

NAMS invites comments/suggestions from experts on Draft NAMS Task force reports

This page has been created to receive remarks & suggestions of medical & biomedical scientists, policy makers, program managers, social scientists and experts by 20th June 2024 on email Id: umeshkapil@gmail.com. Please share your comments/suggestions on each task force separately on an individual page.

NAMS has constituted several Task Forces of eminent medical professionals from Government and private organisations as well as the representatives from the MoHFW to prepare policy documents to provide a critical review of the current infrastructure, facilities, technologies, policies, programmes, etc. in the country, identify the gaps in the current situation, and suggest way forward for policymakers, health/medical professionals and to create awareness among general public, NGOs, other Community stake holders, in context of the identified health issues.

The final reports of Task Forces, after incorporating the comments/ suggestions will be submitted to the policy making bodies of government of India for consideration in framing policies on health issues.

Please share your comments/suggestions on each task force separately on an individual page by 20th June 2024 on email Id: umeshkapil@gmail.com.
