Pune, Maharashtra 411043

Department (s) visited: Medical Education

Date of the visit from to 12-13 July 2023

2. **Please indicate the details of academic activities carried out during the period**

Academic Activity	Name of the Topic Lecture/Seminar /CME/Skill building	Nature & number of participants	Remarks
Lecture sessions	Introduction to NAMS: PPT and Video	40 Attendance sheet attached (includes organizers)	Participants were oriented to activities of NAMS and encouraged to apply for membership/Fellowship
Workshop	Teaching and assessing professionalism	36 Faculty. Attendance sheet attached	Conducted an interactive workshop as per schedule attached.
Lecture	Examinations and beyond	120 students of Final phase	Orientation to self-directed learning and need to learn communication, ethics, and professionalism
Lecture-discussion	Navigating the new curriculum	10 members of medical education cell and curriculum committee	Informed and helped the members to make best use of curricular opportunities. Need for research in medical education.
Lecture	Assessment for learning	100 teachers from various departments	Making most of assessment to use it as an aid to learning. Designing classroom formative assessments
Discussion	PG teaching	8 faculty from Pediatrics department	Helped to clear issues and design learning strategies.

2.1. Brief description on mentoring & development of newer technologies/services in the specialty at the institution: The program and discussions centered round teaching and assessing for professionalism, an area which is neglected so far in our country. The new curriculum places lot of emphasis on Indian Medical Graduate being a professional. Appraised the faculty and students on learning professionalism.

2.2. Brief description on the guidance in research projects in the specialty at the institution Programs. Medical education research is a neglected area in most colleges, although plenty of opportunities exist. Suggested some areas where such research could be carried out. Some of the data collected by them was reviewed and improvements suggested.

2.3. Brief description on the guidance in writing research papers in the specialty at the institution Programs. Discussions included role of research in medical education and the faculty of medical education were guided to create opportunities to conduct research and publish out of their day-to-day work.

2.4. Please attach the agenda of scientific CME organized by you. Attached.

2.5. Additional points: The certificates issued to the participants carried NAMS logo and signatures of NAMS Emeritus Professor.

2.6. Suggestions: I have the following suggestions:

- a. A copy of the approval letter should be marked to the Institute also so that they have no hesitation in using NAMS logo on publicity material and certificates.
- b. PPT and video about NAMS has lot of overlap. Using only PPT may be good enough.

18 July 2023

Tejinder Singh, FAMS
NAMS Emeritus Professor: Medical Education
221-D/1, BRS Nagar, Ludhiana 141012

Bharti Vidyapeeth Medical College, Pune
